SECTION 4. Employment Eligibility. LICENSEE certifies that it is aware of and complies with the requirements of Section 448.095, Florida Statutes, as may be amended from time to time and briefly described herein below.

4.1 **Definitions for this Section.**

4.1.1 "Contractor" means a person or entity that has entered or is attempting to enter into a contract with a public employer to provide labor, supplies, or services to such employer in exchange for salary, wages, or other remuneration. "Contractor" includes, but is not limited to, a vendor or consultant.

4.1.2 "Contractor" includes, but is not limited to, a vendor or consultant.

4.1.3 "Subcontractor" means a person or entity that provides labor, supplies, or services to or for a contractor or another subcontractor in exchange for salary, wages, or other remuneration.

4.1.4 "E-Verify system" means an Internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees.

4.2 **Registration Requirement; Termination.** Pursuant to Section 448.095, Florida Statutes, effective January 1, 2021, Contractors, shall register with and use the E-verify system in order to verify the work authorization status of all newly hired employees. Contractor shall register for and utilize the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of:

4.2.1 All persons employed by a Contractor to perform employment duties within Florida during the term of the contract; and

4.2.2 All persons (including subvendors/subconsultants/subcontractors) assigned by Contractor to perform work pursuant to the contract with the City of Pembroke Pines. The Contractor acknowledges and agrees that registration and use of the U.S. Department of Homeland Security's E-Verify System during the term of the contract is a condition of the contract with the City of Pembroke Pines; and

4.2.3 The Contractor shall comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes, but is not limited to, registration and utilization of the E-Verify System to verify the work authorization status of all newly hired employees. Contractor shall also require all

subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The Contractor shall maintain a copy of such affidavit for the duration of the contract. Failure to comply will lead to termination of this Contract, or if a subcontractor knowingly violates the statute, the subcontract must be terminated immediately. Any challenge to termination under this provision must be filed in the Circuit Court no later than twenty (20) calendar days after the date of termination. Termination of this Contract under this Section is not a breach of contract and may not be considered as such. If this contract is terminated for a violation of the statute by the Contractor, the Contractor may not be awarded a public contract for a period of one (1) year after the date of termination.

SECTION 5. Discriminatory Vendor List. Pursuant to Section 287.134(2)(a), Fla. Stat., an entity or affiliate, as defined in Section 287.134(1), who has been placed on the discriminatory vendor list may not submit a bid, proposal or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor or consultant under a contract with any public entity; and may not transact business with any public entity. SECTION 6. Anti Human Trafficking. Pursuant to Section 787.06(13), Fla. Stat., nongovernmental agencies contracting with CITY are required to provide an affidavit attesting that the nongovernmental agency does not use coercion for labor or services as defined within Section 787.06, Fla. Stat. By executing this Ninth Amendment and submitting the executed required affidavit, the LICENSEE represents and warrants that it does not use coercion for labor or services as provided by state law.

SECTION 7. Antitrust Violations. Pursuant to Section 287.137, Florida Statutes, as may be amended, a person or an affiliate who has been placed on the antitrust violator vendor list (electronically published and updated quarterly by the State of Florida) following a conviction or being held civilly liable for an antitrust violation may not submit a bid, proposal, or reply for any new contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply for a new contract with a public entity for the construction or repair of a public building or public work; may not submit a bid, proposal, or reply on new leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a new contract with a public entity; and may not transact new business with a public entity. By entering this Ninth Amendment, LICENSEE certifies neither it nor its affiliate(s) are on the antitrust violator vendor list at the time of entering this Agreement. False certification under this paragraph or being subsequently added to that list will result in termination this Ninth Amendment, at the option of the City consistent with Section 287.137, Florida Statutes, as amended.

SECTION 8. Compliance with Foreign Entity Laws. LICENSEE ("Entity") hereby attests under penalty of perjury the following:

8.1 Entity is not owned by the government of a foreign country of concern as defined in

SECTION 10. The Parties agree that in all other respects the Original Agreement, as amended, shall remain in full force and effect, except as specifically modified herein.

City of Pembroke Pines Volunteer Background Checks and Photo Identification Badge Enforcement Policies and Procedures

Section 34.07 of the City of Pembroke Pines Code of Ordinances requires all volunteers, coaches, and others who have access to youth, seniors, and other vulnerable populations in all City-Operated or City-Supervised Programs to undergo a Level 2 background screening pursuant to Section 435.04 of the Florida Statutes and evaluation criteria set forth in the ordinance. The Background Check policy applies to all volunteers regardless of age.

