1003.631 Schools of Excellence.—The Schools of Excellence Program is established to provide administrative flexibility to the state’s top schools so that the instructional personnel and administrative staff at such schools can continue to serve their communities and increase student learning to the best of their professional ability.

(1) DESIGNATION.—

(a) The State Board of Education shall designate a school as a School of Excellence if the school’s percentage of possible points earned in its school grade calculation is in the 80th percentile or higher for schools comprised of the same grade groupings, including elementary schools, middle schools, high schools, and schools with a combination of grade levels, for at least 2 of the last 3 school years. The school must have data for each applicable school grade component pursuant to s. [1008.34\(3\)](#) to be eligible for designation as a School of Excellence. 2. The school did not receive a school grade lower than “B” pursuant to s. [1008.34](#) during any of the previous 3 years.

(b) A school that earns a school grade lower than “B” pursuant to s. [1008.34](#) during the 3-year period may not continue to be designated as a School of Excellence during the remainder of that 3-year period and loses the administrative flexibilities provided in subsection (2).

(2) ADMINISTRATIVE FLEXIBILITIES.—A School of Excellence must be provided the following administrative flexibilities:

- (a) Exemption from any provision of law or rule that expressly requires a minimum period of daily or weekly instruction in reading.
