Helping businesses grow and compete in the global economy.

WELCOME TO THE GLOBAL TRADE CHAMBER

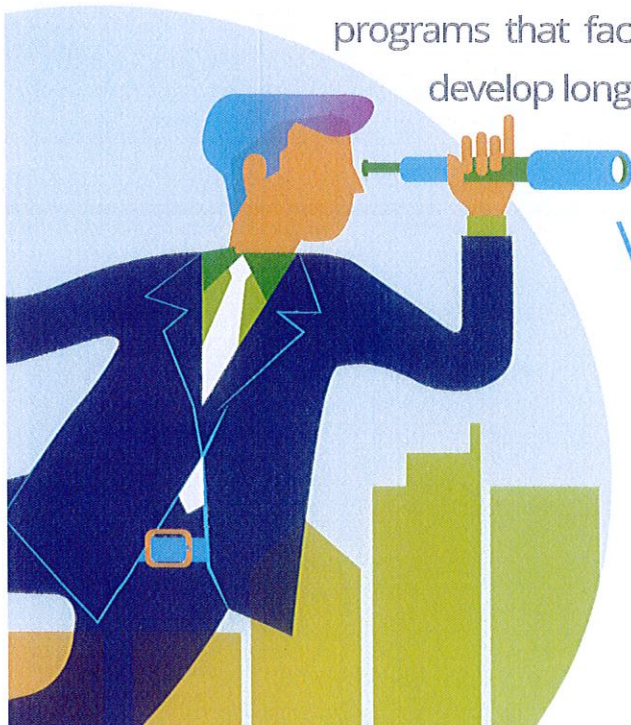

Make a life, not just a living

We are the gateway for entrepreneurs and businesses to make global business connections and acquire training to compete in global markets. For over a decade we have helped many small and medium sized businesses explore and penetrate new markets on a global scale.

We help our members to develop relationships with potential clients, lead sources, distributors and trustworthy providers of goods and services, giving them access to leading edge training, a platform to offer and sell products/services and a business center to help them start and grow a business.

Mission

We are a membership organization that helps businesses explore new opportunities and succeed in local, national and international markets. This is accomplished through comprehensive programs that facilitate companies' needs to connect with new clients and develop long-term relationships based on trust.

Vision

Our vision is to be the leader in global business connections. We seek to expand our network operations to **two thirds** of the countries of Earth in the next 5 to 10 years. We envision a world where businesses from all over can seamlessly do business with each other on a single platform.

We believe if you have a business and are determined to succeed then you can compete in the global economy.

WHY CHOOSING THE GTC?

We have created a list of our core services, designed to help you achieve success in your business endeavors

Global Connections

We have several ways to connect you with potential customers, referral sources and trustworthy suppliers of goods and services.

Corporate Events Planning

We provide a full service event management organization delivering global innovative solutions supporting your company's growth through the flawless execution of events and meetings.

Business Center

We have the perfect business solution to give you a professional image and keep your overhead costs low, through our virtual offices which includes a conference room and seminar room.

Business Training

Our Global Business Institute (GBI) will be your ally in sharing vital practical knowledge and up to date information to guide you in the right direction to succeed in the local & global market.

International Trade

As a global chamber we provide services specially tailored to excel in the international trade such as trade missions, pre-scheduled meetings with international clients, joint venture partners, pre-qualified prospects, agents, etc, supporting entrepreneurs and companies looking to explore new markets.

Investing in the USA

We have assembled a team of experts in several fields to assist you in finding the best options to invest. This team includes immigration attorneys, business brokers international accountants, commercial real estate experts, residential realtors, financial advisors, franchise experts, graphic and web designers and branding & digital marketers.

Corporate Branding

As an international chamber we know the latest trends in business and it's corporate needs, that's why we have a team of graphic developers that can take your brand to the next level by creating an impressive yet recognizable brand image for your business.

Digital Marketing

Our digital marketing team can take your business to the top of all by leveraging your image in all internet platforms, gaining presence and reaching more clients at once to retain loyal clients and to assist them in any request they may have.

Nearshoring Services

Information Technology is necessary in all types of businesses, this also brings a high cost and very few options. We have created a team of IT professionals with a range of customizable services such as web and app development and software solutions at a very low cost and located in Guatemala.
