HAND DELIVERED

City of Pembroke Pines
601 City Center Way
Pembroke Pines, Florida 33025

SUBJECT: Publix at Village Square
1657 North Hiatus Road
Pembroke Pines, FL 33026
Water and Sewer Certification

To whom it may concern:

The undersigned, as Civil/Site Engineer of Record for the above referenced permit, hereby states that he has inspected the water and sewer work in progress and performed a final inspection after construction was completed; and, based upon those inspections, hereby certifies to the best of his knowledge and belief, that the components of the water and sewer system for the above referenced project has been installed in substantial compliance with the approved drawings, specifications and other permit documents; and, in accordance with applicable Codes and regulations of authorities having jurisdiction over the work.

Should you have any questions, please do not hesitate to call.

Sincerely,

Consulting Engineering & Science, a Gräef Company
