City of Pembroke Pines
Attn: Steven Buckland
Pembroke Pines, FL 33025

Dear Mr. Buckland,

As we approach the end of the 22-23 school year, as well as our 11th year of successful service to the Pembroke Pines Charter School System, we are obligated to assess the current, continued financial pressure. Changes in the economy, labor market, and consumer goods have unexpectedly increased drastically.

There is a 6.98% increase in the CPI for janitorial services, in addition to, an eighteen percent (18%) increase in all consumable supplies including paper, plastics and hand soap. Additionally, the Florida minimal wage amendment will mandate another eight percent (8%) increase in pay for all workers throughout the system.

As a result of these specific and other economic pressures (insurance, taxes, etc.), we are requesting a 9.78% increase in our rate effective July 1, 2023. These additional funds will be allocated towards increasing retention of the current, dedicated custodial staff and hopefully attract new staff as openings appear.

We are proud of our partnership and commitment to our students over the years and look forward to continuing our business relationship.

2. On May 17, 2017, Commission approved the motion to place all contracts from the Contract Database Reports on consent agendas as they come up for contractual term renewal so that City Commission affirms directions to administration whether to renew or to go out to bid.
3. The Agreements shown below are listed on the Contracts Database Reports for renewal.

(A) Reaxium, Inc. - Charter School Bus and Student Tracker - Renewal

1. On August 13th, 2020, the City entered into an agreement with Reaxium, Inc. for an initial three (3) year term, commencing on August 5th, 2020 and expiring on August 4th, 2023.

3. Section 3.2 of the Original Agreement authorizes the renewal thereof for two (2) additional three (3) year renewal terms, upon mutual consent, evidenced by written amendments.
4. Due to COVID-19 restrictions during the pandemic, students were not utilizing school bus transportation and implementation of the system was therefore delayed.
5. All system hardware is now in place and both the transportation management component of the system with GPS telematics and the rider management component are expected to go live before the end of this school year.
6. Once the management component is fully implemented and live and the minimum market share is reached, the Schools shall receive 10% of the Reaxium Mobile Application subscription gross revenue. The Schools' share of Rexium Mobile Application subscription gross revenue shall increase by 1% annually thereafter, in accordance with the terms of the Agreement.
7. The Charter Schools recommend that the City Commission approve this First Amendment

SUMMARY EXPLANATION AND BACKGROUND:

On July 21, 2017, the City Commission approved the findings and recommendation of the evaluation committee and awarded RFP # ED-17-02 "Janitorial Services for Charter Schools & Early Development Centers" to Safeguard Services, Inc. in the annual amount of \$1,295,910 for an initial (3) year period, commencing July 1, 2017 and expiring June 30, 2020.

Agenda Request Form Continued (21-0682)

2. The purpose of the solicitation was to provide janitorial services to charter schools and early development centers throughout the City.
3. On December 19, 2017, the City entered into the First Amendment of the Original Agreement to add a contingency amount of \$24,500.
4. On August 7, 2019, the City entered into the Second Amendment of the Original Agreement to waive the payment and performance bonds.
5. On December 4, 2019, the City Commission approved the Third Amendment of the Original Agreement which renewed the agreement for a three (3) year renewal term commencing July 1, 2020 and ending June 30, 2023.
6. On July 12, 2021, Safeguard Services, Inc. sent a letter to the City requesting an increase in the contract amount due to increasing labor costs attributed to the passage of Florida Amendment 2, which will increase the minimum wage by 15.6% effective September 30, 2021.

4.4 All payments shall be governed by the Florida Prompt Payment Act, as set forth in Part VII, Chapter 218, Florida Statutes.

ARTICLE 5
CHANGES IN SCOPE OF WORK

5.1 CITY or CONTRACTOR may request changes that would increase, decrease, or otherwise modify the Scope of Services, as described in **Exhibit "A,"** to be provided under this Agreement as described in Article 2 of this Agreement. These changes will affect the monthly compensation accordingly. Such changes or additional services must be in accordance with the provisions of the Code of Ordinances of the CITY, and must be contained in a written amendment, executed by the parties hereto, with the same formality, equality and dignity herewith prior to any deviation from the terms of this Agreement, including the initiation of any additional or extra work.

6.2 The CONTRACTOR agrees to keep such Bonds, or a replacement thereof, in force at all times during the course of performance of this Agreement. In addition to the foregoing requirements, such Bond shall contain provisions, whether by attaching endorsements or supplemental agreements, guaranteeing to the CITY the completion of services of the performance of this Agreement. CONTRACTOR may comply with the requirements of this provision by causing said Bond to specifically name the CITY as one of the parties to whom the protection afforded by said Bond is extended or as an alternative, may furnish the CITY with a separate Performance Bond meeting the same criteria provided above.

ARTICLE 7

7.2 Upon completion of all Services, obligations and duties provided for in this Agreement, or in the event of termination of this Agreement for any reason, the terms and conditions of this Article shall survive indefinitely.

7.3 CITY reserves the right to select its own legal counsel to conduct any defense in any such proceeding and all costs and fees associated therewith shall be the responsibility of CONTRACTOR.

7.4 Nothing contained herein is intended nor shall be construed to waive City's rights and immunities under the common law or §768.28, Florida Statutes, as may be amended from time to time.

ARTICLE 8 **INSURANCE**

8.1 The CONTRACTOR shall indemnify and hold harmless the CITY and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the CITY or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement by the CONTRACTOR or its employees, agents, servants, partners principals or subcontractors. 8.2 CONTRACTOR shall not commence work under this Agreement until it has obtained all insurance required under this paragraph and such insurance has been approved by the Risk Manager of the CITY nor shall the CONTRACTOR allow any subcontractor to commence work on his subcontract until all similar such insurance required of the subcontractor has been obtained and similarly approved.

CONTRACTOR shall agree to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause. CONTRACTOR further agrees that he/she/it will ensure that subcontractors, if any, will be made aware of and will comply with this nondiscrimination clause.

ARTICLE 10

INDEPENDENT CONTRACTOR

10.1 This Agreement does not create an employee/employer relationship between the parties. It is the intent of the parties that the CONTRACTOR is an independent contractor under this Agreement and not the CITY's employee for all purposes, including but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the State Workers' Compensation Act, and the State unemployment insurance law. The CONTRACTOR shall retain sole and absolute discretion in the judgment of the manner and means of carrying out CONTRACTOR's activities and responsibilities hereunder provided, further that administrative procedures applicable to services rendered under this Agreement shall be those of CONTRACTOR, which policies of CONTRACTOR shall not conflict with CITY, State, H.U.D., or United States policies, rules or regulations relating to the use of CONTRACTOR's Funds provided for herein. The CONTRACTOR agrees that it is a separate and independent enterprise from the CITY, that it has full opportunity to find other business, that it has made its own investment in its

business, and that it will utilize a high level of skill necessary to perform the work. This Agreement shall not be construed as creating any joint employment relationship between the CONTRACTOR and the CITY and the CITY will not be liable for any obligation incurred by CONTRACTOR, including but not limited to unpaid minimum wages and/or overtime premiums.

ARTICLE 11
UNCONTROLLABLE FORCES

11.1 Neither CITY nor CONTRACTOR shall be considered to be in default of this Agreement if delays in or failure of performance shall be due to Uncontrollable Forces, the effect of which, by the exercise of reasonable diligence, the non-performing party could not avoid. The term "Uncontrollable Forces" shall mean any event which results in the prevention or delay of performance by a party of its obligations under this Agreement and which is beyond the reasonable control of the nonperforming party. It includes, but is not limited to fire, flood, earthquakes, storms, lightning, epidemic, war, riot, civil disturbance, sabotage, and governmental actions.

11.2 Neither party shall, however, be excused from performance if nonperformance is due to forces, which are preventable, removable, or remediable, and which the nonperforming party could have, with the exercise of reasonable diligence, prevented, removed, or remedied with reasonable dispatch. The nonperforming party shall, within a reasonable time of being prevented or delayed from performance by an uncontrollable force, give written notice to the other party describing the circumstances and uncontrollable forces preventing continued performance of the obligations of this Agreement.

ARTICLE 12
AGREEMENT SUBJECT TO FUNDING

12.1 This agreement shall remain in full force and effect only as long as the expenditures provided for in the Agreement have been appropriated by the City Commission of the City of Pembroke Pines in the annual budget for each fiscal year of this Agreement, and is subject to termination based on lack of funding.

VENUE

13.1 This Agreement shall be governed by the laws of the State of Florida as now and hereafter in force. The venue for actions arising out of this agreement shall be in Broward County, Florida.

ARTICLE 15

MERGER; AMENDMENT

15.1 This Agreement constitutes the entire Agreement between CONTRACTOR and CITY, and negotiations and oral understandings between the parties are merged herein. This Agreement can be supplemented or amended only by a written document executed by both CONTRACTOR and CITY with the same formality and equal dignity herewith.

ARTICLE 16 **DEFAULT OF CONTRACT & REMEDIES**

16.1.1 **Damages.** CITY reserves the right to recover any ascertainable actual damages incurred as a result of the failure of CONTRACTOR to perform in accordance with the requirements of this Agreement, or for losses sustained by CITY resultant from CONTRACTOR's failure to perform in accordance with the requirements of this Agreement.

16.1.2 **Liquidated Damages.** As a breach of the service provided by this Agreement would cause serious and substantial damage to CITY Property, and the nature of this Agreement would render it impracticable or extremely difficult to fix the actual damage sustained by CITY by such breach, it is agreed that, in case of breach of service wherein CONTRACTOR fails to maintain the Property, leaving the said property in disrepair, CITY may elect to collect liquidated damages for each such breach, and CONTRACTOR will pay CITY as liquidated damages, and not as penalty, FIVE HUNDRED DOLLARS (\$500.00) for every day of such malfunction. This sum is the agreed upon amount by which CITY will be damaged by the breach of such service. An election to seek such remedies shall not be construed as a waiver of any legal remedies CITY may have as to any subsequent breach of service under this Agreement.

16.1.3 **Correction of Work.** If, in the judgment of CITY, work provided by CONTRACTOR does not conform to the requirements of this Agreement, or if the work exhibits poor workmanship, CITY reserves the right to require that CONTRACTOR correct all deficiencies in the work to bring the work into conformance without additional cost to CITY, and / or replace any personnel who fail to perform in accordance with the requirements of this Agreement. CITY shall be the sole judge of non-conformance and the quality of workmanship.

