 - 22.1.1 CONTRACTOR will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. CONTRACTOR will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. CONTRACTOR agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.
 - 22.1.2 CONTRACTOR will, in all solicitations or advertisements for employees placed by or on behalf of CONTRACTOR, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
 - 22.1.3 CONTRACTOR will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with CONTRACTOR's legal duty to furnish information.

- 22.1.4 CONTRACTOR will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of CONTRACTOR's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- 22.1.5 CONTRACTOR will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- 22.1.6 CONTRACTOR will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- 22.1.7 In the event of CONTRACTOR's non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this Agreement may be canceled, terminated or suspended in whole or in part and CONTRACTOR may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- 22.1.8 CONTRACTOR will include the provisions of paragraphs (22.1.1) through (22.1.8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. CONTRACTOR will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: *Provided*, however, that in the event CONTRACTOR becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, CONTRACTOR may request the United States to enter into such litigation to protect the interests of the United States.

The CITY further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the CITY so participating is a state or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The CITY further agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The CITY further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the CITY agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the CITY under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such CITY; and refer the case to the Department of Justice for appropriate legal proceedings.

- 22.2 <u>Davis-Bacon Act.</u> CONTRACTOR shall comply with the Davis-Bacon Act (40 U.S.C. 276a to 276a-7) as supplemented by Department of Labor Regulations (29 CFR Part 5). In accordance with the statute, CONTRACTOR must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, CONTRACTOR must be required to pay wages not less than once a week.
- 22.3 <u>Copeland "Anti-Kickback" Act.</u> CONTRACTOR shall comply with the Copeland "Anti-Kickback" Act, (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). CONTRACTOR must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. CITY must report all suspected or reported violations to the Federal awarding agency.
- 22.4 <u>Contract Work Hours and Safety Standards Act (40 U.S.C. 3701- 3708).</u> Where applicable, pursuant to 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5) CONTRACTOR must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours

worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous.

- 22.4.1 Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.
- 22.4.2 <u>Violation; liability for unpaid wages; liquidated damages.</u> In the event of any violation of the clause set forth in paragraph (22.4.1) of this section the CONTRACTOR and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (22.4.1) of this section, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (22.4.1) of this section.
- 22.4.3 Withholding for unpaid wages and liquidated damages. CITY shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by CONTRACTOR or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (22.4.2) of this section.
- 22.4.4 <u>Subcontracts</u>. CONTRACTOR or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (22.4.1) through (22.4.4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (22.4.1) through (22.4.4) of this section.

Pollution Control Act, as amended (33 U.S.C. 1251-1387). CITY will report violations to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

- 22.5.1 Clean Air Act. CONTRACTOR agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq. CONTRACTOR agrees to report each violation to CITY and understands and agrees that the CITY will, in turn, report each violation as required to assure notification to the State, Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office. CONTRACTOR agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance.
- 22.5.2 Federal Water Pollution Control Act. CONTRACTOR agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq. CONTRACTOR agrees to report each violation to the CITY and understands and agrees that the CITY will, in turn, report each violation as required to assure notification to the State, Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office. CONTRACTOR agrees to include these requirements in each subcontract exceeding one hundred fifty thousand dollars (\$150,000) financed in whole or in part with Federal assistance.
- 22.6 <u>Suspension and Debarment.</u> This Agreement is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000, as such CONTRACTOR is required to verify that none of the contractor's agents, principals (defined at 2 C.F.R. § 180.995), or affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).
 - 22.6.1 CONTRACTOR must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into. This certification is a material representation of fact relied upon by CITY. If it is later determined that CONTRACTOR did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to State and CITY, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
 - 22.6.2 The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.
- 22.7 <u>Byrd Anti-Lobbying Amendment, as amended (31 U.S.C. § 1352).</u> CONTRACTOR shall file the required certification pursuant to 31 U.S.C. 1352. Each tier

certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

- 22.8 <u>Compliance with State Energy Policy and Conservation Act.</u> CONTRACTOR shall comply with all mandatory standards and policies relating to energy efficiency contained in the State energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).
- 22.9 <u>Procurement of Recovered Materials</u>. The CITY and CONTRACTOR must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.
- 22.10 Reporting. Pursuant to 44 CFR 13.36(i)(7), CONTRACTOR shall comply with federal requirements and regulations pertaining to reporting, including but not limited to those set forth at 44 CFR 40 and 41, if applicable. Furthermore, both parties shall provide the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representative access to any books, documents, papers, and records of CONTRACTOR which are directly pertinent to this contract for the purpose of making audits, examinations, excerpts, and transcriptions. Also, both Parties agree to provide FEMA Administrator or his authorized representative access to construction or other work sites pertaining to the work being completed under the Agreement.
- 22.11 <u>Rights to Inventions</u>. CONTRACTOR will comply with all applicable federal law, regulations, executive orders, policies, procedures, and directives.
- 22.15 <u>Fraudulent Statements</u>. CONTRACTOR acknowledges that 31 U.S.C. Chap. 38 applies to CONTRACTOR's actions pertaining to this Agreement.
- 22.16 <u>Prohibition on Contracting for Covered Telecommunications Equipment or Services</u>. As used in this clause, the terms backhaul; covered foreign country; covered telecommunications equipment or services; interconnection arrangements; roaming; substantial or essential component; and telecommunications equipment or services have the meaning as defined in FEMA Policy 405-143-1, Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services (Interim), as used in this clause.

22.16.1 **Prohibitions**.

- 22.16.1.1 Section 889(b) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019, Pub. L. No. 115-232, and 2 C.F.R. § 200.216 prohibit the head of an executive agency on or after Aug.13, 2020, from obligating or expending grant, cooperative agreement, loan, or loan guarantee funds on certain telecommunications products or from certain entities for national security reasons.
- 22.16.1.2 Unless an exception in paragraph 22.16.3 of this clause applies, the CONTRACTOR and its subcontractors may not use grant, cooperative agreement, loan, or loan guarantee funds from the Federal Emergency Management Agency to:
 - 22.16.1.2.1 Procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;
 - 22.16.1.2.2 Enter into, extend, or renew a contract to procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;
 - 22.16.1.2.3 Enter into, extend, or renew contracts with entities that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system; or

22.16.1.2.4 Provide, as part of its performance of this contract, subcontract, or other contractual instrument, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

22.16.2 Exceptions.

22.16.2.1 This clause does not prohibit CONTRACTOR from providing: (i) A service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or (ii) Telecommunications equipment that cannot route or redirect user data traffic or permit visibility into any user data or packets that such equipment transmits or otherwise handles.

22.16.2.2 By necessary implication and regulation, the prohibitions also do not apply to: (i) Covered telecommunications equipment or services that: i. Are not used as a substantial or essential component of any system; and ii. Are not used as critical technology of any system. (ii) Other telecommunications equipment or services that are not considered covered telecommunications equipment or services.

22.16.3 Reporting requirement.

22.16.3.1 In the event CONTRACTOR identifies covered telecommunications equipment or services used as a substantial or essential component of any system, or as critical technology as part of any system, during contract performance, or the contractor is notified of such by a subcontractor at any tier or by any other source, the contractor shall report the information in paragraph 22.16.3.2 of this clause to the recipient or subrecipient, unless elsewhere in this contract are established procedures for reporting the information.

22.16.3.2 The CONTRACTOR shall report the following information pursuant to paragraph 22.16.3.1 of this clause: (i) Within one business day from the date of such identification or notification: The contract number; the order number(s), if applicable; supplier name; supplier unique entity identifier (if known); supplier Commercial and Government Entity (CAGE) code (if known); brand; model number (original equipment manufacturer number, manufacturer part number, or wholesaler number); item description; and any readily available information about mitigation actions undertaken or recommended. (ii) Within ten (10) business days of submitting the information in paragraph 22.16.3.1 of this clause: Any further available information about mitigation actions undertaken or

recommended. In addition, the contractor shall describe the efforts it undertook to prevent use or submission of covered telecommunications equipment or services, and any additional efforts that will be incorporated to prevent future use or submission of covered telecommunications equipment or services. The CONTRACTOR shall insert the substance of this clause, including this in all subcontracts and other contractual instruments.

