Subject: FINAL NPDES Interlocal Agreement (ILA) 4-30-2026 (To Be Executed by City Commissions or Town Councils)

This sender is trusted.

Dear Co-permittees,

Attached is a copy (in pdf format) of the NPDES ILA that needs to be executed by your respective governing body (i.e., City Commission or Town Council).

Please note that some minor revisions to Article 7 have been made. The tracked revisions are shown in the screen capture below. The revisions address a comment received from one of the co-permittees and are intended to provide further clarification of the extent of services expressly performed by the County under this agreement.

Please provide by COB May 7, 2026, the date this NPDES ILA will be put on your governing body's agenda for approval. Please remember that the County is expecting to receive the executed pages back from the municipalities by no later than July 7, 2026. When responding to us, please remember to copy the members of our Broward County NPDES Team in the cc line; however, there is no need to cc all the other municipalities.

If you have any question, please advise.

Thanks,

ARTICLE 7. GOVERNMENTAL POWERS, FUNCTIONS, AND DUTIES NOT TRANSFERRED

~~It is specifically understood~~The Parties acknowledge and ~~agreed~~agree that this Agreement does not effectuate the transfer of any municipal or County powers or functions. Each Party retains sole and ultimate responsibility for compliance within its respective jurisdiction with the NPDES MS4 Permit and all of the applicable laws and regulations. Notwithstanding any provision herein, all governmental powers, functions, and duties as may be vested in the Municipalities pursuant to Florida Law law, or any other applicable law, ordinance, or Charter municipal charter provision of any Municipality not specifically transferred, remain with the Municipalities, except to or being carried out by County hereunder shall be and the extent that certain services are retained expressly performed by the County under this Agreement as an independent contractor. The performance of such services by the MunicipalitiesCounty shall not be construed as a delegation or transfer of authority.

Subject: NPDES Interlocal Agreement (ILA) - FINAL DRAFT – Additional info on Records Custodian Needed by 4-28-2026

Dear Co-permittees,

Attached is the final draft of the proposed ILA addressing comments submitted by you (see below). For your convenience, the attached final draft shows the Tracked Changes from the version previously provided. Because an additional exhibit (Exhibit C) was added, we

need each municipality to **provide by COB April 28, 2026, the name, address, phone #, and email of the municipality's Records Custodian.** When responding to us, please there is no need to cc all the other municipalities.

Once the requested information is provided, a FINAL version of the ILA (in pdf format) will be sent to you on or about April 30, 2026, so you can proceed to place it in your municipality's next governing body meeting for approval of execution.

Below is a summary of the comments received and how they were addressed by the County Attorney's Office.

Article 7:

Comment: *Transfer of powers needs to be changed. It currently says that all powers not specifically transferred to County are retained by the Municipality. That means that other powers are transferred, which would require dual referenda under Article VIII, Section 4 of the Florida Constitution. I think the provision has to say that no powers are being transferred and that each municipality retains the powers but is contracting with the county to provide services.*

Response: This Interlocal Agreement (ILA) is being made under 163.01 F.S., which allows local governments to get together and agree on specific responsibilities to be done by another local government. In this case, this provision is saying that the county is taking over only the specific responsibilities outlined in the ILA. All other responsibilities are retained by the municipalities.

Articles 9.1, 9.5 and 11.23:

Comment: These articles were requested to be amended to be reciprocal.

Response: All 3 articles were revised to address comments.

Article 11.3:

Comment: Article only includes record custodian for County.

Response: As required by 11.0701 F.S., Exhibit C has been added to list the record custodians for all parties. Municipalities will need to provide name, address, email, and telephone number for each of their records custodian.

Article 11.6:

Comment: Why is this article necessary?

Response: This article is standard in all County agreements after 2017, and it is necessary in case the County and/or Municipalities have a dispute. The County and Municipalities only waive their sovereign immunity as it pertains to this ILA.

If you have any question, please advise.

Thanks,

Subject: DRAFT: New Broward County Interlocal Agreement to Be Reviewed by Co-Permittees - Comments Due by April 10, 2026

Greetings everyone,

Our Broward County Attorney's Office has prepared the attached draft of the new Interlocal Agreement (ILA) to be circulated amongst the co-permittees. This new ILA should become effective on October 1, 2027. Please ensure that it is reviewed by your legal counsels and other responsible entities in your municipalities; then, submit any relevant comments to our office by **April 10, 2026**. Our agency will try to set up three (3) short meeting sessions to offer everyone the opportunity to discuss any concerns that they may have regarding this new ILA. Most likely, we will set them up respectively the Monday afternoon, Wednesday morning, and Friday afternoon in the second week of April.

Later on, we intend to send you a formal notice to terminate the current Interlocal Agreement at least 30 days prior to its termination date, which will be on September 30, 2026. Please ensure that proper allocations are made for two (2) payments while you are preparing your

budget for the Fiscal Year 2027 as we had mentioned in our previous meetings on October 15, 2025, and November 13, 2025. The two payments will be respectively due on October 30, 2026, and November 30, 2026. The first payment is for the activities to be performed from January 5, 2026, thru September 30, 2026, and the second payment is for the services to be rendered from October 1, 2026, thru September 30, 2027.

For your convenience, we have added a table showing the total service fee to be paid by each co-permittee in the highlighted columns below. That information is also provided in the Exhibit B of the attachment. Please ensure that both payments are accounted for in your budget for the Fiscal Year 2027.
