SECTION 4. Employment Eligibility. CONSULTANT certifies that it is aware of and complies with the requirements of Section 448.095, Florida Statutes, as may be amended from time to time and briefly described herein below.

4.1 **Definitions for this Section.**

5.1.1 "Contractor" means a person or entity that has entered or is attempting to enter into a contract with a public employer to provide labor, supplies, or services to such employer in exchange for salary, wages, or other remuneration. City of Pembroke Pines

4.1.2 “Contractor” includes, but is not limited to, a vendor or consultant.

4.1.3 “Subcontractor” means a person or entity that provides labor, supplies, or services to or for a contractor or another subcontractor in exchange for salary, wages, or other remuneration.

4.1.4 “E-Verify system” means an Internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees.

4.2 **Registration Requirement; Termination.** Pursuant to Section 448.095, Florida Statutes, effective January 1, 2021, Contractors, shall register with and use the E-verify system in order to verify the work authorization status of all newly hired employees. Contractor shall register for and utilize the U.S. Department of Homeland Security’s E-Verify System to verify the employment eligibility of:

4.2.1 All persons employed by a Contractor to perform employment duties within Florida during the term of the contract; and

4.2.2 All persons (including subvendors/subconsultants/subcontractors) assigned by Contractor to perform work pursuant to the contract with the City of Pembroke Pines. The Contractor acknowledges and agrees that registration and use of the U.S. Department of Homeland Security’s E-Verify System during the term of the contract is a condition of the contract with the City of Pembroke Pines; and

4.2.3 The Contractor shall comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes, but is not limited to, registration and utilization of the E-Verify System to verify the work authorization status of all newly hired employees. Contractor shall also require all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The Contractor shall maintain a copy of such affidavit for the duration of the contract. Failure to comply will lead to termination of this Contract, or if a subcontractor knowingly violates the statute, the subcontract must be terminated immediately. Any challenge to termination under this provision must be filed in the Circuit Court no later than twenty (20) calendar days after the date of termination. Termination of this Contract under this Section is not a breach of contract and may not be considered as such. If this contract is terminated for a violation of the statute by the Contractor, the Contractor may not be awarded a public contract for a period of one (1) year after the date of termination.

SECTION 5. Public Entity Crimes. Pursuant to Section 287.133(2)(a), Fla. Stat., a person or affiliate, as defined in Section 287.1 33(1), Fla. Stat., who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor or

consultant under a contract with any public entity; and may not transact business with any public entity in excess of thirty-five thousand dollars (\$35,000.00) for a period of thirty-six (36) months following the date of being placed on the convicted vendor list. By executing this Third Amendment, the CONSULTANT represents and warrants that neither it nor any of its affiliates is currently on the convicted vendor list.

SECTION 6. Discriminatory Vendor List. Pursuant to Section 287.134(2)(a), Fla. Stat., an entity or affiliate, as defined in Section 287.134(1), who has been placed on the discriminatory vendor list may not submit a bid, proposal or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor or consultant under a contract with any public entity; and may not transact business with any public entity. Stat., nongovernmental agencies contracting with CITY are required to provide an affidavit attesting that the nongovernmental agency does not use coercion for labor or services as defined within Section 787.06, Fla. Stat. By executing this Third Amendment and submitting the executed required affidavit, the CONSULTANT represents and warrants that it does not use coercion for labor or services as provided by state law.

SECTION 8. Antitrust Violations. Pursuant to Section 287.137, Florida Statutes, as may be amended, a person or an affiliate who has been placed on the antitrust violator vendor list (electronically published and updated quarterly by the State of Florida) following a conviction or being held civilly liable for an antitrust violation may not submit a bid, proposal, or reply for any new contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply for a new contract with a public entity for the construction or repair of a public building or public work; may not submit a bid, proposal, or reply on new leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a new contract with a public entity; and may not transact new business with a public entity. By entering into this Third Amendment, CONSULTANT certifies neither it nor its affiliate(s) are on the antitrust violator vendor list at the time of entering this Third Amendment. False certification under this paragraph or being subsequently added to that list will result in termination of the Original Agreement, as amended, at the option of the CITY consistent with Section 287.137, Florida Statutes, as amended.

SECTION 9. Compliance with Foreign Entity Laws. CONSULTANT ("Entity") hereby attests under penalty of perjury the following:

offered to pay, or deposited in court the part of the judgment that is within the applicable limit of insurance.

These payments will not reduce the limits of insurance.

2. If we defend an insured against a "suit" and an indemnitee of the insured is also named as a party to the "suit", we will defend that indemnitee if all of the following conditions are met:

- a. The "suit" against the indemnitee seeks damages for which the insured has assumed the liability of the indemnitee in a contract or agreement that is an "insured contract";
- b. This insurance applies to such liability assumed by the insured;
- c. The obligation to defend, or the cost of the defense of, that indemnitee, has also been assumed by the insured in the same "insured contract";
- d. The allegations in the "suit" and the information we know about the "occurrence" are such that no conflict appears to exist between the interests of the insured and the interests of the indemnitee;
- e. The indemnitee and the insured ask us to conduct and control the defense of that indemnitee against such "suit" and agree that we can assign the same counsel to defend the insured and the indemnitee; and
- f. The indemnitee:
 - (1) Agrees in writing to:
 - (a) Cooperate with us in the investigation, settlement or defense of the "suit";
 - (b) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the "suit";
 - (c) Notify any other insurer whose coverage is available to the indemnitee; and
 - (d) Cooperate with us with respect to coordinating other applicable insurance available to the indemnitee; and
 - (2) Provides us with written authorization to:

- (a) Obtain records and other information related to the "suit"; and
- (b) Conduct and control the defense of the indemnitee in such "suit".

So long as the above conditions are met, attorneys' fees incurred by us in the defense of that indemnitee, necessary litigation expenses incurred by us and necessary litigation expenses incurred by the indemnitee at our request will be paid as Supplementary Payments. Notwithstanding the provisions of Paragraph 2.b.(2) of Section I. COVERAGE, A. COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY, such payments will not be deemed to be damages for "bodily injury" and "property damage" and will not reduce the limits of insurance.

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when:

- a. We have used up the applicable limit of insurance in the payment of judgments or settlements; or
- b. The conditions set forth above, or the terms of the agreement described in Paragraph f. above, are no longer met.

PB 00 09 06 24

2. The first Named Insured shown in the Declarations is authorized to make changes in the terms of this policy with our consent.
3. This policy's terms can be amended or waived only by endorsement issued by us and made a part of this policy.

C. CONCEALMENT, MISREPRESENTATION OR FRAUD

1. This policy is void in its entirety in any case of fraud, at any time, by you or your representative as it relates to this policy.
2. This policy is also void if you, your authorized representative or any other insured, at any time, conceal or misrepresent any material fact, or violate any material warranty, concerning:
 - a. This policy, including your application for this policy;
 - b. The Covered Property;
 - c. Your interest in the Covered Property; or
 - d. A claim under this policy.
3. We also have the right to rescind this policy based upon any other grounds provided by law.

D. EXAMINATION OF YOUR BOOKS AND RECORDS

We may examine and audit your books and records as they relate to this policy or to any claim arising under this policy at any time during the policy period and up to three years afterward.

E. INSPECTIONS AND SURVEYS

1. We have the right to:
 - a. Make inspections and surveys at any time;
 - b. Give you reports on the conditions we find; and
 - c. Recommend changes.
2. We are not obligated to make any inspections, surveys, reports or recommendations and any such actions we do undertake relate only to insurability and the premiums to be charged. We do not make safety inspections. We do not undertake to perform the duty of any person or organization to provide for the health or safety of workers or the public. And we do not warrant that conditions:
 - a. Are safe or healthful; or
 - b. Comply with laws, regulations, codes or standards.
3. Paragraphs 1. and 2. of this condition apply not only to us, but also to any rating, advisory, rate service or similar organization which

makes insurance inspections, surveys, reports or recommendations.

