THIS AGREEMENT FOR PURCHASE AND SALE ("**Agreement**") is dated as of the Effective Date (as defined in Section 31) and entered into by the City of Pembroke Pines ("**Seller**"), and Providence I Investments, LLC, and/or its assigns ("**Buyer**").

BACKGROUND:

A. Seller is currently the owner of approximately 3.15 acres (+/-) of unimproved land in Pembroke Pines, Florida which is located in Broward County, Florida, and which is more particularly described on Exhibit "A" attached hereto and made a part hereof ("**Property**"). The legal description of the Property shall be subject to verification by a survey prior to the expiration of the Investigation Period, as defined in Section 4 herein.

B. The Property is being acquired with the primary intent of developing an Assisted Living & Memory Care project with a minimum of 126 beds and a maximum of 150 beds on the Property and/or in accordance with any other permitted use consistent with the use of the Property pursuant to the Zoning Regulations or Code of Ordinances applicable to the City of Pembroke Pines, together with associated amenities, parking and other property features (the "**Contemplated Improvements**"). The Preliminary Site Plan, Elevations and Contemplated Improvements are more particularly described on Exhibit "B" attached hereto and made a part hereof.

C. The parties to this Agreement have agreed to the sale and purchase of the Property on the terms and conditions which are set forth in this Agreement.

AGREEMENT:

1. **Purchase and Sale.** Subject to all of the terms and conditions of this Agreement, Seller will sell to Buyer and Buyer will purchase from Seller the Property, together with all appurtenances, rights, easements, and development rights of way incident thereto, including, without limitation, the following (collectively, with the Property, the "**Property**"):

(a) All easements, rights of way, privileges, licenses, appurtenances and any other rights, privileges and benefits belonging to the owner of, running with title to, or in any way related to, the Property, if any;

(b) All land use rights or other consents, authorizations, variances, waivers, licenses, permits, vested concurrency rights, approvals, development orders, or any other entitlements issued or granted by or from any governmental authority with respect to the Property, if any;

(c) All percolation, soil, topographical, traffic, engineering and environmental reports, appraisals or studies in the possession or control of the Seller, and all riparian, littoral rights, title to submerged lands and other water rights related to or benefiting the Property, if any;

(d) Any and all other agreements, contracts, covenants, variances and rights, benefits and privileges, and all other intangible rights of Seller related to or benefiting the Property, if any, including the prospective abandonment of unwanted easements or rights of way.

2. **Purchase Price.**

(a) The total purchase price for the Property is Three Million and No/100 Dollars (\$3,000,000.00) ("**Purchase Price**").

(b) **Deposit.** On or before the third business day following the Effective Date (as defined in Section 31), the Buyer shall deposit with Goren, Cherof, Doody & Ezrol, P.A. ("**Escrow Agent**") the sum of Twenty-Five Thousand and 00/100 DOLLARS (\$25,000.00) (the "**Initial Deposit**"). Buyer shall deposit with Escrow Agent an additional earnest money deposit (the "**Additional Deposit**") of Twenty-Five Thousand and 00/100 DOLLARS (\$25,000.00) not later than five (5) business days following the last day of the Investigation Period (as hereinafter defined). Both the Initial Deposit and the Additional Deposit (collectively hereinafter referred to as the "**Deposit**") shall be invested in an interest bearing account in an FDIC insured institution selected by Escrow Agent and shall be applied to the Purchase Price at Closing. The disposition of the Deposit shall be in accordance with the terms and conditions of this Agreement. Any interest earned on the Deposit shall be paid to the Buyer.

(c) **Payment of Purchase Price.** At the time of Closing, the Buyer will pay to Seller by wire transfer of funds the Purchase Price as adjusted for prorations and adjustments as set forth in this Agreement.

3. **Title and Title Insurance.**

(a) Within fifteen (15) days from the Effective Date, Seller shall, at its sole cost, cause First American Title Insurance Company or such other party designated by the Seller as agent for a national title insurance company selected by Seller, to order a standard owner's preliminary title commitment ("**Title Commitment**") which shall describe the Property, list Buyer, or Buyer's assignee, as the prospective named insured, show as the policy amount the Purchase Price, contain the commitment of the title company to insure Buyer's fee simple interest in the Property upon the Closing, and show that title to the Property is good and marketable and insurable subject to no liens, encumbrances, exceptions or qualifications which would preclude the Buyer, in its sole discretion, from constructing and developing the Contemplated Improvements upon the Property.

