Title

MOTION TO RATIFY THE CITY MANAGER'S APPROVAL OF THE 75/25 MATCHING FLORIDA DEPARTMENT OF HEALTH STATE EMS GRANT (#M2543) IN THE AMOUNT OF \$22,484.96/\$7,494.99 TO BE USED FOR THE PURCHASE OF EMS PEDIATRIC TRAINING SIMULATOR MANIKINS.

Summary Explanation and Background

SUMMARY EXPLANATION AND BACKGROUND:

1. The City of Pembroke Pines has been awarded a State EMS grant (#M2543) in the amount of \$22,484.96 for the purchase of EMS pediatric training simulator manikins.

2. The CPR training manikins represent a significant advancement in prehospital care, primarily designed for bystanders and non-medically trained people to perform emergency care in the face of cardiac arrests. As an innovative device designed to enhance the efficiency and effectiveness of resuscitation efforts, manikins hold the potential to significantly improve patient outcomes and survival rates both within our service area and outside our community borders.

3. The City's matching portion for this grant is \$7,494.99 (25%).

4. The agreement was delivered near the State of Florida's June 30th fiscal year deadline, and due to the City Commission not meeting in July, it could not be submitted for approval in time.

5. Withdrawal of awarded funds will constitute the City's agreement with the terms of the grant as written.

6. The agreement was approved as to legal form and the Fire Department recommends accepting the grant and the terms of the agreement.

Financial Impact

FINANCIAL IMPACT DETAIL:

a) Initial Cost: \$7,494.99

b) Amount budgeted for this item in Account No: Line #001-529-4003-664352-0000-000-0000 (Special Equipment - Rescue)

c) Source of funding for difference, if not fully budgeted: Not Applicable

d) 5 year projection of the operational cost of the project: Not Applicable

	Current FY	Year 2	Year 3	Year 4	Year 5
Revenues					
Expenditures	\$7,494.99				
Net Cost	\$7,494.99				

e) Detail of additional staff requirements: Not Applicable

FEASIBILITY REVIEW:

A feasibility review is required for the award, renewal and/or expiration of all function sourcing contracts. This analysis is to determine the financial effectiveness of function sourcing services.

a) Was a Feasibility Review/Cost Analysis of Out-Sourcing vs. In-House Labor Conducted for this service? Not Applicable

b) If Yes, what is the total cost or total savings of utilizing Out-Sourcing vs. In-House Labor for this service? Not Applicable
