The selected vending company shall provide a monthly commission to the City of Pembroke Pines.

1.3 SCOPE OF WORK

The services required are designed for a vendor to furnish, install, stock, replenish and maintain beverage and snack vending machines, at no cost to the City, to be placed at approved locations for use by guests, visitors, citizens and employees. Proposer will furnish, install and maintain vending machines at City designated locations as described in **Attachment N** or at any other location that the City may permit and that has been agreed upon by both parties.

It is the intent and purpose to conduct the service in a way that provides the most efficient operation to the City of Pembroke Pines.

1.3.1 EQUIPMENT PRODUCTS AND SERVICES

The vending machines are to be “state of the art.” Equipment shall be no more than five (5) years old at any given time during the contract term. Any product offered must be fresh and unexpired (sold by date) when delivered and stock must be rotated on a regular basis to maintain a fresh supply and avoid outdated products. Consideration should be given to those products offering adequate packaging as to prevent aging, hardening or other similar deterioration of merchandise quality.

The snack machines should be large capacity machines with up to 45 selections and 800 total products. Vendor(s) shall specify size of equipment bid. Final determination of selected unit(s) shall be made by the City.

It is the intent of the City to have neat, clean and attractive machines in proper working order. The City shall reserve the right to determine what shall be acceptable in terms of the aesthetic value (neat, clean, attractive, and serviceable) of the vending machines to be installed in City facilities. Specific machines shall be upgraded to provide a greater selection or quantity at the same price and terms set forth during the term of the Agreement whenever the City determines a greater customer selection is appropriate.

replacement is provided by the Vendor. The continuous, uninterrupted, satisfactory operation of these machines is a vital factor. Successful Vendor's performance in maintaining this operation will be closely monitored. Lost, stolen or damaged equipment shall be replaced or repaired (as applicable) at no cost to the City.

Such adjustments shall be by mutual agreement between the City and the Vendor(s), evidenced by a written amendment to the agreement.

1.3.4 ASSIGNMENT AND/OR SUBCONTRACTING

Any resulting agreement may not be assigned without the express permission from the City. A listing of all sub-contractors, if any, and the portion of the contract they will perform must be submitted with the proposal. If sub-contractors are stated, this does not relieve the Vendor from the prime responsibility for full and complete satisfactory and acceptable performance under any awarded contract.

1.3.5 PAYMENT

Payment and statement for previous month's gross receipts shall be received by the City by the fifteenth (15th) of the following month. In the event that the Vendor fails to make this payment within five (5) days of the due date, there shall be an additional charge of \$50.00 payable to the City for such late payment. The late fee shall be applied one time per month.

The Vendor shall be responsible for collecting and remitting all sales tax to the State of Florida. 1.5.1 SCORING FOR REVENUE PROPOSAL CRITERIA

The Evaluation Committee will utilize the following when calculating the weighted score of each vendor related to the **Revenue Proposal** criteria.

The **Percentage of gross sales payables to the City for Beverages & Snacks** for each proposer will be multiplied against the City's estimated annual amount for **Gross Sales for Beverages & Snacks** to determine the **Total Revenue from Gross Sales** for each proposer.

For calculation purposes, the City shall use \$30,000 as the estimated annual amount for **Gross Sales for Beverages & Snacks**. However, please note that the \$30,000 estimate is not a guaranteed amount of gross sales that may be realized during the course of the contract as sales fluctuate.

In addition, the **Total Minimum Amount Per Month Payable to the City for Beverage and Snack Machines** will be multiplied by 12 months to generate the **Total Minimum Annual Amount Payable to the City**.

The higher amount of the **Total Revenue from Gross Sales** or the **Total Minimum Annual Amount Payable to the City** will be used as the **Revenue Proposal** for each proposer.

Then **Proposer "X" Revenue Proposal** will be divided by the highest **Revenue Proposal** and that total will be multiplied by the **Maximum Available Points for the Revenue Proposal = Proposer "X" Score**.

Example:

Firm "A" revenue proposal is \$20,000 and is the highest revenue proposal

Firm "B" revenue proposal is \$15,000

Firm "C" revenue proposal is \$10,000

Maximum Points Available for the “Revenue Proposal” criteria: 45

Calculation:

Firm “A”: Highest revenue proposal and receives 45 points

Firm “B”: $\$15,000/\$20,000 \times 45$ points = 33.75 points

Firm “C”: $\$10,000/\$20,000 \times 45$ points = 22.50 points

1.6 TERM AND RENEWAL

Contract term shall be two (2) years, renewable for three (3) additional one (1) year periods. The minimum percentage of gross sales and minimum amount per month shall be as proposed herein, for the initial term of the contract.

