Re: Bid No: PSUT-19-07 – Sludge Removal and Hauling at Water Plant

Dear Sir or Madam:

Austin Tupler Trucking, Inc. has been doing sludge removal contracts in Dade, Broward and Palm Beach Counties for over 30 years involving a dozen different municipalities and water plants including the City of Pembroke Pines Water Treatment Plant when Mike Ponce was in charge, finishing approximately 2013. At that time period when we did the City of Pembroke Pines Water Plant, the city was using a company that used a small drag line which was destroying each pond crumbling the side walls of the ponds. When we took over we brought in aggregate type materials to rebuild and stabilize each pond to the current situation now. Our expertise enabled you to save the City of Pembroke Pines a lot of money by rehabbing those ponds for very little cost.

We plan to use the same personnel and the same type of equipment that was used when we did your plant six plus years ago. We always ran it in a very productive operation with staff personnel who have ten plus years of experience doing this type of work. Prior to flipping the sludge from one pond to another, we come out in advance and go over the jobsite with the City of Pembroke Pines personnel whoever you elect them to be to go over the site conditions and access points and to make sure the material is ready to be flipped or removed. From our past experience from working on this particular plant and from working in other water plants, we have firsthand knowledge of the conditions and the type of materials and will go over this with the city personnel or representative prior to starting. Once we agree and your personnel agree, we bring in our equipment which is a full size excavator with an operator who specializes in this type of operation. After the material is flipped and it is ready to be hauled out, we book our trucks prior to starting a day or two before we bring experienced personnel in to supervise and make sure we have safe conditions and the material is dry enough so it doesn't leak or cause other issues. We continue hauling out the material every day unless weather conditions don't permit until we are done in a very efficient and productive manner usually in one or two days.

We keep a person onsite when dump trucks are involved to haul it out to ensure safety, prompt service, customer satisfaction and to resolve any complaints. Also, we have another person stop by on the job every day to make sure our employees, our truckers and our customer are satisfied. We constantly work on training with our personnel and only use experienced truckers with this operation that have done this type of work many times.

Every water plant is different and based on the situation we ran into from the previous contract, we will be making suggestion to the previous method to our current method in order to increase service satisfaction. If you can contact the previous personnel that ran this job when we were there, I believe that they were very happy with our company and our service.

Sincerely yours,

GLEN TUPLER
President

The 5% opacity limitation is consistent with this design and provides reasonable assurance that annual emissions of PM/PM₁₀ for all emission points in this emission unit system will be less than 133.83 TPY. This annual emission estimate is part of the facility-wide netting calculation to escape PSD applicability for PM/PM₁₀. Exceedance of the 5% opacity limit shall be deemed an exceedance of this permit condition and not necessarily an exceedance of the opacity limitations given in 40 CFR 63, Subpart LLL}

A.8. Removal of Calcium Carbonate Limit. For Pyroprocessing/Raw Mill System Kiln 5 (EU-028), Condition 5 ~~L~~ of permit No. 0250020-025-AC is revised to remove the limitation on the percentage of calcium carbonate that may be used in the raw material feed.

5.a. **Calcium Carbonate Source:** The permittee is hereby authorized to use CaCO_3 residuals ~~from the lagoons of the Miami-Dade County Water Treatment Plants from any municipal potable water treatment plant as a raw material supplement in the clinker production process. Use of CaCO_3 residuals from any other source shall require prior written approval from the RER. The material shall be subject to analytical testing requirements for chloride and mercury content as determined by the RER. Results of such testing shall be maintained on file.~~ [Permit No. 0250020-025-AC and Application No. 0250020-035-AC]

A.10. Calcium Carbonate Residuals Usage Records. For Pyroprocessing/Raw Mill System Kiln 5 (EU-028), Condition 18 of permit No. 0250020-025-AC is revised to reflect the removal of the limitation on the percentage of calcium carbonate residuals that may be used in the raw material feed.

18. **Calcium Carbonate Residuals Usage Records:** The permittee shall establish a log to document the ~~amount of calcium carbonate residuals used on a monthly basis, following:~~

VENDOR DRUG-FREE WORKPLACE CERTIFICATION FORM

SECTION 1 GENERAL TERM

Preference may be given to vendors submitting a certification with their bid/proposal certifying they have a drug-free workplace in accordance with Section 287.087, Florida Statutes. This requirement affects all public entities of the State and becomes effective January 1, 1991. The special condition is as follows:

IDENTICAL TIE BIDS - Preference may be given to businesses with drug-free workplace programs. Whenever two or more bids that are equal with respect to price, quality, and service are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drugfree workplace program shall be given preference in the award process. Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after each conviction.
5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

SECTION 2 AFFIRMATION

Place a check mark here only if affirming bidder complies fully with the above requirements for a Drug-Free Workplace.