4. Paragraph 2. of this condition does not apply to any inspections, surveys, reports or recommendations we may make relative to certification, under state or municipal statutes, ordinances or regulations, of boilers, pressure vessels or elevators.

F. INSURANCE UNDER TWO OR MORE COVERAGES OF THIS POLICY

If two or more of this policy's coverages apply to the same injury, loss or damage, we will not pay more than the actual amount of the injury, loss or damage, up to the highest applicable Limit of Insurance under any one coverage.

G. LIBERALIZATION

If we adopt any revision that would broaden the coverage under this policy without additional premium within 60 days prior to or during the policy period, the broadened coverage will immediately apply to this policy.

H. OTHER INSURANCE

1. Under any property coverage provided by this policy, if there is other insurance covering the same loss or damage, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.
2. If other valid and collectible insurance is available to the insured for a loss we cover under another liability policy, our obligations are limited as follows:
 - a. Primary Insurance

This insurance is primary except when Paragraph b. below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph c. below.
 - b. Excess Insurance
 - (1) This insurance is excess over:
 - (a) Any of the other insurance, whether primary, excess, contingent or provided on any other basis;
 - (i) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
 - (ii) That is Fire insurance for premises rented to you or

temporarily occupied by you with permission of the owner;

- (iii) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or

- (iv) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. under Section I. COVERAGES, COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY of the Liability Coverage Form.

- (b) Any other primary insurance available to you covering liability for damages arising out of the premises or operations for which you have been added as an additional insured.

- (2) When this insurance is excess, we will have no duty under the liability coverage provided by this policy to defend any insured against any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to any insured's rights against all those other insurers.

- (3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (b) The total of all deductible and self-insured amounts under all that other insurance.

- (4) We will share the remaining loss, if any, with any other insurance that is not described in this provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this policy.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

I. PREMIUMS

1. The first Named Insured shown in the Declarations:
 - a. Is responsible for the payment of all premiums; and
 - b. Will be the payee for any return premiums we pay.
2. The premium shown in the Declarations was computed based on rates in effect at the time the policy was issued. On each renewal, continuation or anniversary of the effective date of this policy, we will compute the premium in accordance with our rates and rules then in effect.
3. With our consent, you may continue this policy in force by paying a continuation premium for each successive one-year period. The premium must be:
 - a. Paid to us prior to the anniversary date; and
 - b. Determined in accordance with Paragraph 2. above.

Our forms then in effect will apply. If you do not pay the continuation premium, this policy will expire on the first anniversary date that we have not received the premium.
4. Undeclared exposures or changes in your business operation and acquisition or use of locations may occur during the policy period that are not shown in the Declarations. If so, we may require an additional premium. That premium will be determined in accordance with our rates and rules in effect at the inception of such policy.

J. PREMIUM AUDIT

1. We have the right but are not obligated to audit this policy. The first Named Insured must keep records of the information we need for premium computation, and send us copies of those records at such times as we may request.
2. If we do audit your policy, at the close of that audit period, we will compute the earned premium for that period and the final premium due based upon your actual exposures.
3. We will send notice to the first Named Insured after the audit has been completed. The due

67588000220743

INSURED COPY

FL 59612

PB 00 09 06 24

date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

K. TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

1. Applicable to Businessowners Property Coverage:

If any person or organization to or for whom we make payment under this policy has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

- a. Prior to a loss to your Covered Property.
- b. After a loss to your Covered Property only if, at time of loss, that party is one of the following:
 - (1) Someone insured by this insurance;
 - (2) A business firm:
 - (a) Owned or controlled by you; or
 - (b) That owns or controls you; or
 - (3) Your tenant, but only with our written consent.

You may also accept the usual bills of lading or shipping receipts limiting the liability of carriers.

This will not restrict your insurance.

2. Applicable to Businessowners Liability Coverage:

If the insured has rights to recover all or part of any payment we have made under this policy, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them. This condition does not apply to Medical Payments Coverage.

HOWEVER, in the event of any payment under this policy, we waive our right of recovery or subrogation against any person or organization with respect to which you have waived your right of recovery or subrogation in writing and prior to a loss.

L. TRANSFER OF YOUR RIGHTS AND DUTIES UNDER THIS POLICY

- 1. Your rights and duties under this policy may not be transferred without our written consent except in the case of death of an individual Named Insured.
- 2. If you die, your rights and duties will be transferred to your legal representative but only while acting within the scope of duties as your legal representative. Until your legal representative is appointed, anyone having proper temporary custody of your property will have your rights and duties but only with respect to that property.

All terms and conditions of this policy apply unless modified by this endorsement.

2. If we defend an insured against a "suit" and an indemnitee of the insured is also named as a party to the "suit", we will defend that indemnitee if all of the following conditions are met:

- a. The "suit" against the indemnitee seeks damages for which the insured has assumed the liability of the indemnitee in a contract or agreement that is an "insured contract";
- b. This insurance applies to such liability assumed by the insured;
- c. The obligation to defend, or the cost of the defense of, that indemnitee, has also been assumed by the insured in the same "insured contract";
- d. The allegations in the "suit" and the information we know about the "occurrence" are such that no conflict appears to exist between the interests of the insured and the interests of the indemnitee;
- e. The indemnitee and the insured ask us to conduct and control the defense of that indemnitee against such "suit" and agree that we can assign the same counsel to defend the insured and the indemnitee; and
- f. The indemnitee:

 - (a) Cooperate with us in the investigation, settlement or defense of the "suit";

 - (2) Provides us with written authorization to:

So long as the above conditions are met, attorneys' fees incurred by us in the defense of that indemnitee, necessary litigation expenses incurred by us and necessary litigation expenses incurred by the indemnitee at our request will be paid as Supplementary Payments. Notwithstanding the provisions of Paragraph 2.b.(2) of Section I. COVERAGE, A. COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY, such payments will not be deemed to be damages for "bodily injury" and "property damage" and will not reduce the limits of insurance.

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when:

- a. We have used up the applicable limit of insurance in the payment of judgments or settlements; or
- b. The conditions set forth above, or the terms of the agreement described in Paragraph f. above, are no longer met.

- 3. This policy's terms can be amended or waived only by endorsement issued by us and made a part of this policy.

C. CONCEALMENT, MISREPRESENTATION OR FRAUD

- 1. This policy is void in its entirety in any case of fraud, at any time, by you or your representative as it relates to this policy.
- 2. This policy is also void if you, your authorized representative or any other insured, at any time, conceal or misrepresent any material fact, or violate any material warranty, concerning:
 - a. This policy, including your application for this policy;
 - b. The Covered Property;
 - c. Your interest in the Covered Property; or
 - d. A claim under this policy.
- 3. We also have the right to rescind this policy based upon any other grounds provided by law.

D. EXAMINATION OF YOUR BOOKS AND RECORDS

We may examine and audit your books and records as they relate to this policy or to any claim arising under this policy at any time during the policy period and up to three years afterward.

E. INSPECTIONS AND SURVEYS

- 1. We have the right to:
 - a. Make inspections and surveys at any time;
 - b. Give you reports on the conditions we find; and
 - c. Recommend changes.
- 2. We are not obligated to make any inspections, surveys, reports or recommendations and any such actions we do undertake relate only to insurability and the premiums to be charged. We do not make safety inspections. We do not undertake to perform the duty of any person or organization to provide for the health or safety of workers or the public. And we do not warrant that conditions:
 - a. Are safe or healthful; or
 - b. Comply with laws, regulations, codes or standards.
- 3. Paragraphs 1. and 2. of this condition apply not only to us, but also to any rating, advisory, rate service or similar organization which

makes insurance inspections, surveys, reports or recommendations.

- 4. Paragraph 2. of this condition does not apply to any inspections, surveys, reports or recommendations we may make relative to certification, under state or municipal statutes, ordinances or regulations, of boilers, pressure vessels or elevators.