- 22.17 <u>Domestic Preference for Procurements</u>. As appropriate, and to the extent consistent with law, the CONTRACTOR should, to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States. This includes, but is not limited to iron, aluminum, steel, cement, and other manufactured products. For purposes of this clause: *Produced in the United States* means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. *Manufactured products* mean items and construction materials composed in whole or in part of nonferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.
- 22.18 <u>Affirmative Socioeconomic Steps</u>. - 22.19 License and Delivery of Works Subject to Copyright and Data Rights. If applicable, the CONTRACTOR grants to CITY, a paid-up, royalty-free, nonexclusive, irrevocable, worldwide license in data first produced in the performance of this contract to reproduce, publish, or otherwise use, including prepare derivative works, distribute copies to the public, and perform publicly and display publicly such data. For data required by the contract but not first produced in the performance of this contract, CONTRACTOR will identify such data and grant to the CITY or acquires on its behalf a license of the same scope as for data first produced in the performance of this contract. Data, as used herein, shall include any work subject to copyright under 17 U.S.C. § 102, for example, any written reports or literary works, software and/or source code, music, choreography, pictures or images, graphics, sculptures, videos, motion pictures or other audiovisual works, sound and/or video recordings, and architectural works. Upon or before the completion of this contract, CONTRACTOR will deliver to the CONTRACTOR data first produced in the performance of this contract and data required by the contract but not first produced in the performance of this contract in formats acceptable by CONTRACTOR.

- 23.3 Records. CONTRACTOR shall keep such records and accounts and require any and all subcontractors to keep records and accounts as may be necessary in order to record complete and correct entries as to personnel hours charged to this engagement, and any expenses for which CONTRACTOR expects to be reimbursed. Such books and records will be available at all reasonable times for examination and audit by CITY and shall be kept for a period of ten (10) years after the completion of all work to be performed pursuant to this Agreement. Incomplete or incorrect entries in such books and records will be grounds for disallowance by CITY of any fees or expenses based upon such entries. All records shall be maintained and available for disclosure, as appropriate, in accordance with Chapter 119, Florida Statues.
- Assignments; Amendments. This Agreement, and any interests herein, shall not be assigned, transferred or otherwise encumbered, under any circumstances, by CONTRACTOR without the prior written consent of CITY. For purposes of this Agreement, any change of ownership of CONTRACTOR shall constitute an assignment which requires CITY approval. However, this Agreement shall run to the benefit of CITY and its successors and assigns. It is further agreed that no modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document executed with the same formality and of equal dignity herewith.
- 23.5 No Contingent Fees. CONTRACTOR warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for CONTRACTOR to solicit or secure this Agreement, and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for CONTRACTOR any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of this provision, CITY shall have the right to terminate the Agreement without liability at its discretion, to deduct from the contract price, or otherwise recover the full amount of such fee, commission, percentage, gift or consideration.

1.2 PURPOSE

The City of Pembroke Pines is seeking proposals from qualified firms, hereinafter referred to as the Contractor, with significant, verifiable experience in completing various types of home repair projects for residential homes.

This bid is designed to overlap the current pool of **General Contractors for Home Repair Projects**, in an effort to create a new pool that will replace the current pool upon its expiration but that can be called upon the award of this solicitation. Vendors of the current pool that would like to continue being a part of the pool must bid on this solicitation to be considered for the new pool.

The types of services to be rendered include the following:

- Correcting municipal code violations
- Abating any health and safety problems in the resident's home
- Providing safe electrical and mechanical systems
- Stopping weather penetration to make the resident's home more energy efficient
- Improving the general condition of the resident's structure

As each home repair project is determined, the approved pool of contractors will be invited to submit a bid for that particular home repair. The bid must include a quote and a timeline to complete the requested project. The lowest, most responsive/responsible Contractor that can meet the City's requirements shall be awarded the project(s) on an as-needed basis.

To be included in the pool, interested general contractor firms shall submit qualification statements, performance data and other information relative to the proposed Scope of Services. Responses will be evaluated by a Selection/Evaluation Committee. Firms that do not provide the information requested, or which fail to meet the minimum qualification criteria, shall be disqualified from further consideration.

1.2.1 Background

The City of Pembroke Pines receives funds from the U.S. Department of Housing and Urban Development (HUD) through multiple programs including the Community Development Block Grant (CDBG) Program, HOME Investment Partnerships Program (HOME), and Neighborhood Stabilization Program (NSP). In addition, it receives State Housing Initiatives Partnership (SHIP) funds from the Florida Housing Finance Corporation. From time to time, it may receive similar types of funds to carry out similar activities.

The City utilizes a pool of General Contractors, Home Inspectors, and Environmental Specialists for these projects. The pool of contractors for Home Inspectors, Environmental Specialists services and General Contractors are set to expire on March 1, 2024.

Any vendor (including vendors currently under contract with the City) that wishes to be part of the new pool of contractors must submit a response to this solicitation.

