Dear Chief Shimpeno,

A Child Is Missing, Inc., is a non-profit 501(c)(3) organization, assisting your agency through our Alert Program, in the early search and recovery of missing children (often with Autism and Down syndrome), the elderly (often with Alzheimer's disease), and the disabled, in the first hours of their disappearance, by use of telephone alert calls.

For our agency to continue to operate, and offer the same services, we will need funding from the individual Florida agencies we serve.

We are requesting a Program Participation Donation of \$5,000.00 for the A Child Is Missing Alert Program for Missing Person Alert Calls, the same as last year.

It truly is a minimal cost for the service you receive when our experienced on-call technicians, available 24/7, 365 days, take the information regarding the missing person (a child, an elderly person often with Alzheimer's), map the area, and place the Alert Calls to help in the search and recovery for missing persons, when they are most vulnerable.

It is our privilege to serve your agency and the communities you represent.

Respectfully,

*Dr. Alexis Brimberry*