16.2 **Default of Contract.** The occurrence of any one or more of the following events shall constitute a default and breach of this Agreement by CONTRACTOR:

16.2.1. The abandonment of the Property by CONTRACTOR for a period of more than seven (7) business days.

16.2.2 The abandonment, unnecessary delay, refusal of, or failure to comply with any of the terms of this Agreement or neglect, or refusal to comply with the instructions of the Public Services Director relative thereto.

16.2.3. The failure by CONTRACTOR to observe or perform any of the terms, covenants, or conditions of this Agreement to be observed or performed by CONTRACTOR, where such failure

shall continue for a period of seven (7) days after written notice thereof by CITY to CONTRACTOR; provided, however, that if the nature of CONTRACTOR's default is such that more than seven (7) days are reasonably required for its cure, then CONTRACTOR shall not be deemed to be in default if CONTRACTOR commences such cure within said seven (7) day period and thereafter diligently prosecutes such cure to completion.

16.2.4. The assignment and/or transfer of this Agreement or execution or attachment thereon by CONTRACTOR or any other party in a manner not expressly permitted hereunder.

16.2.5. The making by CONTRACTOR of any general assignment or general arrangement for the benefit of creditors, or the filing by or against CONTRACTOR of a petition to have CONTRACTOR adjudged a bankruptcy, or a petition for reorganization or arrangement under any law relating to bankruptcy (unless, in the case of a petition filed against CONTRACTOR, the same is dismissed within sixty (60) days); or the appointment of a trustee or a receiver to take possession of substantially all of CONTRACTOR's assets, or for CONTRACTOR's interest in this Agreement, where possession is not restored to CONTRACTOR within thirty (30) days; for attachment, execution or other judicial seizure of substantially all of CONTRACTOR's assets, or for CONTRACTOR's interest in this Agreement, where such seizure is not discharged within thirty (30) days.

16.3 **Remedies in Default.** In case of default by CONTRACTOR, CITY shall notify CONTRACTOR, in writing, of such abandonment, delay, refusal, failure, neglect, or default and direct him to comply with all provisions of the Agreement. A copy of such written notice shall be mailed to the Surety on the Performance Bond. If the abandonment, delay, refusal, failure, neglect or default is not cured within seven (7) days of when notice was sent by CITY, CITY may declare a default of the Agreement and notify CONTRACTOR of such declaration of default and terminate the Agreement. The Surety on the Performance Bond shall within ten (10) days of such declaration of default, rectify or cause to be rectified any mismanagement or breach of service in the Agreement and assume the work of CONTRACTOR and proceed to perform services under the Agreement, at its own cost and expense.

16.3.1. Upon such declaration of default, all payments remaining due CONTRACTOR at the time of default, less all sums due CITY for damages suffered, or expenses incurred by reason of default, shall be due and payable to Surety. Thereafter the Surety shall receive monthly payments equal to those that would have been paid by the CONTRACTOR had the CONTRACTOR continued to perform the services under the Agreement.

16.3.2. If such Surety fails to perform, the CITY may complete the Agreement, or any part thereof, either by day labor or re-letting a contract for the same, and procure the equipment and the facilities necessary for the completion of the Agreement, and charge the cost of same to CONTRACTOR and/or the Surety together with the costs incident thereto to such default.

16.3.3. In the event CITY completes the Agreement at a lesser cost than would have been payable to CONTRACTOR under this Agreement, if the same had been fulfilled by CONTRACTOR, CITY shall retain such differences. Should such cost to CITY be greater, CONTRACTOR shall pay the amount of such excess to the CITY.

ARTICLE 17
BANKRUPTCY

17.1 It is agreed that if CONTRACTOR is adjudged bankrupt, either voluntarily or involuntarily, then this Agreement shall terminate effective on the date and at the time the bankruptcy petition is filed.

ARTICLE 18
DISPUTE RESOLUTION

18.1 **Arbitration.** In addition to any other remedy provided hereunder, CITY, at its option, may use arbitration to resolve any controversy or claim arising out of or relating to this Agreement if arbitration is elected by CITY. Any controversy or claim arising out of or relating to this Agreement, or breach thereof, may be settled by arbitration in accordance with the rules of the American Arbitration Association and judgment upon the award rendered by the arbitrators may be entered into by any court having jurisdiction thereof. In the event arbitration is elected by CITY, such controversy or claim shall be submitted to one arbitrator selected from the National Panel of The American Arbitration Association.

18.2 **Operations During Dispute.**

18.2.1 In the event that a dispute, if any, arises between CITY and CONTRACTOR relating to this Agreement, performance or compensation hereunder, CONTRACTOR shall continue to render service in full compliance with all terms and conditions of this Agreement as interpreted by CITY regardless of such dispute.

18.2.2 CONTRACTOR expressly recognizes the paramount right and duty of CITY to provide adequate maintenance of CITY's Property, and further agrees, in consideration for the execution of this Agreement, that in the event of such a dispute, if any, it will not seek injunctive relief in any court, but will negotiate with CITY for an adjustment on the matter or matters in dispute and, upon failure of said negotiations to resolve the dispute, may present the matter to a court of competent jurisdiction in an appropriate suit therefore instituted by it or by CITY.

18.2.3 Notwithstanding the other provisions in this Section, CITY reserves the right to terminate the Agreement at any time, whenever the service provided by CONTRACTOR fails to meet reasonable standards of the trade after CITY gives written notice to the CONTRACTOR of the deficiencies as set forth in the written notice within fourteen calendar (14) days of the receipt by CONTRACTOR of such notice from CITY.

ARTICLE 19

19.1.1 Keep and maintain public records required by the CITY to perform the service;

19.1.2 Upon request from the CITY's custodian of public records, provide the CITY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in chapter 119, Fla. Stat., or as otherwise provided by law;

19.1.3 Ensure that public records that are exempt or that are confidential and exempt from public record disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and, following completion of the contract, CONTRACTOR shall destroy all copies of such confidential and exempt records remaining in its possession after the CONTRACTOR transfers the records in its possession to the CITY; and

19.1.4 Upon completion of the contract, CONTRACTOR shall transfer to the CITY, at no cost to the CITY, all public records in CONTRACTOR's possession. All records stored electronically by the CONTRACTOR must be provided to the CITY, upon request from the CITY's custodian of public records, in a format that is compatible with the information technology systems of the CITY.

19.2 The failure of Contractor to comply with the provisions set forth in this Article shall constitute a Default and Breach of this Agreement and the CITY shall enforce the Default in accordance with the provisions set forth in **Article 16**.

Title of Applicant _____ Date _____

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* above.

What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account, list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9.

- a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note. ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

- b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

- c. **Partnership, LLC that is not a single-member LLC, C Corporation, or S Corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

- d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

- e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box in line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box in line 3.

Limited Liability Company (LLC). If the name on line 1 is an LLC treated as a partnership for U.S. federal tax purposes, check the "Limited Liability Company" box and enter "P" in the space provided. If the LLC has filed Form 8832 or 2553 to be taxed as a corporation, check the "Limited Liability Company" box and in the space provided enter "C" for C corporation or "S" for S corporation. If it is a single-member LLC that is a disregarded entity, do not check the "Limited Liability Company" box; instead check the first box in line 3 "Individual/sole proprietor or single-member LLC."

Line 4, Exemptions

If you are exempt from backup withholding and/or FATCA reporting, enter in the appropriate space in line 4 any code(s) that may apply to you.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Note. You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on this page), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code* earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.ftc.gov/idtheft or 1-877-IDTHEFT (1-877-438-4338).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.

VETERAN OWNED SMALL BUSINESS (VOSB) PREFERENCE CERTIFICATION

SECTION 1 GENERAL TERM

VETERAN OWNED SMALL BUSINESS (VOSB) PREFERENCE

The evaluation of competitive bids is subject to section 35.37 of the City's Procurement Procedures which, except where contrary to federal and state law, or any other funding source requirements, provides that preference be given to veteran owned small businesses. To satisfy this requirement, the vendor shall affirm in writing its compliance with the following objective criteria as of the bid or proposal submission date stated in the solicitation. A veteran owned small business shall be defined as:

1. "Veteran Owned Small Business" shall mean a business entity which has received a "Determination Letter" from the United States Department of Veteran Affairs Center for Verification and Evaluation notifying the business that they have been approved as a Veteran Owned Small Business (VOSB).

A preference of two and a half percent (2.5%) of the total evaluation point, or two and a half percent (2.5%) of the total price, shall be given to the **Veteran Owned Small Business (VOSB)**. This shall mean that if a **VOSB** submits a bid/quote that is within 2.5% of the lowest price submitted by any vendor, the **VOSB** shall have an option to submit another bid which is at least 1% lower than the lowest responsive bid/quote. If the **VOSB** submits a bid which is at least 1% lower than that lowest responsive bid/quote, then the award will go to the **VOSB**. If not, the award will be made to the vendor that submits the lowest responsive bid/quote. If the lowest responsive and responsible bidder IS a "**Local Pembroke Pines Vendor**" (**LPPV**) or a "**Local Broward County Vendor**" (**LBCV**) as established in Section 35.36 of the City's Code of Ordinances, entitled "Local Vendor Preference", then the award will be made to that vendor and no other bidders will be given an opportunity to submit additional bids as described herein.

If there is a **LPPV**, a **LBCV**, and a **VOSB** participating in the same bid solicitation and all three vendors qualify to submit a second bid, the **LPPV** will be given first option. If the **LPPV** cannot beat the lowest bid received by at least 1%, an opportunity will be given to the **LBCV**. If the **LBCV** cannot beat the lowest bid by at least 1%, an opportunity will be given to the **VOSB**. If the **VOSB** cannot beat the lowest bid by at least 1%, then the bid will be awarded to the lowest bidder.

If multiple **VOSBs** submit bids/quotes which are within 2.5% of the lowest bid/quote and there are no **LPPV** or **LBCV** as described in Section 35.36 of the City's Code of Ordinance, entitled "Local Vendor Preference", then all **VOSBs** will be asked to submit a **Best and Final Offer (BAFO)**. The award will be made to the **VOSB** submitting the lowest **BAFO** providing that that **BAFO** is at least 1% lower than the lowest bid/quote received in the original solicitation. If no **VOSB** can beat the lowest bid/quote by at least 1%, then the award will be made to the lowest responsive bidder.