(b) Buyer shall have fifteen (15) days from receipt of the Title Commitment in which to examine the condition of title and make its written objections ("**Title Objections**") to the form or content of the Title Commitment by providing written notice to Seller setting forth the Title Objections ("**Objection Letter**"). If the Buyer fails to provide the Objection Letter to Seller within such time period, then, for all purposes of this Agreement, the Buyer shall be deemed to have accepted title in the condition described in the Title Commitment. Any title exceptions which are not objected to within such time period shall be deemed to be acceptable to Buyer and permitted exceptions ("**Permitted Exceptions**").

(c) If the Buyer timely notifies the Seller of any Title Objections, then the Seller agrees to use reasonable diligence to cure such Title Objections and otherwise make title good, marketable and insurable, for which purpose the Seller shall have a reasonable time but in no event more than thirty (30) days. After reasonable diligence on the part of the Seller, if the Title Objections are not cured (as determined by Buyer), then at the end of such thirty (30) day period Buyer may elect to (i) terminate this Agreement and the Deposit shall be returned to Buyer, and all parties hereto shall be released from any and all obligations and liabilities hereunder or (ii) waive any Title Objections, by written notice to the Seller, in which event such Title Objections shall be deemed Permitted Exceptions and the Closing shall take place pursuant to this Agreement without any abatement in the Purchase Price. If Buyer fails to notify Seller of either election under the preceding sentence within such thirty (30) day period, then Buyer shall be deemed to have waived any such Title Objections. If Buyer timely delivers an Objection Letter, then, within five (5) days after receipt thereof, Seller shall give to Buyer a written notice (the "**Title Cure Notice**") that identifies which, if any, title defects objected to (i) Seller agrees to cure on or before the Closing Date, and (ii) Seller does not agree to, or cannot, cure; it being understood and agreed that Seller shall not be obligated to cure any defects, accept as provided herein. If Seller gives Buyer notice that Seller will not, or cannot, remove one or more title objections, then Buyer shall have the right, at its option, either to (x) terminate this Agreement by notice to Seller given within five (5) days after receipt of the Title Cure Notice, which event the Escrow Agent, within three (3) Business Days of receiving such notice, shall return the Deposit and all interest earned thereon (if any) to Buyer, whereupon both parties shall be released from all further obligations under this Agreement, or (y) proceed to close the transaction contemplated by this Agreement, in which event Buyer shall waive Buyer's objections. Seller shall satisfy all "requirements" imposed on Seller as set forth in Schedule B-I of the Title Commitment prior to the Closing Date (as defined in Section 7). Notwithstanding anything to the foregoing herein, Seller shall be required to satisfy, discharge or bond over liens, encumbrances or other monetary items which can be satisfied by the payment of an ascertainable sum.

(d) In the event that any matter shall be recorded against the Property between the date of the Title Commitment and the Closing Date, which is not contained in the Title Commitment ("**New Matter**"), then each such New Matter shall be deemed to be objectionable to Buyer and shall be removed by Seller promptly upon Buyer's request, but in all events, prior to the Closing Date.

4. Investigation Period.

(a) Within fifteen (15) calendar days after the Effective Date, Seller shall provide Buyer with any and all relevant information relating to the Property which is in Seller's possession, custody or control, including but not limited to all surveys, topographical maps, soil borings reports, traffic studies, agreements, environmental reports, appraisals, site planning concepts, permits, leases, contracts, project approvals, property tax bills, regulations and or other governmental or quasi-governmental matters affecting the Property. In addition, Seller shall deliver to Buyer any additional information with respect to the Property within ten (10) calendar days of the Seller's receipt thereof. Commencing on the Effective Date and expiring ninety (90) days thereafter (the "**Investigation Period**"), Buyer shall determine whether the Property is acceptable to Buyer and can be developed with the Contemplated Improvements pursuant to a

