Terms and Conditions:

Quotes and Order Acknowledgements do not include taxes and freight unless noted otherwise. These costs, if applicable, shall be the responsibility of the Customer. Freight shall be prepaid and added to invoices. Pricing is subject to change if AccuAir's vendor/manufacture adjusts pricing prior to customer order. Items not listed, including unit accessories and installation, are not included and will be sold separately and/or be furnished by others. Seller does not guarantee lead times or scheduled ship dates. Any and all dates provided above and/or elsewhere by AccuAir are estimated and subject to change without notice. All orders are non-cancellable and non-returnable unless agreed to in writing by AccuAir. Payments are due to AccuAir in 30 days following shipment and invoice to customer, unless agreed to otherwise.

This Quote or Order Acknowledgement by AccuAir and the sale of the equipment and/or accessories identified herein (collectively, "Products") are exclusively governed by and subject to the standard terms and conditions listed on the AccuAir website at <https://www.accuaironline.com> as of the date above (the "AccuAir Online Terms and Conditions"), each and all of which are hereby fully incorporated herein by reference thereto. As a Customer of AccuAir's Products, Customer hereby agrees and acknowledges that Customer's submittal of a purchase order to AccuAir signifies and confirms: (i) Customer's acceptance of and agreement to AccuAir's Online Terms and Conditions; (ii) Customer's acknowledgement that the AccuAir Online Terms and Conditions exclusively govern, control and take complete precedence over any and all other contractual terms or conditions, specifically including any conflicting terms or conditions previously agreed to or signed by or between AccuAir and Customer and any terms and conditions previously supplied or hereafter provided by or on behalf of Customer, each and all of which are hereby rejected; (iii) Customer's acknowledgement that any attempt to modify or supplement the AccuAir Online Terms and Conditions is rejected and will be of no force or effect whatsoever; and (iv) Customer's acknowledgement that the AccuAir Online Terms and Conditions can only be supplemented, revised or superseded by subsequent revisions and/or updates posted to the AccuAir Online Terms and Conditions, by AccuAir.

Because the AccuAir Online Terms and Conditions may be revised or updated from time-to-time, Buyer agrees and acknowledges that future purchases will be governed by the AccuAir Online Terms and Conditions in effect as of the date of the applicable invoice, and Buyer is therefore responsible for reviewing the AccuAir Online Terms and Conditions then in effect.
