In the event that the Pembroke Pines Police Department receives a request pursuant to Florida's public records statute, the civil or criminal discovery process, or other judicial, legislative, or administrative process, to disclose CEHTTF records, the Pembroke Pines Police Department will immediately notify the FBI of any such request in order to allow sufficient time for the FBI to seek to prevent disclosure through appropriate channels, if necessary.

No information possessed by the FBI, to include information derived from informal communications between CEHTTF personnel and FBI employees not assigned to the CEHTTF, may be disseminated by CEHTTF personnel to non-CEHTTF personnel without the approval of the CEHTTF Supervisor and in accordance with the applicable laws and internal regulations, procedures, or agreements between the FBI and the participating agencies that would permit the participating agencies to receive that information directly. Likewise, CEHTTF personnel will not provide any participating agency information to the FBI that is not otherwise available to it unless authorized by appropriate participating agency officials.
36. The Parties acknowledge that this MOU may provide CEHTTF personnel with access to information about U.S. persons which is protected by the Privacy Act of 1974 and/or Executive Order 12333. The Parties expressly agree that all such information will be handled lawfully pursuant to the provisions thereof. The Parties further agree that if this access to information by CEHTTF personnel requires a change in privacy compliance documents, those changes will be accomplished prior to access being granted.
37. Each Party that discloses personally identifiable information (PII) is responsible for making reasonable efforts to ensure that the information disclosed is accurate, complete, timely, and relevant.
38. The FBI is providing access to information from its records with the understanding that in the event the recipient becomes aware of any inaccuracies in the data, the recipient will promptly notify the FBI so that corrective action can be taken. Similarly, if the FBI becomes aware that information it has received pursuant to this MOU is inaccurate, it will notify the contributing Party so that corrective action can be taken.
39. Each Party is responsible for ensuring that information it discloses was not knowingly obtained or maintained in violation of any law or policy applicable to the disclosing Party,

FOR OFFICIAL USE ONLY

and that information is only made available to the receiving Party as may be permitted by laws, regulations, policies, or procedures applicable to the disclosing Party.

- 40. Each Party will immediately report to the other Party each instance in which data received from the other Party is used, disclosed, or accessed in an unauthorized manner (including any data losses or breaches).
- 41. Each party agrees to provide, upon request, details regarding the handling and maintenance of data in electronic and paper recordkeeping systems maintained pursuant to the provisions of this MOU, in order to allow the other party to ensure that appropriate security and privacy protections are in place. Such information shall be provided to the extent allowable by the laws, regulations, and policies governing each party.

PROSECUTIONS

- 42. CEHTTF investigative procedures, whenever practicable, are to conform to the requirements which would allow for either federal or state prosecution.
- 43. A determination will be made on a case-by-case basis whether the prosecution of CEHTTF cases will be at the state or federal level. This determination will be based on the evidence obtained and a consideration of which level of prosecution would be of the greatest benefit to the overall objectives of the CEHTTF.
- 44. In the event that a state or local matter is developed that is outside the jurisdiction of the FBI or it is decided to prosecute a CEHTTF case at the state or local level, the FBI agrees to provide all relevant information to state and local authorities in accordance with all applicable legal limitations.

A. Investigative Methods/Evidence

- 45. For cases assigned to an FBI Special Agent or in which FBI CHSs are utilized, the Parties agree to conform to federal standards concerning evidence collection, processing, storage, and electronic surveillance. However, in situations where the investigation will be prosecuted in the State Court where statutory or common law of the state is more restrictive than the comparable federal law, the investigative methods employed by FBI case agents shall conform to the requirements of such statutory or common law pending a decision as to venue for prosecution.
- 46. In all cases assigned to state, county, or local law enforcement participants, the Parties agree to utilize federal standards pertaining to evidence handling and electronic surveillance activities as outlined in the DIOG to the greatest extent possible. However, in situations where the statutory or common law of the state is more restrictive than the comparable federal law, the investigative methods employed by state and local law enforcement agencies shall conform to the requirements of such statutory or common law pending a decision as to venue for prosecution.
- 47. The use of other investigative methods (search warrants, interceptions of oral communications, etc.) and reporting procedures in connection therewith will be consistent with the policies and procedures of the FBI.