3.7 BRAND NAMES

If and wherever in the specifications a brand name, make, name of manufacturer, trade name, or vendor catalog number is mentioned, it is for the purpose of establishing a grade or quality of material only. 3.15 COPYRIGHT OR PATENT RIGHTS

3.20 SIGNATURE REQUIRED

All proposals must be signed with the firm name and by an officer or employee having authority to bind the company or firm by his signature. FAILURE TO PROPERLY SIGN PROPOSAL SHALL INVALIDATE SAME, AND IT MAY NOT BE CONSIDERED FOR AWARD.

Therefore, bidders will not be able to procure a copy of their competitor's bids until an intended decision is reached or 30 days has elapsed since the time of the bid opening.

If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-DIV (dividends, including those from stocks or mutual funds)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.

You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

VETERAN OWNED SMALL BUSINESS (VOSB) PREFERENCE CERTIFICATION

SECTION 1 GENERAL TERM

VETERAN OWNED SMALL BUSINESS (VOSB) PREFERENCE

The evaluation of competitive bids is subject to section 35.37 of the City's Procurement Procedures which, except where contrary to federal and state law, or any other funding source requirements, provides that preference be given to veteran owned small businesses. To satisfy this requirement, the vendor shall affirm in writing its compliance with the following objective criteria as of the bid or proposal submission date stated in the solicitation. A veteran owned small business shall be defined as:

1. "Veteran Owned Small Business" shall mean a business entity which has received a "Determination Letter" from the United States Department of Veteran Affairs Center for Verification and Evaluation notifying the business that they have been approved as a Veteran Owned Small Business (VOSB).

A preference of two and a half percent (2.5%) of the total evaluation point, or two and a half percent (2.5%) of the total price, shall be given to the **Veteran Owned Small Business (VOSB)**. This shall mean that if a **VOSB** submits a bid/quote that is within 2.5% of the lowest price submitted by any vendor, the **VOSB** shall have an option to submit another bid which is at least 1% lower than the lowest responsive bid/quote. If the **VOSB** submits a bid which is at least 1% lower than that lowest responsive bid/quote, then the award will go to the **VOSB**. If not, the award will be made to the vendor that submits the lowest responsive bid/quote. If the lowest responsive and responsible bidder IS a "**Local Pembroke Pines Vendor**" (**LPPV**) or a "**Local Broward County Vendor**" (**LBCV**) as established in Section 35.36 of the City's Code of Ordinances, entitled "Local Vendor Preference", then the award will be made to that vendor and no other bidders will be given an opportunity to submit additional bids as described herein.

If there is a **LPPV**, a **LBCV**, and a **VOSB** participating in the same bid solicitation and all three vendors qualify to submit a second bid, the **LPPV** will be given first option. If the **LPPV** cannot beat the lowest bid received by at least 1%, an opportunity will be given to the **LBCV**. If the **LBCV** cannot beat the lowest bid by at least 1%, an opportunity will be given to the **VOSB**. If the **VOSB** cannot beat the lowest bid by at least 1%, then the bid will be awarded to the lowest bidder.

If multiple **VOSBs** submit bids/quotes which are within 2.5% of the lowest bid/quote and there are no **LPPV** or **LBCV** as described in Section 35.36 of the City's Code of Ordinance, entitled "Local Vendor Preference", then all **VOSBs** will be asked to submit a **Best and Final Offer (BAFO)**. EQUAL BENEFITS CERTIFICATION FORM FOR DOMESTIC PARTNERS AND ALL MARRIED COUPLES

Except where federal or state law mandates to the contrary, a Contractor awarded a Contract pursuant to a competitive solicitation shall provide benefits to Domestic Partners and spouses of its employees, irrespective of gender, on the same basis as it provides benefits to employees' spouses in traditional marriages.

The Contractor shall provide the City and/or the City Manager or his/her designee, access to its records for the purpose of audits and/or investigations to ascertain compliance with the provisions of this section, and upon request shall provide evidence that the Contractor is in compliance with the provisions of this section upon each new bid, contract renewal, or when the City Manager has received a complaint or has reason to believe the Contractor may not be in compliance with the provisions of this section. Records shall include but not be limited to providing the City and/or the City Manager or his/her designee with certified copies of the Contractor's records pertaining to its benefits policies and its employment policies and practices.

The Contractor must conspicuously make available to all employees and applicants for employment the following statement:

"During the performance of a contract with the City of Pembroke Pines, Florida, the Contractor will provide Equal Benefits to its employees with spouses, as defined by Section 35.39 of the City's Code of Ordinances, and its employees with Domestic Partners and all Married Couples".

The posted statement must also include a City contact telephone number and email address which will be provided to each contractor when a covered contract is executed.