The following steps must be taken to become a volunteer:

- 1.) Contact the Professional Standards Division of the Pembroke Pines Police Department at 954-431-2705 to schedule an appointment for the screening. The LICENSEE shall be provided the forms that must be completed and brought to the appointment. At the time of the screening the Police Department will take a photograph of each volunteer in order to produce an identification badge pending the results of the screening. The City's Recreation and Cultural Arts Department will schedule screening sessions on-site at the parks prior to the start of each season. It is the volunteer's responsibility to ensure they successfully complete a level 2 background screening.
- 2.) The Pembroke Pines Police Department will notify the Recreation and Cultural Arts Department when the results of each screening is complete. The notification will indicate whether a volunteer is "Eligible" or "Not Eligible" to volunteer. The Recreation and Cultural Arts Department will then issue volunteer identification badges to each Youth League Organization for distribution to all eligible volunteers.

Policies regarding Background Checks and Photo Identification Badges:

- 1) All qualified volunteers, coaches, managers, and board members are required to submit a background check on an annual basis and acquire a photo identification badge. Photo identification badges expire one year from date of issuance.
- 2) Photo identification badges are to be displayed at all times whenever the volunteer is serving as a volunteer and badges are not to be worn or used for any other purpose.
- 3) No pins, stickers, or markings are allowed to be displayed on the photo identification badge. The photo identification badge must be clearly visible to the public and should be worn between the shoulders and waist with the photo clearly visible.
- 4) If a photo identification badge is lost or stolen, it is the responsibility of the volunteer to notify the Youth Organization as soon as possible to obtain a replacement badge.

- 5) It is the duty of every qualified volunteer to report any volunteer failing to properly display their credential to their supervisor/league, president/organization, or City representative.
- 6) Lending a photo identification badge to someone is not permitted at any time.
- 7) Volunteers shall not have more than one photo identification badge in his or her possession at any one time.

City's Enforcement of Ordinance:

The City of Pembroke Pines Department of Recreation and Cultural Arts Staff in collaboration with program staff will monitor activity and randomly check all volunteers (i.e.: coaches, instructors, managers, board members, and other volunteers). All Youth Leagues are required to check all volunteers and coaches prior to the start of each game. If the staff/officials do not see the photo identification badge visible, the staff/officials will request that the volunteer produce the photo identification badge. All volunteers are required to show their photo ID badge if asked by a staff member or an official. If the volunteer cannot produce a photo ID badge, then the following specific measures will be taken:

- If a volunteer does not have his/her photo ID badge visible and fails to produce a photo ID badge if requested by staff/officials: the volunteer will be asked to provide pertinent information (name, team, sport), the volunteer will be reported to the league they are associated with or to their supervisor, the volunteer will be provided a copy of the City's enforcement policy, and the volunteer will not be allowed to continue to participate in program activities until an ID badge is obtained.

All Youth League Organizations will receive a copy of this enforcement plan and should inform all volunteers of these requirements.

MOTION TO APPROVE THE FACILITY USE AGREEMENT BETWEEN THE OPTIMIST CLUB OF PEMBROKE LAKES FLORIDA, INC. AND THE CITY OF PEMBROKE PINES.

SUMMARY EXPLANATION AND BACKGROUND:

1. The Optimist Club of Pembroke Lakes Florida (PLO) program provides recreational and travel baseball and softball in Pembroke Pines. The City currently has an agreement in place with PLO for the use of eleven fields at Flamingo Park.
2. There is an item on this agenda requesting the City Commission terminate the existing agreement with the PLO. If approved, the Administration is requesting the approval of a new revised Facility Use Agreement.
3. This revised Facility Use Agreement was originally presented to the City Commission on October 19, 2016. When originally presented, it was suggested that all seven Youth Organizations sign the same agreement. The discussion from the October 19, 2016 Commission meeting resulted in Administration tailoring each agreement to each Youth Organization.
4. In the proposed agreement, City Administration is recommending the removal of softball from the PLO Agreement. Residents that want to join a softball program in Pembroke Pines can go to the Pembroke Pines Girls Softball program at Fletcher Park in the east or the West Pines Girls Softball program at Silver Lakes South in the west. During the Fall 2016 season the PLO softball program only had 24 participants and only 5 of those participants were residents. The participation rates have been low for many years. In addition the softball program is a travel only program as they have not had the participation to maintain a recreational softball league.
5. For now Administration will allow PLO to utilize the two softball fields for baseball to grow their program.
6. Currently PLO is not in complete agreement with the Facility Use Agreement attached to the agenda item. PLO takes exception to Section 6.2, 6.3, and 6.17

