RE: PDQ Restaurant Pembroke Pines

Dear Mr. Houlihan:

The City of Pembroke Pines Environmental Services/Engineering Division has reviewed the Televised Videos and accompanying Report, as prepared by A-1 Pipe Cleaning Company dated November 1, 2019, for the above referenced project and the installed gravity sewer system as televised has been found to be acceptable at this time based upon the Environmental Services/Engineering Division's Standards and Engineering Plans originally approved by this Division under the project's 'Construction Permit'.

Based upon acceptance of the gravity sewer system improvements at the end of the City required 'Warranty Period', our office hereby approves the processing of the release of the in-place 'Maintenance Bond' for the project.

Should you have any questions relative to the any of the above, do not hesitate to contact me at (954) 518-9046 or our Division office at (954) 518-9040.

Sincerely,

CITY OF PEMBROKE PINES
