Good Afternoon Karl,

The State has determined that if you would like to contract directly with FAU, you may do that. Please reply to this email letting us know that you wish to move to with a contract with FAU. No further action is required other than the notification that you will be contracting with a State agency.

Please let me know if you have any other questions.

Thank You,

**Caitlyn Stroik**

Caitlyn,

Sorry I failed to take note that you were assigned to assist us with our grant.

Please see the 1st attachment concerning the City of Sarasota executing this same master plan agreement with FAU.

Can we execute an inter local agreement with FAU and get reimbursed with Federal funds and not have to go out to bid?

Thanks!

Karl
