Proposal for City of Pembroke Pines Fire Department

Thank you for the opportunity to submit a proposal for your upcoming promotional process for Lieutenant. Our proposal covers the development and administration of the testing process you describe in your Request for Proposal.

About Empco

Empco was incorporated in 1985 and is located in Troy, MI. Empco, Inc. specializes in employment relationships with an emphasis on testing and evaluations in the public sector. Our focus is on entry level and promotional assessments for public safety and municipal positions.

In 1987, Empco began conducting promotional testing for police departments in Michigan. From our offices in Troy, we have grown into the largest firm in the state providing promotional testing to law enforcement and the fire service. Empco also services municipal agencies and sheriff's offices in states throughout the nation.

Empco, Inc.
1740 W. Big Beaver Rd.
Suite 200
Troy, MI 48084
Phone: 248-528-8060
Fax: 248-526-7274
Web site: www.empco.net
E-mail address: info@empco.net

Experience and Qualifications

Empco conducts assessment centers, oral boards and written examinations for hundreds of agencies across the United States. In this, we test thousands of candidates each year.

Empco's specialization in testing for municipal and county positions give us the expertise to accommodate nuances that come with limited budgets, collective bargaining agreements, and various governing bodies and laws. Our size gives us the ability to provide excellent customer service. We pride ourselves on the relationships we have built. It must be recognized that current clients, who use our examination services annually, could switch to another vendor if our results did not only satisfy the agency's needs, but also the need for fairness among test takers. We keep our clients, and the number continues to grow because of a reputation for integrity and fairness in our examinations. At Empco, we put integrity before profit.

Job Analysis

Empco conducts a job analysis before developing any assessment. The job analysis includes meetings with subject matter experts and those persons in a position to fully understand the requirements of the job. Empco will also administer surveys about the position to these individuals.

Empco will analyze the information collected during these meetings and through the surveys. We will also examine the job description for the position, as well as any job analyses previously conducted.

The information gathered in the job analysis will be used as the basis for any assessment and is included as part of the validation of the exam.

Written Exams

After completing the job analysis, Empco will begin developing the written exam. Questions on the test will come from sources determined by the agency and Empco. These sources can include, but are not limited to, commonly accepted training books, nationally recognized standards, and agency materials such as policies, procedures and ordinances. The content of the questions will be determined by the information collected in the job analysis and information from the agency. Empco will develop a bibliography that includes sources that contain content on these knowledge areas. Empco often presents agencies with choices of texts to allow the agency to select texts that reflect their own specific philosophies. If an agency decides to use material that does not reflect the knowledge areas shown as essential by the job analysis, the agency assumes responsibility for the validity of the test.

Empco will then develop a bibliography that contains the list of sources all questions came from, and where these sources can be obtained. This bibliography will then be provided to the department so that candidates can study the source material. Empco recommends that candidates receive between 30 and 90 days to study for the exam. The specific study period will be determined by department deadlines and regulations.

Empco will develop a custom 125 question multiple-choice exam specific to the Pembroke Pines Battalion Chief Position. The items will be written by experts in the field of public safety and will be reviewed to make certain the content is relevant and the wording is unbiased.

Scoring

Empco will consider reliability and adverse impact in determining the cut off scores for passing the assessment. Final scores will be reported after these analyses have been completed.

Empco will provide scores within two business days of receiving the exam materials back in our office. Scores can be reported in multiple formats, but always as a percentage of 100 percentage.

Question Challenges

Empco will follow the agency's written policy on challenges. However, in the absence of an agency's written policy, Empco's policy shall prevail. Empco's policy is: Candidates will be allowed to challenge any item on a written exam for up to 2 business days after the exam. Candidates who wish to challenge a question must complete a challenge form provided by Empco. Empco will review all of the challenges and provide responses to these challenges after the completion of the challenge period. If an item is challenged, and Empco agrees with the challenge, all candidates will receive credit for a correct answer to the item. Empco must be notified of the agency's challenge policy prior to the administration of the exam.

Scheduling and Billing

Empco requires a minimum 60-day study period/preparation time. This is the time from the date the agency posts the bibliography AND gets all local content material to Empco to the test date. Final test counts must be given to Empco two weeks prior to the test date. Exams cancelled less than one month prior to the test will result in the client being billed the development fee for the test. Any orders/final counts given one week or less prior to the testing deadline will result in an expedited shipping fee billed to the client.

