H338-006	Single Site Unlimited Access - The new Reading Horizons Discovery product provides teachers with a digital tool that includes an interactive teacher’s manual with scripted lessons for whole-class and small-group instruction, reporting features, and gamified activities and assessments for students. The digital tool streamlines instruction for teachers by providing the lesson content, resources, data, and differentiation in the palm of their hand. (Year 1)	1	\$12,000.00	\$0.00	\$12,000.00
H238-002	Reading Horizons Elevate Online Software includes a comprehensive Administration System, 81 multi-sensory interactive lessons, Vocabulary development system with over 13,000 terms, Reading Library with 280+ passages to build fluency and comprehension, and the Pronunciation tool. Reference Materials: User Manual. It is necessary to purchase an entry for each student that will access the program. Students may be deleted at any time and replaced with new students. The software is accessible from any computer with an Internet connection. Students can access the software on their home computers at no additional charge. (Year 1)	30	\$110.00	\$0.00	\$3,300.00
