SUMMARY EXPLANATION AND BACKGROUND:

1. On October 20, 2021, the City Commission authorized the advertisement of RFQ # PSPW-21-11 "Citywide Fencing", which was advertised on October 26, 2021.

2. The purpose of this solicitation was to establish a pool of contractors that can be used on an as-needed basis for the replacement and new installation of fencing at locations throughout the City . The City will obtain pricing from the pool of contractors for each project as they arise.

3. On November 23, 2021, the City opened four (4) proposals from the following vendors (listed alphabetically):

Vendor Name

GD Supplies, LLC
Gomez and Son Fence, Corp.
Pergola Roof Miami LLC
TECHGROUPONE, Inc.

4. On March 10, 2022, the City convened an evaluation committee to review the qualifications of the proposers. The evaluation committee unanimously passed a motion to deem the four responsive firms as qualified, and include all four firms in the pool of vendors in no specific order, which the City will obtain quotes from for fencing projects as they arise.

5. On April 20, 2022, the City Commission approved the agreement for an initial three year period in the amount not to exceed \$2,250,000 with an estimated annual cost of \$750,000 with all four vendors listed below:

Vendor Name

GD Supplies, LLC
Gomez and Son Fence, Corp.
Pergola Roof Miami LLC
TECHGROUPONE, Inc.

6. In anticipation of the award, the Public Services Department requested for the Procurement Department to issue an Invitation to Quote, via the City's Bonfire e-Procurement Platform, on March 16, 2022 for the following projects:

PSPW-21-11-01 "Health Park Metal Building Fence"
PSPW-21-11-02 "Wastewater Treatment Plant Fence"

7. On March 30, 2022, the City opened the following proposals from the following vendors:

Project	Gomez and Son Fence, Corp.	TECHGROUPONE, Inc.	Pergola Roof Miami LLC
01 "Health Park Metal Building Fence"	\$160,150.00	\$184,015.21	\$274,736.00
02 "Wastewater Treatment Plant Fence"	\$253,930.00	\$275,554.99	\$462,000.00
Total	\$414,080.00	\$459,570.20	\$736,736.00

8. The Procurement Department reached out to GD Supplies, LLC to confirm why they did not submit a price, and the vendor stated that they were busy working on another project and did not have time to submit a quote.

9. In addition, the cost for PSPW-21-11-02 "Wastewater Treatment Plant Fence" exceeded \$200,000, as a result the Procurement Department reached out to the lowest priced bidder, Gomez and Son Fence, Corp. to confirm what their cost for the Payment and Performance Bond would be. In response to the request, Gomez and Son Fence, Corp provided their updated quote to include the bond for an additional \$5,000, which is approximately 2% of the project cost. As a result, their proposed cost was revised from \$253,930 to \$258,930.

10. Since the City Commission has already approved the initial contracts for RFQ # PSPW-21-11 "Citywide Fencing" with the pool of contractors for an initial three year period in the amount not to exceed \$2,250,000 with an estimated annual cost of \$750,000, the City's Administration would not normally bring these individual projects back for the City Commission's approval as the projects are within the scope of the originally approved agreements. However, based on the City Commission's request to be kept in the loop on the projects that result from these contracts, the City's Administration is presenting these items for the City Commission's approval on tonight's agenda.

11. In order to make the process more efficient, the City's administration is requesting for notification of future fencing projects that utilize the contract and that are over \$25,000, to be sent to the City Commission via e-mail notification in lieu of a formal agenda item requesting the City Commission's approval to award the individual projects.

12. Request Commission to approve the award of PSPW-21-11-01 "Health Park Metal Building Fence" in the amount of \$160,150 and PSPW-21-11-02 "Wastewater Treatment Plant Fence" in the amount of \$258,930 to Gomez and Son Fence, Corp. for a total amount of \$419,080 and to also approve for the award notification of future fencing projects that are over \$25,000 and that utilize the contract, to be sent to the City Commission via e-mail notification.