Practical Exam

Empco will develop a practical exam, as has been developed in previous years for the Rescue Lieutenant position. The practical exam will consist of 3 of the following exercises: a Mega Code Scenario, a Counseling exercise, a Quality Assurance Exercise and a Pharmacology Protocol.

Empco will provide all materials for the Practical Exam. Pembroke Pines will be responsible for securing and training evaluators for these exercises. Pembroke Pines is expected to provide reports and information for the quality assurance components.

Materials and Scoring

Empco will provide the all of the materials for the candidates. Pembroke Pines will have assessors score all exercises but the pharmacology exercise, which will be scored by Empco.

Candidate Feedback

Empco will provide all candidates that participate in the process with a written summary of how they did on the assessment examination.

Scheduling and Billing

Empco requires a minimum one month development period. The specific dates and times of each aspect of the test development and administration will depend on the availability of representatives from the agency, and how quickly surveys are completed. Final candidate counts must be given to Empco two weeks prior to the assessment. The agency will be billed for the number of candidates given at this time. Assessment centers cancelled less than three weeks prior to the assessment center will result in the client be billed the development fee for the assessment center. Reduction in the number of days for the assessment center less than two weeks prior to the assessment center will result in the client being billed \$1000 for the cancelled day(s).

Agency Requirements

Empco requires that the agency provide adequate facilities for all orientations, written exams, oral boards, assessment centers, and review sessions (if applicable). The agency is responsible for making sure these facilities provide adequate space and layouts conducive to the activities that will be held in the space. Empco asks that the agencies provide lunch to Empco assessors and facilitators for all oral boards and assessment centers. The agency is also responsible for notifying all candidates of the dates and times of orientation, feedback sessions (if applicable), and testing dates, as well as providing the candidates with a copy of the bibliography for the written exam. The agency

will need to provide Empco with a copy of all job analyses and job descriptions for the position, and make subject matter experts available to Empco if additional job analysis information needs to be conducted. Empco also requires the agency to provide all local content materials for written exams and allow Empco use of a copy machine during the assessment center process.

It is the agency's responsibility to notify candidates that recording devices of any kind, including agency issued body cameras, are strictly prohibited at all orientations, written exams, oral boards, and assessment centers. If a candidate is wearing any of these devices upon arriving at the testing facility, they will be asked to turn the device off and remove it from the testing areas. Use of a recording device during written exams, oral boards, or assessment centers will be considered cheating and will be handled according to the agency's discipline policy.

The agency must notify Empco of any additional requirements when scheduling a testing process. Those additional requirements could be dictated by agency policy or collective bargaining agreement and include, but are not limited to, specific cut scores, candidate reviews and candidate challenge periods. Additional fees may apply.

Project Team

Kendra Royer, President

Dr. Kendra Royer holds a master's degree and a doctoral degree in Industrial/Organizational Psychology. She has worked as a public safety consultant since 2001 and has been with Empco since 2005. Her expertise is in the development and validation of employment testing. As President, Kendra oversees the development of all assessment processes. She ensures that all Empco products are valid and reliable and consistent with industry standards.

Ken Staelgraeve, Director of Assessment Centers and Oral Boards

Ken Staelgraeve is the retired Fire Chief of the Harrison Township Fire Department. He subsequently served two years as Fire Chief for the Bruce-Romeo Fire Department. He holds a bachelor's degree in Fire & Safety Engineering Technology from the University of Cincinnati, and a master's degree in Public Administration from Central Michigan University. Ken has also received Executive Fire Officer (EFO) designation from the United States Fire Administration. Ken serves as Department Chair and Professor of Fire Science at Macomb Community College. Ken has worked with Empco in various roles since 2005. As the Director of Assessment Centers and Oral Boards, Ken administers and facilitates all aspects of the assessment center and oral board processes.

In addition to the Empco team members listed above, Empco works regularly with over 50 independent contractors to develop written examinations and act as assessors on oral boards and assessment centers. These contractors are experts in the area of public safety.

References

Empco, Inc. conducts assessment centers, oral boards, and written exams for hundreds of agencies each year. The following are a sample of agencies that we are currently doing work for or that we have recently completed work:
