21.1.1.1 “Contractor” means a person or entity that has entered or is attempting to enter into a contract with a public employer to provide labor, supplies, or services to such employer in exchange for salary, wages, or other remuneration.

21.1.1.2 “Contractor” includes, but is not limited to, a vendor or consultant.

21.1.1.3 “Subcontractor” means a person or entity that provides labor, supplies, or services to or for a contractor or another subcontractor in exchange for salary, wages, or other remuneration.

21.1.1.4 “E-Verify system” means an Internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees.

21.2 **Registration Requirement; Termination.** Pursuant to Section 448.095, Florida Statutes, effective January 1, 2021, Contractors, shall register with and use the E-verify system in order to verify the work authorization status of all newly hired employees. Contractor shall register for and utilize the U.S. Department of Homeland Security’s E-Verify System to verify the employment eligibility of:

21.2.1 All persons employed by a Contractor to perform employment duties within Florida during the term of the contract; and

21.2.2 All persons (including subvendors/subconsultants/subcontractors) assigned by Contractor to perform work pursuant to the contract with the City of Pembroke Pines. The Contractor acknowledges and agrees that registration and use of the U.S. Department of Homeland Security’s E-Verify System during the term of the contract is a condition of the

contract with the City of Pembroke Pines; and

21.2.3 The Contractor shall comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes, but is not limited to registration and utilization of the E-Verify System to verify the work authorization status of all newly hired employees. Contractor shall also require all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The Contractor shall maintain a copy of such affidavit for the duration of the contract. Failure to comply will lead to termination of this Contract, or if a subcontractor knowingly violates the statute, the subcontract must be terminated immediately. Any challenge to termination under this provision must be filed in the Circuit Court no later than twenty (20) calendar days after the date of termination. Termination of this Contract under this Section is not a breach of contract and may not be considered as such. If this contract is terminated for a violation of the statute by the Contractor, the Contractor may not be awarded a public contract for a period of one (1) year after the date of termination.

Project Description:

The City of Pembroke Pines is seeking proposals from qualified firms, hereinafter referred to as the Contractor, to provide the replacement and new installation of various types of fencing at various locations throughout the City on an as-needed basis, in accordance with the terms, conditions, and specifications contained in this solicitation.

The City intends to establish a pool of contractors, in which the City will contact all of the contractors in the pool when a project arises to get a quote and a timeline to complete the requested project. The lowest, most responsive/responsible Contractor that can meet the City's requirements shall be awarded the project(s) on an as-needed basis.

After the pool of contractors has been established, the first project that the City intends to request pricing for is the Waste Water Treatment Plant project as outlined in Attachment F.

In addition, in certain occasions, the City may also request pricing from the Pool of Contractors to obtain materials only, in the event that the City decides to install a fencing project in-house.

Answers to Questions

Please see the attached file with Answers to Questions that were asked.

Citywide Fencing - Questions and Answers

Question 1) According to the documents, this contract will be for an initial three-year period with an additional three-year renewal, should the contractor maintain the price throughout the contract period? Can prices (material prices) be reconsidered during the contract?

Answer: The City is not requesting pricing at this time, and the contractors will not have to hold any pricing throughout the term of the contract. The City intends to establish a pool of contractors, in which the City will contact all of the contractors in the pool when a project arises to get a quote and a timeline to complete the specific projects as they arise. The lowest, most responsive/responsible Contractor that can meet the City's requirements shall be awarded the project(s) on an as-needed basis.

Question 2) This refers to the Q-38AJ proposal submission form, it states "the summary worksheet shows your overall progress for the questionnaire", but we downloaded the file and fill in the requested information, and no value appears on the summary worksheet. Should we submit the form without the progress shown on the summary worksheet? Or will you upload a new form Q-38AJ with the updated formula?

Answer: Please see attached example picture. In this example, Tab "1" has been fully completed, as a result, the "% Complete" column shows "100%" and the Progress Bar is fully green. The other Tabs or "Question Set"s are not complete, as a result, they show "0.00%" and the progress bar is empty and there is a red box at the end of those rows. When you have completed all of the sections, all of your "% Complete" sections should be "100.00%" and your progress bars should be green.

Summary

Question Set	Questions	% Complete	Progress
1	14	100.00%	
2	80	0.00%	
3	5	0.00%	
4	10	0.00%	
5	12	0.00%	
6	11	0.00%	
Total	132	10.61%	

Question 3) I understand, but we completed all the boxes in all the sheets and even so, there are boxes in pink (as I understand the book is taking them as if they were not filled) and therefore the summary does not give 100%, in our case it gives 87.12%.

