**Subject: Gardner Denver Multistage Centrifugal Blowers
Sales and Service Representation for the State of Florida**

To Whom It May Concern:

This letter is to advise the City of Pembroke Pines, Florida, that your county is serviced for the Gardner Denver Blower CF Division blower product line by our local sales representative office, TSC-Jacobs, Inc. Our local Florida sales rep, TSC-Jacobs/JAWS Jacobs Air Water Systems, Inc has a 100 % exclusive sales representation contract, since July 3, 2003, with the Gardner Denver Blower CF Division, for the complete state of Florida, for all markets including all of the municipal and industrial wastewater and/or water treatment blower applications.

This exclusivity is for the complete Gardner Denver CF multistage blower product line including the former Hoffman Air & Filtration Blower line, the former Lamson Corporation blower line, the former Invincible blower line, for all wastewater and water treatment applications in, municipal or industrial, sewage and water treatment plants.

This 100 % exclusivity not only applies to all new equipment sales, it also encompasses all installations, start-up and maintenance service contract for new and existing Gardner Denver, Hoffman, Lamson and Invincible blowers and exhausters in the state of Florida. This 100 % exclusivity is also applicable for all Gardner Denver factory authorized service work, all replacement blowers, along with all spare and replacement blower and exhauster parts including motors and coupling replacement parts for the Gardner Denver multistage blowers.

Sincerely,

George Hubbard
National Sales Manager
