My pleasure – just a word more to clarify:

I'm the editor of *City & Shore*, the monthly magazine of the *Sun Sentinel*. I worked in partnership with Chris and Pediment Publishing in 2017 to produce *Looking Back, A Photographic History of Broward and Palm Beach Counties*, <https://store.sun-sentinel.com/product/7QAMSS001/looking-back-a-photographic-history-of-broward-and-palm-beach-counties>. I wrote the forward of the book and edited the copy throughout. I'm happy to say the book was a success and Pediment reached out to the *Sun Sentinel* earlier this year to do a second edition, to be released in spring 2020. The *Sun Sentinel* asked me to shepherd the project again – and I'm happy to do so as part of my duties here. The book is available through the *Sun Sentinel* store, and is marketed extensively in *Sun Sentinel* print and online platforms. If I can answer any additional questions, please don't hesitate to ask at the email or numbers below.

All the best,

/mark

Hi Mark,

Our editor, Brooke Horn (copied on this email), has been lining up partnerships across both counties for the upcoming second volume of the Looking Back series to be released Mother's Day 2020. Recently, she made contact with Holly Bonkowski with the City of Pembroke Pines (also copied on this email).

Holly has requested verification that the Sun Sentinel is partnering with us, Pediment Publishing, to help pull together this book. Can you reply all to confirm, please?

Thanks,  
Chris
