REQUIREMENTS FOR VENDOR CATALOGS/PRICELISTS IN PROPOSALS

Note: The following instructions set forth the requirements for Vendor catalogs/pricelists submitted with Proposals for proposal evaluation purposes. If awarded a Contract, Vendor may be required to resubmit catalogs/pricelists in the format described in the BuyBoard Technical Requirements as detailed further in the Proposal Invitation.

Electronic catalogs/pricelists must be submitted with Vendor's Proposal in the required format (whether submitted electronically through the designated website or in hard copy format via mail or hand delivery) or the Proposal will not be considered. The following is required of all Vendor catalog(s)/pricelist(s) submitted to the Cooperative for evaluation with the Proposal:

Vendors shall submit catalog(s)/pricelist(s) with the Proposal in a readily available and readable electronic format, with **Excel or searchable PDF** preferred. No paper catalogs or manufacturer/vendor websites will be accepted.

Below is a sample chart, with examples of data for each field, showing the data fields that Vendors MUST include in each submitted pricelist/catalog with the Proposal:

BuyBoard Specification Item No. Category	Part/Item Number	Item Description	MSRP/List Price (before BuyBoard Discount)
1	1234	Desk	\$50.00
2	1235	Chair	\$20.00

The catalogs/pricelists must include all listed data fields (BuyBoard specification category, part/item number, item description, and list price) or the Proposal will not be considered. Catalogs and pricelists should contain only items that relate to the items requested in the specifications. Vendors are discouraged from including irrelevant or non-responsive information with their Proposal. The Cooperative reserves the right to deem a Proposal non-responsive if the Proposal, including catalogs or pricelists submitted with the Proposal, do not specifically relate to the intent of the Proposal Invitation or contain what the Cooperative deems to be, in its sole discretion, excessive irrelevant or non-responsive information, including information which makes it burdensome or impractical for the Cooperative to identify responsive products and pricing.

WITHDRAWAL OR MODIFICATION OF PROPOSALS

Proposals may be withdrawn or modified prior to the Proposal Due Date and time, but only in accordance with section B.11 (Withdrawal or Modification of Proposal) of the General Terms and Conditions in this Proposal Invitation.

PROPOSAL SUBMISSION INSTRUCTIONS

Proposal responses (including completed and signed Proposal Invitation forms, completed Proposal specifications, and pricelists/catalogs) <u>must</u> be submitted in electronic format in the manner prescribed in the Instructions to Proposers.

INTENT AND PURPOSE OF THE CONTRACT

The intent of this Proposal Invitation is to solicit sealed Proposals to establish a contract for various types of Unmanned Aerial Vehicles and Surveillance Services that may be procured by Cooperative members. Because individual members require different equipment, supplies, and/or services, this Proposal Invitation is a request for a discount off of catalog or price list for supplies, materials, equipment and services, and a not-to-exceed hourly rate for installation/repair services. Purchases can be made by a Cooperative member at any time during the Contract term. Except as provided in section E.4 of the General Terms and Conditions or otherwise in this Proposal Invitation, Vendor shall hold its Awarded Pricing firm during the Contract term. In the event of price decreases, such price decreases shall be allowed for all products.

TERM OF CONTRACT

The term of this contract will be from December 1, 2023, through November 30, 2024, with two possible one-year renewals.

As set forth in the General Terms and Conditions, an awarded Vendor has no right to or vested interest in contract renewal. The determination as to whether to renew or non-renew any Vendor Contract, in whole or in part, shall be in the sole discretion of the Cooperative.

For purposes of this Proposal Invitation, a Vendor must generate a minimum of \$15,000 through the Contract during an annual contract term or may not be offered a renewal. A Vendor's failure to generate this minimum amount may also be considered by the Cooperative as part of Vendor's past performance evaluation on future proposal invitations.

VALUE OF CONTRACT

<u>The estimated value of this contract is \$480,807</u>: however, this estimate is based on prior contracts for similar types of products and services and should not be construed to be a guaranty of either a minimum or maximum amount since usage may be dependent upon multiple factors including Cooperative members' actual needs and available funding.

SERVICE FEE

An awarded Vendor under this Proposal Invitation must pay the Cooperative a service fee in the amount of 2% per Purchase Order generated from any contract awarded under this Proposal Invitation, and the service fee is to be included in the Awarded Pricing. Vendor agrees to pay this service fee and remit the fee to the Cooperative in Austin, Texas, promptly upon payment by the Cooperative member for any Purchase Order(s) and within 30 days of the date of each service fee invoice. As set forth in more detail in the General Terms and Conditions, an awarded Vendor will be required to provide the Cooperative with copies and/or reports of all Purchase Orders generated from Vendor's Contract(s) that Vendor receives directly from Cooperative members, Vendor Invoices, and/or such other documentation regarding Cooperative member purchases under any awarded Contract as the Cooperative administrator may require in its reasonable discretion. The Cooperative shall have the right, upon reasonable written notice, to review records of awarded Vendors pertaining to purchases under any awarded Contract to verify purchase activity under the Contract, the accuracy of service fees payable by Vendor, or as otherwise reasonably necessary for the administration of the Contract or when required by law.

CONFIDENTIAL INFORMATION

Any information submitted by Proposer that Proposer considers to be confidential must be clearly identified as such on the Confidential/Proprietary Information Form.

AWARD AND EVALUATION

All information required by this Proposal Invitation, including catalogs/pricelists where required by the Proposal Specifications, must be submitted with the Proposal or your Proposal will be deemed nonresponsive. Responsive Proposals will be evaluated, and any Contracts will be awarded based on the evaluation and award criteria as set out in Section C.2 of the General Terms and Conditions determined to provide best value to Cooperative members.

COMPLIANCE WITH APPLICABLE LAWS

By submitting a Proposal, the Proposer certifies that Proposer has provided its valid, proper and correct business entity name and information in its Proposal, that such entity is operating in good standing with the proper authority from whatever state or local jurisdiction is required, and Proposer has obtained, and, if awarded, will continue to maintain during the entire term of this Contract, all permits, approvals, and/or licenses necessary for lawful performance of its obligations under this Contract. Proposer further certifies that, if awarded, Proposer will comply with all applicable state, federal, and local laws, rules, and regulations in regard to awarded products and/or services including, but not limited to, compliance with any applicable FAA regulations.

Proposer agrees to defend, indemnify and hold harmless the Cooperative, TASB and Cooperative members, and their officers, board members, agents and employees, from and against all claims, actions, suits, demands, regulatory action, proceeding, costs, damages and liabilities, including court costs and attorney's fees, arising out of or resulting from any failure of Vendor or its agents, employees, suppliers or contractors or subcontractor to obtain and maintain any required permit, approval or license, or comply with any applicable laws, rules or regulations.

BUYBOARD WEBSITE AND TECHNICAL REQUIREMENTS

Information on awarded Contracts, including awarded products and services under this Proposal Invitation, will be available to Cooperative members on the online marketplace platform utilized by the Cooperative: the BuyBoard. Vendors should review and confirm Vendor's ability to meet the BuyBoard Technical Requirements contained in Appendix I of this Proposal Invitation. The BuyBoard Technical Requirements may be updated from time to time as set forth in the General Terms and Conditions. To the extent a Vendor is awarded a Contract under this Proposal Invitation but is unable to meet the applicable BuyBoard Technical Requirements and provide the information in the format required by those requirements, Vendor acknowledges that the information available on the BuyBoard for Vendor's awarded products or services may be limited. This may place Vendor at a disadvantage and impact the ability of Cooperative members to search, find, review, and purchase Vendor's awarded products and services through the BuyBoard website.

To improve and enhance the experience of Cooperative members seeking to procure goods and services, the Cooperative may also, in its sole discretion, provide Vendors with an opportunity to have Vendor's logo, product images, and similar brand and trademark information included in the BuyBoard online marketplace in relation to Awarded Items. Vendors shall review the BuyBoard Vendor Consent for Name Brand Use included with the Proposal Forms in this Proposal Invitation.

PROFESSIONAL ENGINEERING AND OTHER PROFESSIONAL SERVICES EXCLUDED

The scope of services in this Proposal Invitation and any resulting contract award do not include services that are required to be procured under the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code), including without limitation architecture and professional engineering services.

ADDITIONAL REQUIREMENTS FOR PURCHASES USING FEDERAL GRANT FUNDS (2 C.F.R. 200 UNIFORM GUIDANCE/EDGAR)

When a Cooperative member seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 C.F.R. 200 (sometimes referred to as the "Uniform Guidance" or new "EDGAR"). All Vendors submitting a Proposal must complete the EDGAR Vendor Certification Form contained in the Proposal Forms regarding their willingness and ability to comply with certain requirements which may be applicable to specific Cooperative member purchases using federal grant funds. This information will not be used for evaluation purposes but will be made available to Cooperative members for their use while considering their purchasing options when using federal grant funds. Cooperative members may also require Vendors to enter into ancillary agreements, in addition to the BuyBoard contract's general terms and conditions, to address the member's specific contractual needs, including contract requirements for a procurement using federal grants or contracts.

NO BOYCOTT VERIFICATION

A Texas governmental entity may not enter into a contract with a value of \$100,000 or more that is to be paid wholly or partly from public funds with a company (excluding a sole proprietorship) that has 10 or more full-time employees for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel and will not boycott Israel during the term of the contract (Tex. Gov'T Code Ch. 2271), (2) does not boycott energy companies and will not boycott energy companies during the term of the contract (Tex. Gov'T Code Ch. 2274 effective September 1, 2021), and (3) does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate during the term of the contract against a firearm entity or firearm trade association (Tex. Gov'T Code Ch. 2274 effective September 1, 2021). Accordingly, this certification form is included to the extent required by law.

"Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. Tex. Gov'T Code §808.001(1).

"Boycott energy company" means, without an ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company: (A) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law; or (B) does business with a company described by Paragraph (A). Tex. Gov't Code §809.001(1) (effective September 1, 2021).

"Discriminate against a firearm entity or firearm trade association" means, (A) with respect to the entity or association, to: (i) refuse to engage in the trade of any goods or services with the entity or association based solely on its status as a firearm entity or firearm trade association; (ii) refrain from continuing an existing business relationship with the entity or association based solely on its status as a firearm entity or firearm trade association; or (iii) terminate an existing business relationship with the entity or association based solely on its status as a firearm entity or firearm trade association; and (B) does not include: (i) the established policies of a merchant, retail seller, or platform that restrict or prohibit the listing or selling of ammunition, firearms, or firearm accessories; and (ii) a company's refusal to engage in the trade of any goods or services, decision to refrain from continuing an existing business relationship, or decision to terminate an existing business relationship: (aa) to comply with federal, state, or local law, policy, or regulations or a directive by a regulatory agency; or (bb) for any traditional business reason that is specific to the customer or potential customer and not based solely on an entity's or association's status as a firearm entity or firearm trade association. Tex. Gov'T Code §2274.001(3) (effective September 1, 2021).

By signature on the Compliance Forms Signature Page, to the extent applicable, I certify and verify that Vendor does not boycott Israel, boycott energy companies, or discriminate against a firearm entity or firearm trade association and will not do so during the term of any contract awarded under this Proposal Invitation, that this certification is true, complete and accurate, and that I am authorized by my company to make this certification.

ACKNOWLEDGEMENT OF BUYBOARD TECHNICAL REQUIREMENTS

Vendor shall review the BuyBoard Technical Requirements included in this Proposal Invitation. By signature on the Compliance Forms Signature Page, the undersigned affirms that Proposer has obtained a copy of the BuyBoard Technical Requirements, has read and understands the requirements, and certifies that Vendor is able to meet and will comply with those requirements except as follows: [List and explain BuyBoard Technical Requirements, if any, to which your company cannot or will not comply.]

Note: In accordance with the General Terms and Conditions of the Contract, to the extent Vendor is awarded a Contract under this Proposal Invitation but is unable or unwilling to meet the applicable BuyBoard Technical Requirements, the information available on the BuyBoard for Vendor's awarded products or services may be limited, potentially placing Vendor at a disadvantage and impacting the ability of Cooperative members to search, find, review, and purchase Vendor's awarded products and services on the BuyBoard website. Further, to the extent Vendor has acknowledged ability to meet and comply with the BuyBoard Technical Requirements, any subsequent failure or refusal by Vendor to promptly provide information upon request to the Cooperative administrator in accordance with those technical requirements may be deemed an event of default under the Contract.

CONSTRUCTION-RELATED GOODS AND SERVICES AFFIRMATION

The Cooperative issued the BuyBoard Procurement and Construction-Related Goods and Services Advisory for Texas Members ("Advisory"), which provides information specifically relevant to the procurement of construction-related goods and services by Texas Cooperative members. The Advisory, available at buyboard.com/Vendor/Resources.aspx, provides an overview of certain legal requirements that are potentially relevant to a Cooperative member's procurement of construction or construction-related goods and services, including those for projects that may involve or require architecture, engineering or independent testing services. A copy of the Advisory can also be provided upon request. Because many BuyBoard contracts include goods or installation services that might be considered construction-related, Proposer must make this Construction Related-Goods and Services Affirmation regardless of type of goods or services associated with this Proposal Invitation.

A contract awarded under this Proposal Invitation covers only the specific goods and/or services awarded by the Cooperative. As explained in the Advisory ("Advisory"), Texas law prohibits the procurement of architecture or engineering services through a purchasing cooperative. This Proposal Invitation and any Contract awarded thereunder does not include such services. Architecture or engineering services must be procured by a Cooperative member separately, in accordance with the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code) and other applicable law and local policy.

By signature on the Compliance Forms Signature Page, Proposer affirms that Proposer has obtained a copy of the Advisory, has read and understands the Advisory, and is authorized by Proposer to make this affirmation. If Proposer sells construction-related goods or services to a Cooperative member under a Contract awarded under this Proposal Invitation, Proposer will comply with the Advisory and applicable legal requirements, make a good faith effort to make its Cooperative member customers or potential Cooperative member customers aware of such requirements, and provide a Cooperative member with a copy of the Advisory before accepting the member's Purchase Order or other agreement for construction-related goods or services.

DEVIATION AND COMPLIANCE

If your company intends to deviate from the General Terms and Conditions, Proposal Specifications or other requirements associated with this Proposal Invitation, you MUST list all such deviations on this form, and provide complete and detailed information regarding the deviations on this form or an attachment to this form. Prior to completing this form, Vendor shall review the General Terms and Conditions section B.4 (Deviations from Item Specifications and General Terms and Conditions). Any attempted deviation, whether directly or indirectly, to provisions identified in this Proposal Invitation as not subject to deviation shall be deemed rejected by the Cooperative and, unless otherwise withdrawn by Vendor, may result in Vendor's Proposal being rejected in its entirety.

