## Exhibit A

### F. COMMENTS

☐ See Attached

- Waste Management reserves the right to refuse any load or discontinue any waste stream should such waste pose a threat to human health or safety, prove to be operationally challenging, or is in violation of any WM permit.
- All loads must be accompanied by proper shipping paper.
- If Waste Management (WM) received authorization to make changes to your waste profile during the approval process, your acceptance and execution of this Exhibit A confirms the accuracy of the changes.
- If WM (or a WM contracted hauler) is not providing the transportation services, you must ensure that the transporter is licensed and approved to haul the Special Waste and/or Hazardous Waste. All Third Party Transporters must comply with WM Safety requirements and procedures (hard hat, safety glasses, steel-toe boots, and safety vest). If transporting to a CWM facility, a Tyvek suit and respirator are also required.
- Prices quoted herein are valid for 30 days. Unless Waste Management is hired for this project prior to the expiration of this 30 day period in which case pricing remains valid in accordance with the terms of the Service Agreement.
- Pricing is based on the information provided on your profile and the representative data previously submitted. Charges incurred for additional services not listed above will be subject to standard rates and payment of the invoice represents mutual agreement of those charges.
- The fuel surcharge percentage can fluctuate on a weekly basis; [www.wm.com/fsc.jsp](http://www.wm.com/fsc.jsp) provides the current Fuel Surcharge and DOE average. The actual percentage rate applied to the total project invoice will be determined on the date the load was received.
- Please see profile approval form for special handling instructions. Additional special terms and conditions may be defined on your original quotation.
- This material cannot contain any asbestos (friable or non-friable), lead based paint or PCB contaminated debris. If these contaminants are present in the waste, please contact the Technical Service Center to complete a profile form by calling 1-800-883-4778.