COMPARISON OF QUALIFICATIONS

The preferences established in no way prohibit the right of the City to compare quality of supplies or services for purchase and to compare qualifications, character, responsibility and fitness of all persons, firms or corporations submitting bids or proposals. Further, the preference established in no way prohibit the right of the city from giving any other preference permitted by law instead of the preferences granted, nor prohibit the city to select the bid or proposal which is the most responsible and in the best interests of the city.

SECTION 2 AFFIRMATION

VETERAN OWNED SMALL BUSINESS (VOSB) PREFERENCE CERTIFICATION:

- Place a check mark here only if affirming bidder meets requirements above as a Veteran Owned Small Business. In addition, the bidder must attach the "Determination Letter" from the U.S. Dept. of Veteran Affairs Center.
- Place a check mark here only if affirming bidder does not meet the requirements above as a VOSB.

Failure to complete this certification at this time (by checking either of the boxes above) shall render the vendor ineligible for VOSB Preference. This form must be completed by/for the proposer; the proposer WILL NOT qualify for VOSB Preference based on their sub-contractors' qualifications.

7.2 Upon completion of all Services, obligations and duties provided for in this Agreement, or in the event of termination of this Agreement for any reason, the terms and conditions of this Article shall survive indefinitely.

7.3 CITY reserves the right to select its own legal counsel to conduct any defense in any such proceeding and all costs and fees associated therewith shall be the responsibility of CONTRACTOR.

7.4 Nothing contained herein is intended nor shall be construed to waive City's rights and immunities under the common law or §768.28, Florida Statutes, as may be amended from time to time.

ARTICLE 8 **INSURANCE**

8.1 The CONTRACTOR shall indemnify and hold harmless the CITY and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the CITY or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement by the CONTRACTOR or its employees, agents, servants, partners principals or subcontractors. CONTRACTOR shall agree to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause. ARTICLE 10

INDEPENDENT CONTRACTOR

10.1 This Agreement does not create an employee/employer relationship between the parties. It is the intent of the parties that the CONTRACTOR is an independent contractor under this Agreement and not the CITY's employee for all purposes, including but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the State Workers' Compensation Act, and the State unemployment insurance law. The CONTRACTOR shall retain sole and absolute discretion in the judgment of the manner and means of carrying out CONTRACTOR's activities and responsibilities hereunder provided, further that administrative procedures applicable to services rendered under this Agreement shall be those of CONTRACTOR, which policies of CONTRACTOR shall not conflict with CITY, State, H.U.D., or United States policies, rules or regulations relating to the use of CONTRACTOR's Funds provided for herein. The CONTRACTOR agrees that it is a separate and independent enterprise from the CITY, that it has full opportunity to find other business, that it has made its own investment in its business, and that it will utilize a high level of skill necessary to perform the work. This Agreement shall not be construed as creating any joint employment relationship between the CONTRACTOR and the CITY and the CITY will not be liable for any obligation incurred by CONTRACTOR, including but not limited to unpaid minimum wages and/or overtime premiums.

ARTICLE 11

UNCONTROLLABLE FORCES

11.1 Neither CITY nor CONTRACTOR shall be considered to be in default of this Agreement if delays in or failure of performance shall be due to Uncontrollable Forces, the effect of which, by the exercise of reasonable diligence, the non-performing party could not avoid. The term

"Uncontrollable Forces" shall mean any event which results in the prevention or delay of performance by a party of its obligations under this Agreement and which is beyond the reasonable control of the nonperforming party. It includes, but is not limited to fire, flood, earthquakes, storms, lightning, epidemic, war, riot, civil disturbance, sabotage, and governmental actions.

11.2 Neither party shall, however, be excused from performance if nonperformance is due to forces, which are preventable, removable, or remediable, and which the nonperforming party could have, with the exercise of reasonable diligence, prevented, removed, or remedied with reasonable dispatch. The nonperforming party shall, within a reasonable time of being prevented or delayed from performance by an uncontrollable force, give written notice to the other party describing the circumstances and uncontrollable forces preventing continued performance of the obligations of this Agreement.

ARTICLE 12
AGREEMENT SUBJECT TO FUNDING

12.1 This agreement shall remain in full force and effect only as long as the expenditures provided for in the Agreement have been appropriated by the City Commission of the City of Pembroke Pines in the annual budget for each fiscal year of this Agreement, and is subject to termination based on lack of funding.

ARTICLE 13
VENUE

13.1 This Agreement shall be governed by the laws of the State of Florida as now and hereafter in force. The venue for actions arising out of this agreement shall be in Broward County, Florida.

ARTICLE 14
SIGNATORY AUTHORITY

ARTICLE 15
MERGER; AMENDMENT

15.1 This Agreement constitutes the entire Agreement between CONTRACTOR and CITY, and negotiations and oral understandings between the parties are merged herein. This Agreement can be supplemented or amended only by a written document executed by both CONTRACTOR and CITY with the same formality and equal dignity herewith.

ARTICLE 16
DEFAULT OF CONTRACT & REMEDIES

16.1.1 **Damages.** CITY reserves the right to recover any ascertainable actual damages incurred as a result of the failure of CONTRACTOR to perform in accordance with the requirements of this Agreement, or for losses sustained by CITY resultant from CONTRACTOR's failure to perform in accordance with the requirements of this Agreement.

16.1.2 **Liquidated Damages.** As a breach of the service provided by this Agreement would cause serious and substantial damage to CITY Property, and the nature of this Agreement would render it impracticable or extremely difficult to fix the actual damage sustained by CITY by such breach, it is agreed that, in case of breach of service wherein CONTRACTOR fails to maintain the Property, leaving the said property in disrepair, CITY may elect to collect liquidated damages for each such breach, and CONTRACTOR will pay CITY as liquidated damages, and not as penalty, FIVE HUNDRED DOLLARS (\$500.00) for every day of such malfunction. This sum is the agreed upon amount by which CITY will be damaged by the breach of such service. An election to seek such remedies shall not be construed as a waiver of any legal remedies CITY may have as to any subsequent breach of service under this Agreement.

16.1.3 **Correction of Work.** If, in the judgment of CITY, work provided by CONTRACTOR does not conform to the requirements of this Agreement, or if the work exhibits poor workmanship, CITY reserves the right to require that CONTRACTOR correct all deficiencies in the work to bring the work into conformance without additional cost to CITY, and / or replace any personnel who fail to perform in accordance with the requirements of this Agreement. CITY shall be the sole judge of non-conformance and the quality of workmanship.

16.2 **Default of Contract.** The occurrence of any one or more of the following events shall constitute a default and breach of this Agreement by CONTRACTOR:

16.2.1. The abandonment of the Property by CONTRACTOR for a period of more than seven (7) business days.

16.2.2 The abandonment, unnecessary delay, refusal of, or failure to comply with any of the terms of this Agreement or neglect, or refusal to comply with the instructions of the Public Services Director relative thereto.

16.2.3. The failure by CONTRACTOR to observe or perform any of the terms, covenants, or conditions of this Agreement to be observed or performed by CONTRACTOR, where such failure shall continue for a period of seven (7) days after written notice thereof by CITY to CONTRACTOR; provided, however, that if the nature of CONTRACTOR's default is such that more than seven (7) days are reasonably required for its cure, then CONTRACTOR shall not be deemed to be in default if CONTRACTOR commences such cure within said seven (7) day period and thereafter diligently prosecutes such cure to completion.

16.2.4. The assignment and/or transfer of this Agreement or execution or attachment thereon by CONTRACTOR or any other party in a manner not expressly permitted hereunder.

16.2.5. The making by CONTRACTOR of any general assignment or general arrangement for the benefit of creditors, or the filing by or against CONTRACTOR of a petition to have CONTRACTOR adjudged a bankruptcy, or a petition for reorganization or arrangement under any law relating to bankruptcy (unless, in the case of a petition filed against CONTRACTOR, the same is dismissed within sixty (60) days); or the appointment of a trustee or a receiver to take possession of substantially all of CONTRACTOR's assets, or for CONTRACTOR's interest in this Agreement, where possession is not restored to CONTRACTOR within thirty (30) days; for attachment, execution or other judicial seizure of substantially all of CONTRACTOR's assets, or for CONTRACTOR's interest in this Agreement, where such seizure is not discharged within thirty (30) days.

16.3 **Remedies in Default.** In case of default by CONTRACTOR, CITY shall notify CONTRACTOR, in writing, of such abandonment, delay, refusal, failure, neglect, or default and direct him to comply with all provisions of the Agreement. A copy of such written notice shall be mailed to the Surety on the Performance Bond. If the abandonment, delay, refusal, failure, neglect or default is not cured within seven (7) days of when notice was sent by CITY, CITY may declare a default of the Agreement and notify CONTRACTOR of such declaration of default and terminate the Agreement. The Surety on the Performance Bond shall within ten (10) days of such declaration of default, rectify or cause to be rectified any mismanagement or breach of service in the Agreement and assume the work of CONTRACTOR and proceed to perform services under the Agreement, at its own cost and expense.

16.3.1. Upon such declaration of default, all payments remaining due CONTRACTOR at the time of default, less all sums due CITY for damages suffered, or expenses incurred by reason of default, shall be due and payable to Surety. Thereafter the Surety shall receive monthly payments equal to those that would have been paid by the CONTRACTOR had the CONTRACTOR continued to perform the services under the Agreement.

16.3.2. If such Surety fails to perform, the CITY may complete the Agreement, or any part thereof, either by day labor or re-letting a contract for the same, and procure the equipment and the facilities necessary for the completion of the Agreement, and charge the cost of same to CONTRACTOR and/or the Surety together with the costs incident thereto to such default.

16.3.3. In the event CITY completes the Agreement at a lesser cost than would have been payable to CONTRACTOR under this Agreement, if the same had been fulfilled by CONTRACTOR, CITY shall retain such differences. Should such cost to CITY be greater, CONTRACTOR shall pay the amount of such excess to the CITY.

ARTICLE 17 **BANKRUPTCY**

17.1 It is agreed that if CONTRACTOR is adjudged bankrupt, either voluntarily or involuntarily, then this Agreement shall terminate effective on the date and at the time the bankruptcy petition is filed.

