Dear Luke,

Crown is pleased to present this proposal for a material handling solution designed to help you meet your company's operational goals. Our dedicated team of professionals is committed to providing integrated solutions that deliver a low total cost of ownership and exceptional long-term value.

Crown's award-winning line of lift trucks demonstrates its reputation for advanced product design, engineering, and integrated manufacturing processes. Offering a broad range of forklifts, as well as automation and fleet management technologies, Crown seeks to provide customers with innovative, forward-thinking solutions designed to improve performance and reduce operating cost.

Many top ranked companies choose Crown due to the extraordinary trust they place in the company and its products, as well as the support they receive from the most comprehensive customer support and service network in the industry. Our goal is to be one of your best business decisions.

Thank you for the opportunity to present this proposal and the prospect of supporting your business success.

Sincerely,

Drew Caron

THE CROWN
ADVANTAGE

SC SERIES

THE MULTIPURPOSE WORKHORSE

Crown's SC 5700 Series three-wheel counterbalance truck gives you the power, maneuverability and dependability to do virtually any task – shift after shift, year after year.

Discover how the SC 5700 Series can give your business the advantage:

Ultimate Maneuverability

With one of the shortest 3-wheel sit-down forklift in the industry, you can expect to work productively in tighter spaces and narrower aisles.

Intrinsic Stability System

The proactive stability approach built into the SC 5700 Series inspires greater operator confidence.

I-Beam Mast

Crown's I-beam mast has been refined to provide smoother staging resulting in a reduction in noise and steadier load handling. This compact mast design provides exceptional stiffness, torsional resistance and enhanced visibility.

e-GEN® Braking

Practically eliminate maintenance costs with Crown's frictionless e-GEN braking system that extends operating time and delivers long lasting reliability.

Comfort and Control

The SC 5700 Series is designed and manufactured to provide operator comfort and precise load positioning for improved productivity.

Give yourself the ADVANTAGE with the **Crown SC 5700 Series** and let this workhorse perform for you.