F. INSURANCE UNDER TWO OR MORE COVERAGES OF THIS POLICY

If two or more of this policy's coverages apply to the same injury, loss or damage, we will not pay more than the actual amount of the injury, loss or damage, up to the highest applicable Limit of Insurance under any one coverage.

G. LIBERALIZATION

If we adopt any revision that would broaden the coverage under this policy without additional premium within 60 days prior to or during the policy period, the broadened coverage will immediately apply to this policy.

H. OTHER INSURANCE

- 1. Under any property coverage provided by this policy, if there is other insurance covering the same loss or damage, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.
- 2. If other valid and collectible insurance is available to the insured for a loss we cover under another liability policy, our obligations are limited as follows:
 - a. Primary Insurance

This insurance is primary except when Paragraph b. below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph c. below.
 - b. Excess Insurance
 - (1) This insurance is excess over:
 - (a) Any of the other insurance, whether primary, excess, contingent or provided on any other basis;
 - (i) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
 - (ii) That is Fire insurance for premises rented to you or

temporarily occupied by you with permission of the owner;

- (iii) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or

- (iv) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. under Section I.

COVERAGES, COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY of the Liability Coverage Form.

- (b) Any other primary insurance available to you covering liability for damages arising out of the premises or operations for which you have been added as an additional insured.

- (2) When this insurance is excess, we will have no duty under the liability coverage provided by this policy to defend any insured against any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to any insured's rights against all those other insurers.

- (3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (b) The total of all deductible and self-insured amounts under all that other insurance.

- (4) We will share the remaining loss, if any, with any other insurance that is not described in this provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this policy.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

I. PREMIUMS

1. The first Named Insured shown in the Declarations:
 - a. Is responsible for the payment of all premiums; and
 - b. Will be the payee for any return premiums we pay.
2. The premium shown in the Declarations was computed based on rates in effect at the time the policy was issued. On each renewal, continuation or anniversary of the effective date of this policy, we will compute the premium in accordance with our rates and rules then in effect.
3. With our consent, you may continue this policy in force by paying a continuation premium for each successive one-year period. The premium must be:
 - a. Paid to us prior to the anniversary date; and
 - b. Determined in accordance with Paragraph 2. above.

Our forms then in effect will apply. If you do not pay the continuation premium, this policy will expire on the first anniversary date that we have not received the premium.
4. Undeclared exposures or changes in your business operation and acquisition or use of locations may occur during the policy period that are not shown in the Declarations. If so, we may require an additional premium. That premium will be determined in accordance with our rates and rules in effect at the inception of such policy.

J. PREMIUM AUDIT

1. We have the right but are not obligated to audit this policy. The first Named Insured must keep records of the information we need for premium computation, and send us copies of those records at such times as we may request.
2. If we do audit your policy, at the close of that audit period, we will compute the earned premium for that period and the final premium due based upon your actual exposures.
3. We will send notice to the first Named Insured after the audit has been completed. The due

INSURED COPY

FL 59612

PB 00 09 06 24

date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

K. TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

1. Applicable to Businessowners Property Coverage:

If any person or organization to or for whom we make payment under this policy has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

- a. Prior to a loss to your Covered Property.
- b. After a loss to your Covered Property only if, at time of loss, that party is one of the following:
 - (1) Someone insured by this insurance;
 - (2) A business firm:
 - (a) Owned or controlled by you; or
 - (b) That owns or controls you; or
 - (3) Your tenant, but only with our written consent.

You may also accept the usual bills of lading or shipping receipts limiting the liability of carriers.

This will not restrict your insurance.

2. Applicable to Businessowners Liability Coverage:

If the insured has rights to recover all or part of any payment we have made under this policy, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them. This condition does not apply to Medical Payments Coverage.

HOWEVER, in the event of any payment under this policy, we waive our right of recovery or subrogation against any person or organization with respect to which you have waived your right of recovery or subrogation in writing and prior to a loss.

L. TRANSFER OF YOUR RIGHTS AND DUTIES UNDER THIS POLICY

- 1. Your rights and duties under this policy may not be transferred without our written consent except in the case of death of an individual Named Insured.
- 2. If you die, your rights and duties will be transferred to your legal representative but only while acting within the scope of duties as your legal representative. Until your legal representative is appointed, anyone having proper temporary custody of your property will have your rights and duties but only with respect to that property.

All terms and conditions of this policy apply unless modified by this endorsement.

8.1 **Damages.** CITY reserves the right to recover any ascertainable actual damages incurred as a result of the failure of CONSULTANT to perform in accordance with the requirements of this Agreement, or for losses sustained by CITY resultant from CONSULTANT's failure to perform in accordance with the requirements of this Agreement.

8.2.1 The abandonment of the project by CONSULTANT for a period of more than seven (7) business days.

8.2.2 The abandonment, unnecessary delay, refusal of, or failure to comply with any of the terms of this Agreement or neglect, or refusal to comply with the instructions of the City Manager.

14.2 **Equal Employment Opportunity.** During the performance of this contract, CONSULTANT agrees as follows:

14.2.1 CONSULTANT will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. CONSULTANT agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

14.2.2 CONSULTANT will, in all solicitations or advertisements for employees placed by or on behalf of CONSULTANT, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

14.2.3 CONSULTANT will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with CONSULTANT's legal duty to furnish information.

14.2.4 CONSULTANT will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of CONSULTANT's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

14.2.5 CONSULTANT will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

14.2.7 In the event of CONSULTANT's non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and CONSULTANT may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

CONSULTANT will take such action with respect to any subcontract or purchase order as may be directed by the administering agency as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that in the event CONSULTANT becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, CONSULTANT may request the United States to enter into such litigation to protect the interests of the United States.

CONSULTANT further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

CONSULTANT agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

CONSULTANT further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

A. STATE OF FLORIDA E-VERIFY

Contractor acknowledges that the City may be utilizing the Contractor's services for a project that is funded in whole or in part by State funds pursuant to a contract between the City and a State agency. Contractor shall

be responsible for complying with the E-Verify requirements in the contract and using the U.S. Department of Homeland Security's E-Verify system (per the State of Florida Executive Order Number 11-116 "Verification of Employment Status") to: (a) verify the employment eligibility of all new employees, hired by the contractor during the contract term; and (b) include in subcontracts the requirement that subcontractors performing work or providing services, pursuant to the state funded contract, utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the contract term. The Contractor is also responsible for reporting any required information to the City. Contractor acknowledges that the terms of this paragraph are material terms, the breach of any of which shall constitute a default under the Agreement.

B. NO FEDERAL GOVERNMENT OBLIGATIONS TO THIRD PARTIES

The City and Contractor acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying Contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this Contract and shall not be subject to any obligations or liabilities to the City, Contractor, or any other party (whether or not a party to that Contract) pertaining to any matter resulting from the underlying Contract.

Contractor agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

C. ACCESS BY THE GRANTEE, SUBGRANTEE, FEDERAL

The Contractor shall allow access by the grantee, sub grantee, Federal grantor agency and Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the Contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts and transcriptions.

D. EQUAL EMPLOYMENT OPPORTUNITY

The Contractor shall comply with Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41 CFR Chapter 60). (All construction contracts awarded in excess of \$10,000 by grantees and their contractors or subgrantees).

All contractors and subcontractors performing work in connection with this Contract shall provide equal opportunity for employment because of race, religion, color, age, sex, national origin, sexual preference, disability or marital status. The aforesaid provision shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in a conspicuous place available for employees and applicants for employment, such notices as may be required by any authority having jurisdiction over the Work setting forth the provisions of the nondiscrimination law.

E. DAVIS-BACON & RELATED ACTS

If construction, alternation or repair of public buildings or public works project is **funded or assisted under one or more Federal**

statute, the Davis-Bacon prevailing wage provisions may apply to the project if any of the applicable statutes requires payment of Davis-Bacon wage rates.