ARTICLE 18

DISPUTE RESOLUTION

18.1 **Arbitration.** In addition to any other remedy provided hereunder, CITY, at its option, may use arbitration to resolve any controversy or claim arising out of or relating to this Agreement if arbitration is elected by CITY. Any controversy or claim arising out of or relating to this Agreement, or breach thereof, may be settled by arbitration in accordance with the rules of the American Arbitration Association and judgment upon the award rendered by the arbitrators may be entered into by any court having jurisdiction thereof. In the event arbitration is elected by CITY, such controversy or claim shall be submitted to one arbitrator selected from the National Panel of The American Arbitration Association.

18.2 **Operations During Dispute.**

18.2.1 In the event that a dispute, if any, arises between CITY and CONTRACTOR relating to this Agreement, performance or compensation hereunder, CONTRACTOR shall continue to render service in full compliance with all terms and conditions of this Agreement as interpreted by CITY regardless of such dispute.

18.2.2 CONTRACTOR expressly recognizes the paramount right and duty of CITY to provide adequate maintenance of CITY's Property, and further agrees, in consideration for the execution of this Agreement, that in the event of such a dispute, if any, it will not seek injunctive relief in any court, but will negotiate with CITY for an adjustment on the matter or matters in dispute and, upon failure of said negotiations to resolve the dispute, may present the matter to a court of competent jurisdiction in an appropriate suit therefore instituted by it or by CITY.

18.2.3 Notwithstanding the other provisions in this Section, CITY reserves the right to terminate the Agreement at any time, whenever the service provided by CONTRACTOR fails to meet reasonable standards of the trade after CITY gives written notice to the CONTRACTOR of the deficiencies as set forth in the written notice within fourteen calendar (14) days of the receipt by CONTRACTOR of such notice from CITY.

ARTICLE 19 **PUBLIC RECORDS**

19.1 The City of Pembroke Pines is public agency subject to Chapter 119, Florida Statutes. The Contractor shall comply with Florida's Public Records Law. Specifically, the Contractor shall:

19.1.1 Keep and maintain public records required by the CITY to perform the service;

19.1.2 Upon request from the CITY's custodian of public records, provide the CITY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in chapter 119, Fla. Stat., or as otherwise provided by law;

19.1.3 Ensure that public records that are exempt or that are confidential and exempt from public record disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and, following completion of the contract, CONTRACTOR shall destroy all copies of such confidential and exempt records remaining in its possession after the CONTRACTOR transfers the records in its possession to the CITY; and

19.1.4 Upon completion of the contract, CONTRACTOR shall transfer to the CITY, at no cost to the CITY, all public records in CONTRACTOR's possession. All records stored electronically by the CONTRACTOR must be provided to the CITY, upon request from the CITY's custodian of public records, in a format that is compatible with the information technology systems of the CITY.

19.2 The failure of Contractor to comply with the provisions set forth in this Article shall constitute a Default and Breach of this Agreement and the CITY shall enforce the Default in accordance with the provisions set forth in **Article 16**.

However, every lead custodian at each site must be fluent in speaking, reading, and writing in English as well as the language needed to clearly communicate with the contractor's general employees stationed at their designated school whether Spanish, Creole, Russian, etc. Spanish was specified based on the general demographics of the personnel that work in this industry in South Florida. **(Answered: Apr 25, 2017 8:55:52 AM EDT)**

As a long time business community member in SW Broward (46 years), we have witnessed the phenomenal growth to the City of Pembroke Pines. We have steadily increased business sales each year and have a unsecured line of credit which allows us to maintain financial stability and continue to grow.

Safeguard Services, Inc., founded in 1971, is a locally owned and managed building services contractor. We currently have over 300 employees and our main offices/warehouse are located in Pembroke Pines. The primary focus of our organization is the ability to meet and exceed the expectations of our clients as it reflects the health, safety and appearance of their facilities. Safeguard is recognized, by the state of Florida, as a certified woman owned MBE as well as a certified SBE.

We have extensive experience with municipalities and have serviced Dania Beach (6years), the City of Hollywood (6 years) and the City of Miramar (4 years). We are currently providing janitorial services to the City of Pembroke Pines for the past 26 years and 20 years at the City of Hallandale Beach. Due to our service history with municipalities, we have a unique understanding of the needs that can and do arise within local government. Strong lines of communication and quick problem solving resolution are the two pillars of a successful relationship.

We do not have any subcontractors providing our services, rather, only offer our own trained supervisors and employees. Finally, our office location, 911 Poinciana Drive, is a huge advantage in allowing us to respond quickly and effectively to the City's needs. All top level management personnel are available 24/7/365 via cell phone and email. The office line is also answered by a live person 24/7.

TAB 5 Firm's Understanding and Approach to Work

1. Understanding

Safeguard Services has successfully performed janitorial services for the Charter Schools and Early Development Centers for the past 6 years. It is inevitable that challenges will arise, but we have been able to handle them quickly and effectively and ensure they are not repetitive. We have a full understanding of the contractual and implied obligations of this contract.

2. Management

In addition to the area manager, Safeguard Services will provide an additional manager whose sole responsibility is the Charter Schools. This person will rotate between each facility ensuring customer satisfaction is achieved and the scope of work is being performed as stated.

Independent of the operations department, described above, is our contract compliance/customer relation's manager. This individual will perform scheduled and random visits a minimum of once per month. Our Quality Control manager will objectively assess the quality of the cleaning and engage our building contact(s) in their evaluation of services. These reports are always available for the City's inspection at any time.

Safeguard Services will also provide same day response time to any issues or complaints unless the task is too large to turn around in one day.

3. Training

Safeguard Services performs national criminal background checks as a normal part of our hiring procedure. All staff working in the facilities while children are present will undergo an additional level 2 background check prior to entering any facility as stipulated in the rfp.

All new hires are subject to a pre-employment criminal background check, a drug test, a two-step interview and orientation/training. The training is an interactive and documented approach to ensure employees understand chemical safety, usage and cleaning protocol. It is bilingual and is specifically tailored to the academic environment. On an annual basis, employees are required to complete three modules of the program. (See attached)

As required by federal government mandate, all applicants are screened for eligibility to work in the United States. We maintain current copies of their I-9 forms and identification cards. The City of Pembroke Pines has the right to examine our documentation upon request.

4. PROVISION OF CONSUMABLE SUPPLIES

Safeguard Services has included in the pricing section of the RFP the cost of expendable supplies. The price is based on the current consumption of each facility. Should the estimated amount be less than what it required, Safeguard understands that we have to provide the material at no additional cost to the City of Pembroke Pines. However, the request of additional dispensers may result in a modest cost adjustment

Right Environment Cleaning -Education

- 1 Glass Cleaner
- 2 Disinfectant
- 3 All Purpose Cleaner
- 5 Carpet Care
- 9 Specialty Cleaner

The Clean✓ Classroom cleaning manual will guide you through proven procedures to ensure you get the job done right. In addition to initial training, the laminated Clean✓ cards should be used as routine cleaning checklists to reinforce these proper procedures.

The Six Steps of Daily Classroom Cleaning

- STEP ONE: Gather Supplies and Apply Personal Protective Equipment
- STEP TWO: Dust
- STEP THREE: Remove Trash
- STEP FOUR: Clean and Disinfect Surfaces
- STEP FIVE: Clean Glass
- STEP SIX: Vacuum or Hard Floor Care

Step One

Gather supplies and apply personal protective equipment

Gather necessary cleaning supplies as directed. Materials may include glass cleaner, disinfectant, all purpose cleaner, can liners, cleaning cloths and/or dusters, dust mop or vacuum, and any necessary personal protective gear, like protective eyewear and gloves.

Any time you clean with chemicals, make sure you use personal protective equipment, as directed on the Material Safety Data Sheets for the cleaning products being used.

Step Two

Dust

Begin cleaning the classroom by dusting furniture and other surfaces. When using a color-coded cloth system to prevent cross-contamination, select a green microfiber for dusting.

Start by dusting higher areas and items, then work your way down, folding your cloth as needed to provide a clean surface. Clean the entire area by working clockwise around the room.

Finally, empty pencil sharpeners and clean chalk trays by pushing the excess chalk into the wastebasket.

04/11

Step Three

Remove trash

First, clean up apparent litter prior to emptying trash. However, do not discard anything that is questionable. Empty all waste receptacles into the trashcan. If necessary, replace the liner. Be sure to place the receptacle in its original location.

3

Step Four

2

Damp wipe surfaces

Wet clean soiled surfaces that cannot be cleaned by dusting or those that need to be disinfected. Spray the appropriate Spartan disinfectant onto a clean cloth. If using a, color coded cloth system, use a red microfiber cloth for disinfecting procedures. Alternatively, you can use Spartan's convenient Hard Surface Disinfecting. Remove wipes at a 45 degree angle, and be sure to close canister when not in use.

High touch surfaces such as light switches, desks, tables, chairs, and drinking fountains will benefit routine cleaning and disinfecting. Use one wipe to remove soil and a second wipe to sanitize or disinfect. Remember when disinfecting, be sure the surface stays wet for the appropriate contact time listed on the product label.

Note: If blood or potentially infectious material is present, follow your site-specific exposure control plan.

1

Step Five

Clean glass

Next, spot clean all visible marks on interior windows and glass. Spray the cloth with your choice of Spartan glass cleaners. If you have a color-coded cloth system, use a blue microfiber cloth for glass cleaning. Be sure to clean mirrors and other reflective surfaces.

3 Step Six

Vacuum or hard floor care

Most classrooms have hard surface floors, you should routinely dust mop and damp mop. Some areas may have carpet and will need vacuuming. (The frequency of your routine cleaning will be communicated to you by your supervisor.)

Routine and Periodic Hard Floor Care and Carpet Care procedures are documented later in this training program.

Remember to always review your work, and report any concerns or preventative maintenance needs to your supervisor.

PERIODIC CLASSROOM CLEANING

Some necessary cleaning tasks may be scheduled periodically. Your supervisor will set the schedule that is appropriate for your facility. These tasks may include:

Spot cleaning soiled walls

Removing graffiti from desks and walls

Cleaning chalkboards or whiteboards

Dusting hard to reach surfaces such as light fixtures and vents

ROUTINE CLEANING OF COMMON AREAS

Hallways and other common areas need routine cleaning as well. If these areas are carpeted, they need routine vacuuming. Hard floor surfaces need dust mopped and or damp mopped. You will also need to find and correct any gum and/or carpet spots.