The Cooperative will consider any deviations in its contract award decision and reserves the right to accept or reject a proposal based upon any submitted deviation.

In the absence of any deviation identified and described in accordance with the above, your company must fully comply with the General Terms and Conditions, Proposal Specifications and all other requirements associated with this Proposal Invitation if awarded a Contract under this Proposal Invitation. A deviation will not be effective unless accepted by the Cooperative. STATE SERVICE DESIGNATION

This form must be completed in the electronic proposal submission system (or, if submitting a hard copy Proposal, timely request and complete the in accordance with the Instructions to Proposers).

As set forth in the Proposal Invitation, it is the Cooperative's intent that other governmental entities in the United States have the opportunity to purchase goods or services awarded under the Contract, subject to applicable state law, through a piggy-back award or similar agreement through the National Purchasing Cooperative BuyBoard. If you plan to service the entire United States or only specific states, you must complete the State Service Designation information in the electronic proposal submission system. (Note: If you plan to service Texas Cooperative members, be sure that you complete the Texas Regional Service Designation form.) In addition to this form, to be considered for a piggy-back award by the National Purchasing Cooperative, you must have an authorized representative sign the National Purchasing Cooperative Vendor Award Agreement that follows this page.

If you serve different states for different products or services included in your Proposal, you must complete and submit a separate State Service Designation form for each group of products and clearly indicate the products or services to which the designation applies. (Additional forms can be obtained by contacting bids@buyboard.com at least five (5) business days prior to the Proposal Due Date.) By designating a state or states, you are certifying that you are authorized and willing to provide the proposed products and services in those states. Designating states in which you are either unable or unwilling to provide the specified products and services shall be grounds for either rejection of your Proposal or, if awarded, termination of your Contract.

- I will service all states in the United States.
- I will not service all states in the United States.

NATIONAL PURCHASING COOPERATIVE VENDOR AWARD AGREEMENT

In accordance with the Terms and Conditions associated with this Proposal Invitation, a contract awarded under this Proposal Invitation may be "piggy-backed" by another governmental entity. The National Purchasing Cooperative is an intergovernmental purchasing cooperative formed by certain school districts outside of Texas to serve its members throughout the United States. If you agree to be considered for a piggy-back award by the National Purchasing Cooperative, you agree to the following terms and agree to serve National Purchasing Cooperative members in the states you have indicated on the State Service Designation form, in your Proposal.

By signing this form, Proposer (referred to in this Agreement as "Vendor") agrees as follows:

- 1. Vendor acknowledges that if The Local Government Purchasing Cooperative ("Texas Cooperative") awards Vendor a contract under this Proposal Invitation ("Underlying Award"), the National Purchasing Cooperative ("National Cooperative") may but is not required to "piggy-back" on or re-award all or a portion of that Underlying Award ("Piggy-Back Award"). By signing this National Cooperative Vendor Award Agreement ("Agreement"), Vendor accepts and agrees to be bound by any such Piggy-Back Award as provided for herein.
- 2. In the event National Cooperative awards Vendor a Piggy-Back Award, the National Cooperative Administrator ("BuyBoard Administrator") will notify Vendor in writing of such Piggy-Back Award, which award shall commence on the effective date stated in the Notice and end on the expiration date of the Underlying Award, subject to annual renewals as authorized in writing by the BuyBoard Administrator. Vendor agrees that no further signature or other action is required of Vendor in order for the Piggy-Back Award and this Agreement to be binding upon Vendor. Vendor further agrees that no interlineations or changes to this Agreement by Vendor will be binding on National Cooperative, unless such changes are agreed to by its BuyBoard Administrator in writing.
- 3. Vendor agrees that it shall offer its goods and services to National Cooperative members at the same unit pricing and same general terms and conditions, subject to applicable state laws in the state of purchase, as required by the Underlying Award. However, nothing in this Agreement prevents Vendor from offering National Cooperative members better (i.e., lower) competitive pricing and more favorable terms and conditions than those in the Underlying Award.
- 4. Vendor hereby agrees and confirms that it will serve those states it has designated on the State Service Designation Form of this Proposal Invitation. Any changes to the states designated on the State Service Designation Form must be approved in writing by the BuyBoard Administrator.
- 5. Vendor agrees to pay National Cooperative the service fee provided for in the Underlying Award based on the amount of purchases generated from National Cooperative members through the Piggy-Back Award. Vendor shall remit payment to National Cooperative on such schedule as it specifies (which shall not be more often than monthly). Further, upon request, Vendor shall provide National Cooperative with copies of all purchase orders generated from National Cooperative members, vendor invoices, and/or such other documentation regarding those purchase orders as the Cooperative's administrators may require in their reasonable discretion for purposes of reviewing and verifying purchase activity. Vendor further agrees that National Cooperative shall have the right, upon reasonable written notice, to review Vendor's records pertaining to purchases made by National Cooperative members in order to verify the accuracy of service fees.
- 6. Vendor agrees that the Underlying Award, including its General Terms and Conditions, are adopted by reference to the fullest extent such provisions can reasonably apply to the post-proposal/contract award phase. The rights and responsibilities that would ordinarily inure to the Texas Cooperative pursuant to the Underlying Award shall inure to National Cooperative; and, conversely, the rights and responsibilities that would ordinarily inure to Vendor in the Underlying Award shall inure to Vendor in this Agreement. Vendor recognizes and agrees that Vendor and National Cooperative are the only parties to this Agreement, and that nothing in this Agreement has application to other third parties, including the Texas Cooperative. In the event of conflict between this Agreement and the terms of the Underlying Award, the terms of this Agreement shall control, and then only to the extent necessary to reconcile the conflict.

- 7. This Agreement shall be governed and construed in accordance with the laws of the State of Rhode Island and venue for any dispute shall lie in the federal district court of Alexandria, Virginia.
- 8. Vendor acknowledges and agrees that the award of a Piggy-Back Award is within the sole discretion of National Cooperative, and that this Agreement does not take effect unless and until National Cooperative awards Vendor a Piggy-Back Award and the BuyBoard Administrator notifies Vendor in writing of such Piggy-Back Award as provided for herein.

WHEREFORE, by signing below Vendor agrees to the foregoing and warrants that it has the authority to enter into a Agreement.

MANUFACTURER DEALER DESIGNATION

If Vendor is a manufacturer that sells products through a dealer network and wishes to designate a dealer or multiple dealers ("Designated Dealers") to receive Cooperative member Purchase Orders on Vendor's behalf, you must complete this form for each dealer you wish to designate.

Regardless of any Designated Dealers submitted by Vendor, Vendor specifically agrees and acknowledges that any such designations are for Vendor's convenience only and shall not, if Vendor is awarded a Contract, relieve Vendor of any obligations under the Contract, including payment of Cooperative service fees on all Purchase Orders submitted to Vendor or any Designated Dealer. In accordance with the General Terms and Conditions, an awarded Vendor shall remain responsible and liable for all of its obligations under the Contract and the performance of both Vendor and any of Vendor's Designated Dealers under and in accordance with the Contract and remain subject to all remedies for default thereunder, including, but not limited to suspension and termination of Vendor's Contract for nonpayment of service fees.

If awarded, Vendor authorizes the Cooperative, in its sole discretion, to list any Vendor Designated Dealers in the BuyBoard system and to receive Purchase Orders directly from Cooperative members on behalf of Vendor. To the extent a Vendor with Designated Dealers receives a Purchase Order directly, it shall be the responsibility of Vendor to appropriately process such Purchase Order in accordance with the Contract, including but not limited to timely forwarding such Purchase Order to a Designated Dealer for processing.

The Cooperative reserves the right, in its sole discretion, to refuse addition of, or request removal of, any Designated Dealer, and Vendor agrees to immediately require such Designated Dealer to cease accepting Purchase Orders or otherwise acting on Vendor's behalf under the Contract. Further, the Cooperative administrator shall be authorized to remove or suspend any or all Designated Dealers from the BuyBoard at any time in its sole discretion.

If you wish to designate a dealer to service a contract awarded under this Proposal Invitation, please list the Designated Dealer below. If you wish to designate multiple dealers, please duplicate this form as necessary.

VENDOR REQUEST TO SELF-REPORT BUYBOARD PURCHASES

The General Terms and Conditions require that all Purchase Orders generated by or under any Contract awarded under this Proposal Invitation be processed through the BuyBoard and, except as expressly authorized in writing by the Cooperative administrator, Vendors are not authorized to process Purchase Orders received directly from Cooperative members that have not been processed through the BuyBoard or provided to the Cooperative. In accordance with this provision, Vendor may request authorization of the Cooperative administrator to self-report Cooperative member purchases if awarded a Contract under this Proposal Invitation. By making such a request, Vendor acknowledges and agrees that self-reporting is specifically subject to and conditioned upon (1) Vendor's agreement to the Additional Terms and Conditions for BuyBoard Self-Reporting which are included in this Proposal Invitation and incorporated herein for all purposes and (2) approval of this request in writing by the Cooperative administrator.

Note: This form is NOT required as part of your proposal. You should sign and return this form ONLY if you wish to request authorization to self-report BuyBoard purchases. GENERAL TERMS AND CONDITIONS

A. General Provisions

1. Statement of Inclusion/Applicability

These General Terms and Conditions ("Terms and Conditions") apply to this Proposal Invitation and the proposing company's response to this Proposal Invitation. These Terms and Conditions are an integral part of any Contract which is awarded or Purchase Order which is issued in association with this Proposal Invitation.

2. Organization and Section Titles

The provisions of these Terms and Conditions are generally organized according to the stages of the procurement process: proposal, evaluation, award, and performance. This organization of and the section titles used in these Terms and Conditions are for convenience and reference only, and in no way define, describe, extend, or limit the scope or intent of the provisions of any section of this document. Unless otherwise stated, any listing of factors or criteria in these Terms and Conditions does not constitute an order of preference or importance.

3. Definitions

As used in this Proposal Invitation and associated documentation, the following terms have the meanings set out below unless the context requires otherwise, regardless of whether initial capitalization is consistently used. Words used in the singular include the plural, and words used in the plural include the singular. To the extent terms are defined or used differently in different Proposal Invitation documents, substance prevails over form:

"Awarded Items" has the meaning set for in section E.3 of the Terms and Conditions.

"Awarded Pricing" has the meaning set forth in section E.4 of the Terms and Conditions.

"BuyBoard®," "the BuyBoard," or "BuyBoard website" means the internet-based electronic commerce technology provided by the Cooperative Administrator, the Texas Association of School Boards, Inc. (TASB), to enable Cooperative members to purchase awarded goods and services electronically.

"BuyBoard Administrator" or "Cooperative Administrator" means the Texas Association of School Boards, Inc. (TASB), 12007 Research Blvd, Austin, Texas 78759.

"Contract" means the contract between the Cooperative and a successful Proposer (Vendor), which gives Vendor the opportunity to serve Cooperative members based on the Cooperative's acceptance of all or part of the Vendor's Proposal, and is comprised collectively of the following:

- (a) This Proposal Invitation;
- (b) Vendor's Proposal;
- (c) Notice of Award issued to Vendor by the Cooperative; and
- (d) Purchase Order between a Cooperative member and Vendor, and any additional terms, conditions, or instructions agreed to by Vendor and a Cooperative member that are consistent with these Terms and Conditions. (A Purchase Order between a Cooperative member and Vendor shall be deemed part of the Contract for the specific Cooperative member purchase only and for determination of the Service Fee as set forth in these Terms and Conditions. Purchase Order terms, including additional or supplemental terms, conditions, or instructions agreed to between a Vendor and a Cooperative member where permitted by these Terms and Conditions shall apply between the Cooperative member and Vendor as to the specific Cooperative member purchase only but shall not alter or affect the Terms and Conditions of the Contract as between the Cooperative in its own right and Vendor.)

"Cooperative" means The Local Government Purchasing Cooperative (which may also be referred to as "Texas Cooperative" herein), including when acting by and through the Cooperative Administrator, unless a distinction is made otherwise.

"Cooperative member" or "member" means a local governmental entity (e.g., school district, city or county) or other governmental entity that is a member of the Cooperative and is eligible to purchase through a governmental purchasing cooperative or interlocal contract. Although not eligible to be a member of the Cooperative, "Cooperative member" as used in these Terms and Conditions may include the Cooperative administrator's non-profit entity subscribers when used in relation to a purchase from a non-profit subscriber.

"Goods" or "Products" (which terms are used interchangeably) means the goods, products, equipment or other commodities and/or services that are the subject of this Proposal Invitation.

"Proposal Invitation" means this Proposal Invitation and all associated documentation, including without limitation, these Terms and Conditions and any amendments hereto, additional terms and conditions specific to this Proposal Invitation, instructions, exhibits or attachments, forms, agreements, certifications, item specifications, appendices, and addenda.

"Proposal" means Proposer's complete and correct response to this Proposal Invitation, including all information, forms, agreements, certifications and other documentation required by this Proposal Invitation, properly submitted by Proposer's duly authorized representative.

"Proposal Due Date" means the date and time specified in the Proposal Invitation, or any addenda thereto, by which Vendors are required to submit Proposals for this Proposal Invitation.

"Proposer" or "Vendor" means the company or firm that submits a Proposal or, depending on the context, the proposing company to which the Cooperative awards a Contract under this Proposal Invitation. (For purposes of the forms associated with this Proposal Invitation, "you", "your", "I" or "my" refer to Proposer or Vendor, as applicable.)

"Purchase Order" means a Cooperative member's fiscal form or other instrument which is used in making a purchase from Vendor under a Contract. A Purchase Order may include a written or electronic purchase order, record of an online order, record of a purchasing card (P card) purchase, or any other record or instrument used by a Cooperative member to document a Cooperative member's authorized commitment to purchase awarded goods or services from a Vendor under a Contract.

"Vendor Invoice" means Vendor's billing form or other instrument, written or electronic, documenting charges for goods or services delivered to the Cooperative member under a Purchase Order under a Contract.

B. Proposal Requirements

1. Specifications

Unless otherwise specified, the specifications are intended to be non-proprietary, and should be construed as such. Catalog numbers, brand names, or manufacturer product or reference numbers used in the item specifications in this Proposal Invitation are intended to be descriptive, not restrictive. These references, as well as any approved brands and/or models listed, are intended to identify and indicate the type of product being sought and establish the level of quality desired. If any conflict exists in the item specifications between the product descriptions and any brand names or model or reference numbers used, the product descriptions will override the brand names or model number references.