SECTION 1 DEFINITIONS

- 1. Benefits** means the following plan, program or policy provided or offered by a contractor to its employees as part of the employer's total compensation package which may include but is not limited to sick leave, bereavement leave, family medical leave, and health benefits.
- 2. Cash Equivalent** mean the amount of money paid to an employee with a domestic partner or spouse in lieu of providing benefits to the employee's domestic partner or spouse. The cash equivalent is equal to the employer's direct expense of providing benefits to an employee for his or her spouse from a traditional marriage.
- 3. Covered Contract** means a contract between the City and a contractor awarded subsequent to the date when this section becomes effective valued at over \$25,000 or the threshold amount required for competitive bids as required in section 35.18(A) of the Procurement Code.
- 4. Domestic Partner** shall mean any two (2) adults of the same or different sex who have registered as domestic partners with a governmental body pursuant to state or local law authorizing such registration, or with an internal registry maintained by the employer of at least one of the domestic partners. A contractor may institute an internal registry to allow for the provision of equal benefits to employees with domestic partners who do not register their partnerships pursuant to a governmental body authorizing such registration, or who are located in a jurisdiction where no such governmental domestic partnership registry exists. A contractor that institutes such registry shall not impose criteria for registration that are more stringent than those required for domestic partnership registration by the City of Pembroke Pines.
- 5. Equal benefits** means the equality of benefits between employees with spouses and/or dependents of spouses and employees with domestic partners and/or dependents of domestic partners, and/or between spouses of employees and/or dependents of spouses and domestic partners of employees and/or dependents of domestic partners.

- 6. Spouse** means one member of a married pair legally married under the laws of any state within the United States of America or any other jurisdiction under which such marriage is legally recognized, irrespective of gender.
- 7. Traditional marriage** means a marriage between one man and one woman.

SECTION 2 CERTIFICATION OF CONTRACTOR

The firm providing a response, by virtue of the signature below, certifies that it is aware of the requirements of Section 35.39 "City Contractors providing Equal Benefits for Domestic Partners and all Married Couples" of the City's Code of Ordinances, and certifies the following **(Check only one box below)**:

- A.** Contractor currently complies with the requirements of this section; or
- B.** Contractor will comply with the conditions of this section at the time of contract award; or
- C.** Contractor will not comply with the conditions of this section at the time of contract award: or
- D.** Contractor does not comply with the conditions of this section because of the following allowable exemption **(Check only one box below)**:

1. The Contractor does not provide benefits to employees' spouses in traditional marriages;

2. The Contractor provides an employee the cash equivalent of benefits because the Contractor is unable to provide benefits to employees' Domestic Partners or spouses despite making reasonable efforts to provide them. To meet this exception, the Contractor shall provide a notarized affidavit that it has made reasonable efforts to provide such benefits. The affidavit shall state the efforts taken to provide such benefits and the amount of the cash equivalent. Cash equivalent means the amount of money paid to an employee with a Domestic Partner or spouse rather than providing benefits to the employee's Domestic Partner or spouse. The cash equivalent is equal to the employer's direct expense of providing benefits to an employee's spouse;

3. The Contractor is a religious organization, association, society, or any non-profit charitable or educational institution or organization operated supervised or controlled by or in conjunction with a religious organization, association, or society;

City of Pembroke Pines
RFP # RE-18-12
Vending Machine Services

A) REVISION TO THE PROPOSAL SECTION

Beverage & Snack Machine Revenue Proposal	To be Submitted Via BidSync
Percentage of gross sales payable to the City	%
Minimum amount per month payable to the City, <u>per machine</u>	\$

B) REVISION TO SECTION 1.5.1 OF THE BID PACKAGE

1.5.1 SCORING FOR REVENUE PROPOSAL CRITERIA

The Evaluation Committee will utilize the following when calculating the weighted score of each vendor related to the **Revenue Proposal** criteria.

The **Percentage of gross sales payables to the City** for Beverages & Snacks for each proposer will be multiplied against the City's **Estimated Annual Amount for Gross Sales for Beverages & Snacks** to determine the **Total Estimated Annual Revenue from Gross Sales** for each proposer.

For calculation purposes, the City shall use \$30,000 as the **Estimated Annual Amount for Gross Sales for Beverages & Snacks**. However, please note that the \$30,000 estimate is not a guaranteed amount of gross sales that may be realized during the course of the contract as sales fluctuate.

In addition, the **Minimum amount per month payable to the City, per machine** will be multiplied by 12 months and also multiplied by the Estimated Number of Vending Machines to generate the **Total Estimated Minimum Annual Amount Payable to the City**.

For calculation purposes, the City shall use 36 as the Estimated Number of Vending Machines. However, please note that the number of machines may fluctuate from time to time, per mutual agreement of the parties.