plan satisfactory to the Buyer, in its sole and absolute discretion. Among other things, the Buyer may verify that (a) adequate utility services are or will be made available to a boundary of the Property; (b) there are no unusual soil conditions which would prohibit the standard construction practice for Buyer's Contemplated Improvements; (c) there are no wetlands or environmental concerns. During the term of this Agreement, Buyer and Buyer's contractors, consultants, employees, and other representatives shall have the right to conduct, at their own expense, inspections of the Property in order to determine if the Property is acceptable to Buyer in its sole discretion. Seller hereby grants to Buyer and its agents, servants, employees, contractors and representatives, a right of entry upon every portion of the Property, and a right to examine all records, documents, data or information of any kind or nature relating to or concerning the Property in the possession or under the control of Seller or other matters pertaining to the Property (and Seller hereby agrees to make any and all records, documents, data or information of any kind or nature relating to or concerning the Property in the possession or under the control of Seller available to Buyer) from time to time at all reasonable times for the purpose of inspecting the Property. Such inspections shall include, but not be limited to, surveying, environmental studies, soil borings, wetlands assessments, and utilities and site planning studies. Seller confirms and acknowledges that such inspections and testing will be a necessary part of the due diligence to be performed by the Buyer. During the Investigation Period the Buyer will prepare and submit to Seller's staff a more detailed site plan for the Contemplated Improvements and will work with Seller's staff to refine the proposed site plan. After working with Seller's staff, Buyer shall submit its proposed site plan to the City Commission of Pembroke Pines for its review and comment.

(b) The Buyer hereby indemnifies and holds the Seller harmless from any loss, cost or expense including, but not limited to reasonable attorney's fees and out-of-pocket costs actually incurred by the Seller as a result of the negligence or misconduct of any of Buyer's agents who enter the Property. The indemnification provided herein shall survive any termination or closing under this Agreement. Buyer shall have no indemnification obligation or other liability for, or in connection with any claims arising from pre-existing conditions on or under the Property, or those arising from the presence, discovery, or disturbance of "**Hazardous Substances**" as such term is defined in the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. '9601 et seq. and the regulations promulgated thereunder (as amended from time to time) and shall include oil and oil waste as those terms are defined in the Clean Water Act, 33 U.S.C. '1251 et seq. and the regulations promulgated thereunder (as amended from time to time), the Resource, Conservation and Recovery Act, 42 U.S.C. '6901 et seq., and the Florida Resource Recovery and Management Act, Florida Statutes '403.70-403.73, each as amended from time to time and shall include any other elements or compounds contained in the list of hazardous substances adopted by the United States Environmental Protection Agency (the "**EPA**") and the list of toxic pollutants designated by Congress or the EPA as defined by any other Federal, State or local statute, law, ordinance, code, rule, regulation, order or decree relating to standards of conduct concerning any toxic or dangerous waste or substance.

(c) Notwithstanding anything to the contrary contained in this Agreement, in the event that Buyer, in its sole and absolute discretion, is satisfied with the results of its inspections, Buyer may elect to proceed with the transaction described herein by providing written notice to Seller no later than the expiration of the Investigation Period ("**Acceptance Notice**"). If Buyer

does not provide Seller with the Acceptance Notice on or before the expiration of the Investigation Period, then the Deposit shall be automatically returned to Buyer, and this Agreement shall be deemed terminated and shall be null and void without recourse to either party hereto, except for those obligations which expressly survive the termination of this Agreement. In the event Buyer timely sends the Acceptance Notice on or before the expiration of the Investigation Period, then Buyer shall be deemed to have elected to proceed with this Agreement and to be satisfied with its inspections. In addition, Buyer shall have the right, in Buyer's sole and absolute discretion, at any time on or before the expiration of the Investigation Period, to terminate this Agreement by sending written notice of such termination to Seller and Escrow Agent, in which event the Deposit shall be returned to Buyer, and this Agreement shall be deemed terminated and shall be null and void without recourse to either party hereto, except for those obligations which expressly survive the termination of this Agreement as specifically provided for herein. _

