The CITY's Recreation and Cultural Arts Department will schedule screening sessions on-site at the parks prior to the start of each session. It is the volunteer's responsibility to ensure they successfully complete a Level 2 background screening.
2. The Pembroke Pines Police Department will notify the Recreation and Cultural Arts Department when the results of each screening is complete. The notification will indicate whether a volunteer is "Eligible" or "Not Eligible" to volunteer. The Recreation and Cultural Arts Department will then issue volunteer identification badges to each Youth League Organization for distribution to all eligible volunteers.

Policies regarding Background Checks and Photo Identification Badges:

1. All qualified volunteers, coaches, managers, and board members are required to submit a background check on an annual basis and acquire a photo identification badge. Photo identification badges expire one year from the date of issuance.
2. Photo identification badges are to be displayed at all times whenever the volunteer is serving as a volunteer and badges are not to be worn or used for any other purpose.
3. No pins, stickers, or markings are allowed to be displayed on the photo identification badge. The photo identification badge must be clearly visible to the public and should be worn between the shoulders and the waist with the photo clearly visible.
4. If a photo identification badge is lost or stolen, it is the responsibility of the volunteer to notify the Youth Organization as soon as possible to obtain a replacement badge.
5. It is the duty of every qualified volunteer to report any volunteer failing to properly display their credential to their supervisor/league, president/organization, or CITY representative.
6. Lending a photo identification badge to someone is not permitted at any time.
7. Volunteers shall not have more than one photo identification badge in his or her possession at any one time.

CITY's Enforcement of Ordinance:

City of Pembroke Pines

The CITY of Pembroke Pines Department of Recreation and Cultural Arts staff in collaboration with program staff will monitor activity and randomly check all volunteers (i.e. coaches, instructors, managers, board members, and other volunteers). All Youth Leagues are required to check all volunteers and coaches prior to the start of each game. If the staff/officials do not see the photo identification badge visible, the staff/officials will request that the volunteer produce the photo identification badge. All volunteers are required to show their photo ID badge if asked by a staff member or an official. If the volunteer cannot produce a photo ID badge, then the following specific measures will be taken:

- If a volunteer does not have his/her photo ID badge visible and fails to produce a photo ID badge if required by staff/officials: the volunteer:
 - Will be asked to provide pertinent information (name, team, sport),
 - Will be reported to the league with which they are associated or to their supervisor,
 - Will be provided a copy of the CITY's enforcement policy, and
 - Will not be allowed to continue to participate in program activities until an ID badge is obtained.

All Youth League Organizations will receive a copy of this enforcement plan and should inform all volunteers of these requirements.

SUMMARY EXPLANATION AND BACKGROUND:

1. Pasadena Park has long been home to the Pasadena Panthers Football and Cheerleading programs, which have been a valued part of the West Pembroke Pines Optimist (WPPO) organization since the late 1990s. During the 2024 football and cheerleading season, the program served 231 children, including 121 City residents. While WPPO also supports approximately 460 children annually through its travel and recreational baseball programs at Pembroke Shores Park, the organization recently decided to discontinue its support for the football and cheerleading program at Pasadena Park. The WPPO Board cited the disconnect between the two parks, both in proximity and focus, as their reasoning, explaining that the program operated as an outlier to their core operations.

2. The notification of this decision coincided with the renewal of WPPO's Facility Use

Agreement, which takes place annually on October 1. Unfortunately, this timing occurred mid-season for the 2024 football and cheerleading programs. Anticipating this transition, the program's Football and Cheerleading Commissioner, Joan Rosado, worked proactively to minimize any disruption for the children and families involved. Joan established a new organization, secured necessary insurance, and ensured the continuation of the program under the new entity, Elite Optimist of Central Pembroke Pines, Inc. The City granted Elite Optimist a temporary permit to complete the football season, which concluded smoothly in early December, with both organizations prioritizing the best interests of the children.

3. Joan Rosado has been an integral part of the Pasadena football and cheerleading program for several years and has served as its leader since 2021. With her extensive experience, Joan has ensured that the new organization meets all requirements for a Facility Use Agreement, including obtaining 501(c)(3) status and required insurance coverage.

4. The proposed Facility Use Agreement between the City of Pembroke Pines and Elite Optimist of Central Pembroke Pines, Inc. would take effect upon execution and remain in place through September 30, 2025, aligning with the City's fiscal year. The agreement also includes provisions for annual renewals, pending Commission approval.

5. It is requested that the Commission approve the Facility Use Agreement, enabling Elite Optimist of Central Pembroke Pines, Inc. to utilize Pasadena Park to operate a youth football and cheerleading program. This agreement will ensure continuity and continued opportunities for youth sports at Pasadena Park.
