Please provide a brief statement outlining why you wish to serve on the board(s) you have indicated above.

I would like to offer my 15 years of unique experience and qualifications to this very important board, especially at a time when Police and Fire pensions are so critical to the financial well being of the City of Pembroke Pines. The fact that I have served on almost every city board during my over 56 years of residency, simply adds to my qualifications. I also bring to this board the fact that I have served 3 terms as an elected Pembroke Pines City Commissioner/Vice Mayor. I bring with this background, a perspective of having dealt with the funding these pensions from a budgetary and an administrative standpoint. I have also served 15 years as an elected member of the South Broward Drainage District as the Secretary, Vice Chair and Chairman, where I also dealt with budgets, employee salaries and pensions. My education (a BA in Political Science and a Master's in Public Administration) and business experience of preparing budgets (ranging from \$100,000 to \$15,000,000) for departments with 3 to 120, gives me hands on experience/expertise. Please see my resume.

I hereby certify that all statements made in this application are true and complete. Permission is granted to the City of Pembroke Pines to investigate and verify criminal and credit history and any information provided on this and successive documents completed for purposes of my appointment to the City Board or Committee. In return for consideration of my application, I release any person who provides information pertaining to me from all claims or liabilities that might otherwise result from such information or opinions.
