Re: MIRA 001-004 – Pembroke Road Expansion/Miramar Parkway Extension Surtax Project Inclusion in State and Federal Legislative Platform

Dear Mayor Rich,

The Pembroke Road Expansion/Miramar Parkway Extension Surtax Project (MIRA 001-004) is expected to face a budget shortfall during its construction phase (currently anticipated for FY 25-29). This letter serves to clarify the City's intention to include the Project in our State and Federal Legislative Platform so as to allow the City to pursue appropriations for additional funding.

We respectfully request that the County also allow the Project within its own Platform due to the large amount of Surtax funding involved, and the importance of this project for the southwest Broward region. Any support that the County could provide to secure appropriations would be greatly appreciated.

Thank you,

Angelo Castillo  
Mayor  
City of Pembroke Pines