5. Site Plan and Zoning Approvals.

(a) During the term of this Agreement, Buyer shall use commercially reasonable efforts in order to obtain the ("**Approvals**"). The Approvals are defined as: (i) a final and unappealable amendment to the City Center Mixed Use Development Zoning District Design Guidelines final and unappealable site plan approval, final and unappealable plat note amendment and building permits from the applicable governmental authorities having jurisdiction over the Property, including, specifically, approval of the site plan by the City Commission of Pembroke Pines, to permit the construction, completion and operation of the Contemplated Improvements on the Property and all related structures, amenities and improvements. Buyer agrees that on or before ninety (90) calendar days following the expiration of the Investigation Period, Buyer, at Buyer's expense, shall submit to the City of Pembroke Pines an application for a zoning change and formal site plan approval of the Contemplated Improvements ("**Approvals Application Submittal**") and, Buyer, at Buyer's expense, shall apply, when appropriate, for building permits. The parties agree that they will act promptly throughout the approval process in an effort to obtain the Approvals in as short a time period as is possible within the applicable laws that define the approval process. With respect to such Approvals, Buyer shall not be deemed to have obtained or received the Approvals until all appeal periods shall have passed without any appeal having been taken or, if any such appeal shall have been taken, such appeal(s) shall have been finally and conclusively resolved in favor of Buyer. Seller shall allow Buyer to simultaneously seek the zoning amendment, site plan approval and building permits.

(b) If Buyer does not receive written evidence that the Approvals have been obtained by the expiration of the Approvals Application Period (as defined below), then Buyer may terminate this Agreement by delivering written notice to the Seller, whereupon the Deposit shall be immediately returned to Buyer and the parties shall be relieved of any further liability or obligation hereunder. Buyer's notice of termination shall be effective upon delivery and shall be delivered prior to the end of the Approvals Application Period. The ("**Approvals Application Period**") shall mean the period from the date of the Approvals Application Submittal until that date which is (365) calendar days thereafter, provided that Buyer shall have the right, upon giving notice to Seller no later than fifteen (15) days prior to the originally scheduled expiration date of the Approvals Application Period, to extend the Approvals Application Period for an

additional ninety (90) calendar days, so long as Buyer is still seeking, and continues to seek, in good faith, to obtain the Approvals.

6. **Improvements Contribution.** Buyer hereby agrees to pay for a portion of the construction of a traffic signal at the intersection of Palm Avenue and SW 7th Street or other improvement to be located along Palm Avenue. Seller and Buyer hereby agree that the amount shall be Forty-Five Thousand and No/100 Dollars (\$45,000.00) ("**Improvements Contribution**"). Payment for the Improvements Contribution shall be a condition precedent for the issuance of a Certificate of Occupancy for Buyer's Contemplated Improvements.

7. **City Property Use Restrictions.** Seller is currently the owner of approximately 3.35 acres (+/-) of land in Pembroke Pines, Florida which is located in Broward County, Florida, and which is more particularly described as "**City Property**". The City will consider entering into a Declaration of Restrictive Covenants prior to closing on the Property to restrict the permitted uses on the City Property to avoid any conflict with Buyer's primary intended use of the Property.

8. **Closing Date.** If Buyer proceeds with this transaction following the expiration of the Investigation Period, the purchase and sale contemplated by this Agreement ("**Closing**") shall be closed on the date which is thirty (30) days subsequent to the Buyer obtaining the Approvals set forth in Section 5 above ("**Closing Date**").

9. **Closing Conditions.** The obligations of Buyer to pay the Purchase Price, and to perform Buyer's other obligations at the Closing are and shall be subject to the satisfaction of each of the following conditions on or prior to the Closing Date:

- (a) Seller shall have delivered Seller's executed closing documents to Escrow Agent.
- (b) Title to the Property shall be free of all encumbrances other than the Permitted Exceptions and the Property shall be free of violations of record of any applicable law.
- (c) The title company shall be able to deliver at Closing an ALTA Form B Marketability Owner's Title Insurance Policy ("**Title Policy**") insuring Buyer's right, title and interest in the Property in the amount of the Purchase Price, excepting no matters other than the Permitted Exceptions.
- (d) All of the representations and warranties of Seller contained in this Agreement shall have been true and correct when made, and shall be true and correct on the Closing Date with the same effect as if made on and as of such date.
- (e) Buyer shall be solely responsible for the payment of any and all impact fees in connection with or associated with the Property.
- (f) All of the Approvals from the applicable governmental authorities contained in this Agreement have been granted and all appeal periods have expired.

If any of the foregoing conditions benefiting the Buyer have not been satisfied as of the Closing Date, then Buyer may, in Buyer's sole discretion: (i) terminate this Agreement by

delivering written notice to the Seller, in which event the Deposit shall be immediately returned to the Buyer or (ii) waive such condition and elect to close, notwithstanding the non-satisfaction of such condition.