Answer: The issue is that all of your responses should be included in the "Response" Column... depending on the response that you put in the "Response" column (as some of the responses are selections from a drop down box), you will be required to also add a comment to the "Comment" column. See attached screen shot of acceptable and unacceptable responses. If a row shows that it is still in Pink, you need to add some information to either the "Response" column or the "Comment" column.

Question Set 6: Vendor Registration Checklist

Question Set 6 Instructions

The City has included various documents in the Vendor Registration portal on the Bonfire website. This process is intended to make the bidding process easier for vendors that bid on multiple City projects. This process will allow vendors to complete and submit the following standard forms and documents at any time prior to bidding on a project. In addition, the vendors will be able to utilize these same forms without the need to re-fill and re-submit the forms each time they bid on a City project. In the event that the City does not have one of the forms or documents listed below for your company, the City may reach out to your company after the bid has closed to obtain the document(s).

Furthermore, please make sure to update this information on an as-needed basis so that all pertinent information is accurate, such as local business tax receipts, and any other relevant information.

This section will summarize your responses to those relevant documents.

EQUAL BENEFITS CERTIFICATION FORM FOR DOMESTIC PARTNERS AND ALL MARRIED COUPLES

Except where federal or state law mandates to the contrary, a Contractor awarded a Contract pursuant to a competitive solicitation shall provide benefits to Domestic Partners and spouses of its employees, irrespective of gender, on the same basis as it provides benefits to employees' spouses in traditional marriages.

The Contractor shall provide the City and/or the City Manager or his/her designee, access to its records for the purpose of audits and/or investigations to ascertain compliance with the provisions of this section, and upon request shall provide evidence that the Contractor is in compliance with the provisions of this section upon each new bid, contract renewal, or when the City Manager has received a complaint or has reason to believe the Contractor may not be in compliance with the provisions of this section. Records shall include but not be limited to providing the City and/or the City Manager or his/her designee with certified copies of the Contractor's records pertaining to its benefits policies and its employment policies and practices.

The Contractor must conspicuously make available to all employees and applicants for employment the following statement:

"During the performance of a contract with the City of Pembroke Pines, Florida, the Contractor will provide Equal Benefits to its employees with spouses, as defined by Section 35.39 of the City's Code of Ordinances, and its employees with Domestic Partners and all Married Couples".

- 2. Cash Equivalent** mean the amount of money paid to an employee with a domestic partner or spouse in lieu of providing benefits to the employee's domestic partner or spouse. A contractor that institutes such registry shall not impose criteria for registration that are more stringent than those required for domestic partnership registration by the City of Pembroke Pines.

The affidavit shall state the efforts taken to provide such benefits and the amount of the cash equivalent. Cash equivalent means the amount of money paid to an employee with a Domestic Partner or spouse rather than providing benefits to the employee's Domestic Partner or spouse. VETERAN OWNED SMALL BUSINESS (VOSB) PREFERENCE CERTIFICATION

SECTION 1 GENERAL TERM

VETERAN OWNED SMALL BUSINESS (VOSB) PREFERENCE

The evaluation of competitive bids is subject to section 35.37 of the City's Procurement Procedures which, except where contrary to federal and state law, or any other funding source requirements, provides that preference be given to veteran owned small businesses. To satisfy this requirement, the vendor shall affirm in writing its compliance with the following objective criteria as of the bid or proposal submission date stated in the solicitation. A veteran owned small business shall be defined as:

1. "Veteran Owned Small Business" shall mean a business entity which has received a "Determination Letter" from the United States Department of Veteran Affairs Center for Verification and Evaluation notifying the business that they have been approved as a Veteran Owned Small Business (VOSB).

A preference of two and a half percent (2.5%) of the total evaluation point, or two and a half percent (2.5%) of the total price, shall be given to the **Veteran Owned Small Business (VOSB)**. This shall mean that if a **VOSB** submits a bid/quote that is within 2.5% of the lowest price submitted by any vendor, the **VOSB** shall have an option to submit another bid which is at least 1% lower than the lowest responsive bid/quote. If the **VOSB** submits a bid which is at least 1% lower than that lowest responsive bid/quote, then the award will go to the **VOSB**. If not, the award will be made to the vendor that submits the lowest responsive bid/quote. If the lowest responsive and responsible bidder is a "**Local Pembroke Pines Vendor**" (**LPPV**) or a "**Local Broward County Vendor**" (**LBCV**) as established in Section 35.36 of the City's Code of Ordinances, entitled "Local Vendor Preference", then the award will be made to that vendor and no other bidders will be given an opportunity to submit additional bids as described herein.