- 6.2 - Requires a board to consist of 75% City Residents and 75% of board members that have children in the program. PLO does not agree with the City dictating the makeup of their board.
- 6.3 - Suggests the board hold annual public meetings and allow the parents to attend the meetings. PLO states that only members of Optimist International can attend board meetings and vote on decisions. PLO has coaches meeting where parents are allowed to attend and voice concerns.
- 6.17 - Does not allow PLO to do business with board members or board member's immediate family. PLO does not agree with the City telling the club how to operate their business. They stated that they are always trying to get the lowest price for items needed, and don't want the lowest price to possibly be excluded because of this section.

7. Administration is recommending the City Commission move forward with the agreement as proposed in the attached draft. The language in the proposed agreement is the same for all youth organizations except what's different in the Exhibit A and the agreement with West Pines United Futbol Club.

8. Request Commission approve the attached Facility Use Agreement between the Optimist Club of Pembroke Lakes Florida and the City of Pembroke Pines.

Item has been reviewed by the Commission Auditor and approved for the Agenda.

FINANCIAL IMPACT DETAIL:

- a) Initial Cost:** Revenue: \$23,755 in participation fees (Based on 2016 participation)
- b) Amount budgeted for this item in Account No:** \$10,105 1-347225-7001 Youth Athletic Program; \$13,650 1-347565-7001 Athletic fees-non resident
- c) Source of funding for difference, if not fully budgeted:** Not Applicable
- d) 5 year projection of the operational cost of the project:** Not Applicable

SUMMARY EXPLANATION AND BACKGROUND:

1. Pursuant to Section 35.29(F) "City Commission notification" of the City's Code of Ordinances, "The City Manager, or his or her designee, shall notify the Commission, in writing, at least three months in advance of the expiration, renewal, automatic renewal or extension date, and shall provide a copy of the contract or agreement and a vendor performance report card for the contract or agreement to the City Commission."

2. On May 17, 2017, Commission approved the motion to place all contracts from the Contract Database Reports on consent agendas as they come up for contractual term renewal so that City Commission affirms directions to administration whether to renew or to go out to bid.

3. The items shown below are on the June 2017 Contract Database Report. Please note that there were no items on the May 2017 Contract Database Report.

(A) WASTE PRO OF FLORIDA, INC. - SOLID WASTE AND RECYCLING COLLECTION AND DISPOSAL SERVICES

1. On March 26, 2013, the City signed the Agreement with Waste Pro of Florida, Inc. for an initial five year agreement commencing on June 1, 2013 and ending on May 31, 2018 for solid waste and recycling collection and disposal service.

2. Please note that the exhibits to the agreement, which include the RFP, the Contractor's Response, the Bulk Schedule and the Household Hazardous Waste Collection Plan have not been attached to this agenda item as it is over 500 pages. However, if needed, Administration can provide these documents digitally.

3. Pursuant to section 3.2 of the agreement, the term of this Agreement may be extended for up to two (2) additional two (2) year terms, subject to the execution of a written amendment to this Agreement signed by both parties.

4. Based on the 90 day requirement, this Agreement would need to be presented to Commission by March 2, 2018, however it is being presented to Commission earlier to provide ample time for the Procurement Division to procure a new contract, if needed.

5. The Utilities Division recommends for the City to make a formal solicitation to procure a new contract for services, in lieu of renewing the existing Agreement.

(B) OPTIMIST CLUB OF PEMBROKE LAKES FLORIDA, INC. - FACILITY USE AGREEMENT

1. The Agreement with the Optimist Club of Pembroke Lakes Florida, Inc. is in it's initial term which expires on September 30, 2017.

2. The Agreement grants the Optimist Club of Pembroke Lakes, Inc. a non-exclusive license for the use of Flamingo Park Fields 1-11 for the following uses permitted pursuant to the Agreement:

- Travel Baseball
- Recreation Baseball
- Travel Softball
- Recreation Softball

3. Pursuant to section 2.2 of the agreement, the term of this Agreement may be renewed for additional one (1) year terms upon mutual consent, evidenced by a written Amendment to this

Agreement extending the term thereof, and approval of the City Commission.

4. Based on the 90 day requirement, this Agreement would need to be presented to Commission by July 2, 2017.

5. The Recreation Department recommends that the City renew this Agreement for an additional one (1) year term, commencing on October 1, 2017 and expiring on September 30, 2018, as allowed by the Agreement.

