Dear Chief Vargas,

A Child Is Missing, Inc., is a non-profit 501(c)(3) organization, supporting your agency through our Alert Program, in the early search and recovery of missing children (often with Autism and Down syndrome), the elderly (often with Alzheimer's disease), and the disabled, in the first hours of their disappearance, by use of telephone alert calls and texts.

The agency relies on law enforcement donations, grants, private donations, and fundraisers to maintain its operations and continue providing the same services.

We are very grateful for your department's partnership and support since 2016. We are respectfully requesting the same \$5,000 Program Participation Donation from your agency as prior years for the A Child Is Missing Alert Program.

Our skilled technicians are available 24/7, 365 days a year to take the information about the missing person, map the area, and send Alert Calls and Alert Texts to assist your officers in search and recovery—providing crucial support when individuals are most vulnerable, all at a minimal cost.

It is our privilege to serve your agency and the communities you represent.

Respectfully,

Jackie Breen