1.2.2 Section 3 Compliance

The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance for HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

Preference shall be given to Certified Section 3 Business Concerns. Whenever two (2) or more bids, which are equal with respect to price, quality and service, are received by the City for the procurement of commodities or contractual services, a bid received from a business that completes the Certification for Business Concerns Seeking Section 3 Preference in Contracting and Demonstration of Capability Form (and the Residential Employment Opportunity Data Form, if applicable) certifying that it is a Certified Section 3 Business Concern shall be given preference in the award process. The business seeking Section 3 preference must be able to provide adequate documentation as evidence of eligibility for preference under Section 3.

The City's Contract Housing Administrator will invite all approved **General** Contractors to bid on every new project.

Mold Inspections: In the event that a homeowner identifies a mold problem, the independent Home Inspectors evaluates the area of concern. If the Home Inspector feels that there is mold present, a mold inspection is suggested to the City's Contract Housing Administrator staff. The City's Contract Housing Administrator will then contact the Environmental Specialist to request a mold inspection. If any mold is present, the Environmental Specialist shall provide a detailed report including corrective action and a cost estimate which shall be used in the work specifications.

General Contractors must address any mold issues first. When the General Contractor feels that the mold has been rectified, they will request a post-mold inspection. The City's Contract Housing Administrator will then contact the Environmental Specialist to request the post-mold inspection.

9. In the event of a tie-bid preference will be given to the contractor that agreed to hire a Section 3 candidate. If both contractors agreed to the Section 3 requirement, the contractor who submitted the bid first will be the winner. Each bid is clocked in to ensure timeliness.

1.10 FREQUENTLY ASKED QUESTIONS (FAQs)

1.10.1 GENERAL QUESTIONS

Question # 1	Can I include multiple parties in my response?

Answer	Yes, however the City of Pembroke Pines will only pay one party for the work that is rendered. For instance, one party will receive the check as if they are the prime contractor and would have to pay the other parties as they would normally pay subcontractors.
Question # 2	With respect to the inspection part, are these inspectors required to complete the housing quality standard form?
Answer	Inspectors will use the inspection form that mirrors HUD's housing quality standard form. However, inspectors will be provided rehabilitation standards adopted by the City as a guide to complete inspections and work specifications.
Question # 3	All the inspector has to do is issue reports and cost estimates?
Answer	The general inspector must perform comprehensive inspection accompanied by checklist and photos as well as a detailed write up/works specifications on the repairs needed. The work specifications submitted to the City should have cost estimates. If any environmental inspections have been ordered on the property and mitigation is required, the general inspector will incorporate the mitigation steps in the overall work specs that the contractors will bid on. Environmental inspectors will be required to complete inspection requested, provide formal written report, photos and mitigation required. These reports should also have a cost estimate.

1.10.2 INSURANCE QUESTIONS

Question # 4	In regards to the Professional Liability / Errors & Omissions Insurance. Usually this type of insurance is not taken by construction companies, except in special cases such as this. The cost of this insurance is significant. Could this coverage be added to our liability insurance certificate at the time of signing a contract with the city rather than now?
Answer	Professional Liability / Errors & Omissions Insurance in no longer required. Please see section 2.6.5 is marked as NO.

1.10.3 BONDING QUESTIONS

Question # 5 Will this project require the company to have Bonding?

Answer	Due to the budgeted amount for each project, these projects will not be subject to federal bonding requirements.

1.10.4 LICENSE QUESTIONS

Question # 6	On April 22, 2008, EPA issued a rule requiring the use of lead-safe practices and other actions aimed at preventing lead poisoning. Under the rule, beginning April 22, 2010, contractors performing renovation, repair and painting projects that disturb lead-based paint in homes, childcare facilities, and schools built before 1978 must be certified and must follow specific work practices to prevent lead contamination. In other words, after April 22, 2010, federal law requires that contractors who perform renovation, repairs, and painting jobs should hold a valid EPA Certified Renovator per HUD 40CFR. The EPA certification is a 90 day process from course approved + application, to final certification. Therefore, this EPA certification must be part of the firm qualification documents. Please advise.
Answer	Contractors must submit a current and valid Certified-EPA Renovator's certificate with their bid packages.
Question # 7	What specific state/local licenses are required?
Answer	Requirements vary by occupation and services that are performed by the contractor. Firms should know what state/local licenses are needed for them to perform the required services.
Question # 8	Is the Certified EPA Renovator's Certificate a requirement for qualifying or just for jobs on pre-1978 structures?
Answer	If any of the upcoming home repair projects require environmental inspections, the City feels that requiring the EPA Renovator's Certificate is best practice because it allows all of the environmental jobs to be rotated through certified Environmental Inspectors.

