Curriculum Associates®

Information on Professional Learning Sessions

Protecting the health and safety of the educators we serve and their students, as well as the health and safety of our employees, is of paramount importance to Curriculum Associates. In the event of a (i) government-declared public health emergency or (ii) weather event, that materially impacts in-person instruction, sessions may transition to a virtual format. Curriculum Associates' policy is to only provide PL sessions in person where one of our employees can reach the session site by car and where adequate safety measures are in place to protect the health of our session leaders and participants. Curriculum Associates reserves the right to switch any session from in-person to virtual if we cannot safely reach a session site, or if adequate health safety measures cannot be put in place.

If your school or district will not permit visitors at the time of a scheduled session, Curriculum Associates would be happy to provide an equivalent live, virtual session via videoconference. Similarly, Curriculum Associates will comply with your school or district's health and safety requirements regarding on-site visitors if we are given adequate advance notice.

Any questions regarding scheduling in-person or virtual training sessions should be directed to pdoperations@cainc.com.