The higher amount of the **Total Estimated Annual Revenue from Gross Sales** or the **Total Estimated Minimum Annual Amount Payable to the City** will be used as the **Revenue Proposal** for each proposer.

Then **Proposer “X” Revenue Proposal** will be divided by the **Highest Revenue Proposal** and that total will be multiplied by the **Maximum Available Points for the Revenue Proposal = Proposer “X” Score**.

Example:

Firm “A” revenue proposal is \$20,000 and is the highest revenue proposal

Firm “B” revenue proposal is \$15,000

Firm “C” revenue proposal is \$10,000

Maximum Points Available for the “Revenue Proposal” criteria: 45

Calculation:

Firm “A”: Highest revenue proposal and receives 45 points

Firm “B”: $\$15,000 / \$20,000 \times 45 \text{ points} = 33.75 \text{ points}$

Firm “C”: $\$10,000 / \$20,000 \times 45 \text{ points} = 22.50 \text{ points}$

Letter of Interest

Bettoli Vending Established on November 2000. It was created by the acquisition of a small vending company with 350 active machines. After an intensive analysis, education within the industry and mastering the technological advances of the industry, we started our significant growth in 2007. Today we have over 1800 active machines, growing over 350% in less than 10 years. Our growth has not been coincidental. It was the result of a perfect mix of proper operation, implementation of proven technologies, education to our staff and dedication to our clients. Today, we operate with over 30 employees; who are trained by strict industry standards.

The industry progresses and we have always kept up with proven technologies that gives benefits to our clients and customers. We have integrated immediate customer service communication by integrating mobile app pages into our forms of communication. this form has been welcomed primarily by our younger customers, whom also have put stress into the healthier product lineups.

The technology has also been our best allied on beating the stigma of accountability in this industry. Being able to show such level of data is key on ensuring money is accounted properly.

As technology continues to advance, we reached a level in which most problems are electronically reported by the machine directly to us without human intervention.

This technology has placed us at the forefront of customer service performance. Increasing customer satisfaction and increasing equipment reliability.

For the past 12 years we have been using GPS tracking technology. This has helped us maximize our response time and efficiencies. As well confirm site visits if in doubt.

For the past 5 years we have integrated technology further by providing our staff with smartphones able to provide video conference. This has reduced our response time to service calls significantly. Many times the closest staff to a machine is not the service technician. However, with video conference the route staff is able to quickly show what the problem is providing us the ability to speed up the response. Either by allowing the office to know if a not common part might be needed or simply by informing the staff in front of the machine what to do to place the machine back in operation, many times reducing the service call to just minutes from the reported time.

The city currently has about 26 machines. These machines can all be serviced in 1 day with repeat service for those machines that require it as needed. Currently we have multiple vehicles already servicing machines near Pembroke Pines. It would be easy to integrate all 26 machines plus the 14 new locations or more into our ongoing schedule of service.

Our service fleet is integrated by multiple routes and technicians. Some of them with Journeyman Designation training by the National Automatic Merchandising Association.

Service Narrative

Our management plan is to install the proper equipment for each location. And schedule service at twice per week at community centers and once per week for all other areas. Schedule will be adjusted every 2 weeks during the following 2 months. We will maintain communication with the different departments so we can adjust schedule for special events such as summer camps and city wide events. The operations and Police department will be placed on our emergency list for pre and post hurricane emergency stops.

As it comes to equipment, we have used all brands and have tested most models available. We are willing to work with the City if a specific brand/model is necessary. On the next few pages you will see catalogs corresponding to many of these models.

Equipment Detail

Our plan is to implement **100% ADA compliant equipment**. With 4in1+ Credit Card acceptors in all machines, the 4in1+ is a device able to accept multiple forms of payments such as, credit card, mobile payments (Apple Pay, Android pay, etc.), RFID Credit Cards and allows us to combine it with the bill acceptor which can be program to accept up to \$20 bills.

For snack machines: Our preference is to use the state of the art, Crane Merchant Media. In both models (4 columns wide and 6 columns wide), We have used these machines successfully. We always inspect and test all models of machines available in the NAMA ONE SHOW, where the top 10 vending machine manufacturers are present, we are happy to discuss any ideas the City may have.

For Beverage Machines we plan to use Royal Vendors for Closed front machines and Bevmax 4 for the glass front machines. The machine would be chosen based on volume and location.

For the ice-cream machines our plan is to use the Leader in the industry of Ice cream vending, Fastcorp with its robotic arm delivery system. These machines can also handle frozen food where needed. The same cashless devices would also be used on these machines.

Please see the factory brochures on the next pages, here you can see that the machines we plan to use meet tier 2 energy star rating. And the snack machines do not display it because the rating is only applied to refrigerated machines. However, even the snack machines are program to power down the lights after long periods of inactivity.

