Hi Sharon,

Yes, School District's Facility Planning and Real Estate Department prefers to review Land Use Plan Amendment (LUPA) applications at same time the LUPA goes to the Broward County County Planning Council (BCPC) review unless the local government requires it otherwise. This preference applies to all forth coming LUPA applications which goes through the BCPC review process.

Thank you,

Hi Mohammed. Attached is an application submitted yesterday for a map amendment. Please confirm that you will be reviewing the application at the broward county review process rather than the city's. Also, if you want you can send me a blanket confirmation for all future applications that this is your policy so I can just reiterate it in our staff report.