1.10.5 FUNDING QUESTIONS

Question # 9	Are you doing a combination of DRI and CDBG to fund this home repair program?
Answer	The City will utilize federal CDBG, HOME and other funding sources as available. The program utilizes one streamlined process to capture the most restrictive program's requirement.

Question # 10	Please provide the estimated cost budget for this project.
Answer	The budget for each project is dependent on the program. Please contact the City's Contract Housing Administrator.
Question # 11	What is the maximum amount that you propose to give to an eligible homeowner?
Answer	The City provides a maximum amount depending on the program. Please contact the City's Contract Housing Administrator.
Question # 12	A lot of times when you use that housing quality standard, once you identify a deficiency, we somewhat have an obligation to correct that deficiency even if it goes over the \$90,000. Do you have some type of strategy in mind for these projects?
Answer	Code, health and safety are priority items that will be addressed. If a project is cost prohibitive, the City reserves the right to not fund the project. If the project is suitable and funds are available, the unit can be assisted under the City's substantial rehabilitation program. The majority of repairs can be assisted within the maximum budget due to the condition of the housing stock.
Question # 13	How many houses/projects are anticipated?
Answer	This varies as it is dependent on state/federal funding.
Question # 14	In terms of the draw schedule, how is mobilization addressed? If contractors only get paid upon 100% of completion of the job and satisfaction by the owner, what if you have a disgruntled owner, do you have something in place to circumvent that?
Answer	General contractors are paid upon 100% upon completion of the project. If the program inspection and building inspections indicate the work was done according to the approved work specifications, then there is no justification to withhold payment from a contractor.

1.10.6 SECTION 3 BUSINESS CONCERN QUESTIONS

Question # 15	Why do you require Certified Section # 3 business and concern?
Answer	Section 3 is a federal requirement that the City of Pembroke Pines must comply with. It is designed to create employment and training opportunities for residents living in the areas receiving federal funding.

Question # 16	Certified Section 3 Business Concern: Usually this type of service (inspections and estimates) is conducted only for the qualifier; not for employees. There is a special reason this Certified Section 3 Business Concern is required?
Answer	That is correct. Only the qualified person can perform the inspections. The section 3 employee can be the qualifier but does not have to be. For example, if an inspection firm needs to hire part-time clerical support as a result of being selected in the inspector's pool, then that would trigger section 3 compliance. Please refer to the 3 ways to qualify as a section 3 business concern.
Question # 17	Does Section 3 only apply for new hires?
Answer	Yes, Section 3 only applies to new hires.
Question # 18	Companies qualified as Section 3 in Miami Dade County meet with the requirements for this proposal? Or have to be independently qualified as Section 3 for Broward County?
Answer	Because the income guidelines are different for Broward and Miami-Dade, you will have to certify to Broward County's income guidelines and preferably hire someone from Pembroke Pines, but no further than beyond the Broward County jurisdiction. Section 3 is based on income and location of the employees.

- 7.3 CITY reserves the right to select its own legal counsel to conduct any defense in any such proceeding and all costs and fees associated therewith shall be the responsibility of CONTRACTOR.

ARTICLE 10 INDEPENDENT CONTRACTOR

10.1 This Agreement does not create an employee/employer relationship between the parties. It is the intent of the parties that the CONTRACTOR is an independent contractor under this Agreement and not the CITY's employee for all purposes, including but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the State Workers' Compensation Act, and the State unemployment insurance law. The CONTRACTOR shall retain sole and absolute discretion in the judgment of the manner and means of carrying out CONTRACTOR's activities and responsibilities hereunder provided, further that administrative procedures applicable to services rendered under this Agreement shall be those of CONTRACTOR, which policies of CONTRACTOR shall not conflict with CITY, State, H.U.D., or United States policies, rules or regulations relating to the use of CONTRACTOR's Funds provided for herein. The CONTRACTOR agrees that it is a separate and independent enterprise from the

CITY, that it has full opportunity to find other business, that it has made its own investment in its business, and that it will utilize a high level of skill necessary to perform the work. This Agreement shall not be construed as creating any joint employment relationship between the CONTRACTOR and the CITY will not be liable for any obligation incurred by CONTRACTOR, including but not limited to unpaid minimum wages and/or overtime premiums.