The Davis-Bacon Act requires that each contract over \$2,000 to which the United States or the District of Columbia is a party for the construction, alteration, or repair of public buildings or public works shall contain a clause setting forth the minimum wages to be paid to various classes of laborers and mechanics employed under the contract. Under the provisions of the Act, contractors or their subcontractors are to pay workers employed directly upon the site of the work no less than the locally prevailing wages and fringe benefits paid on projects of a similar character.

In addition to the Davis-Bacon Act itself, Congress has added prevailing wage provisions to approximately 60 statutes which assist construction projects through grants, loans, loan guarantees, and insurance. These "related Acts" involve construction in such areas as transportation, housing, air and water pollution reduction, and health. Davis-Bacon wage determinations are to be used in accordance with the provisions of Regulations, 29 CFR Part 1, Part 3, and Part 5.

F. COPELAND ANTI-KICKBACK ACT

(1) Contractor. The contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

(2) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any

subcontractor or lower tier subcontractor with all of these contract clauses.

(3) Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

G. CONTRACT WORK HOURS AND SAFETY STANDARDS

The Contractor shall comply with Sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 3702-3704) as supplemented by Department of Labor regulations (29 CFR Part 5).

I. SUSPENSION AND DEBARMENT

Non-federal entities are subject to the non-procurement debarment and suspension regulations implementing Executive Orders 12549 and 12689, 2 CFR part 180. These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs or activities.

a. This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940)

b. The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

c. This certification is a material representation of fact relied upon by the City. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the City, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

d. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

J. ANTI-LOBBYING

Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such

disclosures are forwarded from tier to tier up to the recipient.

This provision is applicable to all Federal-aid construction contracts and to all related sub-contracts which exceed \$100,000 (49 CFR 20).

1. The prospective participant certifies, by signing and submitting this bid or proposal, to the best of his or her knowledge and belief, that:

a. b. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

2. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. 1352. Any person who fails to file the

required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

14.6.4 Subcontracts. CONSULTANT or subcontractor shall insert in any subcontracts the clauses set forth in paragraph 14.6.1 through paragraph 14.6.4 of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. CONSULTANT will comply with all applicable federal law, regulations, executive orders, Federal policies, procedures, and directives.

14.13 **Fraudulent Statements.** CONSULTANT acknowledges that 31 U.S.C. Chap. 38 applies to CONSULTANT's actions pertaining to this Contract.

14.14 **Access to Records.** CONSULTANT agrees to provide CITY the Federal Government, and any applicable Federal Administrator, HUD, the Comptroller General of the United States, or any of their authorized representative's access to any books, documents, papers, and records of CONSULTANT which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions. CONSULTANT agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed. Nothing contained herein shall be construed as intending to limit or prohibit audits or internal reviews by Federal personnel or the Comptroller General of the United States.

Please accept this Executive Summary as an expression of our sincere interest in providing administration and implementation of the City of Pembroke Pines various Federal and State grant programs. It is our belief that Community Redevelopment Associates is the best choice for filling the City's needs.

Community Redevelopment Associates of Florida, Inc. (CRA), is an employee owned urban affairs consulting firm based in Pembroke Pines Florida. Established in 1990, CRA has more than *30 years* of experience with both the Department of Housing and Urban Development Community Development Block Grant (CDBG) program, and the Florida's State Housing Initiative Partnership (SHIP) program.

CRA sums up its responsibility to its clients simply: "Our job is to protect the taxpayer's money."

CRA has provided a combination of grant administration and direct service program implementation for 13 cities in Broward County as well as Broward County itself. This includes transitioning clients to entitlement cities and performing comprehensive Federal and State grant and program management services. We have served the residents of the City of Pembroke Pines in various capacities including grants administrator for nearly 28 years. Throughout the years we have overseen programs such as housing repair, commercial façade, capital improvement and transitional housing, unit-for unit replacements and developed new programs such as one-time rental assistance and foreclosure prevention programs for our clients. Contact references have been included for our past clients.

Our firm also has extensive knowledge and hands on practical experience with the HOME program. CRA provides ongoing direct service delivery to the HOME program for the City of Pembroke Pines as well as the City of Miramar.

CRA continues to provide administration for several clients' Neighborhood Stabilization Programs (NSP1 & NSP3). We are proud of the fact that the City of Pembroke Pines achieved timely and compliant expenditure of its NSP1 funds as well as its NSP3 allocation.

Cumulatively, we have administered, implemented or provided direct services for projects utilizing in excess of \$75,000,000 in grants on behalf of our clients. As a result, we have been "hands on" in the rehabilitation of over \$250,000,000 worth of single family residential housing.

While residential home prices have been quite volatile over the last several decades, first time home buyers were assisted in purchasing in excess of \$30,000,000 of affordable housing.

Some History

Established in 1990 Community Redevelopment Associates of Florida, Inc. (CRA) is an employee owned, urban affairs consulting firm based in Pembroke Pines, Florida. We provide a wide-range of services, of which Federal and State grant planning, administration and implementation are primary. With a full-time staff of 5 multi-disciplinary professionals we are prepared for any challenge.

CRA has developed a proven, cost-effective system for the administration of Federal and State housing programs. Grant programs in which we specialize, but are in no way are limited to, include the Dept. of Housing and Urban Development Community Development Block Grant (CDBG) program, Neighborhood Stabilization Program (NSP), and Home Investment Partnership (HOME) program. Additionally we have worked extensively in Florida's State Housing Initiative Partnership (SHIP) program.

The shaping of many of the regulations that guide these Federal and State grant programs have had input from our staff. CRA had representation on the Statewide Housing Needs Task Force which led to the passage of the State of Florida's Sadowski Affordable Housing Act. Housing programs have been developed and approved by the Florida Housing Finance Corporation, Fannie Mae and the U.S. Department of Housing and Urban Development.

We have been directly responsible for the development and subsequent administration of 10 Federal and State Entitlement programs in South Florida. These communities have included the cities of Pembroke Pines, Miramar, Margate, Tamarac, Plantation, Deerfield Beach, Cooper City, Lauderdale Lakes and West Palm Beach. In 2007 CRA guided Coconut Creek FL through the Entitlement process.

Uniquely, two of CRA's clients received their Entitlement or Urban County status as a direct result of our efforts. Successful challenges to the U.S. Bureau of the Census population estimates for Margate FL and Collier County FL were completed, resulting in their receipt of millions of dollars in grant funding.

During the last 30 years, CRA has completed 20 Consolidated Plans including two this year. This work included all aspects of the Citizens Participation process. The State of Florida also requires the preparation of Local Housing Assistance Plans for its SHIP program and we have been preparing and implementing them since 1993 for our clients.

Some History Cont.

Thousands of homes have been purchased and or rehabilitated/hardened through our administration of residential rehabilitation, disaster mitigation and purchase assistance programs. We have screened and income certified thousands of applicants. CRA has had the responsibility for the administration and implementation of upwards of \$27 million in expenditures during a single program year for its clients.

We prepared successful NSP 1 applications for the cities of Pembroke Pines, Miramar, and Coral Springs FL. As part of a public/private partnership, CRA also completed NSP2 grant applications for the cities of Miramar and Pembroke Pines FL.

As a result, CRA worked with the communities of Pembroke Pines, Miramar and Coral Springs to administer their NSP1 purchase assistance/rehabilitation programs which represented approximately \$17 million in NSP funding.

CRA completed intake and review of close to 600 applications for these three cities, developed and educated a network of over 150 realtors and are working to establish ways to address NSP requirements through partnerships that will better facilitate the purchase of NSP eligible properties. 428 households were fully income certified for NSP assistance, over 160 properties closed and transitioned to residential rehabilitation. These numbers include those being acquired directly by the cities of Pembroke Pines and Miramar, FL where we instituted municipal acquisition programs of foreclosed properties.

With respect to NSP 3, the City of Pembroke Pines received an allocation of \$2,330,542 and the City of Miramar received \$2,321,827. Identical strategies were used as those implemented in NSP1. These strategies were met with equal success. As a result, 100% of NSP 1 and NSP 3 funding has been expended in both client cities. CRA continues to work with clients to expend program income generated by the NSP 1 and NSP 3 acquisition strategies.