Maintenance Plan

General maintenance will occur when the equipment is service. On a seasonal basis the machines will undergo a through clean/lube maintenance. Also, the staff is train to spot and report maintenance issues before they become a problem, ensuring continuity of service.

Refunds

Refunds will be handle in a method as chosen by the city. Different methods may be proposed for the same site.

1. Cash system. We can leave a refund bank for an onsite person to handle the refunds.
2. Coupons. We can leave coupons that may be used in the machines as regular cash for a free item.
3. Cash by mail. We can mail refunds as these are requested directly to each customer.

4. Any of these systems may be used in combination with our information app. Available at www.VendingRefunds.com this will guide you thru one of Multiple choices such as Refunds, Products requests, Service requests, etc.

We still want to make mentioned that all our machines are equipped with Sensors that will ensure delivery of the product and are design to over deliver product in case of failure. This significantly reduces the number of service calls and almost eliminates the need for refunds.

Sub-Contractors

We use Advance Ice Cream Co. as out only sub-contractor to provide ice cream vending machines to our clients.

Schedule

All 40 machines can be installed in Three days. However, to ensure a Smooth transition from your current vendor, we would recommend to install in 1 week, we would coordinate with the current operator to minimize the down time. This timeline ensures a smooth transition plan.

Vending Menu

We stock hundreds of different products, many of which are considered healthy under the guidelines set by the USDA for Schools. Bettoli Vending has develop a system for each department to choose their product by an online survey. Also, We can provide recommendations by type of location.

Letter of Interest

Bettoli Vending Established on November 2000. It was created by the acquisition of a small vending company with 350 active machines. After an intensive analysis, education within the industry and mastering the technological advances of the industry, we started our significant growth in 2007. Today we have over 1800 active machines, growing over 350% in less than 10 years. Our growth has not been coincidental. It was the result of a perfect mix of proper operation, implementation of proven technologies, education to our staff and dedication to our clients. Today, we operate with over 30 employees; who are trained by strict industry standards.

The industry progresses and we have always kept up with proven technologies that gives benefits to our clients and customers. We have integrated immediate customer service communication by integrating mobile app pages into our forms of communication. this form has been welcomed primarily by our younger customers, whom also have put stress into the healthier product lineups.

The technology has also been our best allied on beating the stigma of accountability in this industry. Being able to show such level of data is key on ensuring money is accounted properly.

As technology continues to advance, we reached a level in which most problems are electronically reported by the machine directly to us without human intervention.

This technology has placed us at the forefront of customer service performance. Increasing customer satisfaction and increasing equipment reliability.

For the past 12 years we have been using GPS tracking technology. This has helped us maximize our response time and efficiencies. As well confirm site visits if in doubt.

For the past 5 years we have integrated technology further by providing our staff with smartphones able to provide video conference. This has reduced our response time to service calls significantly. Many times the closest staff to a machine is not the service technician. However, with video conference the route staff is able to quickly show what the problem is providing us the ability to speed up the response. Either by allowing the office to know if a not common part

might be needed or simply by informing the staff in front of the machine what to do to place the machine back in operation, many times reducing the service call to just minutes from the reported time.

The city currently has about 26 machines. These machines can all be serviced in 1 day with repeat service for those machines that require it as needed. Currently we have multiple vehicles already servicing machines near Pembroke Pines. It would be easy to integrate all 26 machines plus the 14 new locations or more into our ongoing schedule of service.

Our service fleet is integrated by multiple routes and technicians. Some of them with Journeyman Designation training by the National Automatic Merchandising Association.

* Prices for employee only locations may be negotiated with a proportional change on monthly fees for that location

Service Narrative

Our management plan is to install the proper equipment for each location. And schedule service at twice per week at community centers and once per week for all other areas. Schedule will be adjusted every 2 weeks during the following 2 months. We will maintain communication with the different departments so we can adjust schedule for special events such as summer camps and city wide events. The operations and Police department will be placed on our emergency list for pre and post hurricane emergency stops.

As it comes to equipment, we have used all brands and have tested most models available. We are willing to work with the City if a specific brand/model is necessary. On the next few pages you will see catalogs corresponding to many of these models.

Equipment Detail

Our plan is to implement **100% ADA compliant equipment**. With 4in1+ Credit Card acceptors in all machines, the 4in1+ is a device able to accept multiple forms of payments such as, credit card, mobile payments (Apple Pay, Android pay, etc.), RFID Credit Cards and allows us to combine it with the bill acceptor which can be program to accept up to \$20 bills.

For snack machines: Our preference is to use the state of the art, Crane Merchant Media. In both models (4 columns wide and 6 columns wide), We have used these machines successfully. We always inspect and test all models of machines available in the NAMA ONE SHOW, where the top 10 vending machine manufacturers are present, we are happy to discuss any ideas the City may have.