ARTICLE 11 UNCONTROLLABLE FORCES

- 11.1 Neither CITY nor CONTRACTOR shall be considered to be in default of this Agreement if delays in or failure of performance shall be due to Uncontrollable Forces, the effect of which, by the exercise of reasonable diligence, the non-performing party could not avoid. The term "Uncontrollable Forces" shall mean any event which results in the prevention or delay of performance by a party of its obligations under this Agreement and which is beyond the reasonable control of the nonperforming party. It includes, but is not limited to fire, flood, earthquakes, storms, lightning, epidemic, war, riot, civil disturbance, sabotage, and governmental actions.
- 11.2 Neither party shall, however, be excused from performance if nonperformance is due to forces, which are preventable, removable, or remediable, and which the nonperforming party could have, with the exercise of reasonable diligence, prevented, removed, or remedied with reasonable dispatch. The nonperforming party shall, within a reasonable time of being prevented or delayed from performance by an uncontrollable force, give written notice to the other party describing the circumstances and uncontrollable forces preventing continued performance of the obligations of this Agreement.

ARTICLE 12 AGREEMENT SUBJECT TO FUNDING

ARTICLE 16 DEFAULT OF CONTRACT & REMEDIES

- 16.1.1 **<u>Damages</u>**. CITY reserves the right to recover any ascertainable actual damages incurred as a result of the failure of CONTRACTOR to perform in accordance with the requirements of this Agreement, or for losses sustained by CITY resultant from CONTRACTOR's failure to perform in accordance with the requirements of this Agreement.
- 16.1.2 <u>Liquidated Damages</u>. As a breach of the service provided by this Agreement would cause serious and substantial damage to CITY Property, and the nature of this Agreement would render it impracticable or extremely difficult to fix the actual damage sustained by CITY by such breach, it is agreed that, in case of breach of service wherein CONTRACTOR fails to maintain the Property, leaving the said property in disrepair, CITY may elect to collect liquidated damages for each such breach, and CONTRACTOR will pay CITY as liquidated damages, and not as penalty, FIVE HUNDRED DOLLARS (\$500.00) for every day of such malfunction. This sum is the agreed upon amount by which CITY will be damaged by the breach of such service. An election to seek such remedies shall not be construed as a waiver of any legal remedies CITY may have as to any subsequent breach of service under this Agreement.
- 16.1.3 Correction of Work. If, in the judgment of CITY, work provided by CONTRACTOR does not conform to the requirements of this Agreement, or if the work exhibits poor workmanship, CITY reserves the right to require that CONTRACTOR correct all deficiencies in the work to bring the work into conformance without additional cost to CITY, and / or replace any personnel who fail to perform in accordance with the requirements of this Agreement. CITY shall be the sole judge of non-conformance and the quality of workmanship.
- 16.2 **Default of Contract.** The occurrence of any one or more of the following events shall constitute a default and breach of this Agreement by CONTRACTOR:
- 16.2.1. The abandonment of the Property by CONTRACTOR for a period of more than seven (7) business days.
- 16.2.2 The abandonment, unnecessary delay, refusal of, or failure to comply with any of the terms of this Agreement or neglect, or refusal to comply with the instructions of the Public Services Director relative thereto.