B. Undercover Operations

48. All CEHTTF undercover operations will be conducted and reviewed in accordance with FBI guidelines and the United States Attorney General's Guidelines on FBI Undercover Operations. All participating agencies may be requested to enter into an additional agreement if an employee of the participating agency is assigned duties which require the officer to act in an undercover capacity.

USE OF LESS-THAN-LETHAL-DEVICES¹

49. The parent agency of each individual assigned to the CEHTTF will ensure that while the individual is participating in FBI-led task force operations in the capacity of a task force officer, task force member, or task force participant, the individual will carry only less lethal devices that the parent agency has issued to the individual, and that the individual has been trained in accordance with the agency's policies and procedures.
50. The parent agency of each individual assigned to the CEHTTF will ensure that the agency's policies and procedures for use of any less-lethal device that will be carried by the task force officer, task force member, or task force participant are consistent with the DOJ policy statement on the Use of Less-Than-Lethal Devices.²

¹ Pursuant to Section VIII of the DOJ Less-Than-Lethal Devices Policy dated May 16, 2011, all state/local officers participating in joint task force operations must be made aware of and adhere to the policy and its limits on DOJ officers.

² Less-lethal – When use of force is required, but deadly force may not be appropriate, law enforcement officers may employ less-lethal weapons to gain control of a subject. Less-lethal weapons are designed to induce a subject to submit or comply with directions. These weapons give law enforcement officers the ability to protect the safety of officers, subjects, and the public by temporarily incapacitating subjects. While less-lethal weapons are intended to avoid causing any serious harm or injury to a subject, significant injuries and death can occur from their use.

The term "less-than-lethal" is synonymous with "less-lethal," "non-lethal," "non-deadly," and other terms referring to devices used in situations covered by the DOJ Policy on the Use of Less-Than Lethal Devices. "Less-lethal" is the industry standard and the terminology the FBI has elected to utilize in reference to this policy.

DEADLY FORCE AND SHOOTING INCIDENT POLICIES

51. CEHTTF personnel will follow their own agencies' policies concerning firearms discharge and use of deadly force.

DEPUTATIONS

52. Local and state law enforcement personnel designated to the CEHTTF, subject to a limited background inquiry, shall be sworn as federal task force officers by acquiring Title 18 authority (via the United States Marshals) and Title 21 U.S.C. authority (via the FBI, to participate in federal drug investigations). The FBI will secure the required

FOR OFFICIAL USE ONLY

deputation authorization(s). These deputation(s) should remain in effect throughout the tenure of each investigator's assignment to the CEHTTF or until the termination of the CEHTTF, whichever comes first.

53. Deputized CEHTTF personnel will be subject to the rules and regulations pertaining to such deputation. Administrative and personnel policies imposed by the participating agencies will not be voided by deputation of their respective personnel.
54. State, local, tribal, and territorial law enforcement officers (LEOs) who serve on the CEHTTF must be federally deputized under Title 18. They must also be deputized under Title 21 to participate in federal drug investigations. The FBI may likewise require federal LEOs who serve on the CEHTTF to be deputized while assigned to the CEHTTF. The FBI will secure the required authorization for deputations, as needed.
55. Under the terms of this MOU, the Participating Agency agrees that non-LEOs detailed to the CEHTTF will not: (1) participate in law enforcement activities; (2) carry a weapon, either lethal or non-lethal; or (3) participate in the execution of search/arrest warrants.

VEHICLES

56. In furtherance of this MOU, employees of participating agencies may be permitted to drive FBI owned or leased vehicles for official CEHTTF business and only in accordance with applicable FBI rules and regulations, including those outlined in the FBI Government Vehicle Use Policy Guide (1375PG). The assignment of an FBI owned or leased vehicle to participating agency CEHTTF personnel will require the execution of a separate Vehicle Use Agreement.
57. The participating agencies agree that FBI vehicles will not be used to transport passengers unrelated to CEHTTF business.
58. Neither the FBI nor the United States shall be responsible for any civil liability arising from the use of an FBI owned or leased vehicle by participating agency CEHTTF personnel while engaged in any conduct other than their official duties and assignments pursuant to their federal deputation on the CEHTTF.
59. To the extent permitted by applicable law, the participating agencies agree to hold harmless the FBI and the United States, for any claim for property damage or personal injury arising from any use of an FBI owned or leased vehicle by participating agency CEHTTF personnel which is outside the scope of their official duties and assignments.

