**Re: Altis Pembroke Gardens – Sanitary Repairs under SW 5th St.
Engineer's Certification**

Dear Ms. Manning,

I am writing this letter to inform you that the sanitary sewer scope of work performed under SW 5th St., as highlighted in the attached as-built drawing, has been correctly installed and completed. The cost for the repairs of the sanitary sewer line is valued at \$62,606.50.

Considering the above, I hereby certify to the correct installation and completion of all the infrastructure described above and in the attached as-built drawing, and that said scope of work was constructed in substantial compliance with the approved requirements and specifications set forth by the City of Pembroke Pines.
