RE: **Thompson Pump 6JSCE By-Pass Pump**

Hello Gerry,

Thank you for your interest in Thompson Pump & Manufacturing and the products and the services that we provide. Per your request, we are providing **2017 Florida Sheriffs Association Contract Specification #76** pricing for (2) Thompson Pump Model 6JSCE-DJCST-423-MC, a 6" Sound Attenuated, Compressor-Assisted, Trailer-Mounted, High Efficiency Pump. We understand these pumps will be utilized by The City Pembroke Pines Utilities Department for emergency by-pass operations at various lift stations in the City.

The net price is derived from our **2017 Florida Sheriffs Association Contract Bid Award #FSA17-VEH15.0-Cab & Chassis Trucks & Other Fleet Equipment**. This Florida based government contract enables City of Pembroke Pines to avoid the hassle and expense of purchasing these pumps through the public bid process. The FSA contract basically works like a "piggy back" for our equipment. You can order this unit by simply putting our FSA bid award number on your purchase order. Our FSA contract number is: **FSA17-VEH15.0, Spec #76**.

Should you require further information or have any questions, please contact me at the number below.

Sincerely,

*Allan Curry*
