SUMMARY EXPLANATION AND BACKGROUND:

1. In 2002, the voters of Broward County approved a charter amendment requiring Broward County to establish and fund communications infrastructure for fire and emergency medical services to facilitate "Closest Unit Response" to life-threatening emergencies.
2. The Closest Unit Response initiative will give the Broward County Regional 911 Communication Centers the ability to identify the exact location of all participating fire rescue vehicles utilizing Global Positioning Satellite (GPS) technology and to be able to dispatch the closest, most appropriate vehicles to life-threatening emergencies.
3. The Closest Unit Response initiative has the support of the Fire Chiefs' Association of Broward County.
4. Recommend the City Commission to adopt Proposed Resolution No. 2021-R-52 approving the interlocal agreement for cooperative fire, rescue, emergency medical services, and special operations response through automatic aid and closest unit response between the City of Pembroke Pines, the Broward County Sheriff's Office, Broward County, and other municipalities.