For Beverage Machines we plan to use Royal Vendors for Closed front machines and Bevmax 4 for the glass front machines. The machine would be chosen based on volume and location.

For the ice-cream machines our plan is to use the Leader in the industry of Ice cream vending, Fastcorp with its robotic arm delivery system. These machines can also handle frozen food where needed. The same cashless devices would also be used on these machines.

Please see the factory brochures on the next pages, here you can see that the machines we plan to use meet tier 2 energy star rating. And the snack machines do not display it because the rating is only applied to refrigerated machines. However, even the snack machines are program to power down the lights after long periods of inactivity.

Maintenance Plan

General maintenance will occur when the equipment is service. On a seasonal basis the machines will undergo a through clean/lube maintenance. Also, the staff is train to spot and report maintenance issues before they become a problem, ensuring continuity of service.

Refunds

Refunds will be handle in a method as chosen by the city. Different methods may be proposed for the same site.

1. Cash system. We can leave a refund bank for an onsite person to handle the refunds.
2. Coupons. We can leave coupons that may be used in the machines as regular cash for a free item.
3. Cash by mail. We can mail refunds as these are requested directly to each customer.

4. Any of these systems may be used in combination with our information app. Available at www.VendingRefunds.com this will guide you thru one of Multiple choices such as Refunds, Products requests, Service requests, etc.

We still want to make mentioned that all our machines are equipped with Sensors that will ensure delivery of the product and are design to over deliver product in case of failure. This significantly reduces the number of service calls and almost eliminates the need for refunds.

Sub-Contractors

We use Advance Ice Cream Co. as out only sub-contractor to provide ice cream vending machines to our clients.

Schedule

All 40 machines can be installed in Three days. However, to ensure a Smooth transition from your current vendor, we would recommend to install in 1 week, we would coordinate with the current operator to minimize the down time. This timeline ensures a smooth transition plan.

Vending Menu

We stock hundreds of different products, many of which are considered healthy under the guidelines set by the USDA for Schools. Bettoli Vending has develop a system for each department to choose their product by an online survey. Also, We can provide recommendations by type of location.

VETERAN OWNED SMALL BUSINESS (VOSB) PREFERENCE CERTIFICATION

SECTION 1 GENERAL TERM

VETERAN OWNED SMALL BUSINESS (VOSB) PREFERENCE

The evaluation of competitive bids is subject to section 35.37 of the City's Procurement Procedures which, except where contrary to federal and state law, or any other funding source requirements, provides that preference be given to veteran owned small businesses. To satisfy this requirement, the vendor shall affirm in writing its compliance with the following objective criteria as of the bid or proposal submission date stated in the solicitation. A veteran owned small business shall be defined as:

1. "Veteran Owned Small Business" shall mean a business entity which has received a "Determination Letter" from the United States Department of Veteran Affairs Center for Verification and Evaluation notifying the business that they have been approved as a Veteran Owned Small Business (VOSB).

A preference of two and a half percent (2.5%) of the total evaluation point, or two and a half percent (2.5%) of the total price, shall be given to the **Veteran Owned Small Business (VOSB)**. This shall mean that if a **VOSB** submits a bid/quote that is within 2.5% of the lowest price submitted by any vendor, the **VOSB** shall have an option to submit another bid which is at least 1% lower than the lowest responsive bid/quote. If the **VOSB** submits a bid which is at least 1% lower than that lowest responsive bid/quote, then the award will go to the **VOSB**. If not, the award will be made to the vendor that submits the lowest responsive bid/quote. If the lowest responsive and responsible bidder IS a "**Local Pembroke Pines Vendor**" (**LPPV**) or a "**Local Broward County Vendor**" (**LBCV**) as established in Section 35.36 of the City's Code of Ordinances, entitled "Local Vendor Preference", then the award will be made to that vendor and no other bidders will be given an opportunity to submit additional bids as described herein.

If there is a **LPPV**, a **LBCV**, and a **VOSB** participating in the same bid solicitation and all three vendors qualify to submit a second bid, the **LPPV** will be given first option. If the **LPPV** cannot beat the lowest bid received by at least 1%, an opportunity will be given to the **LBCV**. If the **LBCV** cannot beat the lowest bid by at least 1%, an opportunity will be given to the **VOSB**. If the **VOSB** cannot beat the lowest bid by at least 1%, then the bid will be awarded to the lowest bidder.

If multiple **VOSBs** submit bids/quotes which are within 2.5% of the lowest bid/quote and there are no **LPPV** or **LBCV** as described in Section 35.36 of the City's Code of Ordinance, entitled "Local Vendor Preference", then all **VOSBs** will be asked to submit a **Best and Final Offer (BAFO)**. The award will be made to the **VOSB** submitting the lowest **BAFO** providing that that **BAFO** is at least 1% lower than the lowest bid/quote received in the original solicitation. If no **VOSB** can beat the lowest bid/quote by at least 1%, then the award will be made to the lowest responsive bidder.

