RE: Douglas Gardens
Water & Sewer Systems Certification
City of Pembroke Pines Permit no. 2018-001
Keith Project No.: 09492.00

Mr. Kennedy,

I hereby certify that the civil site work associated water distribution and sanitary sewer collection systems for the Douglas Gardens V Development have been completed and are in substantial accordance with the approved plans and specifications permitted by the City of Pembroke Pines.

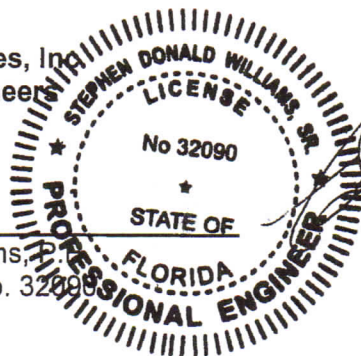

The enclosed construction record drawings for the water and sewer improvements were reviewed and have been determined to be constructed substantially in accordance with the Permitted / Licensed Plans. Any minor deviation noted will not prevent the system from functioning in substantial conformance with the requirements of the permits / license.

This certification is based upon on-site observation of the construction, scheduled by me and conducted under my direct supervision throughout the period of construction.

Please contact me if you have any questions or require additional information.

Sincerely,

Keith & Associates, Inc.
