Good Morning Commissioner,

Mayor Castillo will be happy to present a proclamation recognizing International Air Traffic Control Day at your request. However, due to scheduling constraints, it will need to take place at the November 5th Commission Meeting.

We currently have seven presentations already scheduled for the Wednesday, October 15, 2025, meeting.

Please let me know if this works for you.

Thank you

Citywide Karen.

I am well aware of the District option. I have seen other Commissioners get the same citywide respect I am asking for.

Commissioner,

Please see attached Memorandum No. 2024-044 regarding the Commissioner Certificate of Gratitude. As noted, these certificates are limited to individuals or parties within each Commissioner's District.

Kindly confirm if you would prefer to proceed with a city-wide Proclamation **instead**.

Subject: Presentation Oct 15

Karen

Good afternoon.

I wanted to make a presentation in recognition for International Air Traffic Control Day on Oct 20th at the meeting on the 15th.

In attendance will be members of the ATC community. This short presentation should be done at the beginning of the meeting with me as the Sponsor.

Please advise the Mayor of my request. I will provide you with the necessary certificate language in a few days.