10. **Seller's Closing Documents.** Seller shall deliver to the Buyer (and its counsel) at least five (5) days prior to the Closing copies of the following documents, dated as of the Closing Date, the delivery and accuracy of such executed documents which shall be a condition to the Buyer's obligation to consummate the purchase and sale:

(a) **Special Warranty Deed.** A Special Warranty Deed in recordable form, duly executed by the Seller, conveying to the Buyer good, marketable and insurable fee simple title to the Property subject only to the Permitted Exceptions, with the legal description provided in the Title Commitment.

(b) **Affidavit.** A "gap", no-lien and exclusive possession affidavit sufficient for the title company to delete any exceptions for parties in possession, mechanic's or materialmen's liens and "gap" from the title policy. The no-lien affidavit shall relate to any activity of the Seller at the Property and the Easement Area within the period that a mechanic's lien can be filed based on such activity prior to the closing.

(c) **FIRPTA Affidavit.** In order to comply with the requirements of the Foreign Investment Real Property Tax Act of 1980 ("**FIRPTA**"), Seller will deliver to Buyer at closing Seller's affidavit under penalty of perjury stating the Seller is not a "foreign person," as defined in Section 1445 of the Internal Revenue Code of 1986 and the U.S. Treasury Regulations thereunder, setting forth Seller's taxpayer identification number, and that Seller intends to file a United States income tax return with respect to the transfer. Seller represents and warrants to Buyer that it has not made nor does Seller have any knowledge of any transfer of the Property or any part thereof that is subject to any provisions of FIRPTA that has not been fully complied with by either transferor or transferee. As required by law, if Seller fails to comply with the requirement of this paragraph, Buyer shall withhold 10% of the Purchase Price in lieu of payment thereof to Seller and pay it over instead to the Internal Revenue Service in such form and manner as may be required by law.

(d) **Seller Authorization.** Evidence of Seller's authorization to consummate this transaction, as required by the Title Company.

(e) **General Assignment.** An assignment of any and all rights, licenses, development rights, contracts and plans of Seller which pertain to the Property. Such assignment shall be in the same form attached hereto as Exhibit "C" and made a part hereof.

(f) **Additional Documents.** Such additional documents as are customarily required of seller's in transactions of this type in Broward County, Florida or as may be reasonably necessary to consummate the purchase and sale of the Property, together with any other documents, instruments, or agreements call for under this Agreement that have not been delivered previously.

11. **Buyer's Deliveries.** At the Closing, and after the Seller has complied with all of the terms and conditions of this Agreement and simultaneously with Seller's delivery of the

documents required in Section 8, the Buyer shall pay to the Seller by wire transfer of funds or local cashier's check, the Purchase Price, adjusted for the prorations, adjustments and other payments provided for in this Agreement. Buyer shall prepare a closing statement which must be approved by both Buyer and Seller.

12. **Taxes, Prorations and Impact Fees.** All taxes attributable to the year in which the Closing occurs shall be prorated and adjusted as of the Closing Date as an adjustment at the Closing (regardless of whether such taxes and special assessments are then due and payable or delinquent, and taking into consideration the maximum allowable discount). If the tax statements for the fiscal year during which the Closing Date occurs are not finally determined, then the assessed value for the year of closing and the millage rate for the immediately prior fiscal year will be used for the purposes of prorating taxes on the Closing Date, with a further adjustment to be made after the Closing Date as soon as such tax figures are finalized. All special assessments which may be amortized over a number of years will be prorated as of the Closing Date, with Seller responsible only for the period ending on the day prior to the Closing Date. Notwithstanding the above, BUYER and SELLER shall comply with Section 196.295, Florida Statutes, with respect to the payment of prorated ad valorem taxes for the year of closing into escrow with the Broward County Tax Collector's Office. In the event that, following the Closing, the actual amount of assessed real property tax on the real property for the current year is higher than any estimate of such tax used for purposes of the Closing, the parties shall re-prorate any amounts paid or credited based on such estimate as if paid in November. The provisions of this Section shall survive the Closing and delivery of the special warranty deed.

13. **Title Update.** Prior to Closing Date, the Title Agent shall update the Title, and Title to the Property shall be free of all encumbrances other than the Permitted Exceptions and the Property shall be free of violations of record of any applicable law.

