Project: **CHICK-FIL-A (STORE #04968) – WESTFORK PLAZA**
RE: **Permit #2023-0055 - SEWER LATERAL CONNECTION ACCEPTANCE**

Dear: Mr. Tate,

The City of Pembroke Pines Engineering Division has reviewed the Televised Videos and accompanying Reports for the permitted sewer lateral connection to the city existing gravity sewer main system, as prepared by Siteworks, dated February 29, 2024, for the above referenced project and the installed sewer lateral connection to the city's existing gravity main as televised has been found to be acceptable at this time based upon the Engineering Division's Standards and Plans as prepared by Bowman Consulting Group and approved by this office on March 23, 2023.

Should you have any questions related to this matter, please do not hesitate to contact me directly at (954) 518-9046 or the Engineering Division office at (954) 518-9040.

Sincerely,

CITY OF PEMBROKE PINES
