I wish to serve on the board listed above because I think

I can make relevant contributions. I have worked at educational institutions for the last 20 years

and interacted with a range of individuals. That experience can be helpful to the committee.

The city of Pembroke Pines is becoming more and more diverse each year and I think there

is a lot more that can be done to involve all in the community & embrace all its uniqueness. Some ethnicities feel that they

are not included in the community and I would like to work on changing that belief.

Making Pembroke Pines a more welcoming city to all is a goal that I would to be involved in.