14. **Survey.** Within fifteen (15) calendar days from the Effective Date, Seller shall provide to Buyer (and its counsel) a prior survey with respect to the Property, if one exists, ("**Existing Survey**"), provided Seller has a survey in its possession. During the term of this Agreement, Buyer may, at its option, obtain an update to the Existing Survey, including the Easement Area (such new survey or update to the Existing Survey, as the case may be, the "**Survey**"). If the Existing Survey discloses that the Property lacks access to a public street, or if it shows any gaps, encroachments, overlaps, or other matters that in Buyer's sole judgment render title unmarketable or that preclude construction of the Contemplated Improvements or Buyer's intended signage in the Easement Area ("**Unacceptable Survey Matters**"), then Buyer will so notify Seller in writing within prior to the end of the Investigation Period. Any such survey defects shall be deemed Title Objections, and shall entitle or subject, as the case may be, Buyer and Seller to the rights and obligations relating to Title Defects prescribed in the Section above titled "Title and Title Insurance". Any matters reflected on the Existing Survey to which Buyer does not expressly object in Buyer's notice of objections shall be deemed Permitted Exceptions. In the event Buyer elects to obtain a Survey, and such Survey discloses any Unacceptable Survey Matters which were not contained in the Existing Survey, then Buyer will so notify Seller in writing within fifteen (15) days after receipt of the Survey. Any such survey defects shall be deemed Title Objections, and shall entitle or subject, as the case may be, Buyer and Seller to the rights and obligations relating to Title Objections prescribed in the Section

above titled "Title and Title Insurance". Any matters reflected on the Survey to which Buyer does not expressly object in Buyer's notice of objections shall be deemed Permitted Exceptions.

15. **Seller's Warranties.** Seller hereby represents and warrants to Buyer as follows:

(a) There are no condemnation or eminent domain proceedings pending or to the best of Seller's knowledge contemplated against the Property or any part thereof, and the Seller has received no notice of the desire of any public authority to take or use the Property or any part thereof.

(b) There are no pending suits or proceedings against or affecting Seller or any part of the Property which (i) do or could affect title to the Property or any part thereof; or (ii) do or could prohibit or make unlawful the consummation of the transaction contemplated by this Agreement or render Seller unable to consummate the same.

(c) The Seller has full power and authority, and all necessary governmental actions on behalf of Seller have been taken, to execute and deliver this Agreement and all documents now or hereafter to be delivered by it pursuant to this Agreement, to perform all obligations arising under this Agreement, and to complete the transfer of the Property contemplated by this Agreement. This Agreement has been duly executed and delivered by the Seller and constitutes a valid, binding and enforceable obligation of the Seller, subject to bankruptcy and other debtor relief laws and principals of equity.

(d) Seller is not, and will not be, a person or entity with whom Buyer is restricted from doing business with under the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, H.R. 3162, Public Law 107-56 (commonly known as the "USA Patriot Act") and Executive Order Number 13224 on Terrorism Financing, effective September 24, 2001 and regulations promulgated pursuant thereto (collectively, "Anti-Terrorism Laws"), including without limitation persons and entities named on the Office of Foreign Asset Control Specially Designated Nationals and Blocked Persons List.

(e) Seller has no notice or actual knowledge of: (i) any pending improvement liens to be made by any governmental authority with respect to the Property, (ii) any violations of zoning ordinances or other governmental regulations with respect to the Property; (iii) any pending or threatened condemnation proceedings with respect to the Property; or (iv) any suit, action, claim or other proceeding which relates to or affects the Property

(f) No person or entity has any agreement, commitment, option, right of first refusal, right of first offer, or any other right, option or agreement, whether oral or written, with respect to the purchase of the Property or any portions thereof, other than Buyer, pursuant to this Agreement. Prior to Closing, no portion of the Property or any interest therein shall be alienated, encumbered, conveyed or otherwise transferred by Seller, nor shall Seller enter into any agreement, commitment, option, right of first refusal, or any other right, option or agreement with respect to the purchase of all or any portion of the Property.

(g) Seller has not entered into any leases, options or other occupancy agreements, either written or oral, affecting the Property and Seller has exclusive possession of the Property.

(h) There are no agreements or contracts entered into by Seller affecting the Property that will be binding on Buyer after Closing.