COMPARISON OF QUALIFICATIONS

The preferences established in no way prohibit the right of the City to compare quality of supplies or services for purchase and to compare qualifications, character, responsibility and fitness of all persons, firms or corporations submitting bids or proposals. Further, the preference established in no way prohibit the right of the city from giving any other preference permitted by law instead of the preferences granted, nor prohibit the city to select the bid or proposal which is the most responsible and in the best interests of the city.

SECTION 2 AFFIRMATION

VETERAN OWNED SMALL BUSINESS (VOSB) PREFERENCE CERTIFICATION:

- ☐ Place a check mark here only if affirming bidder meets requirements above as a Veteran Owned Small Business. In addition, the bidder must attach the "Determination Letter" from the U.S. Dept. of Veteran Affairs Center.
- ☒ Place a check mark here only if affirming bidder does not meet the requirements above as a VOSB.

Failure to complete this certification at this time (by checking either of the boxes above) shall render the vendor ineligible for VOSB Preference. This form must be completed by/for the proposer; the proposer WILL NOT qualify for VOSB Preference based on their sub-contractors' qualifications.

EQUAL BENEFITS CERTIFICATION FORM FOR DOMESTIC PARTNERS AND ALL MARRIED COUPLES

Except where federal or state law mandates to the contrary, a Contractor awarded a Contract pursuant to a competitive solicitation shall provide benefits to Domestic Partners and spouses of its employees, irrespective of gender, on the same basis as it provides benefits to employees' spouses in traditional marriages.

The Contractor shall provide the City and/or the City Manager or his/her designee, access to its records for the purpose of audits and/or investigations to ascertain compliance with the provisions of this section, and upon request shall provide evidence that the Contractor is in compliance with the provisions of this section upon each new bid, contract renewal, or when the City Manager has received a complaint or has reason to believe the Contractor may not be in compliance with the provisions of this section. Records shall include but not be limited to providing the City and/or the City Manager or his/her designee with certified copies of the Contractor's records pertaining to its benefits policies and its employment policies and practices.

The Contractor must conspicuously make available to all employees and applicants for employment the following statement:

“During the performance of a contract with the City of Pembroke Pines, Florida, the Contractor will provide Equal Benefits to its employees with spouses, as defined by Section 35.39 of the City's Code of Ordinances, and its employees with Domestic Partners and all Married Couples”.

The posted statement must also include a City contact telephone number and email address which will be provided to each contractor when a covered contract is executed.

SECTION 1 DEFINITIONS

1. **Benefits** means the following plan, program or policy provided or offered by a contractor to its employees as part of the employer's total compensation package which may include but is not limited to sick leave, bereavement leave, family medical leave, and health benefits.
2. **Cash Equivalent** mean the amount of money paid to an employee with a domestic partner or spouse in lieu of providing benefits to the employee's domestic partner or spouse. The cash equivalent is equal to the employer's direct expense of providing benefits to an employee for his or her spouse from a traditional marriage.
3. **Covered Contract** means a contract between the City and a contractor awarded subsequent to the date when this section becomes effective valued at over \$25,000 or the threshold amount required for competitive bids as required in section 35.18(A) of the Procurement Code.
4. **Domestic Partner** shall mean any two (2) adults of the same or different sex who have registered as domestic partners with a governmental body pursuant to state or local law authorizing such registration, or with an internal registry maintained by the employer of at least one of the domestic partners. A contractor may institute an internal registry to allow for the provision of equal benefits to employees with domestic partners who do not register their partnerships pursuant to a governmental body authorizing such registration, or who are located in a jurisdiction where no such governmental domestic partnership registry exists. A

contractor that institutes such registry shall not impose criteria for registration that are more stringent than those required for domestic partnership registration by the City of Pembroke Pines.

5. **Equal benefits** means the equality of benefits between employees with spouses and/or dependents of spouses and employees with domestic partners and/or dependents of domestic partners, and/or between spouses of employees and/or dependents of spouses and domestic partners of employees and/or dependents of domestic partners.
6. **Spouse** means one member of a married pair legally married under the laws of any state within the United States of America or any other jurisdiction under which such marriage is legally recognized, irrespective of gender.
7. **Traditional marriage** means a marriage between one man and one woman.