Carpet

Vacuum the carpet starting in the area farthest from the entrance and work your way back. Use a pattern to cover all floor space. You want your efforts to result in carpets that are clean and free of visible dirt and debris.

Carpet Spot Removal

5 Step One

Select spotter

It is important to remove carpet spots as soon as possible. First, identify the spot then select the most appropriate spotter for the job. Follow directions on the product's label.

5 Step Two

Blot

Blot up the spot with an absorbent cloth.

5 Step Three

Apply spot remover

Apply spotter to the area to be cleaned. If using a trigger sprayer, spray the product from the outside edge toward the center. Be careful not to over wet the spot.

04/11

Step Four

Blot and rub

To keep the spot from spreading, blot and rub the spot from the outside edge of the spot toward the center.

Step Five

Repeat spotter application

If necessary, spray again, and let the product set for a few minutes. Blot again with an absorbent cloth.

Step Six

Dry

Flush away the remaining spray with water, using a trigger sprayer. Blot dry.

Remember to always review your work, and report any concerns or preventative maintenance needs to your supervisor.

Gum Removal

Step One

Scrape

Use a scraper to remove as much of it as possible

Step Two

Freeze remaining gum

Spray with Spartan's Chewing Gum Remover, holding the can at a 45-degree angle and using short, quick bursts until the substance is frozen solid.

Step Three

Remove frozen matter

Chip or scrape off frozen matter using a bone knife or scraper. Repeat these steps, if necessary, to remove all matter from the floor.

Step Four

Vacuum

Use your vacuum and attachments to remove all particles from the floor.

Remember to always review your work, and report any concerns or preventative maintenance needs to your supervisor.

Hard Floor Care

Where classrooms, office space, corridors or common areas have hard surface floors, you should routinely dust mop and damp mop. Routine floor cleaning is imperative for proper risk management.

Dust Mop

- STEP ONE: Remove furniture
- STEP TWO: Sweep out corners and crevices
- STEP THREE: Spray dust mop
- STEP FOUR: Dust mop floor
- STEP FIVE: Pick up soil and debris
- STEP SIX: Vacuum dust mop

Step One

Remove Furniture

Remove all movable furniture and floor mats from the area to be cleaned.

Step Two

Sweep out corners and crevices

Use a broom or counter brush to sweep corners and crevices. Pick up visible soil with a dust pan and dispose of any debris before you begin to dust mop the area.

Step Three

Spray dust mop

Next, spray the dust mop with Spartan's Dust Mop/Dust Cloth Treatment.

Step Four

Dust Mop Floor

Begin by pushing the mop directly ahead while walking forward. At the end of each pass, pivot your mop without lifting it off the floor. Return the same way you came, making a two-or three-inch overlap. Dust mop the entire floor.

Step Five

Pick up soil and debris

Once the entire area has been dust mopped, use your counter brush and dust pan to pick up any remaining debris, and discard it into the trash receptacle.

Step Six

Vacuum or wash dust mop

Vacuum out dust mop. If using a microfiber system, you should periodically machine wash the microfiber pads. Do not machine dry these items. Return all equipment to storage.

Remember to always review your work, and report any concerns or preventative maintenance needs to your supervisor.

Damp Mop

- STEP ONE: Perform complete dust mop procedure
- STEP TWO: Place wet floor signs
- STEP THREE: Prepare neutral cleaner and gather supplies
- STEP FOUR: Damp mop
- STEP FIVE: Replace mats and furniture, and remove wet floor signs
- STEP SIX: Clean and return equipment to storage area

Step One

Perform complete dust mop procedure

Follow the steps on your Daily Cleaning, Dust Mop Checklist prior to damp mopping.

Step Two

Place wet floor signs

Place wet floor signs at every entrance.

3 Step Three

Prepare neutral cleaner and gather supplies

You will need to gather additional supplies for the damp mop procedure. First, fill a mop bucket with neutral cleaner, using your Spartan dispensing system to ensure chemical safety and accurate dilution. Also, when using a microfiber system as shown here, select a blue or green mop for all-purpose cleaning.

Step Four

Damp mop

Begin by dipping your mop into the solution compartment and wringing it out. When mopping an area, start at the farthest corner and work backward, toward the entrance. Be sure to keep your mop bucket on the unmopped portion of the floor.

As your microfiber mop becomes heavily soiled, submerge the collapsed mop head into the rinse compartment and agitate to loosen any soil. Then, wring your mop by hanging the collapsed mop inside the wringer compartment and pushing down on the wringer handle. Finally, submerge the mop into the clean solution compartment and wring it again. Reopen the mop frame and lock into place.

Continue this process until the entire area is completely cleaned.

Step Five

Replace mats and furniture and remove wet floor signs

When the floor is completely dry, remove wet floor signs from all entrances. Then, return any entry mats or furniture that had been removed from the area.

Step Six

Clean and return equipment to storage room

Finally, clean your equipment and return it to its proper storage place. These tasks may include:

- Clean your dust mop by vacuum or machine wash;
- Rinse out or wash wet mop heads; and
- Empty and rinse the mop bucket

Remember to always review your work, and report any concerns or preventative maintenance needs to your supervisor.

- 1 Glass Cleaner
- 2 Disinfectant
- 3 All Purpose Cleaner
- 4 Air Freshener
- 9 Specialty Cleaner

You only get one chance to create a good first impression. This is especially true when talking about your building's restrooms. ... Restrooms are representative of the overall health and cleanliness of a building, and require a systematic approach to cleaning that maintains a healthy and odor-free environment.

The CleanCheck Restroom manual will guide you through daily and periodic restroom cleaning. In addition to initial training, the laminated CleanCheck cards should be used as routine cleaning checklists to reinforce these proper procedures.

The Eight Steps of Daily Restroom Cleaning

- Step One: Gather Supplies and Apply Personal Protective Equipment
- Step Two: Pick up Debris and Sweep Floor
- Step Three: Disinfect Surfaces
- Step Four: Replenish Supplies
- Step Five: Clean Glass
- Step Six: Complete Hard Surface Disinfections
- Step Seven: Empty Trash
- Step Eight: Damp Mop/Disinfect Floors

Step One

Gather supplies and apply personal protective equipment

Gather necessary cleaning supplies as directed. Materials may include glass cleaner, disinfectants, specialty product, can liners, paper products, microfiber cloths, paper towels, broom and dust pan, swab-type toilet bowl brush, duster or dusting cloths, mop and bucket, and "Wet Floor" or "Out-of-Service" signs.

Anytime you clean with chemicals, make sure you use personal protective equipment, as directed on the Material Safety Data Sheets for the products being used.

After gathering supplies, fill the mop bucket using your Spartan dispensing system to ensure chemical safety and accurate dilution. Next, place a "Wet Floor" sign outside of the restroom. If possible, also use a sign to indicate the restroom is closed for cleaning.

12/10

Step Two

Pick up debris and sweep floor

Begin by picking up any obvious trash or debris from the counters and floor. If you are scheduled for periodic high-dusting, this task should be completed at this time as well.

Next, sweep the floor, starting from the farthest point from the entrance and working your way out. Sweep debris into a dustpan and empty into the trash.

2 Step Three

Disinfect surfaces

Using a spray bottle and the Spartan disinfectant of your choice, spray: Soap and towel dispensers; Door knobs and light switches; Sinks, faucets and countertops; Walls and partitions around toilets and urinals; and Outside of toilets and urinals, including the toilet tank, toilet seat, flush handles and stall door latches. Do not forget to clean under these surfaces as well.

When disinfecting toilets and urinals, first flush them to be sure they are working properly. Inside the toilet bowl, use a bowl swab to remove the water from the bowl by forcing it over the trap. Press the bowl swab against the side of the bowl to remove excess water from the applicator. Then, apply 1 to 2 ounces of restroom cleaner evenly onto the swab mob. Swab the entire surface area, especially under the rim where the water outlets are located. Do not flush.

For urinals: Remove any screens or blocks and follow the same procedure. Do not flush.

Allow all surfaces to remain wet according to directions on the product label. We will come back to these surfaces in step six.

Step Four

Replenish supplies

Next, refill or replace hand soap, towels, toilet tissue, and hygiene products where needed. Adequate supplies are a very important part of a user-friendly restroom!

You should also be sure to verify that all dispensers are working properly, and make any adjustments or maintenance calls as necessary.

12/10

1 Step Five

Clean Glass

Next, you will clean the mirrors. Use the Spartan glass cleaner of your choice and your preferred cleaning tool such as paper towels or, as seen here, a clean, lint-free microfiber cloth. When utilizing a color-coded system, use a blue cloth for glass cleaning. Hold the bottle 8 to 10 inches away from the surface. Spray in an even pattern and wipe dry with your cloth or paper towel. Remember to turn your cloth or towel frequently so that the clean side is always in use.

2 Step Six

Complete hard surface disinfection

After checking your product's label to ensure that the appropriate amount of time has passed, use several clean damp cloths to wipe all the surfaces you sprayed previously with disinfectant.

You will also want to complete the cleaning and disinfecting of toilets and urinals. First, swab the inside of each toilet again and flush the toilet. Then, use your cloth to wipe the outside of the toilet, including the handle, tank, seat and base. Repeat this procedure with the urinals.

Step Seven

Empty all trash

Empty all trash containers, as well as feminine hygiene product disposal bins. When emptying trash, tie the liner closed and carefully lift it out of the basket. Then place this bag in the trash container on your cleaning cart. Finally, spot clean and disinfect receptacles as needed, or as periodically directed by your supervisor.

2 Step Eight

Damp mop/disinfect floors

If matting is present on the floor, remove it before mopping. Next, select a red pad, when using a microfiber system like the one shown here, for damp-mop disinfecting hard floor surfaces.

Begin by dipping your mop into the solution compartment and wringing it out. When mopping an area, start at the farthest corner and work backwards toward the entrance. Be sure to also keep your mop bucket on the unmopped portion of the floor.

As your microfiber mop becomes heavily soiled, submerge the collapsed mop head into the rinse compartment and agitate to loosen any soil. Then, wring your mop by hanging the collapsed mop inside the wringer compartment and pushing down on the wringer handle.