The aforementioned was accomplished while providing administration and direct services to the regular CDBG program as well as CDBG-R, DRI and SHIP programs as well.

However, nothing we have done could be accomplished without a formal management approach and clear vision of what is needed to create successful programs.

Past Performance

The programs administered by CRA have been audited at the local, State and Federal level. CRA does not have any pending disciplinary action within any Federal, local or State regulatory body or professional organization. In addition there has never been a claim made against our professional liability insurance.

Capacity

Our core service is program management with specialization in the administration of programs and activities funded by the U.S. Department of Housing and Urban Development (HUD) and the State of Florida in accordance with appropriate regulations

We have a fully developed and operational performance delivery plan that utilizes our staffing, program knowledge, modern technology and database monitoring capabilities that allows us to complete projects in a timely manner. With our “economies of scale approach” we can bring our service to you at the lowest possible project cost.

CRA provides a program specialist that supervises each individual purchase assistance and residential rehabilitation project. In addition, there will always be a review partner and senior staff to provide project management and oversight. Separate internal financial management provides full time control as it relates to encumbering and expending client’s program funding within the stipulated time-frame. Our on-site staff of 4 is full-time and operates out of the main office in Pembroke Pines.

CRA also has also utilizes contracted support personnel to the main staff for application underwriting and SHIP tracking and reporting. Intake activities can be provided at a client location as required as well as from our website at <https://www.crafla.com>.

CRA has also contracted with Civitas LLC, a HUD TA firm for on-going technical support and training for on-site staff.

Every staff member has their own modern up-to-date computer workstation. Each station is networked to four high speed servers housed in our main office. Due to COVID-19 CRA's staff and management are capable of working remotely and can provide the same level of service.

Utilizing high speed PRI lines our new phone system is capable of handling high volume. Our website is housed in a secure off-site facility on a secure dedicated web server. In addition CRA's email is housed off-site on secure servers.

Technical Assistance

On an individual project basis we have assisted with revamping existing programs for Entitlements and developed work-out plans so they could meet HUD expenditure rate guidelines. Workout plans developed by CRA have been cited by HUD as “best practice”. Assistance in developing community and economic development programs that are compliant with Federal and State programs is also available.

Direct services to existing CDBG, HOME and other affordable housing programs such as income certification and application processing can be provided. The firm has established relationships with housing, community and economic development agencies.

We have experience working with and monitoring non-profits, lenders, title companies, construction contractors, architects and engineers. On behalf of our clients we have developed and maintained a lenders’ consortium of reputable lenders for the purchase assistance programs. Pool management of licensed and insured general contractors for residential rehabilitation programs is also provided. We actively conduct outreach activities to build these pools to encourage, small, minority and women owned businesses to participate.

The Davis-Bacon Act requires that all contractors and subcontractors performing on federal contracts (and contractors or subcontractors performing on federally assisted contracts under the related Acts) in excess of \$2,000 pay their laborers and mechanics not less than the prevailing wage rates and fringe benefits listed in the contract’s Davis-Bacon wage determination. CRA has been providing Davis-Bacon Compliance Monitoring of contractors and subcontractors payrolls for nearly two decades.

Section 3 of the Housing and Urban Development Act of 1968 is HUD’s legislative directive for providing preference to low- and very low-income residents of the local community (regardless of race or gender), and the business that substantially employ these persons, for new employment, training, and contracting opportunities resulting from HUD funded projects. We can provide development of effective Section 3 programs.

**TAB 2
PARTNER, SUPERVISORY
AND STAFF QUALIFICATIONS
AND EXPERIENCE**

Our Management Approach

There are key elements to the successful management and implementation of any grant funded program, albeit a purchase assistance or residential rehabilitation program. The following section offers a brief discussion of a few of them.

Staff Experience

CRA has been administering and providing direct services for, among others, purchase assistance, residential rehabilitation, and economic development affordable housing programs for 30 years. Our staff possesses the necessary government, real estate, lending and scattered site construction management backgrounds to effectively and efficiently administer the aforementioned programs. Our staff is well versed in the various State and Federal regulations which govern the administration and direct services funded by a variety of grant sources.

CRA staff receives continuing education and training throughout the year, staying abreast of ever changing federal grant program regulations. In addition, in-service training is also provided routinely on the practical aspects of program implementation, including conflict mediation and complaint resolution. This training is necessary to ensure program quality and compliance.

Customer Service

As a private sector grant administrator, providing customer service that is timely and responsive to the community and our clients is a priority. It is critical to our success as a business. We have established standards for customer service as it relates to the various aspects of program administration.

Being responsive to the client (governmental staff), the general public seeking information, and last and perhaps most important, direct beneficiaries (program participants) is paramount. Similar expectations are required of the various other role players involved in implementing any grant program. Additionally, the majority of our staff is bi-lingual, speaking English, and Spanish.

Our staff lives by the credo that at the end of every work day they know that a family's life has been made better through their efforts.

Performance Standards - Quality Control

Performance measure and standards are established for CRA, the programs we administer, and the associated tasks we must undertake. This includes budget and fiscal control and program management.

Performance Standards - Quality Control Cont.

CRA focuses its efforts on the most efficient means available, producing high quality work that achieves the client's programmatic goals. Staff meetings where expenditure updates and monthly goal accomplishments are reported to management are regularly held. Management is also able to track productivity of the staff through our database tracking system.

A comprehensive analysis of a program's plan of work is done to determine the effort required to implement the program and resources are assigned accordingly. CRA will continuously reassess the program, direct service activities and resources required to ensure timely completion of all associated tasks. Monitoring and review procedures have been established and are utilized at various benchmarks during program implementation. Record keeping is extremely detailed and in keeping with the transparency required of public records.

A system of checks and balances is in place to further the quality of work performed. The CEO of the company serves as review partner to ensure further quality control of documents produced or procedures implemented in conjunction with the management and oversight of the programs. All projects must have management authorization before any federal expenditure is reimbursed.

Project Tracking and Monitoring

In order to provide adequate project tracking and monitoring, CRA adapted constituent relationship management software and record keeping systems to efficiently manage client programs. Utilizing this software provides centralized access to up-to-date information for residents, our client cities and all relevant regulatory agencies.

Economies of Scale Approach

Using the economy of scale approach, we are able to provide services at a reduced cost to our clients. Review of prior year contractor and grantee costs associated with direct delivery reveal a reduction of per unit costs as high as 30 percent. This provides for more "dollars on the street" and applicants assisted.

Financial Capacity

Community Redevelopment has been successfully operating for nearly 30 years. That success has been fueled by our commitment to operating efficiently. Our economies of scale allow for lower costs per client than traditional approaches.

As a result CRA carries no working capital debt and has never borrowed operating capital. The only debt acquired, and no longer carried has been for capital improvements such as leasehold expansions. It has been and still is our policy to fund growth through internal capital generation.

Financial Capacity - Cont.

Further, it is our policy that we do not disburse or act as a custodian for any grant funds. CRA requires the all funds be held in trust by the grantee.

CRA has never been found to hold any liability nor paid any judgment because of any lawsuit.

CRA undertakes all day-to-day activities, monitoring, reporting, administration, planning and fiscal management. The total grant funds administered on the City's behalf exceeds \$27,000,000.

City of Plantation

CRA wrote the City's first Local Housing Assistance Plan. We administered, managed and implemented the City's residential rehabilitation, purchase assistance and foreclosure prevention programs and as well as, at the time, a newly developed rental assistance program from 1998 - 2017. The total grant funds administered on the City's behalf approached \$8,000,000.

