Summary Explanation and Background

SUMMARY EXPLANATION AND BACKGROUND:

1. On January 3, 2006 the Department of Homeland Security created a new Urban Area Security zone composed of the Cities of Fort Lauderdale, Miramar, Hollywood, Pembroke Pines, and Miami Gardens. The participating entities are deemed the Fort Lauderdale Urban Area Work Group (UAWG). Subsequently, Broward County, Coral Springs, Sunrise, and Palm Beach County were added to the Urban Area Work Group. In 2011, the Fort Lauderdale UASI was merged with the Miami UASI to create a unified funding recipient with similar critical vulnerabilities.
2. In 2023, the Ft. Lauderdale-Miami UASI was awarded \$13,802,313 M to implement projects and strategies to enhance the sustainability of critical infrastructures within the participating entities.

The strategies necessarily focus on enhancing detection, prevention, preparedness, response and recovery to all man-made or natural hazards. The City of Pembroke Pines received an allocation of \$330,681 as its share of the \$13,802,313 M.

3. The UASI allocation projects are:

Night Vision Goggles	Police	\$214,928
Thermal Imaging Cameras	Fire	\$115,753

4. As a reimbursement grant, the City of Miami administers all expenditure reimbursements for the Fort Lauderdale Urban Area Security Initiative (UASI) member cities (see attachment MOA).

5. This grant expires on September 30th, 2025.