Finally, submerge the mop into the clean solution compartment and wring it again. Reopen the mop frame and lock into place. Continue this process until the entire area is complete. Be sure to follow the instructions on the product label for adequate contact time for disinfecting floors.

Always review your work before leaving the area. When the floor is completely dry, remove the wet floor signs and re-open the restroom for use. Remember to return all equipment to its storage area, and clean your equipment as necessary.

Remember to always review your work, and report any concerns or preventative maintenance needs to your supervisor.

Periodic Restroom Cleaning

Almost all restrooms will need some additional cleaning tasks completed periodically. Your supervisor will determine and communicate the schedule for procedures that need completed. These may include:

High- dust vents, light fixtures and other building surfaces.

Prevent odors and maintain clear drains with Consume products.

Remove tough stains and de-scale toilets and urinals with a more aggressive Spartan bowl cleaner.

Clean and disinfect inside of trash containers and disposal bins.

The Clean✓Office cleaning manual will guide you through proven procedures to ensure you get the job done right. In addition to initial training, the laminated Clean✓ cards should be used as routine cleaning checklists to reinforce these proper procedures.

Clean✓'s six-step procedure organizes the work into the proper sequence for maximum efficiency. These steps can be applied to almost any type of office environment.

The Six Steps of Daily Office Cleaning

- STEP ONE: Gather Supplies and Apply Personal Protective Equipment
- STEP TWO: Dust
- STEP THREE: Damp Wipe Surfaces
- STEP FOUR: Clean Glass
- STEP FIVE: Remove Trash
- STEP SIX: Vacuum or Hard Floor Care

Step One

Gather supplies and apply personal protective equipment

Gather necessary cleaning supplies as directed. Materials may include glass cleaner, disinfectant, all purpose cleaner, can liners, cleaning cloths and/or dusters, dust mop or vacuum, and any necessary personal protective gear, like protective eyewear and gloves.

Any time you clean with chemicals, make sure you use personal protective equipment, as directed on the Material Safety Data Sheets for the cleaning products being used.

Step Two

Dust

Begin cleaning the office by dusting furniture and other surfaces. When using a color-coded cloth system to prevent cross-contamination, select a green microfiber for dusting.

Start by dusting higher areas and items, then work your way down, folding your cloth as needed to provide a clean surface. Clean the entire area by working clockwise around the room. Only move items that are easily returned to their original position.

3

Step Three

2

Damp wipe surfaces

You should damp clean surfaces that are too heavily soiled for simple dusting. Spray your dust cloth with the appropriate Spartan cleaner by holding the product 6 to 8 inches from the cloth and spraying lightly over the entire cloth surface.

High-touch surfaces need to be damp wiped and disinfected. Start by spraying a clean, lint-free cloth with the Spartan disinfectant of your choice. With a color coded system, use a red microfiber cloth for disinfecting applications. Examples of high-touch surfaces include light switches, door handles...and telephones, where routine disinfecting is important to minimize the spread of communicable disease.

Be certain to maintain product on the surface for the recommended amount of time, as directed on the product label.

1

Step Four

Clean glass

Next, SPOT clean all visible marks on interior windows and glass. If you have a color-coded cloth system, use a blue microfiber cloth for glass cleaning. Spray surfaces directly with your choice of Spartan glass cleaners, and always dry with a clean, lint-free, cloth or paper towel. Also clean mirrors, picture frames and other reflective surfaces.

1

Step Five

Remove trash

First, clean up apparent litter prior to emptying trash. However, do not discard anything that is questionable. Empty all waste receptacles into the trashcan. If necessary, replace the liner...it is also a good idea to store a few additional liners in the bottom of the waste receptacle. Be sure to place the receptacle in its original location.

3 Step Six

Vacuum or hard floor care

Most office areas are carpeted and need routine vacuuming. The frequency of your routine cleaning will be communicated to you by your supervisor.

When vacuuming, start at the section that is the farthest into the area from the doorway or entry, then work your way back out of the area. Vacuum in a consistent, linear pattern. Make sure to cover the entire area.

You should spend more time on high-traffic or heavily soiled areas, including picking up any remaining visible debris by hand. More detailed Carpet procedures are provided in the Carpet training section.

Some areas may have hard floors and need to be dust mopped and/or damp mopped. Routine and Periodic Hard Floor Care procedures are documented later in this training program.

Remember to always review your work, and report any concerns or preventative maintenance needs to your supervisor.

PERIODIC OFFICE CLEANING

Some necessary cleaning tasks may be scheduled periodically. Your supervisor will set the schedule that is appropriate for your facility. These tasks may include:

Damp dusting high furniture surfaces, such as bookshelves and wall hangings

Dusting light fixtures with a duster.

Dusting vents

Vacuuming cloth furniture

ROUTINE CLEANING OF COMMON AREAS

Hallways and other common areas need routine cleaning as well. If these areas are carpeted, they need routine vacuuming. Hard floor surfaces need dust mopped and/ or damp mopped. You will also need to find and correct any gum and/or carpet spots.

Carpet

Vacuum the carpet starting in the area farthest from the entrance and work your way back. Use a pattern to cover all floor space. You want your efforts to result in carpets that are clean and free of visible dirt and debris.

Carpet Spot Removal

5 Step One

Select spotter

It is important to remove carpet spots as soon as possible. First, identify the spot then select the most appropriate spotter for the job. Follow directions on the product's label.

5 Step Two

Blot

Blot up the spot with an absorbent cloth.

5 Step Three

Apply spot remover

Apply spotter to the area to be cleaned. If using a trigger sprayer, spray the product from the outside edge toward the center. Be careful not to over wet the spot.

12/10

Step Four

Blot and rub

To keep the spot from spreading, blot and rub the spot from the outside edge of the spot toward the center.

Step Five

Repeat spotter application

If necessary, spray again, and let the product set for a few minutes. Blot again with an absorbent cloth.

Step Six

Dry

Flush away the remaining spray with water, using a trigger sprayer. Blot dry.

Remember to always review your work, and report any concerns or preventative maintenance needs to your supervisor.

Gum Removal

Step One

Scrape

Use a scraper to remove as much of it as possible

Step Two

Freeze remaining gum

Spray with Spartan's Chewing Gum Remover, holding the can at a 45-degree angle and using short, quick bursts until the substance is frozen solid.

Step Three

Remove frozen matter

Chip or scrape off frozen matter using a bone knife or scraper. Repeat these steps, if necessary, to remove all matter from the floor.

Step Four

Vacuum

Use your vacuum and attachments to remove all particles from the floor.

Remember to always review your work, and report any concerns or preventative maintenance needs to your supervisor.

Hard Floor Care

Where office space, corridors or common areas have hard surface floors, you should routinely dust mop and damp mop. Routine floor cleaning is imperative for proper risk management.

Dust Mop

- STEP THREE: Spray dust mop
- STEP FOUR: Dust mop floor
- STEP FIVE: Pick up soil and debris
- STEP SIX: Vacuum dust mop

Step One

Remove Furniture

Remove all movable furniture and floor mats from the area to be cleaned.

Step Two

Sweep out corners and crevices

Use a broom or counter brush to sweep corners and crevices. Pick up visible soil with a dust pan and dispose of any debris before you begin to dust mop the area.

Step Three

Spray dust mop

Next, spray the dust mop with Spartan's Dust Mop/Dust Cloth Treatment.

Step Four

Dust Mop Floor

Begin by pushing the mop directly ahead while walking forward. At the end of each pass, pivot your mop without lifting it off the floor. Return the same way you came, making a two-or three-inch overlap. Dust mop the entire floor.

Step Five

Pick up soil and debris

Once the entire area has been dust mopped, use your counter brush and dust pan to pick up any remaining debris, and discard it into the trash receptacle.

Step Six

Vacuum or wash dust mop

Vacuum out dust mop. If using a microfiber system, you should periodically machine wash the microfiber pads. Do not machine dry these items. Return all equipment to storage.

Remember to always review your work, and report any concerns or preventative maintenance needs to your supervisor.

Damp Mop

- STEP ONE: Perform complete dust mop procedure

First, fill a mop bucket with neutral cleaner, using your Spartan dispensing system to ensure chemical safety and accurate dilution. Also, when using a microfiber system as shown here, select a blue or green mop for all-purpose cleaning.

Step Four

Damp mop

Begin by dipping your mop into the solution compartment and wringing it out. When mopping an area, start at the farthest corner and work backward, toward the entrance. Be sure to keep your mop bucket on the unmopped portion of the floor.

As your microfiber mop becomes heavily soiled, submerge the collapsed mop head into the rinse compartment and agitate to loosen any soil. Then, wring your mop by hanging the collapsed mop inside the wringer compartment and pushing down on the wringer handle. Finally, submerge the mop into the clean solution compartment and wring it again. Reopen the mop frame and lock into place.

Continue this process until the entire area is completely cleaned.

Step Five

Replace mats and furniture and remove wet floor signs

When the floor is completely dry, remove wet floor signs from all entrances. Then, return any entry mats or furniture that had been removed from the area.

Step Six

Clean and return equipment to storage room

Finally, clean your equipment and return it to its proper storage place. These tasks may include:

- Clean your dust mop by vacuum or machine wash;

Starting along the baseboard at the farthest point from the entrance bring the machine up to speed then contact the floor with the pad, push the High Speed or Ultra High Speed machine forward.

Move in a straight line and overlap each pass. Remember to raise the machine before turning at the end of the pass. Do not stay on the same area for too long. Continue this process until the entire area has been burnished.

Dust mop the floor after you have completed burnishing.

Step Five

Clean and return equipment to storage room

Finally, clean your equipment and return it to its proper storage place. These tasks may include:

- Clean your dust mop by vacuum or machine wash; and

Step Three

Perform complete damp mop/autoscrub procedure

Wet clean the floor by following the steps on your Routine Cleaning, Damp Mop or Autoscrub Checklist.

8 Step Four

Restore floor

Be certain that the floor is clean and dry before you apply floor finish restorer. When using a conventional mop-on process, begin by lining an empty mop bucket. When using a designated microfiber floor finish application system, liners are not necessary.

Dilute the floor finish restorer as directed on the product label. Dip a clean finish mop into the floor finish restorer and wring it out. Then, start mopping at the farthest corner from the entrance. In six- to eight-foot sections, apply a thin coat of floor restorer in a figure-eight motion. Rewet your mop as needed. Allow the restorer to dry thoroughly and burnish or buff the floor as necessary.

