DO NOT DESTROY. PLEASE RETAIN UNTIL ALL REQUIREMENTS ARE COMPLETE

This Official Statement of Status of Eligibility outlines requirements for issuance of a Florida Educator's Certificate. Florida school district personnel will advise you of any additional requirements for employment in the school district and including compliance with applicable federal laws and regulations.

For Florida educator certification purposes, college degrees and credits must be earned at institutions that are either accredited by an agency recognized by the U.S. Department of Education or approved by the Florida Department of Education. College level credits recommended by the American Council on Education (ACE) are also acceptable.

YOU ARE NOT ELIGIBLE FOR A FLORIDA EDUCATOR'S CERTIFICATE AS SHOWN BELOW.

Temporary Certificate: For issuance of a five-year non-renewable Temporary Certificate covering Elementary Education (Grades K-6), the following requirements must be completed, and official documentation must be submitted to the Bureau of Educator Certification:

Subject area mastery content requirements for Elementary Education (Grades K-6) as documented by the following:

- a passing score on the Florida state approved examination earned no more than ten (10) years prior to the date of application

OR

Subject area content requirements for Elementary Education (Grades K-6) as documented by the following:

- 30.00 semester hours in elementary education to include the areas specified below:

- credit in understanding the reading process and effective reading instruction
 - credit in recognition and assessment of reading problems
 - credit in prescription and utilization of appropriate methods and materials to increase reading performance
 - credit in content and methods for teaching language arts in grades K-6
 - credit in content and methods for teaching science in grades K-6
 - credit in content and methods for teaching social science in grades K-6
 - credit in content and methods for teaching health and physical education in grades K-6
 - credit in content and methods for teaching art in grades K-6
 - credit in content and methods for teaching music in grades K-6
 - credit in content and methods for teaching mathematics in grades K-6
 - credit in materials for use with children
 - maintain a 2.5 grade point average (GPA) in the subject area; current GPA is acceptable
- verification of employment and request for issuance of certificate on the appropriate certification form from a Florida public, state supported, or non-public school which has an approved Professional Education Competence Program

Professional Certificate: For issuance of a Professional Educator's Certificate valid for five years covering Elementary Education (Grades K-6), the above requirements for a Temporary Certificate must be completed, and a CG-10 Application Form, appropriate non-refundable application fee, and official documentation of the following requirements must be submitted to the Bureau of Educator Certification:

- a passing score on the Professional Education Test earned no more than ten (10) years prior to the date of application.

Subject area mastery content requirements for Elementary Education (Grades K-6) as documented by the following:

- a passing score on the Florida state approved examination earned no more than ten (10) years prior to the date of application

- completion of a Florida approved Professional Education Competence Program administered and documented by your employer.

Completion of the following Professional Preparation Coursework Requirements:

- a minimum of 15.00 additional semester hours in education courses with credit in each of the professional education areas listed below. Please note that it may require more than the minimum semester hours to satisfy all requirements.
- classroom management with a focus on creating safe learning environments for students in which effective teaching and learning can take place by promoting a physically, emotionally, socially, and academically secure climate for students
- child and adolescent development including theories and principles of learning
- educational assessment practices that include analysis and application of data from statewide standardized assessments and other multiple sources to improve instruction and learning
- effective instructional techniques, strategies, and materials to meet the needs of diverse learners, including students with disabilities
- instructional strategies for teaching students of limited English proficiency including instruction in the English language and development of the student's mastery of the four language skills of listening, speaking, reading, and writing (Teaching experience cannot be used to satisfy this requirement.)
- applications of research-based instructional practices in reading
- Note: A passing grade of C or better must be earned for each course, and every course, except child and adolescent development, must be completed at an institution that awards bachelor's or higher degrees.
- practical experience in teaching by completing one year of full-time experience teaching in an elementary or secondary school

Additional Comments:

This evaluation outlines one educator preparation route and pathway to certification. For other options, please select 'Alternative & Traditional Certification' from our home page (<http://www.fldoe.org/teaching/certification>).
