

Honorable Mayor and City Commissioners
City of Pembroke Pines
601 City Center Way
Pembroke Pines, FL 33025

Dear Mayor and Commissioners:

I respectfully submit my resignation as Commission Auditor for the City of Pembroke Pines, effective December 31, 2025.

It has been a true honor and privilege to serve as the City's first Commission Auditor. Establishing this role and supporting the Commission in strengthening transparency, accountability, and operational insight has been one of the most meaningful chapters of my professional career. I am deeply grateful for the trust you placed in me and for the opportunity to contribute to the continued excellence of this community.

As I step away from this position, I want to extend my sincere best wishes to the Mayor and the City Commissioners. I am confident that the City of Pembroke Pines will continue to prosper and reach new heights under your leadership. The dedication and vision you each bring to this community inspire optimism for its future.

In the interest of ensuring a smooth and successful transition, I respectfully recommend Christie Clements as my successor. Her professionalism, expertise, and commitment to public service make her an outstanding candidate to serve as the next Commission Auditor.

Thank you again for the opportunity to serve this great City. I will always look back on my time here with pride and appreciation.

Respectfully,

Daniel J. O'Keefe, CPA
Commission Auditor
City of Pembroke Pines