Example Projects

City of Coconut Creek

We transitioned the City of Coconut Creek in 2008 to federal entitlement community status making it eligible for CDBG funds. CRA prepared the City's first Consolidated Plan and Local Housing Assistance Plan. CRA currently administers a purchase assistance program for the City funded by CDBG, SHIP, FHOP, and the City's own Work Force Housing Linkage Fee (local resources). Our team developed implementation procedures and policies for these purchase assistance programs and continues to provide direct services to all three purchase assistance programs. Prior to the City becoming an entitlement, CRA administered the City's purchase assistance program while it was a member of the Urban County CDBG program (2006). We administered the City's residential rehabilitation program and provided overall Federal and State grant program management from 2008 - 2019.. The total grant funds over the life of the engagement will exceed \$3,000,000.

City of Coral Springs

When the Dept. of Housing and Urban Development announced the availability of the first round of Neighborhood Stabilization Program funding in the fall of 2008, CRA was retained by Coral Springs to prepare its NSP application and provide contractual services for the implementation of the program. As a result of that effort, the City expenditure of its allocation of \$3,378,142 was authorized. 42 properties closed and were transitioned to residential rehabilitation. lose. 100% of the funds were obligated for the program. CRA also implemented a residential rehabilitation and hardening program under CDBG/DRI 1.

CODE OF ETHICS AND CONFLICT OF INTEREST POLICY

Introduction and Applicability

The Code of Ethics and Conflict of Interest Policy (the “Code”) of Community Redevelopment Associates of Florida, Inc. and its affiliated entities (collectively, “CRA”) establishes the ethical standards for CRA in the conduct of its business. The purposes of the Code are to provide evidence of CRA’s commitment to the lawful and ethical conduct of its business and to promote lawful and ethical behavior by its employees.

Conflicts of interest may arise in the normal course of conducting CRA’s business. The Code is not designed to prohibit conflicts of interest but to protect CRA’s interest when it is contemplating entering into a transaction or arrangement. The Code is intended to supplement but not replace any applicable state or federal laws governing ethical conduct or conflicts of interest.

The Code applies to all employees at any CRA affiliated entity and those who have any fiduciary obligations in discharging their duties on behalf of CRA. It is every employee’s responsibility to discharge his or her duties in a manner that promotes and preserves public trust, proper stewardship, and confidence in the integrity of CRA. Employees must respect and comply with CRA rules and regulations, observe high standards of conduct, and participate in establishing and maintaining such high standards. **Adverse consequences, including employee termination can result from failure to comply with the Code.**

It is the duty of all employees to review and assess their conduct in light of the provisions of the Code. Each employee shall seek, either in writing or in person, the advice of his or her supervisor when a reasonable doubt regarding an ethical or legal consideration arises.

The Conflict of Interest Disclosure Statement (EXHIBIT A) must be completed annually by all employees.

I. Policies Governing Ethical Conduct

- A. CRA employees will perform their duties properly, diligently, and in an appropriately courteous manner.
- B. Consistent with the provisions of any applicable document retention policy, no employee shall falsify, destroy, mutilate, conceal, or fail to make required entries on any record within the employee’s control, including the destruction of documents that are the subject to public records laws.
- C. Employees with reporting responsibilities shall provide full, fair, accurate, timely, and understandable disclosure in all reports.
- D. Employees shall act honestly and ethically.

- E. No employee shall discriminate on the basis of race, color, religious creed, gender, national origin, age, physical ability, sexual orientation, marital status, or veteran status in the conduct of services for CRA.
- F. Employees who are members of other professional groups are bound by the appropriate professional duties and code of conduct of those roles.
- G. Employees shall comply with all state, federal and local laws, statutes and ordinances.
- H. Employees shall comply with all policies on confidentiality and privacy of information. Employees shall not use confidential or proprietary information for personal financial gain.

II. Duty of Loyalty to CRA – Avoiding Abuses of Position and Conflicts of Interest

CRA is a for-profit organization. CRA is subject to scrutiny by, and is held accountable to, governmental and regulatory authorities as well as the public.

Consequently, there exists between CRA and its employees a fiduciary duty which carries with it a duty of loyalty. Employees have the responsibility of administering the affairs of CRA honestly and prudently and of exercising their best care, skill, and judgment for the sole benefit of CRA. Moreover, because of the nature of CRA's business, every employee has an affirmative duty to act as a steward of the funds entrusted to CRA by its clients.

Employees shall use the resources, property, and funds under the employee's control judiciously and in the best interest of CRA. Employees shall exercise good faith in all transactions, and they shall not use their positions with CRA or knowledge gained therein for their personal benefit or for the benefit of any other person or organization. The interests of CRA must be the first priority in all decisions and actions.

No employee shall accept, solicit, or agree to accept any gift, favor, complimentary service, or other thing of value under circumstances from which it might be reasonably inferred that such gift, service, or other thing of value was given or offered for the purpose of influencing the employee in the discharge of his or her duties. Vendor selections and purchasing decisions must always be business decisions based on merit: by comparing and evaluating price, quality, performance, and suitability. Decisions must not be influenced by any other factor, such as personal relationships, gifts or hospitality.

A. Areas in Which Conflicts May Arise: A conflict of interest may arise in the relations of employees with any of the following third parties, at a minimum:

- Persons and firms supplying or *potentially* supplying goods and services to CRA (vendors and professionals), including, but not limited to:
 - Construction services.
 - Professional services, including accounting and legal services.
 - Contracts with individuals, including consultants and part time employees.

A. Areas in Which Conflicts May Arise Continued:

- Contracts with *companies* providing non-professional services, such as marketing, research services, information technology, consulting or other services, etc.
- Persons and firms from whom CRA purchases or leases property and equipment.
- Persons and firms with whom CRA is dealing or planning to deal in connection with the purchase or sale of real estate, securities, or other property.
- Persons or parties with a direct, material, financial interest in the outcome of CRA programs, policies or positions.
- Customers of CRA services.
- Agencies, nonprofits, and associations that affect the operations of CRA.
- Entities from whom CRA receives grants or for whom CRA administers grants.

B. Nature of Conflicting Interest: A conflicting interest may be defined as an interest, direct or indirect, with any persons or firms listed in Section A. Such an interest might arise through:

- An association with any entity that deals with CRA of which an employee or an immediate family member is a partner or a controlling shareholder, executive officer, or has any other position with another entity that would reasonably cause the appearance of a conflict of interest. Any question regarding independence should be reviewed by Corporate General Counsel.
- Receiving compensation for services with respect to individual transactions involving CRA.
- Using CRA time, personnel, equipment, supplies, or goodwill for any purpose other than CRA-approved activities, programs, or purposes.
- Receiving allowances from CRA (other than incidental amounts incurred while traveling with any excess promptly repaid in full) if you are an employee of CRA.
- Receiving any gift, courtesy or loan from third parties dealing or competing with CRA, or seeking to deal with CRA, except for gifts with a value of less than fifteen dollars (\$15) that could not be refused without discourtesy and which will not give rise to the perception that the employee's independent judgment might be compromised. **Nominal gifts such as pens; caps; paperweights; t-shirts; coffee mugs; soft drinks; flowers; chocolates or other small tokens may be accepted.** No personal gift of cash or a cash equivalent (i.e. gift cards, gift checks, vouchers, phone cards, checks or money orders, etc.); special discount; tickets for entertainment where the host will not be present; gifts that would embarrass CRA; or situations where CRA's commitment to diversity and respect for others could be violated or could cause unease, such as adult entertainment, shall ever be accepted from a vendor. Employees shall never request gifts or hospitality of any sort. Employees shall avoid a pattern of accepting frequent courtesies from the same person or company.

C. Conflict of Interest Disclosure Procedures:

The areas of conflicting interest listed in Section A, and the relationships in those areas that may give rise to conflicts, as listed in Sections B, are not exhaustive. Conflicts may arise in other areas or through other relationships. The Code does not prohibit conflict of interest transactions but instead provides a framework for conflict avoidance and management. However, if an employee believes that he or she is in a possible conflict situation, he or she should assume that a conflict does exist and act accordingly.