SALARY/OVERTIME COMPENSATION

60. The FBI and each participating agency remain responsible for all personnel costs for their CEHTTF representatives, including salaries, overtime payments, and fringe benefits consistent with their respective agency, except as described in paragraph 61 below.

FOR OFFICIAL USE ONLY

61. Subject to funding availability and legislative authorization, the FBI will reimburse to participating agencies the cost of overtime worked by non-federal CEHTTF personnel assigned full-time to CEHTTF, provided overtime expenses were incurred as a result of CEHTTF-related duties, and subject to the provisions and limitations set forth in a separate Cost Reimbursement Agreement to be executed in conjunction with this MOU. A separate Cost Reimbursement Agreement must be executed between the FBI and participating agencies for full-time employee(s) assigned to CEHTTF, consistent with regulations and policy, prior to any reimbursement by the FBI. Otherwise, overtime shall be compensated in accordance with applicable participating agency overtime provisions and shall be subject to the prior approval of appropriate personnel.

PROPERTY AND EQUIPMENT

62. Property utilized by the CEHTTF in connection with authorized investigations and/or operations and in the custody and control and used at the direction of the CEHTTF, will be maintained in accordance with the policies and procedures of the agency supplying the equipment. Property damaged or destroyed which was utilized by CEHTTF in connection with authorized investigations and/or operations and is in the custody and control and used at the direction of CEHTTF, will be the financial responsibility of the agency supplying said property.

FUNDING

63. This MOU is not an obligation or commitment of funds, nor a basis for transfer of funds, but rather is a basic statement of the understanding between the Parties hereto of the tasks and methods for performing the tasks described herein. Unless otherwise agreed in writing, each Party shall bear its own costs in relation to this MOU. Expenditures by each Party will be subject to its budgetary processes and to the availability of funds and resources pursuant to applicable laws, regulations, and policies. The Parties expressly acknowledge that the above language in no way implies that Congress will appropriate funds for such expenditures.

FORFEITURES

64. The FBI shall be responsible for processing assets seized for federal forfeiture in conjunction with CEHTTF operations.
65. Asset forfeitures will be conducted in accordance with federal law and the rules and regulations set forth by the FBI and DOJ. Forfeitures attributable to CEHTTF investigations may be equitably shared with the agencies participating in the CEHTTF.

DISPUTE RESOLUTION

66. In cases of overlapping jurisdiction, the participating agencies agree to work in concert to achieve the CEHTTF's objectives.
67. The participating agencies agree to attempt to resolve any disputes regarding jurisdiction, case assignments, workload, etc., at the field level first before referring the matter to supervisory personnel for resolution.

MEDIA RELEASES

- 68. All media releases and statements will be mutually agreed upon and jointly handled according to FBI and participating agency guidelines.
- 69. Press releases will conform to DOJ Guidelines regarding press releases. No release will be issued without FBI final approval.

SELECTION TO CEHTTF AND SECURITY CLEARANCES

- 70. If a participating agency candidate for the CEHTTF will require a security clearance, he or she will be contacted by FBI security personnel to begin the background investigation process prior to the assigned start date.
- 71. If, for any reason, the FBI determines that a participating agency candidate is not qualified or eligible to serve on the CEHTTF, the participating agency will be so advised and a request will be made for another candidate.
- 72. Upon being selected, each candidate will receive a comprehensive briefing on FBI field office security policies and procedures. During the briefing, each candidate will execute non-disclosure agreements (SF-312 and FD-868), as may be necessary or required by the FBI.
- 73. Before receiving unescorted access to FBI space identified as an open storage facility, CEHTTF personnel will be required to obtain and maintain a "Top Secret" security clearance. CEHTTF personnel will not be allowed unescorted access to FBI space unless they have received a Top Secret security clearance.
- 74. Upon departure from the CEHTTF, each individual whose assignment to the CEHTTF is completed will be given a security debriefing and reminded of the provisions contained in the non-disclosure agreement to which he or she previously agreed.

