

The Village South Presents

2ND ANNUAL SHE-ROES SPONSORSHIP OPPORTUNITIES

Uplifting the Human Spirit

For over 40 years The Village South of the Westcare Foundation has been uplifting the human spirit through helping mothers with children by treating their addiction. We are located in Pembroke Pines, Florida, and now serve over 60 mothers and 55 children each month. This nurturing facility has grown into a beautiful 5.5-acre campus and offers both residential and outpatient treatment in order to assist women in breaking their drug addiction cycle and creating a life of success.

The impact of your giving will push the center's capacity forward to serve families in crisis by increasing residential housing and creating dynamic children's programs that improves social development during childhood. Your generous donation will further help curtail the local growing epidemic of the opioid crisis that is currently affecting so many mothers and their babies nationwide.

Key Audiences, Key Markets

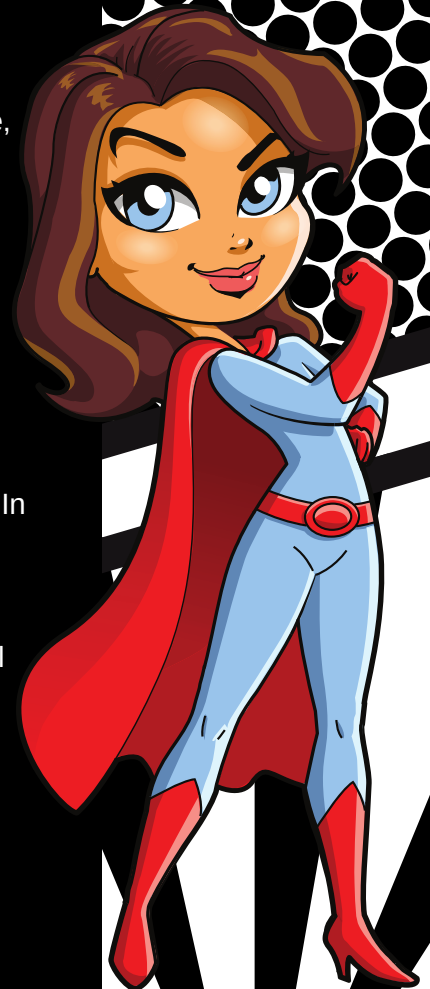

When you partner with The Village South, you are partnering with integrity and value. Our donors have an income range of \$80,000 - \$150,000, own their own homes, and live in the surrounding areas of Pembroke Pines, Fort Lauderdale, Weston, Davie, Cooper City, and Miami.

This event will bring attention to your company and brand because we are honoring powerful and passionate women in our community. We are anticipating 300 guests in attendance. In 2018 we sold 245 tickets and had 225 guests in attendance. And this year the location is at the prestigious Weston Hills Country Club in Weston, Florida.

Each guest will be exposed to your logo, name, and signage to promote your business. Your logo and name will be sent out to over 1,500 donors in our database. In addition, you may also have your logo on printed materials.

Your donation *will* change lives

Best of all, you will also be known for supporting your community and this very special non-profit that helps mothers and babies, which is priceless. Together we can change lives. Let us know which level is of interest to you so we may discuss the benefits you will receive for your generosity.