SECTION 2 CERTIFICATION OF CONTRACTOR

The firm providing a response, by virtue of the signature below, certifies that it is aware of the requirements of Section 35.39 "City Contractors providing Equal Benefits for Domestic Partners and all Married Couples" of the City's Code of Ordinances, and certifies the following (**Check only one box below**):

- ☒ **A.** Contractor currently complies with the requirements of this section; or
- ☐ **B.** Contractor will comply with the conditions of this section at the time of contract award; or
- ☐ **C.** Contractor will not comply with the conditions of this section at the time of contract award: or
- ☐ **D.** Contractor does not comply with the conditions of this section because of the following allowable exemption (**Check only one box below**):
- ☐ **1.** The Contractor does not provide benefits to employees' spouses in traditional marriages;
- ☐ **2.** The Contractor provides an employee the cash equivalent of benefits because the Contractor is unable to provide benefits to employees' Domestic Partners or spouses despite making reasonable efforts to provide them. To meet this exception, the Contractor shall provide a notarized affidavit that it has made reasonable efforts to provide such benefits. The affidavit shall state the efforts taken to provide such benefits and the amount of the cash equivalent. Cash equivalent means the amount of money paid to an employee with a Domestic Partner or spouse rather than providing benefits to the employee's Domestic Partner or spouse. The cash equivalent is equal to the employer's direct expense of providing benefits to an employee's spouse;
- ☐ **3.** The Contractor is a religious organization, association, society, or any non-profit charitable or educational institution or organization operated supervised or controlled by or in conjunction with a religious organization, association, or society;
- ☐ **4.** The Contractor is a governmental agency;

The certification shall be signed by an authorized officer of the Contractor. Failure to provide such certification (by checking the appropriate boxes above along with completing the information below) shall result in a Contractor being deemed non-responsive.

This requirement affects all public entities of the State and becomes effective January 1, 1991. The special condition is as follows:

IDENTICAL TIE BIDS - Preference may be given to businesses with drug-free workplace programs. 2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after each conviction.
5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

SECTION 2 AFFIRMATION

☒ Place a check mark here only if affirming bidder **complies fully** with the above requirements for a Drug-Free Workplace.

☐ Place a check mark here only if affirming bidder **does not** meet the requirements for a Drug-Free Workplace.

Failure to complete this certification at this time (by checking either of the boxes above) shall render the vendor ineligible for Drug Free Workplace Preference. This form must be completed by/for the proposer; the proposer WILL NOT qualify for Drug-Free Workplace Preference based on their sub-contractors' qualifications.

SUMMARY EXPLANATION AND BACKGROUND:

1. On August 22, 2018, the City Commission authorized the advertisement of RE-18-12 "Vending Machine Services", which was advertised on August 28, 2018.

2. The purpose of this solicitation was to establish a contract to furnish, install, stock, replenish and maintain beverage machines, snack machines or both at various City locations, in accordance with the terms, conditions, and specifications contained in this solicitation. The selected vending company shall provide a monthly commission (revenue) to the City of Pembroke Pines.

3. On September 25, 2018, the City opened five (5) proposals from the following vendors:

Vendor Name	% of Gross Sales Payable to the City	Minimum Amount Per Month Payable to the City, Per Machine
InstaHealthy	15%	\$ 0.00

Double R Vending	25%	\$	76.50
Right Choice Vending	33%	\$	10.00
Bettoli Trading Corp	20%	\$	51.00
Global Vending Service	10%	\$	142.20

4. On November 5, 2018, the City convened an evaluation committee to evaluate the qualifications of the proposers based on the weighted criteria provided for in the bid documents and listed below:

- Resale Pricing and Approach (40%)
- References, Experience and Ability (10%)
- Revenue Proposal (45%)
- Local Vendor Preference/Veteran Owned Small Business Preference (5%)

5. At the November 5, 2018 meeting, the evaluation committee deemed GLobal Vending Service and Right Choice Vending as non-responsive as they did not submit all of the required bid documents.

6. The evaluation committee then made a motion, which passed unanimously, to reconvene the committee at a later date where the remaining three vendors would appear for a short presentation followed by a question/answer session with the evaluators.

7. The evaluation committee reconvened on November 14, 2018. The evaluators met with each of the shortlisted vendors for a total of ten minutes where they were able to ask questions for clarification.

8. At the November 14, 2018 meeting, the evaluation committee ranked the remaining vendors as shown below:

Rank	Vendor Name
1	Bettoli Trading Corp
2	Double R Vending
3	InstaHealthy

9. Based on the scoring results, the evaluation committee unanimously approved a motion to recommend the City Commission to award RE-18-12 "Vending Machine Services" to the first ranked vendor, Bettoli Trading Corp.

10. Bettoli Trading Corp has also completed the Equal Benefits Certification Form and has stated that the "Contractor currently complies with the requirements of this section".

11. Request Commission to approve the findings and recommendation of the evaluation committee and to award RE-18-12 "Vending Machine Services" to Bettoli Trading Corp.
