The purpose of this letter is to certify NAFECO as the sole source factory authorized dealer for sales and service of Holmatro products in the states of Alabama, Tennessee, Florida and Georgia.

As a manufacturer of life saving equipment, Holmatro only recommends using the current factory authorized dealer for the purchase and service of Holmatro products. Using unauthorized sources, unauthorized parts and/or unauthorized service technicians with an expired certification will void the Holmatro lifetime warranty.

Feel free to contact the Rescue Tool Manager / Holmatro Specialist of NAFECO or myself if we can answer any questions or further help with your rescue tool needs.