In some cases, however, the Cooperative may find it advantageous in order to provide best value to Cooperative members to standardize equipment and/or supplies by manufacturer in order to achieve efficiencies in procurement, repair, and operation, to match existing stock, or to satisfy other requirements. In these limited cases, preference will be given to the specific products identified as approved brands and/or models, especially if all other evaluation factors are deemed to be equal. For this reason, where specific brands or models are identified, Proposer is encouraged to propose the exact item specified, in addition to an alternate brand or model with equal/equivalent functionality or features where **appropriate or necessary**.

In all cases, Proposals must identify the manufacturer, brand, model, etc., of the item being offered. For Proposals on "equal/equivalent" items other than the specified approved brand and/or model, Proposer must supply a complete description and sufficient data for the Cooperative to properly analyze the product being proposed, including its functionality and features. In order to conduct such analysis, the Cooperative may request samples for items other than approved brands and/or models. If the specification identifies a specific brand or model for any item and Proposer fails to identify the manufacturer, brand, model, etc., for that item, the Cooperative will assume Proposer is proposing on the exact brand and model identified in the specification, and if awarded a contract, Vendor must furnish the exact brand name, model, etc., as specified. Substitutions will not be allowed after the contract is awarded, except as provided for in section E.8 (Product Updates and Substitutions) of these Terms and Conditions.

The apparent silence of the specifications as to any detail, or the apparent omission from any specification of a detailed description concerning any point, will be interpreted to mean that only the best commercial practices will prevail, and the specification will be construed accordingly.

<u>NOTE</u>: Unless a different time period is stated in the General Information document of this Proposal Invitation, if Proposer discovers or suspects an error in any item specification in this Proposal Invitation, including that the specification is proprietary where not intended, Proposer must notify the Cooperative Administrator of the error in writing at bids@buyboard.com immediately, but in no event later than the 10th business day before the Proposal Due Date.

2. Proposal Pricing

Pricing must be provided in the form required by the specifications and in accordance with the Proposal Invitation.

Unless otherwise provided in the specifications, if the specifications require "Line Item" or unit pricing, the Proposal must include a specific not-to-exceed price for the unit of measure specified for that item. Proposer is responsible for clearly noting any differences in proposed packaging and/or units of measure as a deviation in accordance with section B.4 (Deviations from Item Specifications or General Terms and Conditions) of these Terms and Conditions.

Unless otherwise provided in the specifications, if the specifications require "discount from catalog" or "discount from pricelist" pricing, Proposer must quote the discount percentage to be applied to all items in each published catalog or pricelist included in the Proposal. Proposer must submit each catalog or published pricelist proposed with the Proposal in electronic format and in accordance with the requirements of the Proposal Invitation. Catalogs and pricelists should contain only items that relate to the items requested in the specifications. Vendors are discouraged from including irrelevant or non-responsive information with their Proposal. The Cooperative reserves the right to deem a Proposal non-responsive if the catalogs or pricelists submitted do not specifically relate to the intent of the Proposal Invitation or contain what the Cooperative deems, in its sole discretion, excessive irrelevant or non-responsive information, including information which makes it burdensome or impractical for the Cooperative to identify responsive products and pricing.

For installation, repair, and other services or labor, the specifications may require not-to-exceed labor rates or coefficient to be applied to a unit cost book. Proposers must provide pricing in the form required by the specifications and note any deviations in accordance with B.4 (Deviations from Item Specifications or General Terms and Conditions).

Proposer's pricing must be equal to or better than pricing Proposer offers other similarly situated customers under similar circumstances, including those offered to other purchasing cooperatives. Pricing that is not considered equal or better could result in the Proposal being determined non-competitive and not considered for award.

Unless specified otherwise in this Proposal Invitation:

- (a) A "cost plus" Proposal will not be accepted;
- (b) Proposer will not include freight, transportation and delivery charges or costs, or sales tax in Proposal pricing. (Freight, transportation and delivery charges, if applicable, are to be pre-paid by the awarded Vendor and, subject to section E.5 (Packaging, Transportation, and Delivery) of these Terms and Conditions, included as a separate item on the invoice to the ordering Cooperative member);

- (c) Proposal pricing must include the service fee due pursuant to section E.12 (Service Fee) of these Terms and Conditions; and
- (d) Proposal pricing must be firm for acceptance and the Cooperative's period for acceptance will be at least 120 calendar days from the Proposal Due Date.

If Vendor is awarded a Contract, updates to pricing during the Contract term shall only be permitted in accordance with the requirements of section E.4 (Awarded Pricing) of these Terms and Conditions. Discount percentages off catalogs or pricelists must remain firm for the full Contract term.

3. Quality

Unless otherwise indicated in this Proposal Invitation, proposed products must be new and in first class condition, and must be warranted in the same manner and to the same extent as normally provided to other customers of Proposer. Additionally, proposed products must conform to the highest standards of manufacturing practice, including, for all tangible goods included in this Proposal Invitation, containers suitable for shipment and storage. Unless otherwise specified, "factory seconds," "refurbished", or otherwise inferior items are not acceptable. All services must comply with applicable industry standards.

4. Deviations from Item Specifications or General Terms and Conditions

Other than a deviation submitted in writing with the Proposal and <u>accepted by the Cooperative</u>, the Cooperative will hold Vendor accountable to the Cooperative and Cooperative members to perform in strict accordance with these Terms and Conditions and the item specifications as written. (For requirements for ancillary agreements between Cooperative members and Vendors for specific purchases, see section D.2 (Applicable Terms and Conditions; Ancillary Agreements).)

Vendor must clearly note and explain in detail any and all limitations, exceptions, qualifications, special conditions, or other deviations (collectively "deviations") from these Terms and Conditions or any of the item specifications in the Proposal on the Deviation and Compliance form (or an attachment thereto) at the time the Proposal is submitted. Deviations must be specific to these Terms and Conditions or the item specifications and clearly identify the specific section or item to which the deviation applies. The Cooperative shall not be deemed to have accepted, and a Contract shall not be subject to, any term or condition included in Vendor's Proposal which differs from these Terms and Conditions unless Vendor has specifically identified the deviation on the Deviation and Compliance form and the deviation is accepted by the Cooperative.

The submission of a deviation or deviations may place Vendor at a competitive disadvantage or otherwise prevent the Cooperative from considering the Proposal on the affected item(s).

The following Terms and Conditions are not subject to deviation. Any attempted deviation by Vendor to such Terms and Conditions, whether directly or indirectly, shall be deemed rejected by the Cooperative and, unless otherwise withdrawn by Vendor, may result in Vendor's Proposal being rejected in its entirety:

- (a) Section B.9, Requirements of the Texas Public Information Act; Confidential Information;
- (b) Section B.12, Certifications;
- (c) Section D.2, Applicable Terms and Conditions; Ancillary Agreements;
- (d) Section E.6.b, Payments;
- (e) Section E.11, BuyBoard Vendor Information and Reporting of Cooperative Member Purchases
- (f) Section E.12, Service Fee;
- (g) Section E.13, Disclaimer of Warranty and Limitation of Liability;
- (h) Section E.14, Sales Tax;
- (i) Section E.15, Use of BuyBoard Logo and Trade Name;
- (j) Section E.16, Indemnification;
- (k) Section E.17, Intellectual Property Infringement;
- (I) Section E.18, Remedies for Default and Termination of Contract;
- (m) Section E.19, Force Majeure;
- (n) Section F., Miscellaneous, including all subsections (F.1-F.12) thereto.

Further, any deviation by Vendor which, directly or indirectly, seeks to add terms or requirements substantively similar to the following shall be deemed rejected by the Cooperative and, unless otherwise withdrawn by Vendor, may result in Vendor's Proposal being rejected in its entirety:

- (a) Any deviation seeking to supersede these Terms and Conditions with Vendor's own agreement form, standard agreement, or terms and conditions;
- (b) Any deviation seeking to require the Cooperative, Cooperative Administrator, or any Cooperative member to indemnify or hold harmless Vendor.

The Cooperative may, in its sole discretion, seek clarification from and/or communicate with Vendor(s) regarding any submitted deviation(s), consistent with general procurement principles of fair competition. The Cooperative reserves the right to accept or reject a proposal based upon any submitted deviation.

5. Addenda

Any interpretation, correction or change to this Proposal Invitation will be made by written addendum, and updated information contained in an addendum will prevail over the information contained in the original Proposal Invitation or a previous addendum. The Cooperative, by and through the Cooperative Administrator, is the sole authority for the issuance of any addendum, and any communication related to this Proposal Invitation that is not from the Cooperative is invalid. Although the Cooperative may provide electronic notification when an addendum has been issued and the changes will be flagged, it is Vendor's responsibility to monitor the BuyBoard vendor website for possible addenda and incorporate any posted addendum into the Proposal. Vendor must acknowledge each addendum in accordance with the instructions accompanying the addendum.

6. Samples

For any commodities included in this Proposal Invitation, the Cooperative, by and through the Cooperative Administrator, or Cooperative member may request a product sample. Proposer must furnish the requested sample at no cost to the Cooperative, Cooperative Administrator, or requesting Cooperative member, as applicable. The Cooperative Administrator or requesting Cooperative member must receive the sample within such reasonable specified time as requested. The submitted sample must be labeled with the Proposal Invitation name and number, item number, product identification number, and Vendor's name. Vendor's failure to submit a sample when requested will result in the product in question not being considered for award to Vendor.

The Cooperative Administrator or Cooperative member may retain samples for a sufficient length of time for proper evaluation. If not destroyed or consumed during examination or testing and if Vendor has included a written return request with a submitted sample, the Cooperative Administrator or Cooperative member will return samples to Vendor at Vendor's expense. Notwithstanding the foregoing, the Cooperative Administrator or Cooperative member may permanently retain samples submitted by awarded Vendors for the purpose of determining that the quality and workmanship of awarded products delivered to Cooperative members is comparable to the samples. Neither the Cooperative, the Cooperative Administrator, nor a requesting Cooperative member will be liable for samples that are damaged, destroyed or consumed during examination or testing.

7. Proposal on All or Certain Items; Service Regions

Unless otherwise specified, Vendor may propose on any or all items. Vendor should answer all questions related to each item on which Vendor wishes to propose and indicate "No Bid" for those items on which Vendor does not wish to propose. Failure to complete any item in the specifications will be deemed a no bid on that item. The Cooperative will consider items individually and make awards on each item independently, except for related items for which compatibility will be an element of consideration. In such cases, small groups of items may be considered as a unit.

Vendor's Proposal shall specify the regions and/or states that Vendor proposes to serve by completing the appropriate Proposal forms. Vendor shall specify only those regions or states for which Vendor is authorized either under applicable law and/or by the manufacturer to sell the proposed products. If Vendor proposes multiple products, and the regions or states which the Vendor is able to serve and proposes to serve differ by product, Vendor must specify the specific regions or states by product in its Proposal.

A Vendor may not select a region or state in its Proposal where Vendor is unable or unauthorized to sell a proposed product. If it is determined that a Vendor is unable, unauthorized, or refuses to provide any awarded product(s) or service(s) in a region or state specified in Vendor's Proposal, such inability, lack of authorization, or refusal shall be an event of default and subject to all remedies up to and including termination of Vendor's Contract.

8. "All or Nothing" Awards

Unless otherwise indicated in this Proposal Invitation, "all or nothing" Proposals are **not** acceptable and will be rejected. Vendor must be willing to accept a partial award for any combination of the items or services proposed and must be willing to share the business with any other successful Proposers.

9. Requirements of the Texas Public Information Act; Confidential Information

(a) Vendor Compliance

The requirements of Subchapter J, Chapter 552, Texas Government Code, may apply to this Proposal Invitation and any awarded Contract, and Vendor agrees that the Contract can be terminated if Vendor knowingly or intentionally fails to comply with a requirement of that subchapter.

Pursuant to Texas Government Code Sections 552.371 and 552.372, to the extent the Contract or any Purchase Order thereunder has a stated expenditure of at least \$1 million in public funds for the purchase of goods or services by a governmental body or results in the expenditure of at least \$1 million in public funds for the purchase of goods or services by a governmental body in a fiscal year of the governmental body, Vendor shall:

- 1) preserve all contracting information, as defined in Texas Government Code Section 552.003(7) ("Contracting Information"), related to the Contract or any Cooperative member Purchase Order thereunder as provided by the records retention requirements applicable to the governmental body for the duration of the Contract (including any Purchase Order thereunder);
- 2) promptly provide to the Cooperative or Cooperative member, as applicable, any Contracting Information related to the Contract that is in the custody or possession of Vendor on request of the Cooperative or Cooperative member; and
- 3) on completion of the Contract (including any Purchase Order thereunder), either:
 - (A) provide at no cost to the Cooperative or Cooperative member, as applicable, all Contracting Information related to the Contract (including any Purchase Order) that is in the custody or possession of Vendor; or
 - (B) preserve the Contracting Information related to the Contract (including any Purchase Order thereunder) as provided by the record retention requirements applicable to the Cooperative or Cooperative member, as applicable.

The Cooperative may not accept a Proposal or award a Contract to a Vendor that the Cooperative has determined has knowingly or intentionally failed to comply with Texas Government Code Chapter 552, Subchapter J, in a previous Proposal or Contract unless the Cooperative determines and documents that Vendor has taken adequate steps to ensure future compliance with the requirements of said Subchapter.

(b) Confidential/Proprietary Information

Proposer must clearly identify information in the Proposal that Proposer considers proprietary or confidential by completing the Confidential/Proprietary Information form. Further, for any other information provided by Vendor to the Cooperative after Contract award (updated catalogs or pricelists, Vendor information, etc.), Vendor shall clearly mark and identify any information that Vendor considers proprietary or confidential. The Cooperative will treat such information as confidential only to the extent allowable under the Texas Public Information Act (Chapter 552 of the Texas Government Code) or similar disclosure law.

If Vendor fails to properly identify information that the Vendor considers proprietary or confidential, the Cooperative shall have no obligation to seek protection of such information from public disclosure should a member of the public or other third party request access to the information under the Texas Public Information Act or similar disclosure laws. The Cooperative and its Administrator will not be responsible for Vendor's failure to clearly identify information Vendor considers confidential or proprietary. Vendor may be notified of a third-party request for information that Proposer has identified in the Confidential/Proprietary Information form as proprietary or confidential when required by the Texas Public Information Act or similar disclosure law.