Alternatively, if there is a large area to be restored, you may consider using an auto scrubber to save labor costs. First, check to make sure your pad or brush and squeegee are in place prior to operating the auto scrubber. Then, fill the auto scrubber with fresh water and the correct amount of the proper floor finish restorer.

Be sure to use overlapping passes with your auto scrubber as you cover the entire area. Remember to allow the restorer to dry thoroughly and burnish or buff as necessary.

Interim Floor Care: Top Scrub & Recoat

- STEP ONE: Gather Supplies and Apply Personal Protective Equipment
- STEP TWO: Dust Mop
- STEP THREE OPTION 1: Top Scrub: Autoscrub
- STEP THREE OPTION 2: Top Scrub: Low-Speed Floor Machine
- STEP FOUR: Recoat Floor
- STEP FIVE: Clean and Return Equipment to Storage Area

Step One

Gather supplies and apply personal protective equipment

Gather necessary cleaning supplies as directed. Equipment and products may include: top scrub cleaner, floor finish, a low-speed floor machine with the proper scrubbing pad, 2 buckets with wringers, 2 color-coded mops (of different colors), a wet/dry vacuum, clean white cloths, "Wet Floor" signs, dust mop, and any necessary personal protective gear, like protective eyewear, foot coverings and gloves.

Anytime you clean with chemicals, make sure you use personal protective equipment, as directed on the Material Safety Data Sheets for the cleaning products being used.

Step Two

Perform complete dust mop procedure

Follow the steps on your Routine Cleaning: Dust Mop Checklist.

Then, depending on the area to be cleaned, your supervisor will direct you to top scrub the floor with an auto scrubber or low-speed floor machine.

3 Step Three Option 1

Top scrub: autoscrub

If you have a large area to be scrubbed, use an auto scrubber to improve your productivity.

To prevent injury, place a "Wet Floor" sign at each entrance of the area to be cleaned. Fill your auto scrubber with properly diluted top scrub cleaner. Using your auto scrubber and the desired pad, scrub the floor. Pick up the dirty solution and rinse the floor with clean water. Repeat this process as necessary until all embedded soils are removed.

Continue this procedure until the entire floor has been top scrubbed.

Finally, wipe all baseboards with clean water, and allow all areas to dry thoroughly.

3 Step Three Option 2

Top scrub: low-speed floor machine

If you have a smaller area to scrub and recoat, you will likely deep scrub with a low-speed floor machine and a wet/dry vacuum.

To prevent injury, place a "Wet Floor" sign at each entrance of the area to be cleaned. Next, dilute the top scrub cleaner, as directed, in one mop bucket. Apply the solution to a 10 by 10 area. Allow the solution to remain on the floor for 5 minutes. Then, using your low-speed floor machine and the desired pad, scrub the floor.

Pick up the dirty solution with your wet/dry vac.

Then, damp mop rinse the area with clean water.

Continue this procedure in 10 by 10 sections, until the entire floor has been top scrubbed.

Finally, wipe all baseboards with clean water, and allow all areas to dry thoroughly.

8 Step Four

Recoat floor

After your top scrub application is complete and the floor is dry, apply the desired number of coats of floor finish. When using a conventional string finish mop, begin by pouring the finish into a clean, lined mop bucket. When using a designated microfiber floor finish application system as shown here, liners are not necessary. Saturate the mop head and wring it out.

Start at the farthest corner from the door, and frame a 10 by 8 area with your mop.

Fill in the area using a figure-eight pattern, turning the mop frequently, and applying the finish all the way to the baseboard.

Work backward, toward the door and continue working side by side, in sections, until the entire area is finished. Apply additional coats of floor finish if necessary. Be certain that you allow the finish to dry thoroughly after applying each coat.

Step Five

Clean and return equipment to storage room

When the floor is completely dry, remove "Wet Floor" signs from all entrances. Then, return any furniture that had been removed from the area.

Finally, clean your equipment and return it to its proper storage place. Be sure to follow local regulations when disposing of remaining floor care chemicals.

Remember to always review your work, and report any concerns or preventative maintenance needs to your supervisor.

Complete Strip out, Seal & Finish

- STEP ONE: Gather Supplies and Apply Personal Protective Equipment
- STEP TWO: Dust Mop
- STEP THREE: Strip and Rinse
- STEP FOUR: Seal and Finish
- STEP FIVE: Clean and Return Equipment to Storage Area

Step One

Gather supplies and apply personal protective equipment

Gather necessary cleaning supplies as directed. Equipment and products may include: stripping product, neutralizer, gum remover, baseboard cleaner, floor sealer, floor finish, "Wet Floor" signs, dust mop and vacuum, doodlebug, putty knife, dust pan and brush, single-disc floor machine, wet mops and finish mops, mop buckets and wringer, and any necessary personal protective gear, like protective eyewear, foot covering and gloves.

Step Two

Perform complete dust mop procedure

Follow the steps on your Routine Cleaning, Dust Mop Checklist.

7 Step Three

Strip and rinse

After dust mopping, protect thresholds to contain stripping solution. You may also choose to protect cabinetry or other stationary furniture by applying painter's tape along the edges. To prevent injury, place a "Wet Floor" sign at each entrance of the area to be cleaned.

Next, prepare the floor stripper product as directed. Carefully apply baseboard stripper to the baseboards and 3 inches of the floor's edge. Let the baseboard stripper set for 2 to 3 minutes then...

...agitate the baseboard and floor edge with a doodlebug.

Rinse the baseboard and overspray the area with clean water.

Then, apply the stripper solution with a mop onto a manageable 10 by 10 area of the floor and let it set for 5 to 10 minutes. Be certain to keep the stripper wet.

Using your single-disc floor machine and a clean stripping pad, scrub the floor.

Next, pick up the dirty solution using a wet/dry vacuum or auto scrubber. Repeat this process until the entire floor is stripped.

If your stripper product requires it, apply neutralizer liberally to the floor with mop. Pick up the solution with a wet/dry vac.

Rinse the floor well with clean water.

8 Step Four

Seal and Finish

Before recoating, make sure that your floor is completely dry.

When using a designated microfiber floor finish application system as shown here, liners are not necessary. When using a conventional string finish mop, pour the floor sealer into a clean, lined mop bucket.

Saturate your mop head and wring it out. Then, start at the farthest corner from the door and frame a 10 by 8 area with your mop.

Fill in the area using a figure-eight pattern, turning the mop frequently, and applying the sealer all the way to the baseboard.

Work backward toward the door and continue working side by side, in sections, until the entire area is sealed.

9 Step Five

Clean and return equipment to storage room

When the floor is completely dry, remove "Wet Floor" signs from all entrances. Then, return any furniture that had been removed from the area.

Finally, clean your equipment and return it to its proper storage place. These tasks may include:

- Properly dispose of unused floor stripper, sealer and finish according to local regulations; and
- Thoroughly rinse mops and buckets

Remember to always review your work, and report any concerns or preventative maintenance needs to your supervisor.

However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. Future developments. Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at www.irs.gov/fw9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding?* on page 2.

By signing the filled-out form, you:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
- Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* above.

What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account, list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note. ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C Corporation, or S Corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(ii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box in line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box in line 3.

Limited Liability Company (LLC). If the name on line 1 is an LLC treated as a partnership for U.S. federal tax purposes, check the "Limited Liability Company" box and enter "P" in the space provided. If the LLC has filed Form 8832 or 2553 to be taxed as a corporation, check the "Limited Liability Company" box and in the space provided enter "C" for C corporation or "S" for S corporation. If it is a single-member LLC that is a disregarded entity, do not check the "Limited Liability Company" box; instead check the first box in line 3 "Individual/sole proprietor or single-member LLC."

Line 4, Exemptions

If you are exempt from backup withholding and/or FATCA reporting, enter in the appropriate space in line 4 any code(s) that may apply to you.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

- K—A broker
- L—A trust exempt from tax under section 664 or described in section 4947(a)(1)
- M—A tax exempt trust under a section 403(b) plan or section 457(g) plan

Note. You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on this page), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code* earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.ftc.gov/idtheft or 1-877-IDTHEFT (1-877-438-4338).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. VETERAN OWNED SMALL BUSINESS (VOSB) PREFERENCE CERTIFICATION

SECTION 1 GENERAL TERM

VETERAN OWNED SMALL BUSINESS (VOSB) PREFERENCE

The evaluation of competitive bids is subject to section 35.37 of the City's Procurement Procedures which, except where contrary to federal and state law, or any other funding source requirements, provides that preference be given to veteran owned small businesses. To satisfy this requirement, the vendor shall affirm in writing its compliance with the following objective criteria as of the bid or proposal submission date stated in the solicitation. A veteran owned small business shall be defined as:

- 1. "Veteran Owned Small Business" shall mean a business entity which has received a "Determination Letter" from the United States Department of Veteran Affairs Center for Verification and Evaluation notifying the business that they have been approved as a Veteran Owned Small Business (VOSB).

A preference of two and a half percent (2.5%) of the total evaluation point, or two and a half percent (2.5%) of the total price, shall be given to the **Veteran Owned Small Business (VOSB)**. This shall mean that if a **VOSB** submits a bid/quote that is within 2.5% of the lowest price submitted by any vendor, the **VOSB** shall have an option to submit another bid which is at least 1% lower than the lowest responsive bid/quote. If the **VOSB** submits a bid which is at least 1% lower than that lowest responsive bid/quote, then the award will go to the **VOSB**. If not, the award will be made to the vendor that submits the lowest responsive bid/quote. If the lowest responsive and responsible bidder is a "**Local Pembroke Pines Vendor (LPPV)**" or a "**Local Broward County Vendor (LBCV)**" as established in Section 35.36 of the City's Code of Ordinances, entitled "Local Vendor Preference", then the award will be made to that vendor and no other bidders will be given an opportunity to submit additional bids as described herein.

If there is a **LPPV**, a **LBCV**, and a **VOSB** participating in the same bid solicitation and all three vendors qualify to submit a second bid, the **LPPV** will be given first option. If the **LPPV** cannot beat the lowest bid received by at least 1%, an opportunity will be given to the **LBCV**. If the **LBCV** cannot beat the lowest bid by at least 1%, an opportunity will be given to the **VOSB**. If the **VOSB** cannot beat the lowest bid by at least 1%, then the bid will be awarded to the lowest bidder.

