### Title

MOTION TO APPROVE THE FIRST AMENDMENT TO THE PARTICIPATION AGREEMENT TO ACKNOWLEDGE AND ADOPT THE UPDATES TO THE OPERATOR AGREEMENT AND THE OPERATION OF THE SYSTEM INCLUDING UPDATED PERFORMANCE STANDARDS, COMPLIANCE WITH CRIMINAL JUSTICE INFORMATION SYSTEM (CJIS) OR FLORIDA DEPARTMENT OF LAW ENFORCEMENT (FDLE), CURRENT POLICIES AND STANDARD OPERATION PROCEDURES, REVISED ENGAGEMENT PROCESS AND ROLE OF THE OPERATIONAL REVIEW TEAMS, AND THE DEMARCATION POINTS FOR THE UPDATED FIRE STATION ALERTING SYSTEM, AND TO AMEND THE REGIONAL INTERLOCAL AGREEMENT TO REMAIN CONSISTENT WITH THE PARTICIPATION AGREEMENT.

## Summary Explanation and Background

### SUMMARY EXPLANATION AND BACKGROUND:

1. Broward County owns and oversees the regional E-911 consolidated communications system, which provides for the operations and technological infrastructure to support 911 call taking, computer-aided dispatch, and other functionality necessary for the operation of public safety answering points, as well as a countywide interoperable public safety intranet that supports closest unit response in life-threatening emergencies and regional specialty teams.

2. Broward County and the City of Pembroke Pines entered into the Agreement for participation in the consolidated regional E-911 communication system on or about October 1, 2013.

3. In conjunction with entering into the Participation Agreement, each municipality also entered into a Regional Interlocal Agreement with Broward County to allocate responsibilities for the deployment of technical resources and responsibilities for the countywide public safety communication system.

4. Broward County and the City of Pembroke Pines desire to amend the Participation Agreement to acknowledge and adopt the updates to the Operator Agreement and operations of the System including updated performance standards, current policies and standard procedures, revised engagement process and role of the operational review teams, and the demarcation points for the updated fire station alerting system, and to amend the Regional Interlocal Agreement to remain consistent with the Participation Agreement.
5. The Police Department and Fire Department recommends the approval of this First Amendment as presented.
6. Request Commission to approve the First Amendment to the participation agreement to acknowledge and adopt the updates to the operator agreement and the operation of the system including updated performance standards, compliance with Criminal Justice Information System (CJIS) or Florida Department of Law Enforcement (FDLE), current policies and standard operation procedures, revised engagement process and role of the operational review teams, and the demarcation points for the updated fire station alerting system, and to amend the regional interlocal agreement to remain consistent with the participation agreement.
