## Exceptions to Standard Terms and Conditions

## Exceptions to Standard Terms and Conditions

Agency has existing contract(s) originated via Quote(s):  
Q-333281, Q-701950

Agency is terminating those contracts effective 1/1/2027. Any changes in this date will result in modification of the program value which may result in additional fees or credits due to or from Axon.

The parties agree that Axon is applying a Transfer Balance of \$-375,936.33

All TAP obligations from this contract will be considered fulfilled upon execution of  
this quote.

### **Rewrite Estimates**

**Estimated Amounts and Contract Terminations.** Any amounts stated as due under existing or terminated contracts — including contract transfer balances carried forward to new or pending contracts — are estimates based on payments received as of the calculation date. These estimates may be adjusted if new contracts are not executed on the anticipated dates or if expected payments are not made.

### **Refresh Shipment Timing**

**Technology Assurance Plan (TAP) Refresh Prior to Renewal.** For Customers with expiring agreements that include TAP refresh rights, Axon may, in its discretion, ship refresh hardware under the existing contract while renewal or replacement agreements are in progress. Any such shipments will be deemed made under the terms of the existing contract until the new contract is fully executed, after which any applicable updates, fees, or adjustments will apply.

### **Shipment Timing**

**Shipment Variance.** Estimated shipment dates are provided for planning purposes only and are not guarantees. Axon may ship hardware before or after the estimated shipment date, and failure to meet an estimated shipment date will not, by itself, constitute a breach, provided Axon uses commercially reasonable efforts to meet estimated shipment dates.