By submitting a Proposal, Vendor acknowledges that the Cooperative and the Cooperative Administrator will disclose information when required by law, even if such information has been identified herein as information Vendor considers confidential or proprietary.

10. Certain Professional Services Excluded

Neither this Proposal Invitation nor any Contract includes services that are required to be procured under the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code), including without limitation architecture and professional engineering services.

11. Withdrawal or Modification of Proposal

Vendor may withdraw or modify a submitted Proposal **prior to the Proposal Due Date** and time specified in this Proposal Invitation. A Proposal may be withdrawn only in strict accordance with this section.

Electronic Proposals Submissions: A Proposal submitted electronically through a website designated by the Cooperative for submission of electronic proposals may be withdrawn or modified prior to the Proposal Due Date and time through the same electronic proposal submission website. Vendor's login to the electronic proposal submission website shall be used to verify Vendor's identity. Vendor shall be solely responsible for ensuring only authorized use of its login, following all website instructions, and ensuring that the Proposal is properly withdrawn or modified prior to the Proposal Due Date and time.

Hard Copy Submissions: If a Vendor submitted a Proposal in hard copy electronic format via mail or in person, rather than electronic submission through the designated website, Proposer must submit a written request to the Cooperative Administrator to withdraw the Proposal. The request to withdraw must be signed by an individual authorized to enter into contracts on Vendor's behalf and indicate the individual's title. If the Cooperative Administrator has any question or doubt regarding Vendor's identity or the identity of its Proposal, withdrawal will not be allowed. If the Cooperative Administrator, decides to allow the withdrawal, Vendor's duly authorized representative may be required to complete and sign a written receipt satisfactory to the Cooperative Administrator before the proposal will be released. The decision of the Cooperative Administrator relating to matters concerning withdrawal of a Proposal is final.

A Vendor may resubmit a withdrawn Proposal, or submit a new Proposal, up until the Proposal Due Date and time, provided any new submission meets the requirements of this Proposal Invitation. If Vendor resubmits a Proposal that was withdrawn and makes any change to any document in the Proposal package, the change must be made in accordance with the Cooperative's instructions for Proposal submissions, and Vendor will be deemed to have authorized such change.

Proposals that are in the Cooperative's possession (including Proposals submitted through an electronic proposal submission website designated by the Cooperative) at the Proposal Due Date and time shall be deemed final, conclusive, and irrevocable; and no Proposal will be subject to withdrawal, amendment, or correction by a Vendor after the Proposal Due Date and time specified in this Proposal Invitation. However, pursuant to section B.4 (Deviations from Item Specifications or General Terms and Conditions), the Cooperative reserves the right, in its sole discretion, to seek clarification, communicate and resolve issues around deviations that were submitted in a Proposal, consistent with general procurement principles of fair competition.

12. Certifications

The Proposer's Acceptance and Agreement and Proposal Acknowledgements forms, which are fundamental to and incorporated into this Proposal Invitation, require Vendor to certify to certain matters. Pursuant to and in accordance with such forms, and in addition to the matters set forth therein, Vendor certifies to the following with respect to this Proposal Invitation, the Proposal, and any Contract awarded under this Proposal Invitation.

(a) Non-Collusion Certification

Vendor agrees and certifies to the following, and understands that the penalty for violating this non-collusion certification will be the immediate disqualification of Vendor's Proposal or, if the violation is revealed after Contract award, any remedies allowed by law or the Contract including termination of Vendor's Contract:

- 1) Neither Vendor nor any business entity represented by Vendor has received compensation for participation in the preparation of the item specifications or these Terms and Conditions related to this Proposal Invitation;
- 2) The Proposal has been arrived at independently and is submitted without collusion with any other Vendor, with any competitor or potential competitor, or with any other person or entity to obtain any information or gain any special treatment or favoritism that would in any way limit competition or give any Proposer an unfair advantage over any other Proposer with respect to the Proposal;
- 3) Vendor has not accepted, offered, conferred, or agreed to confer, and will not in the future accept, offer, confer, or agree to confer, any benefit or anything of value to any person or entity related to the Cooperative or any of its members in connection with any information or submission related to the Proposal, any recommendation, decision, vote, or award related to the Proposal, or the exercise of any influence or discretion concerning the sale, delivery, or performance of any product or service related to the Proposal;
- 4) Neither Vendor, nor any business entity represented by Vendor, nor anyone acting for such business entity, has violated the Federal Antitrust Laws or the antitrust laws of this State with regard to the Proposal, and the Proposal has not been knowingly disclosed, and will not be knowingly disclosed, to any other Proposer, competitor, or potential competitor prior to the opening of Proposals; and
- 5) No attempt has been or will be made to induce any other person or entity to submit or to not submit a Proposal.

(b) Certification Regarding Ethics, Fair Competition, and Other Matters

Vendor agrees and certifies to the following:

- 1) Vendor has, or has the ability to obtain, such financial and other resources, including inventories, as may be required to fulfill all the responsibilities associated with the Proposal;
- 2) Vendor has a high degree of integrity and business ethics, and a satisfactory record of performance;
- 3) Vendor is an authorized dealer, distributor, or manufacturer for the products or services offered in the Proposal for each region or state Vendor proposes to serve in the Proposal;
- 4) Vendor has not been notified by any local, state, or federal agency with competent jurisdiction that its standing in any matters whatsoever would preclude it from submitting its Proposal and Vendor would in no other way whatsoever be disqualified to propose or receive any award or Contract related to this Proposal Invitation, and Vendor will comply with any reasonable request from the Cooperative to supply information sufficient to substantiate the foregoing representations;
- 5) Vendor has provided its valid, proper and correct business entity name and information in its Proposal, that such entity is operating in good standing with the proper authority from whatever state or local jurisdiction is required, and Vendor has obtained, and will continue to maintain during the entire term of the Contract, all permits, approvals, or licenses necessary for lawful performance of its obligations under this Contract;
- 6) The prices, prompt payment discount terms, delivery terms, distribution allowances and the quality and/or performance (including warranties) of the product or services offered in the Proposal are and will remain the same or better than those offered Vendor's similarly situated customers under similar circumstances, including those offered through other purchasing cooperatives;
- 7) All pricing offered in the Proposal is and will remain fair and reasonable considering general market pricing for similar goods or services. Vendor has not and will not seek to engage in price gouging or price manipulation including, but not limited to, submitting artificially low pricing in pricelists, catalogs, or other pricing submitted with the Proposal or quotes to Cooperative members in an attempt to secure a Contract or Purchase Order and subsequently attempting to increase such proposed pricing citing market pricing;

- 8) The products and services offered in the Proposal represent the full and complete products and services Vendor seeks to provide if awarded a Contract. If awarded, except as permitted by Section E.8 (Product Updates and Substitutions) of the Terms and Conditions, Vendor will be limited to awarded products and services included in the Proposal and will not seek to sell non-awarded items using the Contract.
- 9) The Proposal complies with all federal, state, and local laws concerning these types of products or services, and Vendor will continue to comply with any applicable federal, state, and local laws related to Vendor's activities in connection with the Contract;
- 10) Vendor will comply with any applicable prevailing wage rate requirements under the federal Davis-Bacon or state or local law, including Chapter 2258 of the Texas Government Code;
- 11) Vendor will maintain, at Vendor's expense, any insurance, including without limitation such workers' compensation insurance as may be required by state or local law or policy, necessary to protect the Cooperative and its members from all claims for bodily injury, death, or property damage that might arise from the performance by Vendor or its employees or its agents of any service under the Contract; however, the existence of such insurance does not relieve Vendor of full responsibility and liability for damages, injury, death, or loss as described or as otherwise provided for by law; and
- 12) Any false statement contained in the Proposal is a material breach of contract which will void the Proposal or any resulting Contract, and subject Vendor to removal from all proposal lists, and possible criminal prosecution.

13. Proposal Signatures

Vendor must submit its Proposal in strict accordance with the Cooperative's instructions, including having an officer duly authorized by Vendor execute the Proposal. By signing, the signatory warrants that he or she has read and agrees to the terms of the Proposal and is authorized to execute same as a legally binding act of Vendor. A facsimile or electronic signature will be deemed an original.

14. No Reimbursement

Vendor understands and acknowledges the Cooperative will not reimburse or pay Vendor for any expenses Vendor incurs in preparing its Proposal or providing additional information required in connection with the Proposal.

C. Proposal Evaluation

1. General

A Proposal submitted in accordance with this Proposal Invitation will initially be considered for award; however, initial consideration of a Proposal will not constitute an assessment of its meeting the necessary qualifications, and a Proposal may be disqualified at any time during the evaluation process for failure to meet any other terms or conditions contained anywhere else in this Proposal Invitation.

2. Best Value Criteria

The Cooperative evaluates Proposals on the basis of best value to Cooperative members. In evaluating Proposals and determining best value for all Cooperative members, the Cooperative will consider the following criteria:

Ве	st Value Criteria	Maximum Points
1	Price Competitiveness	45
2	Vendor Past Performance	15
3	Vendor Reputation for Goods and Services	15
4	Financial and Technical Resources	15
5	Capability of Servicing Cooperative Members	5
6	Any other relevant factor or requirement listed in this Proposal Invitation	5
TC)TAL	100

The Cooperative's evaluation may include Vendor's responses to the forms and other attachments or information included with a Proposal or associated with this Proposal Invitation, including but not limited to Vendor's responses to the Proposal Invitation Questionnaire, as well as any other information at its disposal deemed relevant by the Cooperative in its sole discretion. Only responsive Proposals will be evaluated. Failure to include all required information may result in a Proposal being deemed non-responsive.

As a general matter, the Cooperative seeks to make competitive and indefinite quantity awards to Proposers that give the same or better discounts/pricing than they give their best governmental clients and can provide best value to Cooperative members. Proposers should provide competitive pricing that is the same or better than the pricing provided their best governmental clients. Each Proposal is evaluated on its own merit and determined to be fair and reasonable, including by comparing the price/discounts that Vendor offers other governmental clients.

If this Proposal Invitation requires discount pricing, discount practices may be examined and evaluated, in the Cooperative's sole discretion, based on historical data, sales information, discounts granted to other governmental clients, and/or other market research techniques. The Cooperative may award Contracts to multiple Proposers supplying comparable products or services, also known as a multiple award schedule, or award the Contract to a single Proposer. The Cooperative's decision to make multiple awards or a single award will be based upon the Cooperative's sole discretion regarding the type of award that provides best value to all Cooperative members.

In regard to Vendor past performance, among other factors, the Cooperative may consider a Vendor's breach of contractual obligation on any other active or prior Cooperative contract awarded to Vendor including, but not limited to, nonpayment of service fees by Vendor, its parent company or affiliates and/or Vendor's failure to generate any minimum amount specified in a prior-awarded Cooperative contract.

The Proposal Invitation may also require Proposers to provide certain information in the Proposal Forms for which the Cooperative does not evaluate the Proposer's responses as part of the award criteria set out in this Section C.2. The Cooperative requests such information because it may be relevant to federal, state or local procurement law or other requirements that apply to various Cooperative members. (Cooperative members may also require and request Vendors provide additional certifications and information to meet the Cooperative member's specific procurement requirements prior to making purchases under an awarded Contract.) This information, which will be made available to Cooperative members with respect to awarded Vendors, includes the following:

- (a) Resident/Nonresident Certification;
- (b) Vendor Employment Certification;
- (c) Historically Underutilized Business Certification
- (d) EDGAR Vendor Certification.

3. Cooperative Board Decision

The Cooperative reserves the right to waive any or all irregularities, formalities, or other technicalities and to be the sole and independent judge of quality and suitability of any products or services offered. The Cooperative may accept or reject a Proposal in its entirety or may reject any part of a Proposal without affecting the remainder of that Proposal and may award individual items in this Proposal Invitation in any combination or in any way that provides best value to Cooperative members based on the criteria set out in section C.2 (Best Value Criteria) of these Terms and Conditions. The Cooperative may use all means and information at the collective disposal of the Cooperative, Cooperative Administrator, and Cooperative members to evaluate Proposals. The final decision as to the best overall offer(s), including as to pricing and suitability of the proposed products or services to meet the needs of and provide best value to Cooperative members, rests solely with the Cooperative's Board of Trustees.

The Board's decision may be protested only in accordance with the Board's protest procedure policy, which is available from the Cooperative Administrator upon written request. Pursuant to the Board's protest procedure policy, a protest challenging the terms, conditions or form of notice of this Proposal Invitation and accompanying documentation must be received by the Cooperative no later than 5:00 p.m. CST the fifth business day before the Proposal opening date, and a protest challenging an award decision, including proposal evaluations, no later than 5:00 p.m. CST the fifth business day after the award is posted on the BuyBoard vendor website.

D. Contract Award

1. Notice of Award and Related Matters

A Proposal is an offer by Vendor to contract with the Cooperative and Cooperative members in accordance with this Proposal Invitation, including without limitation the item specifications and these Terms and Conditions. A Proposal does not become a Contract unless and until the Proposal is accepted by the Cooperative through the issuance of a written Notice of Award to a successful Proposer, whereupon the Contract becomes binding and enforceable. The Contract may then be utilized by a Cooperative member by the member issuing a Purchase Order for the awarded products or services. Vendor must honor all Purchase Orders issued by Cooperative members during the Contract term in accordance with these Terms and Conditions. The Cooperative may maintain Vendor's contract documents in electronic format for the duration of the Contract term.

The Cooperative reserves the right to allow awarded Vendors to add additional service regions, at the Awarded Pricing, to the Vendor's Contract during the Contract term.

As provided for in detail in section E.11 (BuyBoard Vendor Information and Reporting of Cooperative Member Purchases), all Purchase Orders must be processed through the BuyBoard. All deliveries and financial transactions related to the Purchase Order will occur directly between Vendor and the ordering Cooperative member. As provided for in detail in section E.11(c) (Vendor Invoices), Vendor must provide copies of Vendor Invoices for Cooperative member purchases to the Cooperative Administrator.