(i) Real Property Sold As Is, Where Is, Release:

SELLER makes and shall make no warranty regarding the title to the Property except as to any warranties which will be contained in the instruments to be delivered by SELLER at Closing in accordance with this Agreement, and SELLER makes and shall make no representation or warranty either expressed or implied (except as specifically set forth in the Agreement) regarding condition, operability, safety, fitness for intended purpose, use, governmental requirements, development potential, utility availability, legal access, economic feasibility or any other matters whatsoever with respect to the Property. The BUYER specifically acknowledges and agrees that SELLER shall sell and BUYER shall purchase the Property on an "AS IS, WHERE IS, AND WITH ALL FAULTS" basis and that, except for the SELLER'S representations and warranties specifically set forth in this Agreement, BUYER is not relying on any representations or warranties of any kind whatsoever, express or implied, from SELLER its agents, officers, or employees, as to any matters concerning the Property including, without limitation, any matters relating to (1) the quality, nature, adequacy, or physical condition of the Property, (2) the quality nature, adequacy or physical condition of soils, fill, geology, or any groundwater, (3) the existence, quality, nature, adequacy or physical condition of utilities serving the Property, (4) the development potential, income potential, expenses of the Property, (5) the Property's value, use, habitability, or merchantability, (6) the fitness, suitability, or adequacy of the Property for any particular use or purpose, (7) the zoning or other legal status of the Property, (8) the compliance of the Property or its operation with any applicable codes, laws, rules, regulations, statutes, ordinances, covenants, judgments, orders, directives, decisions, guidelines, conditions, or restrictions of any governmental or quasi-governmental entity or of any other person or entity, including, without limitation, environmental person or entity, including without limitation, environmental laws, (9) the presence of Hazardous Materials (as defined herein) or any other hazardous or toxic matter on, under, or about the Property or adjoining or neighboring property, (10) the freedom of the Property from latent or apparent vices or defects, (11) peaceable possession of the Property, (12) environmental matters of any kind or nature whatsoever relating to the Property, (13) any development order or agreement, or (14) any other matter or matters of any nature or kind whatsoever relating to the Property.

16. **Covenants of Seller.** Seller hereby covenants with the Buyer that between the date of this Agreement and the Closing:

(a) Seller will not, without the Buyer's prior written consent, create by its consent any encumbrances on the Property. Furthermore, Seller shall not market the Property or enter into any contracts, letters of intent, agreements, commitments, options, rights of first refusal, rights of first offer, or any other rights, options or agreements to sell the Property or any portion thereof.

(b) Seller will not file any application for any change of the present zoning classification of the Property unless such change is requested by the Buyer in writing or called for by this Agreement to allow the Property to be developed with the Project. Seller will cooperate fully with the Buyer by executing consents, applications and other such documents reasonably requested by the Buyer in connection with its efforts in developing the Property to a condition such that building may commence.

(c) Upon Seller's receipt of actual knowledge thereof, Seller shall promptly notify Buyer of any material change in any condition with respect to the Property or of any event or circumstance which makes any representation or warranty of Seller under this Agreement materially untrue or of any covenant of Seller under this Agreement which Seller will be incapable of performing.

(d) Seller shall not enter into any Contracts or other agreement affecting the Property or any portion thereof or the use thereof which will be binding on Buyer or the Property after Closing, without the prior written consent of the Buyer, which consent may be withheld in Buyer's sole and absolute discretion.

(f) Seller shall comply with all laws, rules, regulations, and ordinances of all governmental authorities having jurisdiction over the Property.

(g) Seller shall not enter into any lease, tenancy agreement or occupancy agreement or other agreement affecting the Property or the Easement Area or any portion thereof or the use thereof which will be binding on Buyer or the Property after Closing, without the prior written consent of the Buyer, which consent may be withheld in Buyer's sole and absolute discretion.

(h) Seller shall maintain the Property and the Easement Area in at least the same general condition as the Property is currently maintained by Seller and Seller shall maintain its current insurance coverages for the Property.

(i) So long as Seller is not required to incur any cost or expense with regard thereto (except as is otherwise required pursuant to the terms of this Agreement, including, without limitation the requirements of Paragraph 3 hereof), Seller shall cooperate with Buyer in

performing its due diligence with respect to the Property and in seeking any and all consents, permits or approvals regarding the Property as Buyer may request, and Seller shall promptly join in all applications for building permits, certificates or other agreements, and permits for sewer, water, or other utility services, other instruments or other permits or approvals, the granting of or entry into which, by any governmental or quasi governmental authority having jurisdiction over the Property, is, in Buyer's reasonable opinion, necessary to permit the development, construction, use or occupancy of the Property for the Contemplated Improvements without violating applicable law.