If there is a **LPPV**, a **LBCV**, and a **VOSB** participating in the same bid solicitation and all three vendors qualify to submit a second bid, the **LPPV** will be given first option. If the **LPPV** cannot beat the lowest bid received by at least 1%, an opportunity will be given to the **LBCV**. If the **LBCV** cannot beat the lowest bid by at least 1%, an opportunity will be given to the **VOSB**. If the **VOSB** cannot beat the lowest bid by at least 1%, then the bid will be awarded to the lowest bidder.

If multiple **VOSBs** submit bids/quotes which are within 2.5% of the lowest bid/quote and there are no **LPPV** or **LBCV** as described in Section 35.36 of the City's Code of Ordinance, entitled "Local Vendor Preference", then all **VOSBs** will be asked to submit a **Best and Final Offer (BAFO)**. The award will be made to the **VOSB** submitting the lowest **BAFO** providing that that **BAFO** is at least 1% lower than the lowest bid/quote received in the original solicitation. If no **VOSB** can beat the lowest bid/quote by at least 1%, then the award will be made to the lowest responsive bidder.

COMPARISON OF QUALIFICATIONS

The preferences established in no way prohibit the right of the City to compare quality of supplies or services for purchase and to compare qualifications, character, responsibility and fitness of all persons, firms or corporations submitting bids or proposals. Further, the preference established in no way prohibit the right of the city from giving any other preference permitted by law instead of the preferences granted, nor prohibit the city to select the bid or proposal which is the most responsible and in the best interests of the city.

SECTION 2 AFFIRMATION

VETERAN OWNED SMALL BUSINESS (VOSB) PREFERENCE CERTIFICATION:

- Place a check mark here only if affirming bidder meets requirements above as a Veteran Owned Small Business. In addition, the bidder must attach the "Determination Letter" from the U.S. Dept. of Veteran Affairs Center.

1 City Commission 04/20/2022 approve Pass

Action Text: A motion was made by Commissioner Good Jr., seconded by Commissioner Siple, to approve Item 7. Commissioner Siple approved the item but said she wanted to be sure there was a consistent process for updating the pre-qualification of existing vendors to establish whether there were any significant changes within the pre-qualified companies that could impact the City. The motion carried by the following vote:

Notes: Commissioner Good read the item into the record.

Mark Gomes, Procurement Director, addressed the Commission.

Commissioner Good discussed the item regarding putting the vendor pool

providing a quote. do each of the vendors get the opportunity to bid. Do vendors participate in providing a quote? is there a clarify to being able to differentiate the quality provide to the City.

Every time we go out to do job with fencing would like to see how the process plays out.

Commissioner Siple commented on the item. fencing to be done city wide. this is how much we can budget - from that we determine how and which projects get done? Mark Gomes responded. Rising prices for commodities, lumber, aluminum, etc.

Commissioner Siple asked about budget for school fencing. estimate. City Manager said most of that fencing has already been completed for the schools.

Commissioner Castillo spoke on the item. creating a pool of firms that we would send RFPs to, not quite pre-qualification process. He prefers where we create categories of vendors who are prequalified based on their experience, then request for sealed bids. Rather see 10 than 4. Will vote for it tonight.

VM Schwartz commented on the item. he asked if there were other bids other than these 4. only 4 applied. went through evaluation paperwork so there was a prequalification.

Steve Buckland said that if there is a project all 4 vendors would be contacted to submit bids for that project.

VM Schwartz said anything over 25k goes before commission.

Commissioner Castillo commented on the item pertaining to pre-qualification and add vendor to list, ending, no ending, open ended.

Commissioner Siple said she supported the pre-qualification but is there a process for updating a qualification if the vendor changes.

Mr. Gomes said he would put out another RFP and update the pool, changes in company, etc.

City Attorney said her question was valid. CCNA does require updates if there is a change with the vendor. needs to be looked at as a legal issue.

Commissioner Castillo said the typical prequalification process, a firm is qualified for a certain amount of time. time limited update - point of clarification.

Mr. Gomes said this contract department would be recommended to terminate

agreement with vendor if vendor performing poorly.

How current do we keep information on qualifying. review contracts. Any list of companies prequalified 3 or more years ago - how to we update their status? has anything changed in their companies such as lawsuits. Add a form to be provided to vendors to find out if there are any changes.

Commissioner Siple said she was concerned that there be a process for updating pre-qualifications when existing pre-qualified vendors in the existing pool have changes. City Attorney said the CCNA does require updates when pre-qualified companies change. said she supported the pre-qualification but is there a process for updating a qualification if the vendor changes.

Mr. Gomes said he would put out another RFP and update the pool, changes in company, etc.

City Attorney said her question was valid. CCNA does require updates if there is a change with the vendor. needs to be looked at as a legal issue.