LIABILITY

- 75. The participating agencies acknowledge that this MOU does not alter the applicable law governing civil liability, if any, arising from the conduct of personnel assigned to the CEHTTF.
- 76. Each party agrees to notify the other in the event of receipt of a civil claim arising from the CEHTTF. Both parties agree to cooperate fully with one another in the event of any investigation arising from alleged negligence or misconduct arising from the CEHTTF. Nothing in this paragraph prevents any party from conducting an independent administrative review of any incident giving rise to a claim. In the event that a civil claim or complaint is brought against a state or local officer assigned to the CEHTTF, the officer may request legal representation and/or defense by DOJ, under the circumstances and pursuant to the statutes and regulations identified below.

77. COMMON LAW TORT CLAIMS

FOR OFFICIAL USE ONLY

- A. Congress has provided that the exclusive remedy for the negligent or wrongful act or omission of an employee of the U.S. Government, acting within the scope of his or her employment, shall be an action against the United States under the Federal Tort Claims Act, 28 U.S.C. § 1346(b), and §§ 2671-2680.
- B. Notwithstanding any other provision contained in this MOU, for the limited purpose of defending civil claims arising out of CEHTTF activity, any employee detailed from a Participating Agency who is acting within the course and scope of his or her official duties and assignments pursuant to this MOU may be considered an "employee" of the U.S. government, as defined at 28 U.S.C. § 2671. See 5 U.S.C. § 3374(c)(2).
- C. Under the Federal Employee Liability Reform and Tort Compensation Act of 1998 (commonly known as the Westfall Act), see 28 U.S.C. § 2679(b)(1), if an employee of the United States is named as a defendant in a civil action, the Attorney General or his or her designee may certify that the defendant acted within the scope of his or her employment at the time of the incident giving rise to the suit. 28 U.S.C. § 2679(d)(1)&(2). The United States can then be substituted for the employee as the sole defendant with respect to any tort claims alleged in the action. 28 U.S.C. § 2679(d)(1)&(2). Decisions to certify that an employee was acting within the scope of his or her employment at the time of the incident giving rise to the suit, see 28 U.S.C. § 2679(d)(1)&(2), are made on a case-by case-basis, and such certification cannot be guaranteed.
- D. If the Attorney General declines to certify that an employee was acting within the scope of employment, "the employee may at any time before trial petition the court to find and certify that the employee was acting within the scope of his office or employment." 28 U.S. C. § 2679(d)(3)."

78. For the limited purpose of defending against a civil claim arising from an alleged violation of the U.S. Constitution pursuant to 42 U.S.C. § 1983 or Bivens v. Six Unknown Named Agents of the Federal Bureau of Narcotics, 403 U.S. 388 (1971): An individual assigned to the CEHTTF who is named as a defendant in a civil action as a result of or in connection with the performance of his or her official duties and assignments pursuant to this MOU may request individual-capacity representation by DOJ to defend against the claims. 28 C.F.R. §§ 50.15, 50.16. Any such request for individual-capacity representation must be made in the form of a letter from the individual defendant to the U.S. Attorney General. The letter should be provided to Chief Division Counsel (CDC) for the FBI Miami Field Office, who will then coordinate the request with the FBI Office of the General Counsel. In the event of an adverse judgment against the individual, he or she may request indemnification from DOJ. 28 C.F.R. § 50.15(c)(4). Requests for DOJ representation and indemnification are determined by DOJ on a case-by-case basis. The FBI cannot guarantee the United States will provide legal representation or indemnification to any CEHTTF personnel.

79. Unless otherwise authorized by the FBI, liability for any conduct by CEHTTF personnel undertaken outside of the scope of their duties and assignments pursuant to their federal deputation on the CEHTTF shall not be the responsibility of the FBI or the United States.

FOR OFFICIAL USE ONLY

DURATION

80. The term of this MOU is for the duration of the CEHTTF's operations, contingent upon approval of necessary funding, but may be terminated at any time upon written mutual consent of the agency involved.
81. Any participating agency may withdraw from the CEHTTF at any time by written notification to the CEHTTF Supervisor with designated oversight for investigative and personnel matters or program manager of the CEHTTF at least 30 days prior to withdrawal.
82. Upon termination of this MOU, all equipment provided to the CEHTTF will be returned to the supplying agency/agencies. In addition, when an entity withdraws from the MOU, the entity will return equipment to the supplying agency/agencies. Similarly, remaining agencies will return to a withdrawing agency any unexpended equipment supplied by the withdrawing agency during any CEHTTF participation.