17. **Purchaser's Representations.** PURCHASER hereby represents and warrants to the best of PURCHASER'S knowledge that all of the following are true and correct:

(b) The execution and delivery of this Agreement and the consummation of the transaction contemplated hereunder on the part of the PURCHASER do not and will not violate the corporate or organizational documents of PURCHASER and will not conflict with or result in the breach of any condition or provision, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the terms of any contract, mortgage, lien, lease, agreement, indenture, instrument or judgment to which the PURCHASER is a party.

(c) No action by any federal, state, municipal or other governmental department, CRA, board, bureau or instrumentality is necessary to make this Agreement a valid instrument binding upon PURCHASER in accordance with its terms and conditions.

All of the representations, warranties and covenants of PURCHASER contained in this Agreement or in any other document, delivered to SELLER in connection with the transaction contemplated herein shall be true and correct in all material respects and not in default at the time of Closing, just as though they were made at such time.

All parties agree that the Escrow Agent shall not be liable to any party or person whomsoever for misdelivery to Buyer or Seller of monies subject to this escrow, unless such misdelivery shall be due to willful breach of this Agreement or gross negligence on the part of the Escrow Agent. Seller acknowledges that Escrow Agent has been retained as counsel for the Buyer in this matter and other transactions and agrees that Escrow Agent may continue to represent Buyer in this matter and any and all present and future transactions.

No oral modification of this Agreement shall be binding upon the parties and any modification must be in writing and signed by the parties.

SUMMARY EXPLANATION AND BACKGROUND:

1. Providence One Investments, LLC (purchaser) has submitted an Agreement for Purchase and Sale for approximately 3.15 acres of unimproved real property generally located south of Pines Boulevard and west of Palm Avenue.
2. The purchaser is proposing to pay \$3,000,000.00 (\$952,380.95 per acre) for the vacant parcel of land as stated in the attached agreement.
3. The purchaser is proposing to develop an Assisted Living and Memory Care facility with a minimum of 126 beds and a maximum of 150 beds on the 3.15 acre site.
4. The Agreement for Purchase and Sale has been modified since first reading. The changes include the following:
 - A. A voluntary contribution for traffic mitigation.
 - B. Consideration by the City to record a declaration of restrictive covenants on the adjacent City owned property.
5. Based on discussion during the first reading of the ordinance, the purchaser has agreed to provide \$45,000 towards traffic signalization and/or mitigation on Palm Avenue. The funds will be provided by the purchaser to the City prior to the issuance of the Certificate of Occupancy

for the Assisted Living Facility.

6. Additional language has been added to the updated agreement for purchase and sale to confirm the voluntary contribution. Further the purchaser, has provided the methodology utilized to calculate how the amount of the contribution was determined.

7. During first reading of the agenda item, staff provided property values for the entire +/- 6.5 acre site based on appraisals conducted in 2017. Due to the age of the appraisals, staff requested updates to the values.

8. Pursuant to the charter, Chapter 8.03, the sale of real property must be valued by three independent appraisers and may not exceed 15% of the City's annual operating budget in the year of the sale.

9. The following values have been provided specifically for the 3.15 acre subject property:

- (A) Autrey- \$3,125,000
- (B) Vance - \$3,156,000
- (C) Woolslair - \$3,000,000

10. The sale of City owned property must also be authorized by ordinance and approved by a 4/5ths vote of the City Commission.

11. Administration recommends adopting proposed ordinance no. 2018-28 on second and final reading approving the sale of +/- 3.15 acres of City owned property as well as authorizing the proper City officials to execute all necessary documents to facilitate the sale.

12. Also on tonight's regular agenda (Item 19-0084), as a separate item, a Declaration of Restrictive Covenants is being requested by the purchaser. The Declaration of Restrictive Covenants would be placed on the adjacent 3.35 acre City owned property that would prohibit the development of an assisted living facility or similar care facility on the property. Administration does not oppose this request and the document would be executed as part of the real estate closing.