2. Applicable Terms and Conditions; Ancillary Agreements

By submitting a Proposal, Vendor specifically agrees that these Terms and Conditions shall apply, subject to any deviations properly submitted by Proposer and approved by the Cooperative in accordance with section B.4 (Deviations from Item Specifications or General Terms and Conditions). Following award, Vendor shall not seek to impose on a Cooperative member additional terms, conditions, or ancillary agreements that are inconsistent with, or intended to supersede, the Contract Terms and Conditions. Further, Cooperative members and Vendors do not have the authority to modify these Terms and Conditions. However, nothing herein shall prevent the Cooperative member and Vendor from negotiating additional ancillary terms applicable to a specific purchase or purchases, consistent with the requirements of these Terms and Conditions, including but not limited to:

- (a) Detailed product or service requirements for the specific Cooperative member purchase;
- (b) Product delivery times and requirements for the specific Cooperative member purchase;
- (c) Performance and/or payment bonds from Vendor as may be required by law or policy or deemed necessary or appropriate by the Cooperative member;
- (d) Requirements for Vendor to carry and provide proof of insurance as may be required by law or policy or as deemed necessary or appropriate by the Cooperative member;
- (e) Requirements for background checks at Vendor's expense on Vendor employees who will have direct contact with students or staff, or for other reasons;
- (f) Other requirements applicable to the purchase as may be required by law, local policy, or deemed necessary or appropriate by the Cooperative member.

Any ancillary terms between a Cooperative member and Vendor must be in writing and signed by a representative of the Cooperative member with all necessary authority to accept the agreement and bind the Cooperative member. All risk of confirming proper authority shall lie with Vendor.

By submitting a Proposal, Vendor understands and acknowledges that Cooperative members are governmental entities, and any provision in any ancillary agreement which requires the Cooperative member to indemnify or hold harmless Vendor, or any other provision not allowed by the laws applicable to the purchasing Cooperative member, shall be void and of no effect. Vendor further acknowledges and agrees that, notwithstanding anything in any ancillary agreement, including a product warranty, to the contrary, the laws applicable to such agreement shall be the laws of the state in which the Cooperative member is located. This provision supersedes any provision in any ancillary agreement to the contrary.

Any attempt by Vendor to deviate from this section in Vendor's Proposal shall be deemed rejected. Further, any attempt by an awarded Vendor to impose terms and conditions on a Cooperative member that are inconsistent with the requirements of this section shall be an event of default under the Contract and subject to all remedies up to and including termination of Vendor's Contract.

Nothing in any ancillary agreement between a Cooperative member and Vendor shall affect the Terms and Conditions of the Contract as between the Cooperative and Vendor.

3. Piggyback Contract and Other Entity Clause

It is the Cooperative's intent that other governmental entities throughout the United States, as well as the administrator's nonprofit entity BuyBoard subscribers, have the opportunity to purchase the goods or services awarded under the Contract at the same pricing and according to these Terms and Conditions, subject to applicable state law, through a piggy-back award or similar agreement. To the extent applicable, Vendor must offer and sell the awarded goods and services to such other organizations and entities in accordance with Vendor's Proposal, including without limitation the State Service Designation form and the National Purchasing Cooperative Vendor Award Agreement.

E. Contract Performance

1. Contract Term

- (a) Term. The term of the Contract is for the initial term stated in this Proposal Invitation, which term begins on the date specified in the Notice of Award. Unless otherwise stated in this Proposal Invitation, the Contract may be renewed for two additional one-year terms as provided for in this section E.1. In the event the Contract term will expire before the Cooperative awards a successor contract for the categories of awarded products or services, the Contract may be extended beyond the expiration date on a month-to-month basis, or such other term as determined by the Cooperative, upon the agreement of the Cooperative and Vendor, provided that the Awarded Pricing does not increase during such extension. A reference to "Contract term" in these Terms and Conditions means the initial term and any renewal term.
- **(b) Survival.** The Contract shall govern the Vendor's and the Cooperative member's rights and obligations with respect to any Purchase Order issued during the Contract term and afterwards with respect to any Purchase Order or purchase bound by the Cooperative member for specified goods or services **before** the Contract award period ended. This includes, but is not limited to, the Vendor's obligations to pay to the Cooperative all applicable service fees as required by section E.12 (Service Fees) of these Terms and Conditions for such Purchase Orders.
- (c) Renewals. Vendor has no right to or vested interest in a Contract renewal. The Cooperative will evaluate the Contract award prior to the expiration of the then current Contract term (initial or renewal) and reserves the right to not renew the Contract based on factors that may include, but are not limited to, the annual amount of business, Vendor's performance (including, but not limited to, compliance with the Terms and Conditions), and the continued provision of best value to Cooperative members. With respect to annual amount of business, Vendor must generate the minimum amount specified in the General Information document associated with this Proposal Invitation through the Contract, during both the initial and the first renewal term, or may not be offered a second renewal term. A Vendor's failure to generate this minimum amount may also be considered by the Cooperative as part of Vendor's past performance evaluation on future proposal invitations. A renewal must be agreed to by the Cooperative and Vendor. Vendor must promptly, and before the start of the renewal term, notify the Cooperative in writing if Vendor does not accept a renewal offered by the Cooperative or Vendor will have been deemed to have accepted the renewal.

2. Prevailing Wages, Bonding and Insurance Requirements

Vendor must comply with any applicable prevailing wage rate requirements under the federal Davis-Bacon and/or state or local law, including but not limited to Chapter 2258 of the Texas Government Code.

Vendor must provide any applicable performance and payment bonds as required by law, including but not limited to Chapter 2253 of the Texas Government Code, or as requested by a Cooperative member.

Vendor must maintain appropriate and sufficient insurance, including without limitation such workers' compensation insurance as may be required by state or local law or policy, necessary to protect Vendor and the Cooperative and its members from all claims for bodily injury, death, or property damage that might arise from the performance by Vendor or its employees or agents of any service under the Contract; however, the existence of such insurance does not relieve Vendor of full responsibility and liability for damages, injury, death, or loss as described or as otherwise provided by law.

3. Awarded Items Only May Be Sold; Conformity to Item Specifications

If awarded a Contract, Vendor may only offer under the Contract those products and services included in Vendor's Proposal and awarded to Vendor by the Cooperative ("Awarded Items"). For awards based on catalogs or pricelists, Awarded Items shall include only those items within the specification category or categories awarded to Vendor that were included in the catalog(s) or pricelist(s) submitted with Vendor's Proposal or as updated when and if permitted by section E.8 (Product Updates and Substitutions). Any attempt by Vendor to sell items other than Awarded Items under the Contract shall be an event of default under the Contract.

Vendor warrants that the Awarded Items Vendor provides under the Contract will conform to the item specifications and other requirements of this Proposal Invitation (except to the extent and as specifically noted as deviations in Vendor's Proposal), and will be free from all defects in material, workmanship and title. Vendor further warrants that (i) Vendor has obtained, and will continue to maintain during the entire term of the Contract, all permits, approvals, and/or licenses necessary for lawful performance of Vendor's obligations under the Contract; (ii) Vendor will comply with all applicable state, federal and local laws, rules, and regulations in regard to Awarded Items, and (iii) all Awarded Items provided under the Contract meet all applicable legal standards and requirements, including OSHA standards and regulations, and that any electrical items bear the appropriate listing from US, FMRC, NEMA, or UL Laboratories.

If Vendor provides a product that does not conform to an item specification, including delivering a product other than the specific brand and model of the product awarded, the ordering Cooperative member may reject the product when delivered and terminate the Purchase Order, at no cost or penalty to the member.

If Awarded Items include chemicals or other products that customarily require Material Safety Data Sheets (MSDS), Vendor must include the MSDS with the first shipment of the product to a Cooperative member during the Contract term. Vendor must provide additional MSDSs to Cooperative members upon request, promptly and at no additional cost.

4. Awarded Pricing

Awarded pricing shall be based on the line item or unit pricing, discount off catalog or pricelist, not-to-exceed hourly labor rates, or other pricing structure as set forth in the Proposal Invitation, submitted in Vendor's Proposal, and approved by the Cooperative ("Awarded Pricing"). Except as provided in this section E.4 or otherwise in this Proposal Invitation, Vendor shall hold Awarded Pricing firm during the Contract term.

(a) Price Increases

Except as expressly permitted by these Terms and Conditions, Vendor has no contractual right to make price increases during the Contract term. The Cooperative reserves the right to reject any or all price increases it deems not representing best value to Cooperative members.

1) Line Item/Unit Pricing

Unless otherwise provided in the Proposal Invitation, for awards based on not-to-exceed line item or unit pricing, Vendor may submit updated pricing reflecting manufacturer or similar market-wide price increases that occur during the Contract term to the Cooperative, subject to the following requirements:

- (A) No price increases will be permitted or accepted between the time of Vendor's Proposal submission and Contract award.
- (B) Unless otherwise provided in the Proposal Invitation or approved by the Cooperative Administrator in writing, Vendor shall be required to keep the Awarded Pricing firm for the first year of the Contract Term; thereafter, Vendor may submit updated pricing no more frequently than annually for each subsequent year of the Contract Term.
- (C) Vendor must promptly provide all such supporting documentation, including manufacturer documentation, as the Cooperative, by and through the Cooperative Administrator, may require to support price increases;
- (D) Information on price increases must be provided in such format as may reasonably be required by the Cooperative Administrator;
- (E) All price increases must be supported by manufacturer price changes or similar market changes; and
- (F) Updated pricing must be limited to Awarded Items or the updated pricing may be rejected in its entirety. The Cooperative may deem any attempt by Vendor to included non-awarded items in updated pricing as an attempt to sell non-awarded items which is an event of default under the Contract.

2) Discount Off Catalog or Pricelist

For awards based on discount off catalog or pricelist, Vendor shall hold all awarded discount percentages firm during the Contract term. However, Vendor may submit updated pricelists or catalogs reflecting manufacturer or similar market-wide price increases that occur during the Contract term to the Cooperative, subject to the following requirements:

- (A) No catalog or pricelist price increases, including website-based catalogs or pricelists, will be permitted or accepted between the time of Vendor's Proposal submission and Contract award;
- (B) Following Contract award, Vendor may submit updated pricelists or catalogs to the BuyBoard no more frequently than 180 days from the date of Vendor's last pricelist or catalog unless otherwise provided in the Proposal invitation or otherwise approved by the Cooperative Administrator in writing;
- (C) Vendor must promptly provide all such supporting documentation, including manufacturer documentation, as the Cooperative, by and through the Cooperative Administrator, may require to support price increases;
- (D) Pricelists or catalogs must be provided in such format as may reasonably be required by the Cooperative Administrator;
- (E) All price increases must be supported by manufacturer price changes or similar market changes; and
- (F) Updated pricelists or catalogs must be limited to Awarded Items or the pricelist/catalog may be rejected in its entirety. The Cooperative may deem any attempt by Vendor to include non-awarded items in updated pricelists/catalogs as an attempt to sell non-awarded items which is an event of default under the Contract.

3) Labor Rates

Unless otherwise provided in the Proposal Invitation, for Awarded Pricing based on not to exceed hourly labor rates, Vendor may not increase Awarded Pricing during the Contract term unless changes to prevailing wage rates under state, local, or federal law applicable to the work to be performed support higher rates. In such event, the Vendor must notify the Cooperative and, upon request, promptly provide such documentation as the Cooperative may require to support the requested labor rate increase. Unless required by law, no rate increases will be permitted or accepted between the time of Vendor's Proposal submission and Contract award. Following Contract award, Vendor may submit updated labor rates no more frequently than 180 days from Vendors last hourly labor rate submission unless otherwise provided in the Proposal Invitation, otherwise approved by the Cooperative administrator in writing, or otherwise required by law.

For Awarded Pricing based on a coefficient to be applied to a unit price book, coefficients shall remain firm for the full Contract Term and are not subject to change.

(b) Price Decreases

Regardless of the pricing method specified, in the event Vendor decreases the price of awarded products or services below the Awarded Pricing for Vendor's other customers in similar market circumstances, Vendor must offer such decreased pricing to Cooperative members under the Contract.

Further, Cooperative members may negotiate with Vendor, through the BuyBoard request for quotes (RFQ) function or otherwise, to obtain lower prices for Awarded Items based on volume or other factors. Nothing herein shall prohibit Vendor from offering pricing lower than the Awarded Pricing.

(c) Exceeding Awarded Pricing Prohibited

If it is determined that a Vendor has sold Awarded Items to Cooperative members through the Contract at a price higher than the applicable Awarded Pricing, Vendor shall be in default of its Contract and subject to all remedies up to and including termination.

(d) Service Fee Included in Awarded Pricing

Unless specified otherwise in this Proposal Invitation, the service fee due pursuant to section E.12 (Service Fee) of these Terms and Conditions is included in the Awarded Pricing.

5. Packaging, Transportation, and Delivery

Unless otherwise provided for in this Proposal Invitation, all tangible goods included in this Proposal Invitation must be packaged in containers that are new, appropriately designed for the product, and sturdy enough to protect the product during loading, transit, unloading, and storage, and be suitably packed to secure the lowest transportation costs. Products for which palletizing is appropriate must be delivered on standard and industry acceptable pallets for the products to be delivered in good, serviceable condition.

Vendor is responsible for paying all freight, delivery, handling and other charges incurred in transporting and delivering products to a Cooperative member, and for the risk of loss until the product is delivered to and accepted by the Cooperative member. Freight, delivery, handling and other charges incurred in transporting and delivering products to a Cooperative member are to be prepaid by Vendor. Vendor may collect the actual amount of such charges after delivery and acceptance, provided that the charges (a) are reasonable, (b) were disclosed to the Cooperative member, if requested, and in all instances in which the charges exceed ten percent (10%) of the total cost of the order, prior to shipment; (c) are itemized and shown separately on the member's invoice; and (d) are supported by appropriate documentation submitted with the invoice.

Except for items that have hidden defects or that do not meet specifications, title and risk of loss to products pass to a Cooperative member upon the member's actual receipt and acceptance of the product at the point and time of delivery. Unless otherwise noted in the Proposal (as a deviation) or the Purchase Order, Vendor must deliver or provide awarded products or services within 10 business days after receipt of a Cooperative member's Purchase Order. Vendor must immediately notify the Cooperative member's primary contact of any anticipated or actual delay and document the notice in writing, and the member may extend the delivery time or cancel the order if the delay is unacceptable. If the Cooperative member has not received notice of the delay as required by this section, the member may, at its discretion, return to Vendor any items received after the due date, at Vendor's expense and without liability or penalty to the member. When the needs of a Cooperative member require immediate response, the right to pick up tangible goods, if part of this Proposal Invitation, on an "over the counter" basis must be available for the majority of the awarded tangible goods. In these circumstances, the Cooperative member's personnel may pick up the products at Vendor's warehouse location. Additionally, a Cooperative member may request emergency delivery, and Vendor must use its best efforts to comply with rush or emergency requests. If Vendor cannot fulfill the emergency delivery requirement, the member may procure the products or services from alternative sources without penalty. Time is of the essence in Vendor's performance of the Contract.