If multiple **VOSBs** submit bids/quotes which are within 2.5% of the lowest bid/quote and there are no **LPPV** or **LBCV** as described in Section 35.36 of the City's Code of Ordinance, entitled "Local Vendor Preference", then all **VOSBs** will be asked to submit a **Best and Final Offer (BAFO)**. The award will be made to the **VOSB** submitting the lowest **BAFO** providing that that **BAFO** is at least 1% lower than the lowest bid/quote received in the original solicitation. If no **VOSB** can beat the lowest bid/quote by at least 1%, then the award will be made to the lowest responsive bidder.

COMPARISON OF QUALIFICATIONS

The preferences established in no way prohibit the right of the City to compare quality of supplies or services for purchase and to compare qualifications, character, responsibility and fitness of all persons, firms or corporations submitting bids or proposals. Further, the preference established in no way prohibit the right of the city from giving any other preference permitted by law instead of the preferences granted, nor prohibit the city to select the bid or proposal which is the most responsible and in the best interests of the city.

SECTION 2 AFFIRMATION

VETERAN OWNED SMALL BUSINESS (VOSB) PREFERENCE CERTIFICATION:

Place a check mark here only if affirming bidder meets requirements above as a Veteran Owned Small Business. In addition, the bidder must attach the "Determination Letter" from the U.S. Dept. of Veteran Affairs Center.

Place a check mark here only if affirming bidder does not meet the requirements above as a VOSB.

Failure to complete this certification at this time (by checking either of the boxes above) shall render the vendor ineligible for VOSB Preference. This form must be completed by/for the proposer; the proposer **WILL NOT** qualify for VOSB Preference based on their sub-contractors' qualifications.

EQUAL BENEFITS CERTIFICATION FORM FOR DOMESTIC PARTNERS AND ALL MARRIED COUPLES

Except where federal or state law mandates to the contrary, a Contractor awarded a Contract pursuant to a competitive solicitation shall provide benefits to Domestic Partners and spouses of its employees, irrespective of gender, on the same basis as it provides benefits to employees' spouses in traditional marriages.

The Contractor shall provide the City and/or the City Manager or his/her designee, access to its records for the purpose of audits and/or investigations to ascertain compliance with the provisions of this section, and upon request shall provide evidence that the Contractor is in compliance with the provisions of this section upon each new bid, contract renewal, or when the City Manager has received a complaint or has reason to believe the Contractor may not be in compliance with the provisions of this section. Records shall include but not be limited to providing the City and/or the City Manager or his/her designee with certified copies of the Contractor's records pertaining to its benefits policies and its employment policies and practices.

The Contractor must conspicuously make available to all employees and applicants for employment the following statement:

“During the performance of a contract with the City of Pembroke Pines, Florida, the Contractor will provide Equal Benefits to its employees with spouses, as defined by Section 35.39 of the City's Code of Ordinances, and its employees with Domestic Partners and all Married Couples”.

The posted statement must also include a City contact telephone number and email address which will be provided to each contractor when a covered contract is executed.

SECTION 1 DEFINITIONS

1. **Benefits** means the following plan, program or policy provided or offered by a contractor to its employees as part of the employer's total compensation package which may include but is not limited to sick leave, bereavement leave, family medical leave, and health benefits.
2. **Cash Equivalent** mean the amount of money paid to an employee with a domestic partner or spouse in lieu of providing benefits to the employee's domestic partner or spouse. The cash equivalent is equal to the employer's direct expense of providing benefits to an employee for his or her spouse from a traditional marriage.
3. **Covered Contract** means a contract between the City and a contractor awarded subsequent to the date when this section becomes effective valued at over \$25,000 or the threshold amount required for competitive bids as required in section 35.18(A) of the Procurement Code.
4. **Domestic Partner** shall mean any two (2) adults of the same or different sex who have registered as domestic partners with a governmental body pursuant to state or local law authorizing such registration, or with an internal registry maintained by the employer of at least one of the domestic partners. A contractor may institute an internal registry to allow for the provision of equal benefits to employees with domestic partners who do not register their partnerships pursuant to a governmental body authorizing such registration, or who are located in a jurisdiction where no such governmental domestic partnership registry exists. A

contractor that institutes such registry shall not impose criteria for registration that are more stringent than those required for domestic partnership registration by the City of Pembroke Pines.

- 5. **Equal benefits** means the equality of benefits between employees with spouses and/or dependents of spouses and employees with domestic partners and/or dependents of domestic partners, and/or between spouses of employees and/or dependents of spouses and domestic partners of employees and/or dependents of domestic partners.
- 6. **Spouse** means one member of a married pair legally married under the laws of any state within the United States of America or any other jurisdiction under which such marriage is legally recognized, irrespective of gender.
- 7. **Traditional marriage** means a marriage between one man and one woman.

SECTION 2 CERTIFICATION OF CONTRACTOR

The firm providing a response, by virtue of the signature below, certifies that it is aware of the requirements of Section 35.39 "City Contractors providing Equal Benefits for Domestic Partners and all Married Couples" of the City's Code of Ordinances, and certifies the following (**Check only one box below**):

- A. Contractor currently complies with the requirements of this section; or
- B. Contractor will comply with the conditions of this section at the time of contract award; or
- C. Contractor will not comply with the conditions of this section at the time of contract award:
or
- D. Contractor does not comply with the conditions of this section because of the following allowable exemption (**Check only one box below**):

1. The Contractor does not provide benefits to employees' spouses in traditional marriages;

2. The Contractor provides an employee the cash equivalent of benefits because the Contractor is unable to provide benefits to employees' Domestic Partners or spouses despite making reasonable efforts to provide them. To meet this exception, the Contractor shall provide a notarized affidavit that it has made reasonable efforts to provide such benefits. The affidavit shall state the efforts taken to provide such benefits and the amount of the cash equivalent. Cash equivalent means the amount of money paid to an employee with a Domestic Partner or spouse rather than providing benefits to the employee's Domestic Partner or spouse. The cash equivalent is equal to the employer's direct expense of providing benefits to an employee's spouse;

3. The Contractor is a religious organization, association, society, or any non-profit charitable or educational institution or organization operated supervised or controlled by or in conjunction with a religious organization, association, or society;

4. The Contractor is a governmental agency;

The certification shall be signed by an authorized officer of the Contractor. Failure to provide such certification (by checking the appropriate boxes above along with completing the information below) shall result in a Contractor being deemed non-responsive.

VETERAN OWNED SMALL BUSINESS (VOSB) PREFERENCE CERTIFICATION

SECTION 1 GENERAL TERM

VETERAN OWNED SMALL BUSINESS (VOSB) PREFERENCE

The evaluation of competitive bids is subject to section 35.37 of the City's Procurement Procedures which, except where contrary to federal and state law, or any other funding source requirements, provides that preference be given to veteran owned small businesses. To satisfy this requirement, the vendor shall affirm in writing its compliance with the following objective criteria as of the bid or proposal submission date stated in the solicitation. A veteran owned small business shall be defined as:

1. "Veteran Owned Small Business" shall mean a business entity which has received a "Determination Letter" from the United States Department of Veteran Affairs Center for Verification and Evaluation notifying the business that they have been approved as a Veteran Owned Small Business (VOSB).

A preference of two and a half percent (2.5%) of the total evaluation point, or two and a half percent (2.5%) of the total price, shall be given to the **Veteran Owned Small Business (VOSB)**. This shall mean that if a **VOSB** submits a bid/quote that is within 2.5% of the lowest price submitted by any vendor, the **VOSB** shall have an option to submit another bid which is at least 1% lower than the lowest responsive bid/quote. If the **VOSB** submits a bid which is at least 1% lower than that lowest responsive bid/quote, then the award will go to the **VOSB**. If not, the award will be made to the vendor that submits the lowest responsive bid/quote. If the lowest responsive and responsible bidder is a "**Local Pembroke Pines Vendor**" (**LPPV**) or a "**Local Broward County Vendor**" (**LBCV**) as established in Section 35.36 of the City's Code of Ordinances, entitled "Local Vendor Preference", then the award will be made to that vendor and no other bidders will be given an opportunity to submit additional bids as described herein.

If there is a **LPPV**, a **LBCV**, and a **VOSB** participating in the same bid solicitation and all three vendors qualify to submit a second bid, the **LPPV** will be given first option. If the **LPPV** cannot beat the lowest bid received by at least 1%, an opportunity will be given to the **LBCV**. If the **LBCV** cannot beat the lowest bid by at least 1%, an opportunity will be given to the **VOSB**. If the **VOSB** cannot beat the lowest bid by at least 1%, then the bid will be awarded to the lowest bidder.

If multiple **VOSBs** submit bids/quotes which are within 2.5% of the lowest bid/quote and there are no **LPPV** or **LBCV** as described in Section 35.36 of the City's Code of Ordinance, entitled "Local Vendor Preference", then all **VOSBs** will be asked to submit a **Best and Final Offer (BAFO)**. The award will be made to the **VOSB** submitting the lowest **BAFO** providing that that **BAFO** is at least 1% lower than the lowest bid/quote received in the original solicitation. If no **VOSB** can beat the lowest bid/quote by at least 1%, then the award will be made to the lowest responsive bidder.

COMPARISON OF QUALIFICATIONS

The preferences established in no way prohibit the right of the City to compare quality of supplies or services for purchase and to compare qualifications, character, responsibility and fitness of all persons, firms or corporations submitting bids or proposals. Further, the preference established in no way prohibit the right of the city from giving any other preference permitted by law instead of the preferences granted, nor prohibit the city to select the bid or proposal which is the most responsible and in the best interests of the city.

SECTION 2 AFFIRMATION

VETERAN OWNED SMALL BUSINESS (VOSB) PREFERENCE CERTIFICATION:

- Place a check mark here only if affirming bidder meets requirements above as a Veteran Owned Small Business. In addition, the bidder must attach the "Determination Letter" from the U.S. Dept. of Veteran Affairs Center.
- Place a check mark here only if affirming bidder does not meet the requirements above as a VOSB.

Failure to complete this certification at this time (by checking either of the boxes above) shall render the vendor ineligible for VOSB Preference. This form must be completed by/for the proposer; the proposer WILL NOT qualify for VOSB Preference based on their sub-contractors' qualifications.