Place a check mark here only if affirming bidder does not meet the requirements for a Drug-Free Workplace.

Failure to complete this certification at this time (by checking either of the boxes above) shall render the vendor ineligible for Drug-Free Workplace Preference. This form must be completed by/for the proposer; the proposer WILL NOT qualify for Drug-Free Workplace Preference based on their sub-contractors' qualifications.

VETERAN OWNED SMALL BUSINESS (VOSB) PREFERENCE CERTIFICATION

SECTION 1 GENERAL TERM

VETERAN OWNED SMALL BUSINESS (VOSB) PREFERENCE

The evaluation of competitive bids is subject to section 35.37 of the City's Procurement Procedures which, except where contrary to federal and state law, or any other funding source requirements, provides that preference be given to veteran owned small businesses. To satisfy this requirement, the vendor shall affirm in writing its compliance with the following objective criteria as of the bid or proposal submission date stated in the solicitation. A veteran owned small business shall be defined as:

1. "Veteran Owned Small Business" shall mean a business entity which has received a "Determination Letter" from the United States Department of Veteran Affairs Center for Verification and Evaluation notifying the business that they have been approved as a Veteran Owned Small Business (VOSB).

A preference of two and a half percent (2.5%) of the total evaluation point, or two and a half percent (2.5%) of the total price, shall be given to the **Veteran Owned Small Business (VOSB)**. This shall mean that if a **VOSB** submits a bid/quote that is within 2.5% of the lowest price submitted by any vendor, the **VOSB** shall have an option to submit another bid which is at least 1% lower than the lowest responsive bid/quote. If the **VOSB** submits a bid which is at least 1% lower than that lowest responsive bid/quote, then the award will go to the **VOSB**. If not, the award will be made to the vendor that submits the lowest responsive bid/quote. If the lowest responsive and responsible bidder IS a "**Local Pembroke Pines Vendor**" (LPPV) or a "**Local Broward County Vendor**" (LBCV) as established in Section 35.36 of the City's Code of Ordinances, entitled "Local Vendor Preference", then the award will be made to that vendor and no other bidders will be given an opportunity to submit additional bids as described herein.

If there is a **LPPV**, a **LBCV**, and a **VOSB** participating in the same bid solicitation and all three vendors qualify to submit a second bid, the **LPPV** will be given first option. If the **LPPV** cannot beat the lowest bid received by at least 1%, an opportunity will be given to the **LBCV**. If the **LBCV** cannot beat the lowest bid by at least 1%, an opportunity will be given to the **VOSB**. If the **VOSB** cannot beat the lowest bid by at least 1%, then the bid will be awarded to the lowest bidder.

If multiple **VOSBs** submit bids/quotes which are within 2.5% of the lowest bid/quote and there are no **LPPV** or **LBCV** as described in Section 35.36 of the City's Code of Ordinance, entitled "Local Vendor Preference", then all **VOSBs** will be asked to submit a **Best and Final Offer (BAFO)**. The award will be made to the **VOSB** submitting the lowest **BAFO** providing that that **BAFO** is at least 1% lower than the lowest bid/quote received in the original solicitation. If no **VOSB** can beat the lowest bid/quote by at least 1%, then the award will be made to the lowest responsive bidder.

COMPARISON OF QUALIFICATIONS

The preferences established in no way prohibit the right of the City to compare quality of supplies or services for purchase and to compare qualifications, character, responsibility and fitness of all persons, firms or corporations submitting bids or proposals. Further, the preference established in no way prohibit the right of the city from giving any other preference permitted by law instead of the preferences granted, nor prohibit the city to select the bid or proposal which is the most responsible and in the best interests of the city.

SECTION 2 AFFIRMATION

VETERAN OWNED SMALL BUSINESS (VOSB) PREFERENCE CERTIFICATION:

Place a check mark here only if affirming bidder meets requirements above as a Veteran Owned Small Business. In addition, the bidder must attach the "Determination Letter" from the U.S. Dept. of Veteran Affairs Center.

Place a check mark here only if affirming bidder does not meet the requirements above as a VOSB.

Failure to complete this certification at this time (by checking either of the boxes above) shall render the vendor ineligible for VOSB Preference. This form must be completed by/for the proposer; the proposer WILL NOT qualify for VOSB Preference based on their sub-contractors' qualifications.