- 16.2.3. The failure by CONTRACTOR to observe or perform any of the terms, covenants, or conditions of this Agreement to be observed or performed by CONTRACTOR, where such failure shall continue for a period of seven (7) days after written notice thereof by CITY to CONTRACTOR; provided, however, that if the nature of CONTRACTOR's default is such that more than seven (7) days are reasonably required for its cure, then CONTRACTOR shall not be deemed to be in default if CONTRACTOR commences such cure within said seven (7) day period and thereafter diligently prosecutes such cure to completion.
- 16.2.4. The assignment and/or transfer of this Agreement or execution or attachment thereon by CONTRACTOR or any other party in a manner not expressly permitted hereunder.
- 16.2.5. The making by CONTRACTOR of any general assignment or general arrangement for the benefit of creditors, or the filing by or against CONTRACTOR of a petition to have CONTRACTOR adjudged a bankruptcy, or a petition for reorganization or arrangement under any law relating to bankruptcy (unless, in the case of a petition filed against CONTRACTOR, the same is dismissed within sixty (60) days); or the appointment of a trustee or a receiver to take possession of substantially all of CONTRACTOR's assets, or for CONTRACTOR's interest in this Agreement, where possession is not restored to CONTRACTOR within thirty (30) days; for attachment, execution or other judicial seizure of substantially all of CONTRACTOR's assets, or for CONTRACTOR's interest in this Agreement, where such seizure is not discharged within thirty (30) days.
- 16.3 Remedies in Default. In case of default by CONTRACTOR, CITY shall notify CONTRACTOR, in writing, of such abandonment, delay, refusal, failure, neglect, or default and direct him to comply with all provisions of the Agreement. A copy of such written notice shall be mailed to the Surety on the Performance Bond. If the abandonment, delay, refusal, failure, neglect or default is not cured within seven (7) days of when notice was sent by CITY, CITY may declare a default of the Agreement and notify CONTRACTOR of such declaration of default and terminate the Agreement. The Surety on the Performance Bond shall within ten (10) days of such declaration of default, rectify or cause to be rectified any mismanagement or breach of service in the Agreement and assume the work of CONTRACTOR and proceed to perform services under the Agreement, at its own cost and expense.
- 16.3.1. Upon such declaration of default, all payments remaining due CONTRACTOR at the time of default, less all sums due CITY for damages suffered, or expenses incurred by reason of default, shall be due and payable to Surety. Thereafter the Surety shall receive monthly payments equal to those that would have been paid by the CONTRACTOR has the CONTRACTOR continued to perform the services under the Agreement.
- 16.3.2. If such Surety fails to perform, the CITY may complete the Agreement, or any part thereof, either by day labor or re-letting a contract for the same, and procure the equipment and the facilities necessary for the completion of the Agreement, and charge the cost of same to CONTRACTOR and/or the Surety together with the costs incident thereto to such default.
- 16.3.3. In the event CITY completes the Agreement at a lesser cost than would have been payable to CONTRACTOR under this Agreement, if the same had been fulfilled by CONTRACTOR,

CITY shall retain such differences. Should such cost to CITY be greater, CONTRACTOR shall pay the amount of such excess to the CITY.

ARTICLE 17 BANKRUPTCY

17.1 It is agreed that if CONTRACTOR is adjudged bankrupt, either voluntarily or involuntarily, then this Agreement shall terminate effective on the date and at the time the bankruptcy petition is filed.

ARTICLE 18 DISPUTE RESOLUTION

18.1 <u>Arbitration</u>. In addition to any other remedy provided hereunder, CITY, at its option, may use arbitration to resolve any controversy or claim arising out of or relating to this Agreement if arbitration is elected by CITY. Any controversy or claim arising out of or relating to this Agreement, or breach thereof, may be settled by arbitration in accordance with the rules of the American Arbitration Association and judgment upon the award rendered by the arbitrators may be entered into by any court having jurisdiction thereof. In the event arbitration is elected by CITY, such controversy or claim shall be submitted to one arbitrator selected from the National Panel of The American Arbitration Association.

18.2 **Operations During Dispute.**

- 18.2.1 In the event that a dispute, if any, arises between CITY and CONTRACTOR relating to this Agreement, performance or compensation hereunder, CONTRACTOR shall continue to render service in full compliance with all terms and conditions of this Agreement as interpreted by CITY regardless of such dispute.
- 18.2.2 CONTRACTOR expressly recognizes the paramount right and duty of CITY to provide adequate maintenance of CITY's Property, and further agrees, in consideration for the execution of this Agreement, that in the event of such a dispute, if any, it will not seek injunctive relief in any court, but will negotiate with CITY for an adjustment on the matter or matters in dispute and, upon failure of said negotiations to resolve the dispute, may present the matter to a court of competent jurisdiction in an appropriate suit therefore instituted by it or by CITY.
- 18.2.3 Notwithstanding the other provisions in this Section, CITY reserves the right to terminate the Agreement at any time, whenever the service provided by CONTRACTOR fails to meet reasonable standards of the trade after CITY gives written notice to the CONTRACTOR of the deficiencies as set forth in the written notice within fourteen calendar (14) days of the receipt by CONTRACTOR of such notice from CITY.

Frequently Asked Questions regarding the Proposal Submission Form / Questionnaire

Question 1) In regards to the proposal submission form, it states "the summary worksheet shows your overall progress for the questionnaire", but we downloaded the file and fill in the requested information, and no value appears on the summary worksheet. Should we submit the form without the progress shown on the summary worksheet?

Answer: Please see attached example picture. In this example, Tab "1" has been fully completed, as a result, the "% Complete" column shows "100%" and the Progress Bar is fully green. The other Tabs or "Question Set"s are not complete, as a result, they show "0.00%" and the progress bar is empty and there is a pink box at the end of those rows. When you have completed all of the sections, all of your "% Complete" sections should be "100.00%" and your progress bars should be green.