The fact that one of the interests described in Section A or B exists does not necessarily mean that a conflict exists, or that the conflict, if it exists, is material enough to be of practical importance, or if material, that upon full disclosure of all relevant facts and circumstances, it is necessarily adverse to the interests of CRA. However, it is the policy of CRA that the existence of any of the interests described in Section B must be disclosed before any transaction is consummated. Moreover, all disclosed conflicts shall be addressed in accordance with the procedures set forth below.

It shall be the continuing responsibility of employees to scrutinize their transactions and outside business interests and relationships for potential conflicts and to immediately make any necessary disclosures. In deciding whether a transaction might constitute a conflict of interest, an employee should ask these questions:

- Is the transaction included as a scenario in the Frequently Asked Questions attached to the Code?
- Would the transaction be prudent, be in good faith, and be in the best interests of CRA?
- Would the transaction affect any decision I will make for CRA?
- How would the transaction look to someone outside of CRA, such as a donor, a public watchdog group, the state attorney general, the news media or a Congressional Committee?
- How would the transaction seem to others within CRA? Would they think it might affect how I do my job for CRA?

1. Annual Statements

Each employee shall annually sign a Conflict of Interest Disclosure Statement, which describes any existing or potential conflict of interest and affirms that such person:

- a. Has received a copy of the Code;
- b. Has read and understands the Code; and
- c. Has agreed to comply with the Code.

Conflict of Interest Disclosures shall be filed on or before January 31st of each year.

2. Continuing Disclosure

In connection with any actual or potential conflict of interest, an employee must disclose the existence of the Financial Interest as defined in Part V on a Conflict of Interest Disclosure Statement.

The receipt of an offer of any gift(s) exceeding the value of \$15 must be reported immediately to your supervisor. In each instance, a Conflict of Interest Disclosure Statement should be filed with CRA's Corporate General Counsel or CEO. One or both will review the circumstances to determine if a potential conflict of interest exists and communicate its decision to the supervisor. No gift in excess of the value of \$15 may be accepted.

3. Procedures for Addressing the Conflict of Interest

In general, once a conflict of interest transaction is identified, the employee with the conflict shall not attempt to influence other decision makers regarding the matter, and shall not participate in any discussion of the transaction except to respond to information requests. In addition, if the employee is in a position to vote on, or otherwise participate in the decision with respect to, the conflict of interest transaction, he or she shall abstain from any such vote or participation. It shall be the responsibility of the decision-making authority or body to properly record in the minutes of any discussion regarding a conflict of interest transaction the name of the person who discloses the conflict of interest, the nature of the conflict of interest, and documentation of the comparability data (i.e. industry surveys, compensation studies, competitive bids, etc.), if any, used in determining whether CRA should enter into the transaction.

D. Violations of the Conflicts of Interest Policy

If CRA's Corporate General Counsel or CEO has reasonable cause to believe an employee has failed to disclose actual or possible conflicts of interest, it shall inform the employee of the basis for such belief and afford the employee an opportunity to explain the alleged failure to disclose.

If, after reviewing the employee's response and after making further investigation as warranted by the circumstances, it is determined the employee has failed to disclose an actual or possible conflict of interest, CRA shall initiate appropriate disciplinary and corrective action.

III. Confidential Information

Employees shall not violate CRA privacy and confidentiality policies. In addition, employees shall not use confidential or proprietary information for personal financial gain. Nor shall they disclose confidential or proprietary information to any and all outside parties for any reason. This duty shall survive the employee's term of employment.

IV. Reporting Conflicts and Violations - Duties, Protections and Corrective Actions

A. Each employee shall immediately report conflicts and violations of the Code, criminal law, or the attempt to induce another to violate these standards or violate criminal law, in accordance with established policies. A failure to report a violation is itself a violation of the Code. If anonymity is requested, CRA will not disclose the identity of the reporting individual except as needed to properly investigate the allegation, or unless legally required to do so.

CRA's Whistleblower Protection Policy (attached hereto as EXHIBIT B and incorporated herein by reference) establishes the protections against retaliatory actions for any reports of Code violations.

B. An employee found to be in violation of the Code shall be subject to corrective actions taken by the appropriate level manager. Such action may include further training and instruction regarding the provisions of the Code, necessary steps to remediate any harm to CRA, fellow employees, or others, and disciplinary actions up to and including termination. Each violation will be assessed on an individual case by case basis and the corrective action tailored to the specifics of that violation. When deciding what action is necessary, consideration will be given to the flagrancy of the violation, the harm caused, whether the violation was intentional or unintentional, whether the employee voluntarily disclosed the violation, prior misconduct, the likelihood of future misconduct, the general circumstances surrounding the violation, and other considerations as appropriate.

C. When an employee completes the annual conflict of interest disclosure statement, the employee must disclose all of the items on the questionnaire for the past calendar year. Any intentional failure to disclose required information or the provision of information that is inaccurate or false in nature is a violation of the Code. In addition, there is a continuing duty to disclose any conflict of interest that arises during the course of the year.

V. Definitions

1. **Financial Interest:**

A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:

- a. An ownership or investment interest in any entity with which CRA has a transaction or arrangement;
- b. A compensation arrangement with CRA or with any entity or individual with which CRA has a transaction or arrangement; or
- c. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which CRA is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are not nominal in value. Compensation does not include the reimbursement of reasonable expenses incurred in connection with the performance of CRA duties.

1. Financial Interest Continued:

A Financial Interest is not necessarily a conflict of interest. A person who has a Financial Interest may have a conflict of interest if the appropriate reviewing body determines that a conflict of interest exists.

2. CRA's Corporate General Counsel:

Alan Baseman Esq.
Comiter, Singer, Baseman & Braun
3801 PGA Blvd., Suite 604
Palm Beach Gardens, Fl 33410
(561) 626-2101

Any Employee who feels he or she cannot report to an immediate supervisor or Corporate Officer may report any suspected violation of the Code of Ethics and Conflict of Interest Policy directly to CRA's Corporate General Counsel.

EXHIBIT B

Whistleblower Protection Policy: Reporting Suspected Violations of Law or Misconduct

Community Redevelopment Associates of Florida, Inc. and its affiliated entities (“CRA”) are committed to maintaining a workplace where employees are free to raise good faith concerns regarding CRA's business practices, specifically: **(1)** reporting suspected violations of law on the part of CRA, including but not limited to federal laws and regulations; **(2)** providing truthful information in connection with an inquiry or investigation by a court, agency, law enforcement, or other governmental body; and **(3)** identifying potential violations of CRA's Code of Ethics.

CRA policy forbids any retaliatory action, including harassment, intimidation, or adverse employment actions of any kind, to be taken against an individual who, in good faith, reports a suspected violation of law or the Code of Ethics, or who in good faith complains about, or raises a claim or concern about, any type of harassment, retaliation or discrimination prohibited by applicable law or CRA policy. Retaliation is also prohibited against individuals who are not themselves complainants, but who participate in good faith in an investigation. Any employee who engages in any form of retaliation will be subject to discipline, up to and including employee termination or removal of volunteer from his or her position. **Individuals who believe that they or someone they know are being, or have been, retaliated against should immediately report this to his or her appropriate supervisor, CRAs Corporate General Counsel or CEO.**

Frequently Asked Questions Regarding Potential Ethical Dilemmas

The purpose of this section is to provide employees with a non-exhaustive list of potential ethical dilemmas that may arise and how the Code of Ethics and Conflicts of Interest Policy would serve to guide their actions and behavior. If any employee is ever unsure as to what is appropriate legal or ethical behavior, the employee should consult with his or her supervisor. Also, Corporate General Counsel is always available to answer any questions regarding ethical considerations.

Some Possible Scenarios

Duty to Report

Question – I work for CRA and one of the reasons I chose to work here is that it feels good to be a part of an organization that does something important and positive. The other day I saw one of my colleagues doing something that I am pretty sure is a violation of the Code of Ethics. I do not want to get anyone in trouble. What should I do?

