Dear Chief Shimpeno,

During the June 26, 2019 commission meeting, the Commission for Florida Law Enforcement Accreditation approved revisions to the accreditation agreement. Please be sure to read the enclosed agreement in its entirety as significant changes were made and include the following:

- In order to be considered for an extension, whether an initial or reaccreditation, the applicant must send an agency command level representative to appear before the Commission.
- Language was added allowing the Commission to defer a review or assessment if they become aware of events, circumstances or external criminal justice investigations that cause significant concerns regarding the agency's past, current or future ability to comply with standards. If such events, circumstances or external criminal justice investigations result in causing substantial doubts of the agency's past, current or future compliance with standards, the Commission has the right to revoke the agency's accreditation.

Enclosed please find the current accreditation agreement. Please sign and return to the Florida Accreditation Office by August 31, 2019. If you prefer to email your agreement to the office, you may send it to flaccredit@fdle.state.fl.us. The executed agreement will be returned to your agency and an electronic copy will be maintained in the agency file.

Should you have any questions or concerns regarding information contained in this letter, please contact our office.

Sincerely,

Lori Mizell
Executive Director
