Assignment Letter

Dear Riley:

As you can see from our new logo above, BCR Environmental Corporation has recently updated our branding. As a part of this rebranding effort, and in an attempt to increase our corporate focus, we decided that BCR no longer needs two brands to interact with customers. To this end, BCR looks forward to *continuing* a long relationship with Pembroke Pines in the future, but we will be retiring the NuTerra Management brand name on July 1, 2018. As you know, the NuTerra name has historically been the brand through which our company executed our service contracts, like the one we have with you. We look forward to continuing that service under the BCR name long into the future.

We hope this change will make our ongoing services to you higher quality and more-streamlined. And, other than a name change on invoices, we're hopeful that the change will be imperceptible to you and your team.

BCR Environmental Corporation will continue to focus all of our attention on providing superior service to our customers, including responding promptly to your calls and questions, hauling and disposing of your end product when applicable, and monitoring your system. Our Customer Delivery & Service Team, led by Todd Chambers, remains exactly the same. Your contact for service also remains unchanged. We hope to make this "branding" change without any disruption to your operations.

To this end, please accept this letter as notice that NuTerra Management, LLC is assigning our service contract with you to BCR Environmental Corporation, LLC, effective July 1, 2018. This assignment has been made consistent with our existing Agreement:

- Agreement Name: Service Agreement
- Agreement Date: June 18, 2014
- Relevant Section: Section 7.3
of the Agreement

Accordingly, you will begin receiving normal monthly invoices from BCR Environmental Corporation (no longer from NuTerra Management, LLC). For purposes of your accounting department's records, we have attached a W-9 for BCR Environmental Corporation as well as a copy of our insurance coverage. You should be receiving a copy of the insurance certification directly from our carrier as well.

Should you have any questions regarding this assignment, please do not hesitate to call.

Sincerely,