6. Packing Lists, Invoices and Payments

(a) Packing Lists, Vendor Invoices

Packing lists or other suitable shipping documents must accompany each shipment of tangible goods included in this Proposal Invitation and state: (a) Vendor's name and address; (b) Cooperative member's name and address or delivery location; (c) Cooperative member's Purchase Order number; (d) descriptive information identifying the item(s) delivered, including quantity, item number, product code, item description, and total number of containers; and (e) copies of all product warranties for the item(s) delivered. Vendor must submit separate invoices, in duplicate, on each Purchase Order after each delivery. Invoices must (a) contain the information stated above; (b) separately itemize any transportation and delivery charges, and include associated documentation; (c) include a properly signed copy of the delivery receipt; and (d) be mailed directly to the ordering Cooperative member. Unless specified otherwise in this Proposal Invitation, the service fee due pursuant to section E.12 (Service Fee) of these Terms and Conditions is included in the Awarded Pricing and must not be separately itemized in the invoice.

Vendor shall provide copies of Vendor Invoices to the Cooperative in accordance with the requirements of section E.11(c) (Vendor Invoices).

(b) Payments

Payment by the Cooperative member is due after a Cooperative member's receipt and acceptance of ordered products or services and the documentation identified above, including a complete and correct invoice, in accordance with the Texas Prompt Payment Act (Chapter 2251 of the Texas Government Code). A Cooperative member is not responsible for products delivered or invoiced without a valid purchase order number.

A Cooperative member's obligation to Vendor is payable only and solely from funds available for the purpose of the purchase. Lack of funds will render a Cooperative member's Purchase Order null and void to the extent funds are not available and any delivered but unpaid product will be returned to Vendor. Neither the Cooperative nor TASB is liable or responsible for any payment owed Vendor by a Cooperative member under the Contract.

7. Product Inspection, Testing, and Defective Items

Products supplied under the Contract must be delivered in the best possible condition, be covered by the product warranties provided by Vendor and/or the product manufacturer to other customers, and are subject to inspection, testing, and approval by the Cooperative or a Cooperative member. Tests may be performed on samples taken from any regular shipment of the product. In the event a tested product fails to meet or exceed all requirements of the item specifications or these Terms and Conditions, Vendor must pay the cost of the samples and/or the testing. Upon receipt of notification from the Cooperative or Cooperative member, Vendor must replace and, for tangible goods, pick up the defective product within five business days or on the next service date, whichever is sooner, without charge for the replacement or delivery. Additionally, the Cooperative or member may dispose of defective products that are not picked up and replaced by Vendor, without cost. Products damaged in shipment are considered defective for purposes of the foregoing. Latent defects discovered after delivery and acceptance of any products may result in revocation of the acceptance of such products. The Cooperative or Cooperative member must have access to Vendor's place of business during normal business hours for the purpose of inspecting any awarded product.

8. Product Updates and Substitutions

Vendor's Proposal must specify the products or services Vendor proposes to provide under each category of the Proposal Invitation specifications. Vendor shall only be permitted to provide those products or services specified in the Proposal for the category or categories under which Vendor is awarded under the Contract. Except as provided in this section E.8, the Cooperative will not accept additions or substitutions to any of the product(s) listed in the Proposal after a Notice of Award has been issued.

(a) Updated Catalogs

If a manufacturer catalog submitted with Vendor's proposal is later updated with products within the same Proposal Invitation category or categories, including new products not previously available in the awarded product category, Vendor may substitute the updated catalog for the awarded product or catalog. Notwithstanding the forgoing, updated catalogs shall **not** be permitted to include any of the following:

- 1) Items that are outside the category or categories under which Vendor was awarded;
- 2) Items that, in the reasonable discretion of the Cooperative, do not meet the intent of the awarded specification category;
- 3) Items that were available in the market at the time of the submission of Vendor's Proposal which Vendor either elected not to include or neglected to include with Vendor's Proposal; or
- 4) Products from manufacturers or brands not specifically included in Vendor's Proposal in the applicable specification category.

(b) Substitutes

If an awarded product or catalog of products is discontinued by the manufacturer and the same manufacturer offers an equivalent replacement product or catalog, Vendor may substitute the replacement product or catalog for the awarded product or catalog.

Vendor shall submit all reasonable supporting documentation requested by the Cooperative Administrator regarding any catalog updates or product or catalog substitutions. The Cooperative, by and through the Cooperative Administrator, reserves the right to reject, in its sole discretion, any catalog updates or product or catalog substitutions.

9. Product and Service Guarantees and Warranties

Vendor shall extend such warranties on Awarded Items, including the installation thereof if such installation is provided by Vendor, as are normally provided to other customers of Vendor. All services shall be performed in a good and workmanlike manner consistent with industry standards. Unless a deviation is submitted by the Vendor with its proposal and accepted by the Cooperative pursuant to section B.4 (Deviations from Item Specifications or General Terms and Conditions) or unless a different warranty is required by a Cooperative member Purchase Order or ancillary agreement, a minimum of a 90-day product or service guaranty or the manufacturer's standard commercial warranty, whichever is greater, will apply to all awarded products and services. At a minimum, all product warranties must provide for replacement of defective merchandise, parts, and labor, and include pick-up of the defective merchandise from the location specified by the Cooperative member and delivery of the replacement(s) to the same location. In addition, such warranty shall include curing any defects in connection with any Vendor installation of the product at no additional cost to the member. The warranty period is effective from the date the Cooperative member accepts the product or the date the service is completed and accepted by the Cooperative member. No waiver of implied warranties shall be effective unless explicitly approved by a Cooperative member in writing in accordance with section D.2 (Applicable Terms and Conditions; Ancillary Agreements).

Vendor shall respond to any reasonable requests for information from the Cooperative, the Cooperative Administrator, or a Cooperative member pertaining to concerns regarding public health or safety in relation to Awarded Items and provide such documentation as may be reasonably requested. In the event of any product recalls affecting Awarded Items, Vendor shall notify the Cooperative Administrator and any Cooperative members who made purchases from Vendor for such recalled products in writing as soon as practicable of the recall and proposed action. At a minimum and without waiving any other requirements under the Contract, law, or Cooperative member Purchase Order or ancillary agreement, Vendor shall be required to take all action required by law or greater remedy as may be offered by Vendor to other customers with respect to recalled products, including but not limited to, prompt replacement and/or refunds.

10. Multiple Distribution Centers, Single Point of Contact, and Designated Dealers

If tangible goods are included as part of Vendor's Awarded Items and Vendor delivers products out of more than one warehouse or distribution center, all warehouses or distribution centers involved in the distribution plan must carry or have timely access to all Awarded Items and must be able to respond to orders in a timely manner. Except as expressly permitted in this Proposal Invitation, product substitutions are not allowed, and the involvement of multiple distribution centers does not alter any restriction against product substitution.

The Cooperative and Cooperative members will have **one Vendor contact person** for overall contract management relative to the Contract, even if Vendor uses multiple distribution centers or designated dealers, and the Cooperative and its members will not be required to deal with multiple Vendor contacts for overall contract management.

If Vendor is a manufacturer that sells products through a dealer network, Vendor may request to designate a dealer or multiple dealers ("Designated Dealer" or "Designated Dealers") to receive Cooperative member Purchase Orders on Vendor's behalf by completing and submitting to the Cooperative Administrator the information required on the Manufacturer Dealer Designation form contained in the Proposal Invitation and, if requested, such other information as the Cooperative Administrator may reasonably require.

Regardless of any Designated Dealers submitted by Vendor, Vendor specifically agrees and acknowledges that any such designations are for Vendor's convenience only and shall not relieve Vendor of any obligations under the Contract, including payment of Cooperative service fees on all Purchase Orders submitted to Vendor or any Designated Dealer. Vendor shall remain responsible and liable for all obligations under the Contract and the performance of both Vendor and any of Vendor's Designated Dealers under and in accordance with the Contract. Vendor shall remain subject to all remedies for default thereunder, including, but not limited to suspension and termination of Vendor's Contract for nonpayment of service fees.

Further, Vendor acknowledges and agrees that, if Vendor opts to submit Designated Dealers under the Contract, Vendor is responsible for ensuring the accuracy, maintenance, and updating of the Designated Dealer information provided to the Cooperative and ensuring and confirming such information has been received by the Cooperative Administrator in such form as the Cooperative Administrator may reasonably require. Vendor authorizes the Cooperative Administrator, in its sole discretion, to list any Vendor Designated Dealers on the BuyBoard website and authorizes the Designated Dealer(s) to receive Purchase Orders directly from Cooperative members on behalf of Vendor. To the extent a Vendor with Designated Dealers receives a Purchase Order directly, it shall be the responsibility of Vendor to appropriately process such Purchase Order in accordance with the Contract, including but not limited to timely forwarding such Purchase Order to a Designated Dealer for processing.

The Cooperative reserves the right, in its sole discretion, to refuse addition of, or request removal of, any Designated Dealer, and Vendor agrees to immediately require such Designated Dealer to cease accepting Purchase Orders or otherwise acting on Vendor's behalf under the Contract. Further, the Cooperative Administrator shall be authorized to remove or suspend any or all Designated Dealers from the BuyBoard at any time in its sole discretion.

11. BuyBoard Vendor Information and Reporting of Cooperative Member Purchases

(a) BuyBoard Website and Vendor Information

The awarded Contract will be posted on the BuyBoard website as an online marketplace. By submitting a Proposal, Vendor consents to the posting of all Proposal and product information provided by Vendor including, but not limited to, Vendor's Proposal, contact information, product catalogs, and product pricing on the BuyBoard website for Cooperative members. Vendor further authorizes the Cooperative, the Cooperative Administrator, and any third-party contractor providing services for the BuyBoard website to receive and relay such information to Cooperative members electronically, including via electronic punch out from the BuyBoard website.

Posting of Vendor information on the BuyBoard website or other relay of Vendor information by the Cooperative to Cooperative members shall be for the convenience of Cooperative members and Vendors only and shall not be deemed a contractual obligation or duty on the part of the Cooperative. Whether and when to post information to the BuyBoard website shall be in the sole discretion of the Cooperative. To the extent Vendor pricing or catalog information is posted on the BuyBoard website and Vendor subsequently submits updated pricing or catalog information in accordance with sections E.4 or E.8 of the Terms and Conditions, as applicable, the Cooperative Administrator shall have a reasonable time (which in no event shall be less than 10 business days, and may be longer depending on circumstances) to review the information and, if accepted in accordance with the Terms and Conditions, update the information. Vendor shall continue to honor all prior pricing and catalogs and shall not be permitted to sell products or services to Cooperative members using updated pricing or catalog information until all required information has been received and updated by the Cooperative Administrator. It is the responsibility of Vendor to timely provide all pricing and catalog information in the format required by the Cooperative Administrator and respond to requests for additional information from the Cooperative Administrator to avoid delays in information being updated. As provided in sections E.4 and E.8 of these Terms and Conditions, the Cooperative reserves the right to reject any or all price increases or catalog updates.

Neither the Cooperative nor the Cooperative Administrator shall be liable to any party for information provided by Vendor or for any errors in Vendor information posted to the BuyBoard website or relayed to Cooperative members. Vendor shall be fully responsible and liable to the Cooperative, the Cooperative Administrator, and Cooperative members for all information provided by Vendor related to the Proposal Invitation, Contract and/or for posting on the BuyBoard website including, but not limited to, catalogs and pricelists. Vendor shall not upload, enter, or submit any information that may infringe the intellectual property rights of any third party or that contains software viruses or any other code, files, or programs that may damage or disrupt any software, hardware, or equipment. To the extent Vendor discovers any error in information on the BuyBoard website, Vendor shall promptly advise the Cooperative Administrator in writing at contractadmin@buyboard.com. Vendor shall also confirm the accuracy of all product and pricing information in Purchase Orders prior to acceptance and promptly notify the Cooperative member and Cooperative of any potential errors.

By submitting a Proposal, Vendor certifies that Vendor has read the BuyBoard Technical Requirements contained in this Proposal Invitation and, if awarded a Contract, will comply with all requirements therein except as specifically indicated by Vendor in the Acknowledgement of BuyBoard Technical Requirements form. To the extent Vendor has acknowledged the ability to comply with the BuyBoard Technical Requirements, Vendor's subsequent failure or refusal to comply shall be deemed an event of default under the Contract. To the extent Vendor is unable to meet the applicable BuyBoard Technical Requirements, Vendor acknowledges that, if awarded a Contract, information available on the BuyBoard for Vendor's awarded products or services may be more limited than other Vendors, potentially placing Vendor at a disadvantage and impacting the ability of Cooperative members to search, find, review, and purchase Vendor's awarded products and services on the BuyBoard website. The BuyBoard Technical Requirements may be updated from time to time, and Vendor agrees to use best efforts to comply, if able, with updated requirements. In using the BuyBoard Website, Vendor agrees to comply with BuyBoard Terms and Conditions of Use and BuyBoard Privacy Policy ("BuyBoard Website Terms") which are available on the website and may be updated from time to time. The BuyBoard Website Terms supplement the Contract. In the event of any conflict between the Contract and the BuyBoard Website Terms, the Contract shall prevail.

(b) Purchase Order Reporting

A Cooperative member may make purchases from Vendor under the Contract by issuing a Purchase Order to procure Awarded Items. All Purchase Orders generated by or under the Contract must be processed through the BuyBoard. Except as expressly authorized in writing by the Cooperative Administrator, neither Vendor nor any Vendor Designated Dealer is authorized to process a Purchase Order received directly from a Cooperative member that has not been processed through the BuyBoard or provided to the Cooperative. To the extent Vendor or Vendor's Designated Dealer receives a Purchase Order directly from a Cooperative member that Vendor has reason to believe has not been received by the Cooperative or processed through the BuyBoard, Vendor shall promptly provide a copy of the Purchase Order to the Cooperative Administrator.

A Vendor may request authorization to self-report Cooperative member purchases by completing the Vendor Request to Self-Report BuyBoard Purchases form included in the Proposal Invitation or such other form as may be required by the Cooperative Administrator. Any request must be submitted in writing and is subject to written approval by the Cooperative Administrator. To the extent that a Vendor is authorized in writing by the Cooperative administrator to self-report Cooperative member purchases under the Contract, Vendor shall be required to comply with all additional terms and conditions imposed by the Cooperative as part of such authorization.