Summary **Question Set** % Complete Questions **Progress** 1 14 100.00% 2 80 0.00% 3 5 0.00% 4 10 0.00% 5 12 0.00% 6 11 0.00% 132 10.61% Total

Question 2) We completed all the boxes in all the sheets and even so, there are boxes in pink (as I understand the book is taking them as if they were not filled) and therefore the summary does not give 100%, in our case it gives 87.12%.

Answer: The issue is that all of your responses should be included in the "Response" Column... depending on the response that you put in the "Response" column (as some of the responses are selections from a drop down box), you will be required to also add a comment to the "Comment" column. See attached screen shot of acceptable and unacceptable responses. If a row shows that it is still in Pink, you need to add some information to either the "Response" column or the "Comment" column.

Standard Form 330 Not Applicable

Jul 24, 2023 5:07 PM EDT

Standard Form 330 was erroneously left as a requirement for PL-23-01 "General Contractors for Home Repair Projects", however it is not applicable. Because the Bonfire system has already received submissions for this bid, the request for Standard Form 330 cannot be removed. We have made the request for Standard Form 330 optional so vendors can bypass the request. We will extend the bid due date by a week due to this inconvenience.

VETERAN OWNED SMALL BUSINESS (VOSB) PREFERENCE CERTIFICATION

SECTION 1 GENERAL TERM

VETERAN OWNED SMALL BUSINESS (VOSB) PREFEREENCE

The evaluation of competitive bids is subject to section 35.37 of the City's Procurement Procedures which, except where contrary to federal and state law, or any other funding source requirements, provides that preference be given to veteran owned small businesses. To satisfy this requirement, the vendor shall affirm in writing its compliance with the following objective criteria as of the bid or proposal submission date stated in the solicitation. A veteran owned small business shall be defined as:

 "Veteran Owned Small Business" shall mean a business entity which has received a "Determination Letter" from the United States Department of Veteran Affairs Center for Verification and Evaluation notifying the business that they have been approved as a Veteran Owned Small Business (VOSB).

A preference of two and a half percent (2.5%) of the total evaluation point, or two and a half percent (2.5%) of the total price, shall be given to the **Veteran Owned Small Business (VOSB)**. This shall mean that if a **VOSB** submits a bid/quote that is within 2.5% of the lowest price submitted by any vendor, the **VOSB** shall have an option to submit another bid which is at least 1% lower than the lowest responsive bid/quote. If the **VOSB** submits a bid which is at least 1% lower than that lowest responsive bid/quote, then the award will go to the **VOSB**. If not, the award will be made to the vendor that submits the lowest responsive bid/quote. If the lowest responsive and responsible bidder IS a **"Local Pembroke Pines Vendor" (LPPV)** or a **"Local Broward County Vendor" (LBCV)** as established in Section 35.36 of the City's Code of Ordinances, entitled "Local Vendor Preference", then the award will be made to that vendor and no other bidders will be given an opportunity to submit additional bids as described herein.

If there is a LPPV, a LBCV, and a VOSB participating in the same bid solicitation and all three vendors qualify to submit a second bid, the LPPV will be given first option. If the LPPV cannot beat the lowest bid received by at least 1%, an opportunity will be given to the LBCV. If the LBCV cannot beat the lowest bid by at least 1%, an opportunity will be given to the VOSB. If the VOSB cannot beat the lowest bid by at least 1%, then the bid will be awarded to the lowest bidder.

If multiple VOSBs submit bids/quotes which are within 2.5% of the lowest bid/quote and there are no LPPV or LBCV as described in Section 35.36 of the City's Code of Ordinance, entitled "Local Vendor Preference", then all VOSBs will be asked to submit a Best and Final Offer (BAFO). The award will be made to the VOSB submitting the lowest BAFO providing that that BAFO is at least 1% lower than the lowest bid/quote received in the original solicitation. If no VOSB can beat the lowest bid/quote by at least 1%, then the award will be made to the lowest responsive bidder.

The preferences established in no way prohibit the right of the City to compare quality of supplies or services for purchase and to compare qualifications, character, responsibility and fitness of all persons, firms or corporations submitting bids or proposals. Further, the preference established in no way prohibit the right of the city from giving any other preference permitted by law instead of the preferences granted, nor prohibit the city to select the bid or proposal which is the most responsible and in the best interests of the city.
