We are pleased to announce that Bettoli Vending is considering merging its business with Canteen, a part of Compass Group USA. The goal is to allow us to improve our already top-notch service by leveraging the resources of the largest provider of breakroom services in North America. The Bettoli Vending/Canteen team will be committed to meeting and exceeding your expectations and continuing to make breaktime a wonderful experience for your associates.

Our commitment is to provide zero interruptions in your existing service and will honor the current terms and agreements already in place. We will work diligently to ensure you have all the great products you are used to.

As you may know there would have to be amendments made to the contracts and we seek to know if you would have any objections to this transaction. We would appreciate your feedback regarding any issues you may have or may want to discuss.

Please do not hesitate to call us at any time (786-565-6029) if you have questions or concerns. Our team members will still be the same familiar faces, Maurizio Bettoli, Leonardo Bettoli & Valeria Bettoli, who have worked to deliver the highest quality products and service to you since 2001.

Thank You for providing Bettoli Vending the opportunity to serve you and your associates. We are all extremely excited and confident that Bettoli Vending/Canteen will continue to provide you with world-class service while looking for ways to elevate your breakroom experience.