The Cooperative may, from time to time, in its reasonable discretion, provide instructions and modify the procedures for reporting Purchase Orders under the Contract by providing Vendor at least 30 days advance written notice. Vendor acknowledges and agrees that notice provided via electronic mail to the Purchase Order contact designated by Vendor in Vendor's Proposal, or subsequently updated in writing, shall satisfy this requirement. Continued acceptance of Purchase Orders and/or any Contract renewal by Vendor shall constitute acceptance of any modified Purchase Order procedures.

The intent of the Cooperative member to purchase through the Cooperative Contract is paramount. The method or timing of reporting a Purchase Order to the Cooperative shall not alter the nature of the transaction as a BuyBoard purchase or relieve Vendor of the obligation to pay the service fee on such purchase.

Vendor and any Vendor Designated Dealer must maintain the computer and telephone hardware necessary to provide for the electronic receipt of Purchase Orders and pay such costs and fees as may be imposed by a supplier or service provider for the software, equipment and service required to use the BuyBoard.

(c) Vendor Invoices

To further document and report Cooperative member purchases under the Contract, Vendor shall provide the Cooperative with copies of Vendor Invoices for all Cooperative member purchases under the Contract. Vendor shall submit copies or reports of Vendor Invoices to info@buyboard.com promptly upon generation of the invoice. Vendor shall ensure that the Contract number and member Purchase Order number is included with the Vendor Invoice.

In lieu of providing copies of individual Vendor Invoices, Vendor may provide monthly reports of Vendor Invoices to info@buyboard.com no later than the 10th day of the month. The monthly Vendor Invoice reports shall include a list of all invoices billed by Vendor during the preceding month to Cooperative members for purchases under the Contract. Monthly Vendor Invoice reports shall include any and all information reasonably required by and be in such format as may be reasonably required by the Cooperative Administrator. At a minimum, Vendor Invoice reports shall include the Cooperative member name, Purchase Order number, general description of the purchase including Contract number and Contract category under which the purchase was made, and invoice amount.

Vendor agrees to cooperate, and to require any Vendor Designated Dealer(s) to cooperate, with the Cooperative to promptly provide such reasonable information and documentation as the Cooperative Administrator may require regarding Purchase Orders received by Vendor and Vendor Invoices issued by Vendor under the Contract.

12. Service Fee

Vendor must pay the Cooperative the service fee specified in this Proposal Invitation and, unless this Proposal Invitation provides otherwise, the service fee is included in the Awarded Pricing. Except as otherwise provided in this section E.12, Vendor must remit the service fee to the Cooperative in Austin, Texas, within 30 days of the date of each service fee invoice.

Service fees shall be deemed incurred on the date of Vendor's receipt of payment for products or services by the Cooperative member. To the extent that a Vendor disputes any service fee listed in a service fee invoice, including but not limited to assertions that the purchase on which the fee is based has yet to be delivered or paid (e.g. special orders), was canceled by the Cooperative member, or is a duplicate purchase order, the Vendor must notify the Cooperative of the dispute in writing no later than the 90th day after the original invoice date ("Dispute Period") by returning a copy of the invoice or statement of outstanding balances to the Cooperative Administrator with each disputed item marked and the basis for dispute provided. To the extent that the disputed service fees

have been paid by Vendor, any request for a refund must be provided to the Cooperative Administrator in writing, with supporting documentation, no later than the last day of the Dispute Period. Vendor agrees to cooperate, and require any Vendor Designated Dealer(s) or billing agent to cooperate, with the Cooperative Administrator in attempting to reconcile and resolve disputed fees and shall provide such reasonable information and documentation as the Cooperative Administrator may require to review the disputed fees to the satisfaction of the Cooperative Administrator's staff. Any service fees for which the Cooperative Administrator has not received a notice of dispute or request for refund within the Dispute Period as set forth herein shall be deemed conclusively due and owing and no longer subject to dispute or claim for refund.

Unpaid service fees will be subject to collection in accordance with the Cooperative's Board policy on vendor invoicing and collections, which is available from the Cooperative Administrator on request.

A Vendor may designate a billing agent to receive Cooperative service fee invoices on Vendor's behalf. Such designation must be made in writing by an authorized representative of Vendor and properly submitted to the Cooperative Administrator in such form as the Cooperative Administrator may reasonably require. However, in so doing, Vendor acknowledges and agrees that such designation shall be for Vendor's convenience only and Vendor shall remain responsible for all obligations under the Contract, including payment of service fees, and shall remain subject to all remedies for default in payment thereof.

Vendor agrees to provide the Cooperative with copies of all Purchase Orders generated by or under the Contract that are received directly from Cooperative members, Vendor Invoices, and/or such other documentation regarding those Purchase Orders as the Cooperative Administrator may require in its reasonable discretion. Additionally, the Cooperative has the right, upon reasonable written notice, to review Vendor's records pertaining to purchases under the Contract with Cooperative members to verify purchase history and the accuracy of service fees payable from Vendor.

13. Disclaimer of Warranty and Limitation of Liability

THE COOPERATIVE AND TASB (BOTH D/B/A BUYBOARD) DISCLAIM ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, IN REGARD TO THE AVAILABILITY, ACCURACY, CONTENT OR ANY OTHER ASPECT OF ANY INFORMATION, PRODUCT, OR SERVICE FURNISHED UNDER THE CONTRACT AWARD, INCLUDING, WITHOUT LIMITATION, ANY AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. WITH RESPECT TO ANY AND ALL CAUSES OF ACTION ARISING UNDER OR RELATED TO THE CONTRACT, NEITHER THE COOPERATIVE NOR TASB, NOR THEIR RESPECTIVE OFFICERS, BOARD MEMBERS, EMPLOYEES OR AGENTS, IS LIABLE TO VENDOR UNDER ANY CIRCUMSTANCES FOR LOST REVENUE, DATA OR PROFITS, OR FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES, EVEN IF THE COOPERATIVE AND/OR TASB HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. WITHOUT WAIVING ANY GOVERNMENTAL IMMUNITY PROVIDED BY LAW, IN NO EVENT WILL THE COOPERATIVE AND/OR TASB'S TOTAL JOINT LIABILITY TO VENDOR EXCEED THE AMOUNT OF THE SERVICE FEE PAID BY VENDOR DURING THE TWELVE MONTHS IMMEDIATELY PRECEEDING THE EVENT GIVING RISE TO SUCH LIABILITY.

Neither the Cooperative nor TASB is in any way liable to Vendor for a Cooperative member's performance or nonperformance of the member's obligations under the Contract or Purchase Order.

14. Sales Tax

Cooperative members are governmental entities which are generally exempt by law from the payment of state sales tax and federal excise tax. Vendor may request a Cooperative member to provide a tax exemption certificate, or the member may establish its tax-exempt status by including tax exemption information or tax exemption certificate with the Purchase Order as authorized under law. Vendor is responsible for collecting such taxes, if any, as may be due from a Cooperative member and remitting payment to the appropriate taxing authority.

15. Use of BuyBoard Logo and Trade Name

The BuyBoard trade name and logo are proprietary to TASB and have been specifically licensed by TASB to the Cooperative. Vendor may not use, display, or otherwise distribute the BuyBoard logo or trade name except in strict accordance with the Cooperative's written guidelines posted on the BuyBoard website.

16. Indemnification

Vendor agrees to defend, indemnify, and hold harmless the Cooperative, TASB, and Cooperative members, and their officers, board members, agents and employees, from and against all third-party claims, actions, suits, liability, liens, loss and damage of any character, type, or description, including without limitation all expenses of litigation, court costs and attorney's fees, arising out of or related to (a) injury or death to any person or damage to any property related to the acts of Vendor or its agents, subcontractors, or employees in the execution of or performance under the Contract or a Purchase Order, as applicable; and (b) Vendor's negligence, misconduct, breach of contract or other failure to comply with its obligations in the execution or performance under the Contract or a Purchase Order, as applicable.

17. Intellectual Property Infringement by Vendor

Without limiting the scope of section E.16 (Indemnification) of these Terms and Condition, if any claim is asserted, or action or proceeding brought against the Cooperative, the Cooperative Administrator, or a Cooperative member that alleges that either (1) all or any part of the products or services supplied by Vendor, in the form supplied or modified by Vendor, or its subcontractors pursuant to Vendor's sole directions, or (2) any information provided by Vendor or its designated dealers or agents to a Cooperative member, the Cooperative, or the Cooperative Administrator (including, but not limited to, information submitted by Vendor to the Cooperative or Cooperative Administrator for the BuyBoard website), infringes or misappropriates any United States intellectual property, intangible asset, or other proprietary right, title or interest (including, without limitation, any copyright or patent or any trade secret right, title, or interest), or violates any other contract, license, grant, or other proprietary right of any third party, the Cooperative, Cooperative Administrator, or Cooperative member upon its awareness, shall give Vendor prompt written notice thereof. Vendor shall defend, and hold the Cooperative, the Cooperative Administrator, and the Cooperative member harmless against any such claim or action and shall indemnify the Cooperative, the Cooperative Administrator, and Cooperative member against any liability, damages and costs resulting from such claim. In addition, if, in any such suit arising from such claim, the continued use of the product for the purpose intended is enjoined by any court of competent jurisdiction, unless otherwise agreed in writing by the Cooperative member, Vendor shall, at its expense and option, either (a) procure for the Cooperative member the right to continue using the product; (b) modify the product so that it becomes non-infringing; (c) replace the product or portions thereof so that it becomes non-infringing; or (d) allow the Cooperative member to return the product or cancel the service and refund the purchase price (less reasonable depreciation for use, if applicable.)

18. Remedies for Default and Termination of Contract

(a) Default and Termination of Cooperative Contract

Except as otherwise provided for in these Terms and Conditions, either party (Cooperative or Vendor) may terminate the Contract in whole or in part in the event of the other party's substantial failure to fulfill its obligations under the Contract through no fault of the terminating party; provided, however, that the defaulting party is given at least 10 business days prior written notice of the default and intent to terminate (delivered by certified mail, return receipt requested, or other method that similarly documents receipt), and, to the extent the default is capable of being cured, a 10 business day opportunity to remedy the default to the satisfaction of the terminating party (or, in the event of default based on Vendor's failure to timely remit the service fee due the Cooperative, such longer cure period as may be established by Cooperative policy.)

At the Cooperative's option and in addition to any other remedies it may have available, the Cooperative may terminate the Contract if Vendor fails to adhere to or violates any of the provisions of these Terms and Conditions, including the certifications. Without limiting the scope of the foregoing, one or more of the following constitute grounds for termination:

- 1) Materially misleading or false statement(s) in Vendor's Proposal;
- 2) Delivery of product or services that fail to meet the item specifications;
- 3) Delivery of product or services that are defective or substandard or fail to pass product inspection;
- 4) Delivery of a product substitution, except as specifically authorized by the Contract;
- 5) Failure to meet required delivery schedules;
- 6) Failure to timely supply Awarded Items at the Awarded Pricing;
- 7) Failure to timely remit any service fee due the Cooperative under the Contract or any other BuyBoard contract with Vendor, its parent company, or affiliates;
- 8) Failure to provide, within a reasonable time and where required by the Contract, information reasonably requested by the Cooperative or Cooperative Administrator including, but not limited to, information requested under sections E.11 (BuyBoard Vendor Information and Reporting of Cooperative Member Purchases) or E.12 (Service Fees) of these Terms and Conditions;
- 9) Processing a Purchase Order received directly from a Cooperative member, without prior written approval from the Cooperative Administrator;
- 10) Providing architectural or engineering services under the Contract that must be procured pursuant to the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code);
- 11) Selling non-awarded products or services under the Contract or any other BuyBoard contract; or
- 12) Vendor refusal, inability, or loss of ability to offer or provide Awarded Items to Cooperative members in awarded regions or states unless caused by a Force Majeure event pursuant and subject to section E.19 (Force Majeure).

Notwithstanding any other provision of this section E.18, in the event of Vendor's default under or breach of any provision in the Contract, the Cooperative reserves the right to enforce the performance of the Contract in any manner prescribed by law or deemed to be in the best interest of the Cooperative or necessary or appropriate to protect or provide best value to Cooperative members. Without limiting the scope of the foregoing, the Cooperative, acting by or through the Cooperative Administrator, may temporarily inactivate (suspend) Vendor from the BuyBoard website and as a BuyBoard vendor, suspend or remove any Vendor Designated Dealer, or require removal of an Awarded Item with or without prior notice to Vendor, if the Cooperative or Cooperative Administrator reasonably determines that that there has been a breach under the Contract or any other BuyBoard contract with Vendor, including but not limited to nonpayment of service fees, or that there is a potential policy, public health, or safety issue to warrant such action. The temporary inactivation may remain in effect pending further action or termination of the Contract by the Cooperative. Vendor remains liable for all obligations and responsibilities incurred prior to and during any temporary inactivation and prior to termination, as applicable.

In the event the Cooperative terminates the Contract, in whole or in part, the Cooperative reserves the right to award the terminated Contract, or any portion thereof, to the next Proposer the Cooperative determines to provide best value to Cooperative members. Additionally, the Cooperative may sue for breach of contract and specific performance and, in addition to contract damages, recover attorneys' fees and costs. Vendor shall be liable for any and all damages permitted by law, and any deviation submitted by Vendor in its Proposal seeking to limit Vendor's liability to the Cooperative shall be deemed rejected. The Cooperative will not be liable to Vendor for any damages (including, but not limited to, loss of profits or loss of business, or any special, consequential, exemplary, or incidental damages) resulting from termination based on Vendor's default or breach of contract.

If any delay or failure of performance is caused by a Force Majeure event as described in section E.19 (Force Majeure) of these Terms and Conditions, the Cooperative may, in its sole discretion, terminate the Contract in whole or part, provided such termination complies with the procedures set out above. Any Contract termination resulting from any cause other than a Force Majeure event will be deemed a valid reason for the Cooperative not considering any future proposals from the defaulting Vendor.

In the event a Vendor's Contract is terminated under this section E.18, Vendor shall remain responsible for payment of all service fees to the Cooperative for Awarded Items sold under the Contract to Cooperative members prior to such termination.

