SUMMARY EXPLANATION AND BACKGROUND:

1. On April 15, 2020, the City Commission approved the Amended and Reinstated agreement with Jacobs/Operations Management International, Inc. (OMI) for the operation, maintenance and management of the city utility system, customer service, meter reading and utility billing services.
2. As part of this agreement with OMI., the City is responsible for providing chemicals for the operation of the water and wastewater systems.
3. The Utilities Department utilizes Carbon Dioxide (CO2) as part of the water treatment process for pH adjustment at the Water Treatment Plant.
4. The City of Pompano Beach, as lead agency for the Southeast Florida Governmental Purchasing Cooperative (Co-Op), issued Invitation for Bid (IFB) #T-11-23 for Carbon Dioxide and, on February 28, 2023, awarded a one (1) year contract with Airgas USA, LLC., who was the sole bidder. The contract provides for two (2) one (1) year renewal options.
5. The contract with Airgas includes three tiers of pricing, depending on delivery volumes. Pembroke Pines qualifies for Tier 1 pricing at \$0.225/lb or \$450.00/ton. The contract also includes a telemetry monitoring fee of \$65/month.
6. The Utilities Department uses approximately 730 tons of CO2 annually.
7. Included in the Co-Op agreement is a Memorandum of Understanding (No.1866) which states that the cost(s) shall remain firm for the initial twelve (12) month period of the contract term, but that the Contractor may, upon 60 days' notice, adjust prices charged to the City in the event of any significant increase in Contractor's cost to obtain or manufacture the products sold hereunder. Under such conditions, the City has the option to pay the revised price, terminate the contract, or obtain CO2 from another supplier without penalty to the Contractor.
8. Staff recommends City Commission approve an agreement with Airgas USA, LLC., retroactive to March 15, 2023 (the effective date of the co-op contract), for the purchase of carbon dioxide on an as-needed basis, utilizing pricing established by the Southeast Florida Governmental Cooperative purchasing group (Co-Op) ITB # T-11-23 in an estimated annual amount not to exceed \$329,280, pursuant to Section 35.18(C)(6) of the City's Procurement Code.