Answer – No one likes the feeling of reporting the wrong conduct of another. At the same time, the work environment that we all enjoy is a result of respectful behavior. When it seems clear that another employee is doing something unethical, then each of us has an obligation to report that behavior to an **appropriate supervisor, CEO and/or to CRA's Corporate General Counsel.**

Gifts and Hospitality

Question – I work with our vendors as part of my job and from time to time they will offer to take me out to lunch or some other social outing. Is it permissible for me to accept these gifts?

Answer – The Code of Ethics and Conflicts of Interest Policy has specific provisions about accepting gifts. As a general rule, we should decline even small gifts where it is not going to be perceived as impolite or cause us to harm a vendor relationship. It is easy to use this Code as an excuse why you are unable to accept a vendor's generosity. Under no circumstances should you accept a gift worth more than \$15. You are under no obligation to accept any gift.

Question – A vendor asks me to accompany him to a baseball game at which we plan to discuss business. May I go?

Answer – Yes, as long as the ticket has a face value of less than \$15 and the outings are infrequent (one per year).

Question – Occasionally, a vendor will call and offer to give me tickets to a sports event or a concert. The face value of the tickets is less than \$15. May I accept this gift?

Answer – No. The gift does not serve a CRA business purpose.

Question – May I purchase sporting or concert tickets from a vendor?

Answer – Yes, as long as the event is not “Sold Out”. Under those circumstances you would be accepting a gift of an opportunity to buy tickets that are not generally available for purchase and that is inappropriate.

Question –Is our department allowed to keep flowers, chocolates, or other small treats sent from a vendor?

Answer – Generally it is appropriate to accept such occasional, infrequent, nominal gifts, but they should be shared with your co-workers.

Question – I have been invited by a vendor to go to a conference in another city about new issues facing technology departments. The vendor is offering to pay for my plane, hotel, meals, and to take me golfing once or twice while we are there for the weekend. My department was debating about whether to send me to the conference at CRA’s expense before this offer was extended. Should I accept this gift from the vendor?

Answer – **This type of gift offer should be brought to the attention of both your supervisor and CRA’s Corporate General Counsel.** Even if this is a conference that CRA was considering asking you to attend, it is always inappropriate to accept the gift from the vendor. If you are involved in the review of purchases and potential purchases from this vendor, the offer to buy your meals and pay for your golfing (or other activities) are too close to creating a real conflict issue and should not be accepted.

Confidentiality and Privacy

Question - I was part of a team that selected a vendor for a particularly large project for us. I would like to buy shares of the vendor’s stock now because I think once it becomes public that the vendor is doing such a large project for us, the shares of the vendor’s stock will increase significantly. Is it permissible for me to make this trade?

Answer – No, it is not permissible for you to buy or sell shares of publicly traded stock based on confidential information. In fact, you may be subjecting yourself to prosecution by the Securities and Exchange Commission if you do so.

Doing Business With Relatives

Question – CRA administers a purchase assistance program. My spouse is a real estate agent. Can I recommend my spouse to program applicants to help them purchase a house?

Answer – No. This is a situation where there is clearly the appearance of impropriety since your spouse (and indirectly you) would benefit monetarily from the purchase of the property.

Question – My brother owns a construction materials company. I was asked by a contractor if I could get them a good price on materials. The contractor purchased from my brother’s company. Do I need to disclose the relationship?

Answer – Yes. If any of your affiliated persons provide services or property to a program administered by CRA the transaction must be disclosed. If a transaction has occurred since the last Conflict of Interest Disclosure Statement, you should submit an updated Conflict of Interest Disclosure Statement to CRA.

VENDOR DRUG-FREE WORKPLACE CERTIFICATION FORM

SECTION 1 GENERAL TERM

Preference may be given to vendors submitting a certification with their bid/proposal certifying they have a drug-free workplace in accordance with Section 287.087, Florida Statutes. This requirement affects all public entities of the State and becomes effective January 1, 1991. The special condition is as follows:

IDENTICAL TIE BIDS - Preference may be given to businesses with drug-free workplace programs. Whenever two or more bids that are equal with respect to price, quality, and service are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drugfree workplace program shall be given preference in the award process. Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after each conviction.
5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

SECTION 2 AFFIRMATION

VETERAN OWNED SMALL BUSINESS (VOSB) PREFERENCE CERTIFICATION

SECTION 1 GENERAL TERM

VETERAN OWNED SMALL BUSINESS (VOSB) PREFERENCE

The evaluation of competitive bids is subject to section 35.37 of the City's Procurement Procedures which, except where contrary to federal and state law, or any other funding source requirements, provides that preference be given to veteran owned small businesses. To satisfy this requirement, the vendor shall affirm in writing its compliance with the following objective criteria as of the bid or proposal submission date stated in the solicitation. A veteran owned small business shall be defined as:

1. "Veteran Owned Small Business" shall mean a business entity which has received a "Determination Letter" from the United States Department of Veteran Affairs Center for Verification and Evaluation notifying the business that they have been approved as a Veteran Owned Small Business (VOSB).

A preference of two and a half percent (2.5%) of the total evaluation point, or two and a half percent (2.5%) of the total price, shall be given to the **Veteran Owned Small Business (VOSB)**. This shall mean that if a **VOSB** submits a bid/quote that is within 2.5% of the lowest price submitted by any vendor, the **VOSB** shall have an option to submit another bid which is at least 1% lower than the lowest responsive bid/quote. If the **VOSB** submits a bid which is at least 1% lower than that lowest responsive bid/quote, then the award will go to the **VOSB**. If not, the award will be made to the vendor that submits the lowest responsive bid/quote. If the lowest responsive and responsible bidder IS a "**Local Pembroke Pines Vendor**" (**LPPV**) or a "**Local Broward County Vendor**" (**LBCV**) as established in Section 35.36 of the City's Code of Ordinances, entitled "Local Vendor Preference", then the award will be made to that vendor and no other bidders will be given an opportunity to submit additional bids as described herein.

If there is a **LPPV**, a **LBCV**, and a **VOSB** participating in the same bid solicitation and all three vendors qualify to submit a second bid, the **LPPV** will be given first option. If the **LPPV** cannot beat the lowest bid received by at least 1%, an opportunity will be given to the **LBCV**. If the **LBCV** cannot beat the lowest bid by at least 1%, an opportunity will be given to the **VOSB**. If the **VOSB** cannot beat the lowest bid by at least 1%, then the bid will be awarded to the lowest bidder.

If multiple **VOSBs** submit bids/quotes which are within 2.5% of the lowest bid/quote and there are no **LPPV** or **LBCV** as described in Section 35.36 of the City's Code of Ordinance, entitled "Local Vendor Preference", then all **VOSBs** will be asked to submit a **Best and Final Offer (BAFO)**. The award will be made to the **VOSB** submitting the lowest **BAFO** providing that that **BAFO** is at least 1% lower than the lowest bid/quote received in the original solicitation. If no **VOSB** can beat the lowest bid/quote by at least 1%, then the award will be made to the lowest responsive bidder.

COMPARISON OF QUALIFICATIONS

The preferences established in no way prohibit the right of the City to compare quality of supplies or services for purchase and to compare qualifications, character, responsibility and fitness of all persons, firms or corporations submitting bids or proposals. Further, the preference established in no way prohibit the right of the city from giving any other preference permitted by law instead of the preferences granted, nor prohibit the city to select the bid or proposal which is the most responsible and in the best interests of the city.

SECTION 2 AFFIRMATION

VETERAN OWNED SMALL BUSINESS (VOSB) PREFERENCE CERTIFICATION:

- Place a check mark here only if affirming bidder meets requirements above as a Veteran Owned Small Business. In addition, the bidder must attach the "Determination Letter" from the U.S. Dept. of Veteran Affairs Center.
- Place a check mark here only if affirming bidder does not meet the requirements above as a VOSB.

Failure to complete this certification at this time (by checking either of the boxes above) shall render the vendor ineligible for VOSB Preference. This form must be completed by/for the proposer; the proposer **WILL NOT** qualify for VOSB Preference based on their sub-contractors' qualifications.