(b) Default and Termination of Cooperative Member Purchase

A Cooperative member has no authority to terminate the Contract at the Cooperative level for default. A Cooperative member may terminate a Purchase Order or refuse to accept delivery (1) as provided for in these Terms and Conditions, Cooperative member Purchase Order, or ancillary agreement, or (2) for Vendor's material breach of a term or condition included in the Contract, a Cooperative member Purchase Order, or ancillary agreement. Additionally, to the extent permitted by law, Cooperative members may sue for breach of contract and specific performance and, in addition to contract damages, recover attorneys' fees and costs. Nothing herein shall limit the remedies available to a Cooperative member under applicable law.

A Cooperative member will not be liable to Vendor for any damages (including, but not limited to, loss of profits or loss of business, or any special, consequential, exemplary, or incidental damages) resulting from termination based on Vendor's default or breach of contract.

19. Force Majeure

The term Force Majeure includes, but is not limited to, governmental restraints or decrees, provided they affect all companies in Vendor's industry equally and are not actions taken solely against Vendor; acts of God (except natural phenomena, such as rain, wind, or flood, which are normally expected in the locale in which performance is to take place); work stoppages due to labor disputes or strikes; fires; explosions; epidemics or pandemics; riots; war; rebellion; or sabotage.

The Cooperative, Cooperative members, and Vendor are required to use due caution and preventive measures to protect against the effects of Force Majeure, and the burden of proving that Force Majeure has occurred rests on the party seeking relief under this section E.19. The claiming party must promptly notify the other party in writing, citing the details of the Force Majeure event, use due diligence to overcome obstacles to performance created by the Force Majeure event, and resume performance immediately after the obstacles have been removed, provided the Contract has not been terminated in the interim.

Delay or failure of performance of the Contract or a Purchase Order caused solely by a Force Majeure event will be excused for the period of delay caused solely by the Force Majeure event, provided the party claiming the event promptly notifies the other party in writing. Neither party shall have any claim for damages against the other resulting from delays caused solely by Force Majeure. The Cooperative will not be responsible for any cost incurred by Vendor because of a Force Majeure event. A Cooperative member will not be responsible for any cost incurred by Vendor because of the Force Majeure event unless an authorized representative of the Cooperative member has requested, in writing, that Vendor incur such cost in connection with any delay or work stoppage caused by the Force Majeure event.

Notwithstanding any other provision of this section E.19, in the event Vendor's performance of its obligations under the Contract is delayed or stopped by a Force Majeure event, the Cooperative may, at its sole option, terminate the Contract in accordance with section E.18 (Remedies for Default and Termination of Contract) of these Terms and Conditions. This section E.19 does not limit or otherwise modify any of the Cooperative's rights as provided elsewhere in the Contract.

F. Miscellaneous

1. Assignment

Vendor may not sell, assign, transfer, convey or subcontract any responsibility or obligation created by the Contract in regard to the Cooperative without the Cooperative's prior written consent. A Vendor wishing to assign, transfer, or convey all or any portion of an awarded Contract shall submit a written request to the Cooperative, preferably at least 60 days before the projected effective date of the assignment and promptly provide such information as the Cooperative may require to process and consider the request.

Approval or denial of an assignment request shall be within the sole discretion of the Cooperative, and a vendor not awarded a Contract through the Proposal Invitation process has no right or vested interest to assignment of an awarded Contract. In determining whether to consent, the Cooperative may consider any relevant factors, including whether the party to which the sale, assignment, transfer, conveyance or subcontract is proposed is bound to and will honor all obligations and responsibilities imposed on Vendor under the Contract, including Awarded Pricing, and the best interest of and value to Cooperative members. Vendor's attempted sale, assignment, transfer, conveyance or subcontracting of any part of the Contract except in compliance with this section F.1 is void and ineffective. If Vendor ceases distribution of an Awarded Item for any reason during the Contract term, including ceasing distribution in one or more regions or states designated by Vendor in its Texas Regional Service Designation or State Service Designation forms, and the Cooperative determines that continued availability of the product provides best value to Cooperative members, the Cooperative reserves the right to place the manufacturer of such product on the BuyBoard for the remainder of the Contract term for any or all regions or states in which Vendor has ceased distribution, in which event Vendor's Contract for such product will be deemed assigned to the product manufacturer.

2. Notices

Unless otherwise provided for in this Proposal Invitation, any written notice or other communication required by the Contract or by law will be conclusively deemed to have been given and received on the third business day after such written notice has been deposited in the U. S. Mail, properly addressed, and with sufficient postage affixed thereto, provided that actual notice may also be given via electronic mail or in any other manner used in commerce. If the conclusion of any time period provided for in these Terms and Conditions falls on a weekend or a federal holiday, the conclusion of such time period shall be deemed to be extended until the next business day. Otherwise, references to time periods measured by days shall mean calendar days unless business days are specifically designated.

2. Equal Employment Opportunity (EEO) Disclosures

Vendor agrees to abide by all applicable laws, regulations, and executive orders pertaining to equal employment opportunity, including federal laws and the laws of the state in which Vendor's primary place of business is located. In accordance with such laws, regulations and executive orders, Vendor agrees that no person in the United States shall, on the grounds of race, color, religion, national origin, sex, age, veteran status, disability or genetic information, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed by Vendor under the Contract. Upon request, Vendor will furnish information regarding its nondiscriminatory hiring and promotion policies.

3. Applicable Law, Venue and Dispute Resolution

The Contract is governed by and will be construed according to the laws of the State of Texas, including the Uniform Commercial Code (UCC) as adopted in the State of Texas as effective and in force on the date of the Contract. Venue for any litigation concerning the Cooperative or TASB lies in Austin, Travis County, Texas, and venue for any litigation between a Cooperative member and Vendor arising under the Contract lies in the home county of the member. The parties have the mutual affirmative duty to attempt to resolve any disputes that arise under the Contract in good faith at the least possible expense prior to the initiation of any type of judicial or administrative proceeding.

4. Waiver

No claim or right arising out of a breach of the Contract can be discharged in whole or part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. A party's failure to require strict performance of any provision of the Contract does not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision.

5. Interpretation - Parol Evidence

This writing is intended by the parties as a final expression of their agreement and a complete and exclusive statement of the terms of their agreement. No course of prior dealing between the parties and no usage of the trade is relevant to supplement or explain any terms used in the Contract. Acceptance or acquiescence in a course of performance rendered under the Contract is not relevant to and does not determine the meaning of the Contract even though the accepting or acquiescing party has knowledge of the performance and opportunity for objection.

6. Right to Assurance

Whenever the Cooperative in good faith has reason to question Vendor's intent to perform, the Cooperative may demand that Vendor give written assurance of its intent to perform. In the event that a demand is made and no assurance is given within five (5) days, the Cooperative may treat the failure as an anticipatory repudiation of the Contract.

7. Non-Appropriations Clause

Texas law prohibits the obligation and expenditure of public funds beyond the fiscal year for which a budget has been approved. A Cooperative member that is a governmental entity (a) reserves the right to rescind a multi-year purchase order or other agreement to purchase products or services under the Contract at the end of the member's fiscal year if it is determined that funding is not available to extend the agreement; and (b) will use its best efforts to attempt to obtain and appropriate funds for payment.

8. Invalid Term or Condition

If any term or condition of the Contract is held invalid or unenforceable, the remainder of the Contract will not be affected and will be valid and enforceable.

9. Remedies Cumulative

The remedies available to the Cooperative, a Cooperative member, or Vendor under this Contract are in addition to any other remedies that may be available under law or in equity.

10. Signatures

Except as otherwise specifically required in these Terms and Conditions, all notices, requests, amendments and other written documentation required or authorized under the Contract may be provided electronically or as an imaged document, and an electronic or facsimile signature shall be deemed an original.

11. Right of Setoff

Any indebtedness or obligation owed by Vendor or Vendor's affiliates to the Cooperative may be appropriated and applied by the Cooperative at any time, and from time to time, on any indebtedness or other obligation owed by the Cooperative to Vendor or Vendor's affiliates, whether such indebtedness or other obligations are now existing or hereafter arise, and whether under the Contract or otherwise. It is further understood and agreed that this right of setoff is in addition to, and not in lieu of, any other right, remedy or recourse which is available to the Cooperative either at law or equity, and that failure to exercise such right of setoff in any instance shall not constitute a waiver of such right.

APPENDIX II

ADDITIONAL TERMS AND CONDITIONS FOR BUYBOARD SELF-REPORTING

The following additional terms and conditions shall apply to any approved Vendor Request to Self-Report BuyBoard Purchases:

- 1. **BuyBoard Contracts Subject to Self-Reporting**. Authorization to self-report shall apply only to a Contract awarded under this Proposal Invitation. To the extent Vendor is awarded on another BuyBoard contract or contracts, separate authorization to self-report for such other contract(s) is required.
- 2. Monthly Vendor Reports. Vendor shall submit reports of Cooperative member purchases monthly to the Cooperative Administrator ("Monthly Vendor Reports"). All Monthly Vendor Reports shall be provided to BuyBoard at contractadmin@buyboard.com no later than the 10th day of the month. The Monthly Vendor Reports shall include a list of all purchase orders completed and invoiced by Vendor during the preceding month for BuyBoard members. Monthly Vendor Reports shall include any and all information reasonably required by, and in such format as may be reasonably required by, the BuyBoard Administrator from time to time. At a minimum, Monthly Vendor Reports shall include:
 - i. BuyBoard member name;
 - ii. Purchase Order amount;
 - iii. Purchase Order number;
 - iv. Date Purchase Order submitted to vendor;
 - v. Date purchase executed / completed / delivered;
 - vi. List of any Purchase Orders on prior Monthly Vendor Report(s) subsequently canceled;
 - vii. General description of purchase, including Vendor's awarded BuyBoard contract number and category or categories under which the purchase was made; and
 - viii. Final purchase amount total (as invoiced to BuyBoard member);
 - ix. Invoice Date.
- 3. Reconciling Self-Reported Information and Discrepancies. BuyBoard may, in its sole discretion, periodically send information to Cooperative members listing all purchases self-reported by Vendor for the Cooperative member and/or request reports from Cooperative members containing purchase order data. If discrepancies are noted or reported by the Cooperative member as a result of such report or otherwise, Vendor agrees to promptly respond and cooperate with the Cooperative and/or Cooperative members to reconcile and correct any discrepancies. Vendor further agrees to promptly respond to requests and comply with any reasonable request for information and documentation by the Cooperative or a Cooperative member to assist in such reconciliation.
- 4. Vendor Accounts. Recognizing that Cooperative members seeking best value may wish to compare pricing from multiple cooperatives when considering individual purchases, the Cooperative expects Vendor to honor any request by a Cooperative member to make a purchase through the Contract and expects that Vendor will not seek to limit or inhibit a Cooperative member from making individual purchases through the purchasing cooperative of its choice, regardless of the Cooperative member establishing an account with Vendor designating BuyBoard as its cooperative.
- 5. Vendor Obligation Comply with BuyBoard Contract. Nothing in an authorization to self-report shall be deemed to waive any of Vendor's obligations under the General Terms and Conditions of the Contract, including but not limited to Vendor's obligations to honor Cooperative member Purchase Orders and pay all service fees on such Purchase Orders. Nothing shall require Cooperative members to utilize Vendor's self-reporting option to make purchases under the Contract. Vendor shall process all Purchase Orders, including any Purchase Orders received directly through the BuyBoard.

- 6. **Amendment**. These Additional Terms and Conditions for BuyBoard Self-Reporting are subject to amendment by the Cooperative at any time in its sole discretion. BuyBoard shall provide written notice to Vendor of any amendment, and the amendment shall be effective thirty (30) days after the date of the written notice.
- 7. **Termination of Self-Report Authorization**. The Cooperative may terminate any authorization for Vendor to self-report at any time for any reason, in its sole discretion. Notice of termination, including the effective date of the termination, shall be provided to Vendor in writing. If Vendor at any time wishes to cease self-reporting BuyBoard member purchases, including after receipt of amended self-reporting terms or conditions as provided herein, Vendor shall provide the Cooperative with at least thirty (30) days prior written notice of its request to revoke, listing the effective date of such revocation in the notice. Any termination or revocation of an authorization to self-report shall pertain to Vendor self-reporting only and shall not affect an awarded Vendor's underlying BuyBoard contract.
- 8. **BuyBoard Contract Terms and Conditions**. Self-reporting is subject to the General Terms and Conditions of the Contract. Unless otherwise indicated, all capitalized terms used herein shall have the same meaning as set forth in the General Terms and Conditions of the Contract.
- 9. Assignment. An authorization to self-report is specific to Vendor and not subject to assignment. In the event a Vendor's awarded Contract is subsequently assigned to another vendor where permitted by the Contract, the Contract assignee must submit its own Vendor Request to Self-Report BuyBoard Purchases and receive approval of such request by the BuyBoard Administrator.

TEXAS COMMISION ON ENVIRONMENTAL QUALITY Protecting Texas by Reducing and Preventing Pullution NOTICE OF PUBLIC HEARING ON PROPOSED REVISIONS TO 30 TAC CHAPTER 113 AND TO THE STATE PLAN

he Texas Commission on Environmental Quality (commission) will conduct a The Texas Commission on Environmental Quality (commission) will conduct a public hearing to receive testimony regarding proposed revisions to 30 Texas Administrative Code (TAC) Chapter 113, Standards of Performance for Hazardous Air Pollutants and for Designated Facilities and Pollutants, Subchapter D, Designated Facilities and Pollutants, Division 1, §113.2069; proposed new Division 6; and proposed revisions to the Federal Clean Air Act (FCAA), §111 (d) State Plan for municipal solid waste (MSW) landfills under the requirements of Texas Health and Safety Code, §382.017; Texas Government Code, Chapter 2001, Subchapter B; and 40 Code of Federal Regulations (CFR) §60.23, concerning adoption and submittal of state plans.

The proposed rulemaking would revise Chapter 113 to implement updated federal emission guidelines for existing MSW landfills. The proposed changes to the rules and the §111(d) State Plan would allow TCEQ to administer and enforce these guidelines after federal approval. Currently, existing MSW landfills are required to comply with a federal plan administered by the U.S Environmental Protection Agency (EPA). The proposed revisions to the §111(d) State Plan are required under the FCAA, §111 and the emission guidelines for MSW landfills contained in 40 CFR Part 60 Subpart Cf. States must adopt and submit to the EPA for approval a state plan to implement and enforce the emission guidelines.

The commission will hold a hybrid in-person and virtual public hearing on this proposal in Austin on February 23, 2023, at 10:00 a.m. in Building D, Room 191, at the commission's central office located at 12100 Park 35 Circle. The hearing is structured for the receipt of oral or written comments by interested persons. Individuals may present oral statements when called upon in order of registration.