(C) OPTIMIST CLUB OF WEST PEMBROKE PINES, INC. - FACILITY USE AGREEMENT

2. On May 17, 2017, Commission approved the motion to place all contracts from the Contract Database Reports on consent agendas as they come up for contractual term renewal so that City Commission affirms directions to administration whether to renew or to go out to bid.
3. The Agreements shown below are listed on the June 2018 Contract Database Report, and based on the 90 day requirement, these Agreements are being presented to Commission for approval.

9. On tonight's agenda, there is another Agenda Item (File ID # 20-0565) to award the City of Pembroke Pines IFB # PSPW-20-01 "Citywide Trees, Plants & other Landscaping Materials" to the most responsive/responsible bidder, Aaron Agriculture, to be used on an as needed basis in the annual amount not to exceed \$1,000,000.

IFB # PSPW-20-01 "Citywide Trees, Plants & other Landscaping Materials" was approved for advertisement by the City Commission on February 5, 2020.

The City of Pembroke Pines IFB # PSPW-20-01 "Citywide Trees, Plants & other Landscaping Materials" includes various trees, plants, etc. and also includes a price for sod that maybe utilized when the City has plant material being installed by the awarded contractor, in order to have one sole vendor responsible for the landscaping in that area and to avoid one contractor damaging the other contractors plant material during the course of any landscaping project. Since the pricing for the sod line items came in too high for the recommended vendor, the Public Services Department has decided not to award those line items and to utilize the Co-Op Contract for sod.

The lowest price received for the Sod through IFB # PSPW-20-01 "Citywide Trees, Plants & other Landscaping Materials":

- \$0.75 per square foot (St. Augustine)
- \$0.95 per square foot (Bermuda)
- \$0.65 per square foot (Bahia)

However, the vendors that submitted the above pricing are not being recommended for award, as the Public Services Department was looking to utilize one vendor for all of the Landscaping work on projects, and since the recommended vendor's pricing was too high, the Public Services Department is recommending to utilize the Co-Op's Sod Contract.

10. The Co-Op contract includes various different sod options, including the following:

- \$0.50 to \$0.60 per square foot (St. Augustine)
- \$0.23 to \$0.28 per square foot (Bermuda)
- \$0.42 to \$0.48 per square foot (Bahia)

The prices above depend on the type of Sod and if they are bought in truckloads or less than truckloads.

11. Based on the average of the pricing listed above, the Co-Op contract is 46.60% cheaper than the lowest price sod that was recently received from the City's bid for IFB # PSPW-20-01 "Citywide Trees, Plants & other Landscaping Materials." As a result, the City recommends to continue utilizing the Co-Op Contract, when it is renewed.

12. The Public Services Department recommends that the City Commission approves the utilization of the second one (1) year renewal term, of the Co-Op agreement, commencing on October 1, 2020 and ending on September 30, 2021, as allowed by the agreement in lieu of bidding out a separate solicitation for sod.

(H) Allied Universal Corporation - Purchase of Sodium Hypochlorite (Co-Op) - Renewal

1. In March of 2012, the Southeast Florida Governmental Purchasing Co-operative Group had a meeting where purchasing officials from several municipalities throughout Broward County expressed a desire to bid out the price of sodium hypochlorite as a Co-Op bid in lieu of various Cities issuing their own solicitation at different times of the year that was resulting in a trying process in which a vendor would lose one contract and then extend their pricing from another contract to other entities, enticing them to terminate their existing contract to switch vendors back and forth. As a result, various Broward agencies moved away from various entities piggybacking on other contracts by individual agencies and issued a bid through the Co-Op to try and drive the price down through volume discounting.
2. On October 17, 2012, the City Commission approved an agenda item (File ID # 12-2170) to start utilizing a Co-Op contract for Sodium Hypochlorite in lieu of issuing its own solicitation. provide cost savings and cost avoidances for the combined requirements for common basic items. In addition, the lead agency for the Co-Op contract also manages the renewal documentation and works closely with the contractor(s) which alleviates certain additional management responsibilities that the City would need to do if the City establishes its own contract for the services, therefore utilizing the Co-Op contract provides additional efficiencies.

8. For this sodium hypochlorite contract, the lead agency listed various participating agencies and the quantity of sodium hypochlorite that they each anticipated, in order to get better pricing through economies of scale. Case Update

Hi Marlene,

Thank you for contacting customer support. Legistar file reports have a character limit for the body of the file. We are unable to increase that limit at this time. It is best practice to attach large text amounts to the file instead of placing it in the file text itself.

Please let me know if you have any other questions.

Thank you,
Heather Guss
